## Social Security Notes

Your local social security office in Covington has quite a task in seeing to it that the beneficiaries in its area receive their benefit checks on a timely basis each month.

James W. Myers, Boone County Field Representative, stated that the big problem in this area was the fact that many people move each month and fail to notify the Social Security Office and their local post office of their new address. As a result many checks can not be delivered and must be returned for a paper address.

Most people need the check each month for their current needs, and are really placed under a hardship when they fail to receive the check. This situation can be avoided if each beneficiary will report to the Social Security Office immediately if he changes his address. A notice should also be given to their local post office of the change of address.

Last River Cave, 2 miles south of Bowling Green, is said to have been a hideout of the James brothers, notorious outlaws.

## HE WALKS AMONG THE STARS

In Memoriam: John F. Kennedy

You walk among the heavens bright,  
God knows you tried to do everything right;  
To all mankind you spread a light,  
So we might sleep in peace this night.

I know that God on his heavenly throne,  
Has a gain, and we a loss;  
To (You) Brother John, in your heavenly home,  
We stand united at the foot of the cross.

In our dear hearts, you will always stay,  
If it were not true, I would not say;  
It must have been planned just that way,  
On that unforgettable November day.

—Donale R. House, Walton-Verona High School

## Local Band Boosters Plan for Ham Dinner

The December meeting of the Walton-Verona Band Boosters was held in the music building at the school here in Walton.

Mrs. Roy Brewster appointed committees for the ham dinner to be given at the Walton-Verona cafeteria on Friday, January 31, starting at 5:00 p. m. Be sure to prepare for an evening out with your family, and boost the band at the same time. Watch this paper for more details.

The band has progressed greatly under the leadership of James Layne, talented bandmaster. It has such large growing pains that much money is necessary to care for it properly.

A wonderful Christmas program of music, by both schools, under the leadership of Mr. Layne, was enjoyed by one of the largest crowds ever assembled in the local auditorium.

Please keep an open date for the ham dinner which will be served to you by the band. Many of these young people had their first glimpse of the state capital building as they marched before Gov. Ned Breathitt's reviewing stand on Inauguration Day.

We wish to thank you for making it possible, through your constant gifts to our many fund-raising projects. Thank you everyone. See you at the ham dinner. —Secretary

## Staffordburg Homemakers

The Staffordburg Homemakers Club held their December meeting and Christmas party at the Methodist Church with 22 members answering roll call. Miss Zelma Byerly, County Demonstration Agent, was among those present.

The meeting was called to order by Mrs. R. Hamby, president. It was voted to give a donation to the Clinton County 4-H Camp. Mrs. Hill read a letter of thanks from the Children's Home for books sent them, after which she read the Christmas story. Mrs. Shaw gave a lesson on beautification and how to care for shrubs through the winter. A bushel basket of food was sent to a needy family.

After all business, the meeting was closed and all turned to the Christmas party. The tables were beautifully decorated with candles and flowers, Santa Claus napkins, and favors for all. We enjoyed a dinner of turkey and all the trimmings, including pecan, mince and pumpkin pie, after which an exchange of gifts was held, games played and Christmas Carols sung.

The next meeting will be held on January 21 at the home of Mrs. Marvin Adams, 2724 Iowa Avenue, Latonia.

The next meeting of this 4-H Club will be held at the home of Vickie Fennell, on January 13.

## To Organize Adult Education Classes

On Thursday evening, January 9, at 7:00 p. m., there will be an organizational meeting for adult education classes at the Walton-Verona High School Library.

According to the responses on the forms distributed before Christmas, there is enough interest for a typing class and possibly a general education class. There really is a need for six or eight more people for the general education class. However, if the people who indicated the interest are still interested after the meeting on Thursday, we will plan to continue with the class.

Anyone that is interested and did not contact us before Christmas, would be welcome to come and enroll for the classes. In fact you are encouraged to do this.

The library will be open January 6 and the public is invited to come and make use of this facility between the hours of 7:00 and 9:00 p. m., according to Superintendent Robinson.

## Literary Club to Meet

The Walton-Verona Literary Club will meet on Wednesday, January 8 at 2:00 p. m., in the Walton Methodist Church. Hostesses are Mrs. W. H. Presser and Mrs. D. L. Lusby.

## COUNTY AGENT'S 1/2 ACRE

By Joe Cleason

Now that winter is here, a few warnings about the hazards of winter may be appreciated. Slippery walks and steps can bring about some very painful falls, especially for the older folks in the household. During the winter, keep the walking areas clear of ice and snow, or a sprained ankle is not fun—a little work and a lot of care can prevent them.

Mr. Cleason

Civilization reaches upward from the shoulders of agriculture. It began when one man consistently could grow more food and fiber than he needed for himself. Thus, he helped feed and clothe another who could, then, become a craftsman or perform other services.

Ours was an agrarian nation when George Washington said, "With reference either to individual or national welfare, agriculture is of primary importance."

Ours was an industrial nation when Theodore Roosevelt declared, "The man who actually tills the soil is the man who is the foundation of our whole structure."

In no other country and at no other time in our history has agriculture provided so well for so many people as it does in the United States today. Agriculture is as vital as ever to the economy, well-being, and strength of the U. S.

American agriculture also helps to undergird the free world. The pro-

ductivity of American farmland and the unmatched efficiency of the American farmer are powerful forces for peace.

Do you know how many people there are on this earth? Well, there were three billion, one-hundred eighty million people on this earth in mid-1963, a gain of 185 million in only three years. World population increased by one-fifth during the 1950's, with a numerical gain of half a billion people. That increase about equals the estimated population of the entire world in 1650.

Asia has the largest share of the world's people—one billion, 800 million, or 56 percent. For the first time in history, the combined population of the Americas surpassed that of Europe—including the USSR. The Americas have a combined population of 441 million, as compared to Europe's 437 million. Each has about 14 percent of the world's people. Africa, with only 272 million people has 8 1/2 percent. The USSR has 225 million or 7 percent.

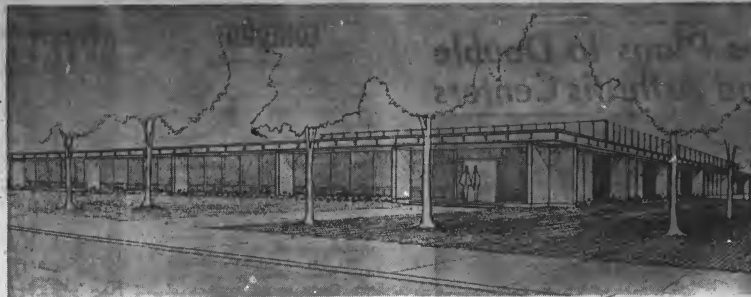

Five of the world's most populous nations are in Asia. China with an estimated 731 million people is the giant of them all. India with 461 million is second. The United States has 190 million.

### CARD OF THANKS

I want to thank everyone for all their kindness during my illness. I certainly appreciate the cards, gifts, and prayers from all the churches. I want to especially thank my neighbor, Mrs. Markberry, for all she did during my stay in the hospital.

## Home For Educational TV

PROPOSED HEADQUARTERS for the Kentucky Authority for Educational Television is shown in this architect's sketch. It is planned for University of Kentucky-owned property at 156-166 Virginia Avenue, near the main campus in Lexington. Construction may start early next year. The one-story structure will house the Authority's main administrative offices and central production facilities. Preliminary plans have been approved by the Kentucky Department of Finance. Architects are Louis and Henry, Louisville. Until the Lexington facility is completed, programs will be beamed from Jefferson County's educational station near Louisville.

## TAYLOR MILL

Ernest J. Kyle, Reporter

DEC. 20—Four below zero. Bought ton of chunk coal from Jim Mueller for utility room. The only place we don't have heat.

DEC. 22—Mr. and Mrs. Charles Dorsey left today to spend the holidays with their son, Capt. Richard Dorsey, and family now located at Maxwell Field in Alabama.

DEC. 23—Still cold, but shows signs of a warming trend for Xmas Eve.

XMAS EVE, DEC. 24—Today is the climax to the weeks of shopping, people running here and there. Quite a few of our relatives left packages for us and others of our family who will make their annual visit to the farm to pick up their presents, and some will be back tomorrow to help

us eat turkey, oysters, cranberries and all that goes with it. It will be a happy day for us and we hope for them too, as we honestly believe no one has a family who remembers their parents more than ours.

DEC. 25—A beautiful day and much warmer and that is surely welcome. We arose at 7:30 and after breakfast we began opening our presents.

For mom, new dresses, electric heating pad, house slippers, jewelry, spice cabinet installed in the kitchen by her grandson, sweaters, slippers, hose, even an umbrella. For dad, a new billfold (my old one was getting ragged), a new \$10 bill inside, 2 sweaters, pair gloves, socks, and handkerchiefs adored, desk set with two Chevrolet for bookends, 3 flannel shirts, 2 sweaters, house shoes, even a roulette wheel, with chips and little ball that goes round and round.

Visitors at the farm the past week were Bob Brumback and family, Maud Brumback, Carlos Petty, wife and family, Chris Akip, wife and son. Chas. Dorsey and wife have returned from spending the holidays with their son, Capt. Richard Dorsey, and family at Maxwell Air Base, in Alabama.

Of all the tragic things that came during the holidays, the worst was cattle desolation. We just can't imagine anyone watching cattle starve. I'd rather give them away to someone who had feed and water, which we know could have been done. We feel sorry for the owner as, in addition to being broke, he needed psychiatric treatment.

Well, here's wishing the Advertiser staff and all of its many readers our best wishes for a profitable and happy year in 1964.

The County of Kenton, Kentucky, will, until 9:30 A. M., E. S. T., on the 16th day of January, 1964, at the regular meeting place of the Fiscal Court in Independence, Kentucky, receive sealed competitive bids on \$510,000 of its County of Kenton (Kentucky) School Building Revenue Bonds, dated December 1, 1963. The minimum bid is the face amount plus accrued interest from December 1, 1963, and bidders must name a coupon rate or rate in multiples of 1/8 or 1/10 of 1%, not to exceed 6%. Bids must be made on Bid Forms which may be obtained from the undersigned or from Charles A. Hirsch & Company, Inc., Fiscal Agent, 1001 Fifth Third Bank Building, Cincinnati 2, Ohio, which will also furnish further information as to the sale of such bonds, and shall be enclosed in sealed envelopes marked on the outside "Bid for County of Kenton (Kentucky) School Building Revenue Bonds." Such bonds will be sold to the highest and best bidder, provided, however, the County reserves the right to reject any or all bids. The required good-faith check is \$10,200. Upon failure of the successful bidder to take up and pay for such bonds when ready such check shall be forfeited by such bidder, and the amount of such check will be deemed liquidated damages for such default. Such bonds are offered for sale subject to the principal of and interest on such bonds not being subject to Federal or Kentucky ad valorem or income taxation on the date of their delivery to the successful purchaser and subject to the unqualified approving legal opinion of Skaggs, Hays and Foley, Attorneys, Louisville, Kentucky, at no additional cost to the successful bidder. The successful bidder will be furnished such opinion, printed bond forms and the usual closing papers, including the customary no-litigation certificate. Delivery of the executed bonds to the successful purchaser will be made in Louisville or Lexington, Kentucky, Cincinnati, Ohio or Nashville, Tennessee, at no expense to the purchaser for the transportation charges in connection with such delivery. Delivery of such bonds will be made at any other place desired by the purchaser at his expense. County of Kenton, Kentucky (Signed) W. J. Bevers, County Clerk. It-1c

## Off to a running start!

IN RECENT YEARS, the economic development of the South has set a mighty fast pace. According to a just-released U. S. Department of Commerce report, the South in the past decade raced ahead of the nation in rates of growth in 26 of the 31 industrial and commercial activities surveyed. Among these were such meaningful economic "yardsticks" as bank deposits, personal income, value of construction work and expenditures for new plants and equipment.

All signs point to another big year ahead for the South. Along the lines of Southern Railway System alone, so many major industrial developments are "in the works" that 1964 — already off to a running start — promises to continue, and

perhaps even exceed, the pace-setting growth of the past few years.

This is great news for all in the South. Sound, diversified industrial expansion creates new wealth, new markets, new job openings and broader vocational opportunities that are particularly attractive to our trained young people, encouraging them to remain in the South. Prosperity breeds prosperity — and everyone benefits. Let's all work together to make 1964 the "best year yet" for the South.

Walter Perry got out of the hospital just before Christmas and spent the holidays with his son, Arnold Perry, on Mills Road. He has now returned to his home on Sugar Camp Road.

Mrs. Lucy McGaha, mother of Mrs. Roscoe Egger, fell on Christmas morning and broke her hip. She is now a patient at St. Elizabeth Hospital.

Mr. and Mrs. Arthur Herron and Mrs. Elizabeth Egger went to Winchester, Ky., over the weekend for the funeral of their nephew, Gordon Jones, of Winchester.

Mr. and Mrs. William Luken of Ridgeway Drive, are rejoicing over the 18-month-old baby boy they have received for adoption. They have twins that they adopted several years ago.

We were sorry to hear of the death of Mrs. Reona Stephens of Independence. We have known Mrs. Stephens since we were a little girl and she was a mighty fine lady.

We extend our sympathy to Mrs. Mary King and Mrs. Virginia Schoaf whose father, Walter Moore, passed away last Friday. Mr. Moore lived on Mafford Drive.

We were sorry to learn of the sudden death of Mrs. Ethel Parker of Cincinnati, who formerly lived on Senour Road.

Mr. and Mrs. Warren Dorman and children of Shelbyville, Ky., spent Saturday with their mother, Mrs. Oral Dorman of Lipscomb Road.

Congratulations to Mr. and Mrs. Robert Dorman of Spring Lake, who were married December 21 at the Church of Christ in Latonia. Mrs. Dorman is the former Beverly Bell.

# March of Dimes Plans to Double Birth Defects and Arthritis Centers

Announcing plans to double the present number of March of Dimes birth defects and arthritis centers in the nation, the world's most successful voluntary health organization this week launched its traditional January fund-raising appeal.

Basil O'Connor, president of The National Foundation-March of Dimes, which financed development of both polio vaccines, said the goal this year would be \$45 million, "a sum our medical and scientific advisers agree we can wisely use to combat the ravages of these crippling diseases. This sum would apply to patient care, research, professional and public education."

The March of Dimes now supports some 77 birth defects and arthritis treatment centers across the country. According to Dr. William S. Clark, director of the medical department of The National Foundation-March of Dimes, the national dimensions of the health problems posed by birth defects and arthritis "have grown to a point where this nation requires at least 100 centers for birth defects and 50 for arthritis."

"Through the generosity of the American people, we will build up our chapter and center programs across the United States to meet their needs. Our offensive against both these crippling afflictions will be redoubled in 1964."

Leading in this offensive will be the members of the 3,000 March of Dimes chapters in the nation plus the volunteers they enlist—an expected army of two million people. The campaign continues throughout January and culminates with the Mothers' March during which some 15 million homes are visited from coast to coast. In addition, a total of 38 million "mailers" are distributed nationally to inform families of the health aims of the March of Dimes and they also serve as a means of returning contributions to local chapters. The herculean task of addressing these envelopes regionally is uselessly assumed by volunteers—thousands of teenagers, homemakers, grandmothers.

Helping to dramatize the

Mary Lou Graves, the 1964 National March of Dimes Child

campaign will be the cross-country tour of winsome Mary Lou Graves, 5, of Flint, Mich., who was born with an open spine, since repaired, and who developed excess water on the brain, another birth defect which has now rectified itself. Mary Lou, however, is paralyzed in the legs but moves with surprising alacrity with leg braces, crutches and her wheelchair. In addition to vivacious Mary Lou as the National March of Dimes Child, many states, counties and municipalities across the country designate their own March of Dimes Child symbolizing the aims of their local campaigns.

In her travels this month, accompanied by her parents, Mary Lou is scheduled to call upon President Lyndon B. Johnson at the White House and has already visited with many Senators, Congressmen,

Governors and other high officials. The pretty five-year-old has "interviewed" the heads of such influential national organizations as the General Federation of Women's Clubs, the Elks, Rotary, Kiwanis and other service clubs including the American Legion, Veterans of Foreign Wars, Amvets, Catholic War Veterans, Jewish War Veterans and others.

An estimated total of 250,000 infants are born each year in the United States with serious birth defects. This is equivalent to one in 16 births, or 700 children a day. Of the quarter million total, more than 30,000 die including stillbirths. As to arthritis, the other major health area in which the March of Dimes leads the attack, fully 11 million Americans are tormented by one or another form of this, the Nation's No. 1 crippling

## WHITES TOWER

Mrs. Ralph Howard, Reporter

Well, we will start our new year this brisk zero morning with best wishes to everyone for a good year.

Mrs. Ezra Emore of Staffordburg, is a patient in the hospital with pneumonia. We hope for her an early recovery.

Little Douglas Hole of Maryland Ave., Beauty View Acres, came home from school with the measles and he did not want to be selfish, so he gave them to his mother and two little brothers. They were pretty sick but are recovering now.

Little Jeff Vinson of the Tower, was a very sick boy last week with the measles.

Mr. and Mrs. Ralph Howard of the Tower, enjoyed Christmas by having their whole family home—children and grandchildren, as well as several friends.

Mr. and Mrs. Thomas Schoborg of the Tower entertained on Sunday for her parents and his parents at their home.

## Veterans Administration Questions and Answers

Q—Can a peace time veteran obtain treatment in a Veterans Administration outpatient clinic after by a private doctor and have the VA pay for it?

A—Outpatient treatment or treatment by an approved private physician as well as certain medicines are given without charge only to veterans (either peace time or war time service) with a disability incurred or aggravated in service.

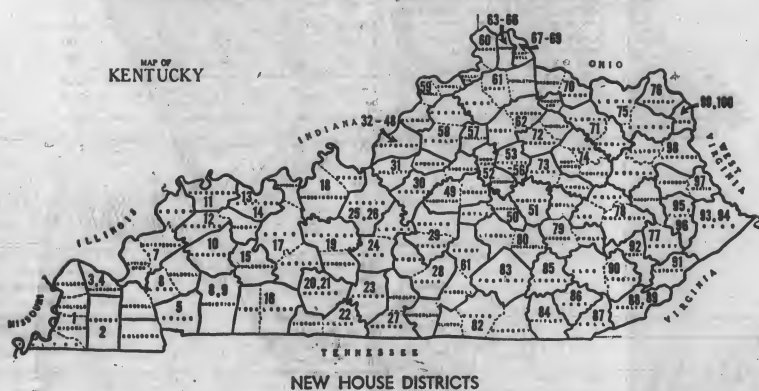

Q—Is it true that there will be a reunion of ninety-four World War II draftees who escaped from France in 1944 in "Operation Bonaparte"?

A—Yes. Three of the Evadees who live in Buffalo, N. Y., are arranging a reunion of the veterans who participated in Operation Bonaparte. It is scheduled for May of 1964, 20 years after the escape. For details write Ralph K. Patton, 327 Mt. Vernon Road, Buffalo, N. Y.

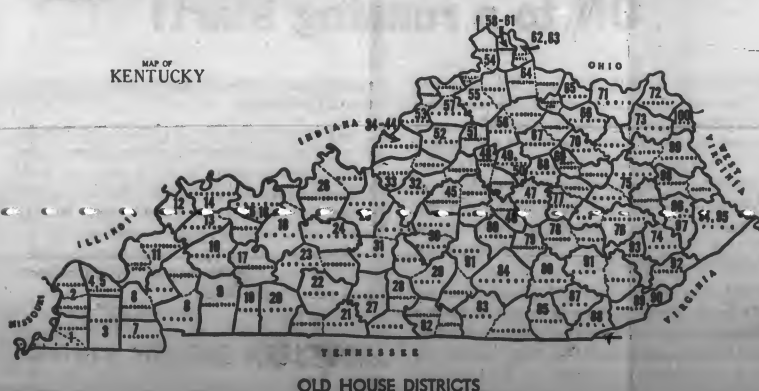

Q—I started school September 16 under War Orphans Assistance Act. I understand I would receive \$110 a month while attending school. My first check received on October 20 was for \$55. Why didn't I receive \$110?

A—VA pays for period of enrollment, and considers 30 days a month. You attended 15 days during September, the month the check covered, so you were entitled to one-half of \$110. Your last month of training will be figured on the same basis, following completion of monthly certification of attendance signed by you and the school.

## Kentucky Legislature's New House Districts

**HOUSE REAPPORTIONMENT**—Top map shows Kentucky's new House of Representatives districts as drawn by the recent special session of the General Assembly. Bottom map shows districts as they stood before the reapportionment session. The legislators increased Jefferson County's House delegation from 11 to 17, Fayette County's from two to four, and gave one more member each to Campbell, Warren, Hardin, Boyd and Christian Counties. Less populous districts lost members.

## Mouse-Control Simple If You Follow Rules.

Those tiny, pesky mice that drive the wife to frantic control methods aren't as hard to get rid of as house-owners suppose. Even though this is the chemical-atomic age, the old mouse trap is still as good a way as any.

Bobby Trammel, U. S. Fish and Wildlife rodent control specialist with the UK Ag Extension Service, says:

"Bait traps with a dab of peanut butter that has been mixed with a little rancid bacon grease."

If trapping doesn't control the invaders, use anticoagulant type poison. Be sure, however, to cover these bait stations so that pets and children can't get to them.

Remember: The anticoagulants kill mice and rats with no pain, but the rodents must eat the bait three to 14 days before it kills them.

Land that is the campus of Murray State College was once the farm of Nathan B. Stubblefield, the first man to broadcast the human voice by wireless.

### IN MEMORY . . .

In memory of my dear father, who passed away January 30, 1947, and my dear mother, Minnie Roberts, who passed on July 3, 1963, in Booth Hospital, Covington.

We can't tell how much we miss both of your smiling faces . . . We can't tell how much we miss both of you, but we are glad both of you are happy with Jesus, and no day we too will join them in Heaven—joy to shore.

Sadly missed by daughter, Myrtle Webster, and Son-in-Law 11-1

### Crusty Batter-Fried Chicken

Crusty Batter-Fried Chicken is deliciously crisp on the outside and tender on the inside. The batter has delicate corn flavor and crunch built right into it because it's prepared with self-rising corn meal.

Self-rising corn meal adds extra nourishment as well as flavor to your meals, thanks to added B-vitamins, iron and calcium. Use both self-rising corn meal and flour in all your cooking and baking, being sure the sack or container states "enriched" to get all those important nutrients at no extra cost.

Seasonings in the corn meal batter give your chicken dinner a flavor boost. Use this batter idea for other foods—vegetables, fish, chops and others. Self-rising corn meal and flour have leavening and salt added to make baking with them extra convenient.

#### CRUSTY BATTER-FRIED CHICKEN

2 1/2 to 3-pound frying chickens, cut up  
1 tablespoon salt  
1/2 cup enriched self-rising  
1/2 cup enriched self-rising flour  
Place chicken in water to cover. Add salt. Simmer about 35 minutes. Cool chicken and broth before making batter. To make batter, mix together corn meal, flour and seasonings. Stir broth into egg. Add to dry ingredients. Stir until smooth. Dip chicken in batter. Let stand a few minutes before deep fat frying. Fry in deep hot fat (350°F.) for about 10 minutes. Drain chicken on absorbent paper. Makes 4 servings.

1 teaspoon poultry seasoning  
1/2 teaspoon seasoned salt  
1/2 teaspoon pepper  
2 1/2 cup chicken broth  
1 egg, beaten  
Fat for deep frying

### Lambing Season Calls For Good Management

Lambing season is the most critical period of the year for Kentucky sheepmen. Profits hinge on the number of lambs born and saved, says Glenn Conatser, U. K. Ag Extension Service Sheep Specialist.

Here are some management tips for lambing time:

- (1) Get lambs dried off, and help them nurse as soon as possible after birth. Cut off the navel cord of the lambs about 2 to 4 inches from the body, and dip it in iodine to prevent infection.
- (2) Lambs should not be left under heat lamps for extended periods of time. This raises the chance of pneumonia when they are taken from the heat source. Heat lamps never should be allowed to hang close to the ewe's back, because it will burn the wool on top of her back.
- (3) Nutritional requirements of ewes are very high just after lambs

are born. When the lambs are three to four days old, and after all udder swelling has gone down, ewes should be fed about 1 to 1 1/2 lbs. of grain plus four pounds of good quality legume hay per day. About two-thirds of the hay may be replaced with silage if desired, but the ewes should still get at least one pound of hay daily.

**Jesus' Own Mother**  
Lesson for January 5, 1964

Background Scriptures: Matthew 12:46-50; 13:55-58; Luke 2:19, 20-52; John 3:1-17; 19:25-27; Acts 1:14.  
Devotional Reading: Luke 1:46-55.

JESUS is the hero of the New Testament. Other characters meet us in its pages, but no writer in the New Testament takes an interest in anyone else except as they have some connection with the life of Jesus himself. So Mary, his own mother, appears in the Bible not as Queen of Heaven or the Co-Redemptrix of the world, but as the simple, good young woman who was the wife of a village carpenter and the mother of Dr. Foreman Jesus of Nazareth. We should like to know more about her than we do. She was probably quite young, and also probably not given what we would call a higher education. Yet we know that she was the woman to whom God entrusted Jesus. The church through most of its history has believed that Joseph was not the real father of Jesus; but the church has never thought of denying that Mary was his real mother.

**Mary pondering**  
Mary was a remembering woman. She thought long about the meaning of things—that is what "pondered" means. She took time for events to make their impression on her mind. We know she was a woman of poetic mind. Most of the words attributed to her are in poems, presumably made up, perhaps on the spur of the minute. She was familiar with that great poetry collection and hymn book of her people which we know as the Book of Psalms. She was a woman who loved those Psalms and memorized them and wove them into the fabric of her own mind and memory. She remembered the singing angels, and the angel who first visited her, and the coming of the Magi. She remembers her son as a small boy, and that notable trip to Jerusalem when he was 12 years old. She was not a woman to go talking all the time with her neighbors. She did not wear her heart on her sleeve. She was not one to live only on the surface of things. She was no doubt a busy and often weary woman. But still she had time to furnish an inner chamber of the heart, a secret world where the wonders of life were cherished and re-lived.

**Mary commanding**  
Jesus as a boy was not given special privileges except no doubt those of any obedient son. The special privilege he did not have: he was not allowed to disobey. We read that he "was subject" to his parents, that is, they directed him, gave him commands. Perhaps the burden of this fell on Mary, for Joseph drops out of the picture and is not heard from in the story after that visit to Jerusalem. Mary was what the poet describes: "A perfect woman, nobly planned, To warn, to comfort and command." In the story John tells of the wedding at Cana, we hear Mary commanding the servants to do whatever her son directed. This was a turning-point in her life, perhaps. At any rate, somewhere along the road Mary knew the moment which comes to every mother, no matter how loving and good, when she has to let go her control, when her child looks at her with level eyes, the child no longer a boy, a youth, but a man.

**Mary praying**  
The last picture we have of Mary in the New Testament story is in a prayer meeting. It was in an "upper room," perhaps the very room in which Jesus, six weeks before, had held the Last Supper on the night in which he was betrayed. If you can imagine what that must have meant to Mary's imaginative mind, you may well suppose that Mary was praying as never before. Yet no person ever comes suddenly to a deep prayer life. We may well be sure that Mary had been a woman of prayer through the years. This is important; but even more important is the effect on the growing child Jesus. If he was a real person, and Mary a real mother, we can be sure he learned about prayer first where most of us learn it, at our mother's knees. The man Jesus knew more of life, its joys, riddles and agonies, than the child Jesus. But the faith he breathed in by his mother's side would last till his dying hour.

A large New York newspaper uses the equivalent of the net annual growth from 6,000 acres of commercial forest land for a Sunday edition.

**GOING FOR THE SPARE**

The Church is the greatest factor in each for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

All is not lost with one failure. As any bowler knows, it's worthwhile to achieve a goal on the second try.

The Church was not founded for people who are perfect. It is for men and women who would strive, despite their shortcomings, to meet life's moral and spiritual challenge.

Someone has called Christianity the religion of another chance. Jesus, after all, placed greatest emphasis on God's forgiving love. And He urged men to grasp present opportunities despite past failures.

Earnest Christians today are still discovering in thrilling ways what man, inspired and strengthened by God, can really accomplish.

And some of those whose lives have been enriched with faith and courage once wondered — as perhaps you are wondering — whether to give religion another try.

### CARD OF THANKS

Robert Behymer and family would like to thank everyone for all the kindness and sympathy shown to us in regard to the death of our beloved wife and mother, Hettie Behymer. A special thanks to Dr. William M. Waller for all his special efforts and his diligent care; to Rev. Shelby Mayo for his beautiful funeral service and words of consolation; to the Hamilton Funeral Home for the special kindness shown in our hour of sorrow; to the Fashionette Beauty Salon for their services rendered; to Mr. and Mrs. Bernard Wilson for their special help and understanding.

We would also like to thank the other ministers for their words of consolation; the many people who sent the beautiful cards and flowers, and the many people who called and showed their sympathy in so many different ways.

## St. Cecilia 4-H Club Meets

The St. Cecilia 4-H Club met recently in the school basement. We had our Christmas talent show audition under the supervision of Mrs. Everett Justice. We had four judges. One of the judges was our Junior entomology leader, Donna Elbert. We held the auditions first, since we had as our guests the parents of club members and the Nuns of St. Cecilia and Fathers Bamburgh and Bush.

After auditions and gift presentation, we had a short meeting. Elaine Justice, our president, and Helen Eggleston received medals for dress revue. Mr. Maddox gave out project books and Mr. Eckerle and Mr. Richter talked to the electric project members. After the meeting, refreshments were served. —Reporter

Mrs. J. A. Kenney, Reporter

Mr. and Mrs. Dawson Brallinger were guests of the Wm. Brannocks of Kalat on Thursday and entertained Mr. and Mrs. Walter Maddox one day the past week.

Mrs. Mayo Smith visited her sister, Miss Emma Yates, recently, then on Sunday, Mr. and Mrs. John Shaw took Miss Yates and Mrs. Smith to her home at Chestwood, Ky.

On Saturday evening, Dec. 21, Mr. and Mrs. Geo. Fennell, Jr. entertained a number of friends in honor of Mr. and Mrs. Howard Willoughby, who were visiting here from Florida.

Mr. and Mrs. L. J. Rapp entertained with a dinner for the family on Christmas Day.

Mrs. Dora House has been spending a few days at the home of her sister, Mrs. Charles Losey. Mrs. J. A. Kenney called on them, Sunday evening.

Mrs. Ezra Elmore is a patient at St. Elizabeth Hospital. Rev. Monroe, a representative of the Temperance League of Kentucky, was here.

## CARD OF THANKS

We sincerely thank the many friends, neighbors and relatives for their kindness, sympathy and prayers shown to us during the illness and death of our beloved father, Robert E. Sleet. We especially would like to thank Rev. Herschel Glenn, Rev. Herbert Baker, Rev. Habbert, Rev. and Sister Gadd and Rev. J. B. Porterfield for their consoling words and prayers; those who sent cards, telegrams, flowers and brought food; our many thanks to Dr. J. M. ## —DEATHS—

### ROGER ROBINSON

Roger Robinson, 53, of 8347 Dixie Highway, Florence, real estate dealer and owner of Spanish Villa motel and restaurant, Devon, died at St. Elizabeth Hospital, Covington, at 5:30 p. m., Dec. 31, following a heart attack.

He suffered the attack about 4:00 p. m. at his home and was taken to the hospital by his wife, Georgiana.

A native of Mt. Olivet, he had been a resident of Northern Kentucky for 50 years. He was a member of Boone-Union Lodge F&AM, Union Eastern Star Chapter, and Indra Convent, Scottish Rite Masons, Covington.

Besides his widow, he leaves a daughter, Mrs. Florence Jones of Cincinnati; two brothers, Jess and Ernest Robinson, both of Cincinnati; five sisters, Mrs. Pearl Dryden and Mrs. Annie Northcutt of Cincinnati, Mrs. Elizabeth Sharp of Falmouth, Mrs. Mamie Moss of Tucson, Ariz., and Mrs. Daisie Conrad of St. Petersburg, Fla., and two grandchildren.

Services were conducted at the Smith Funeral Home, Florence, at 2:00 p. m., last Friday.

### STANLEY KNOX

Stanley Knox, 13 East 20th St., Covington, died at 7:30 a. m., Dec. 31, at St. Elizabeth Hospital, Covington, after having been injured the previous Saturday in a traffic accident on U. S. Highway 25, near Richmond.

His son, William D. Knox, Eastern Ave., Elmore, was driving a car that ran off the highway and struck a utility pole.

The elder Knox, a taxi cab driver, was believed to have suffered nothing more serious than a fractured skull at the time of the accident.

Besides the son, he leaves his widow, Elizabeth, and a daughter, Mrs. Angela Walcott, Covington. Chambers & Grubb Funeral Home of Walton, had charge of arrangements.

### MISS ALMA STEPHENS

Miss Alma E. Stephens, 69, of 5196 Madison Pike, Independence, died at 7:30 p. m., Sunday at her home following a lengthy illness.

She was a school teacher, having taught at Newport and Holmes High Schools. She also taught at Ridge-town High School in Ohio.

Survivors include three sisters, Mrs. Francis Kearney, Mrs. Margaret Ragsdale, and Miss Mary Stephens, all of Independence, and a brother, Byron Stephens of Ft. Wright, president of the First National Bank, Covington.

Services were held at 2:00 p. m., Wednesday at the St. Andrew's Episcopal Church, Independence. Burial was in Independence Cemetery.

### GOOD FARM RECORDS ARE DIAGNOSTIC TOOL

Good farm records are a diagnostic tool to locate the ills of a farm business. That's why record-keeping is important to Kentucky farmers, says S. Q. Allen, UK Ag Extension Service economist.

Records help farmers determine causes of the year's business and the amount of income tax and Social Security taxes, and pinpoint the ills of the business.

"Once the ills or weak points are found, records will help determine why these exist. However, records do not prescribe the cure for business ills, they merely point them out. Sound management overcomes the ills," Allen said.

He emphasized that a new Kentucky Farm Record Book had been developed by the UK Ag Extension Service. It is available at county agents' offices.

### New Lactation Average

The Holstein-Friesian Association of America has announced a new lactation average for the registered Holstein herd of Frank E. Jackson, Independence, which has 20 completed production records, averaging 14,437 lbs. of milk and 502 lbs. of butterfat.

Lactation averages are calculated on the commonly-employed two-milking a day, 305 day, mature equivalent basis for comparison and selection in registered Holstein breeding programs.

The University of Kentucky supervised the weighing and testing of production as part of the official testing program of the national Holstein organization.

## Adult Education To Start Thursday Night

On Thursday night all people interested in adult education will meet at the Walton-Verona School. The meeting has been set for 7:00 p. m. in the school library.

There are plans for organizing a beginning typing class. Miss Maxine Little will be teaching this class and there are about 20 people for this class. In addition to the beginning typing class, there will be a general education class. This class covering reading, language, math and science for those people that did not get the high school diploma.

The purpose of such a class will be to prepare people for the General Education Development Test which is given by colleges. If this test is passed by the Department of Education will issue a High School Equivalency Certificate. The cost of these classes will be \$25.00 for the typing, and \$20.00 for the general education and all books and supplies will be furnished.

If there are people interested in using the library on Thursday or Monday nights, they are welcome to do so. If there should be people not interested in the classes mentioned above they might like to use the library and maybe organize a group for discussion of world affairs or some other subject. Come on to the meeting Thursday and let it be known what you would like to do.

Chambers & Grubb Funeral Home of Walton, had charge of arrangements.

Chambers & Grubb Funeral Home of Walton, had charge of arrangements.

### Bradford Lodge to Meet

Bradford Lodge, No. 123, F&AM, of Independence, will meet Thursday evening, January 8, at 8:00 p. m. with William Appel, Master, presiding. All members are urged to attend.

Survivors include three sisters, Mrs. Francis Kearney, Mrs. Margaret Ragsdale, and Miss Mary Stephens, all of Independence, and a brother, Byron Stephens of Ft. Wright, president of the First National Bank, Covington.

### A. R. C. Group to Meet

The monthly meeting for the Boone County Association for Retarded Children will be held Tuesday, January 14, at 7:30 p. m., at the Florence Christian Church Educational Building.

The guest speaker will be Mrs. Schilling from Lexington. She will bring slides concerning her school, the Blue Grass School for trainable. This meeting is open to the public.

All games are played at the Burlington Graded School gymnasium.

### Boone Co. Republican Club to Meet Jan. 13

The Boone County Republican Club will hold its monthly business meeting at Republican Headquarters, 276 Main St., Florence, at 8:00 p. m., Monday, January 13, according to Dan Brown, president.

At that time a slate of new officers will be nominated by a committee composed of Mrs. Carrie Martin, Mr. William Tanner, Mrs. Joyce Ravenscroft, and Mrs. Lynn Jewell. Other business of an immediate nature concerning programing for the year will be discussed and acted upon.

### OUTSTANDING 4-H'er

Donna Elbert has received a medal for outstanding achievement in 4-H Club work. She has also received a medal for conning, junior leadership and a dress review medal.

Miss Elbert is a member of the Keen Teen 4-H Club of Independence, and a junior at Simon Kenton High School.

### Bradford OES to Meet

Bradford Chapter, Order of Eastern Star, Independence, will meet on Tuesday evening, January 14, at 7:45, with Mrs. Ruth Jacobs, Worshipful Matron, presiding. There will be four candidates for initiation.

### Wheat Program Recommended

Quick enactment of a voluntary wheat program to avert a sizable drop in farm income has been recommended to Secretary of Agriculture Freeman by the U. S. Department of Agriculture's Advisory Committee on Feed Grains and Wheat. The committee met in mid-December to advise the secretary on major legislative proposals and other matters in connection with feed grains and wheat.

The recommended program would take the place of the mandatory wheat program rejected by farmers in a national referendum last spring, and would preserve the basic program features of present law on a voluntary basis.

### Baptist Y. W. A. Meets

Mrs. J. R. Tackett, Mrs. H. P. Gough, and the following Y. W. A. girls, Elaine Frederick, Shirley McGlone, Patty Enley, Mary Lynch, Linda Martin, Faye Hudson and Fern Hudson, of the Walton Baptist Church, met Monday evening, Jan. 6, in the home of Mrs. Maude Wilson. A program and an evening of fellowship was enjoyed by all.

### Social at Latonia Lakes

The Ladies of The Lakes Club is sponsoring a social at the Latonia Lakes Club House on January 9th at 8:00 p. m., according to Mrs. Dorothy Bollinger. The public is invited.

### Two New Barbers

A class of 17 state accredited barbers graduated recently from the Covington Barber College, 125 East Pike Street. Among them were two Waltonians, Winfred Harper and Ernest Witte.

Output per man-hour in nonagricultural industry increased 27 percent a year in the 1950's.

One farm worker today produces food, fiber and other commodities for himself and 28 other persons.

## Visalia Baptist Church Scene of Wedding

Miss Linda Frederick, sister of the bride, was her maid-of-honor. Mrs. James Rice (Judi), Miss Joyce Frederick, Miss Donna Frederick (sisters of the bride), and Miss Diana Davis (cousin of the bride) were her attendants.

The girls wore identical gowns of red velvet and carried candles decorated with white mums and red and white streamers. The bride's bouquet was of white mums tied with red and white ribbons.

Mr. Workman's best man was Mr. Richard Carlisle of Lexington, Ky. Ushers were Mr. Edward Fisk and Mr. Russell Richardson of Morning View, and Mr. Richard Workman (brother of the groom), and Mr. Wilson Sebastian of Covington.

Following a honeymoon trip, the couple will reside in Lexington. Miss Patricia Lynn Frederick, the daughter of Mr. and Mrs. Howard W. Frederick of Morning View, Ky., recently became the bride of Mr. William Clay Workman, son of Mr. and Mrs. John Workman of Independence, at the Visalia Baptist Church.

The candlelight ceremony was performed by Rev. William Barnard, pastor of the church. Miss Jo Ann Arundt was the organist and Miss

## Wa-Na Club Holds January Meeting

"Impressions of their travels" were given by Mrs. Reuben Hindsale, Miss Helen Richardson, Mrs. William R. Brown and Miss Shelby Malory as they related incidents and described the many places of interest they visited this past summer while in several European countries. These four ladies were guest speakers at the regular January meeting of the Wa-Na Club, Monday night.

Mrs. Gayle McElroy introduced the speakers and presided during the informal discussion.

The meeting was opened by the pledge to the flag and reading of the club casket. Mrs. Charles Holder gave the spiritual guidance, appropriate for the New Year season. Mrs. Clayton Jones presided during the business meeting.

Mrs. James Webster was presented a Kentucky Colonial commission by Mrs. Jack Rouse.

Plans were discussed for the Valentine and Heart Fund Drive, two projects to be promoted by the club during the month of February.

Besides the guest speakers, refreshments were served by the hostesses to Mrs. W. W. Rouse, a guest, and members, Mrs. Lewis Webster, Mrs. Asa M. Rouse, Mrs. Orlando Christy, Mrs. Walter Ryan, Mrs. Paul Belgrave, Mrs. John Maddox, Mrs. James Falls, Mrs. Robert Slack, Mrs. Nelson Papham, Mrs. Clayton Jones, Mrs. Charles Holder, Mrs. Jack Rouse, Mrs. William Moore, Mrs. Gayle McElroy, Mrs. Leonard Cook, Jr., Mrs. Maryalice Conrad, Mrs. D. L. Maddox, and Mrs. Chester Sturgeon.

Hostesses for the evening were Mrs. William Locke, Mrs. David Peebles, and Mrs. James Webster.

### PINER HOMEMAKERS

The Piner Homemakers Club held its Christmas meeting in the home of Mrs. Owen Flynn. The devotional was given by Mrs. Frank Elliott. The business session, during which the club voted to donate \$10 to the Kenton County 4-H Club Council and \$5.00 for supplies for a Piner needy student, was held in the morning.

After a lovely turkey dinner, the members took part in an impressive Christmas program, conducted by Mrs. William Workman, program chairman. The joy of Christmas was renewed as members read scriptures, explained Christmas symbols, sang carols, and played games pertaining to Christmas. Secret gifts were disclosed as gifts were exchanged.

Those present were Mrs. William Beck, Mrs. Clarence Duncan, Mrs. Frank Elliott, Mrs. C. E. Flynn, Mrs. Owen Flynn, Mrs. W. O. Marshall, Mrs. Marion Martin, Mrs. Fred McMillan, Mrs. Leslie McMillan, Mrs. Chester Mullins, Mrs. Ralph Murphy, Mrs. Malcolm Oliver, Mrs. Angelo Pelizzari, Mrs. Roy Tomlin, and Mrs. William Workman.

The club is looking forward to a lesson in picture hanging in the home of Mrs. William Wood on January 21.

### Completes 30 Years As Boone County Clerk

C. D. (Dewey) Benson, Burlington, with the end of 1963, completed his 30th year as Boone County court clerk.

Mr. Benson, 65, has two more years to go on a four-year term. He was elected first in 1933 and was re-elected seven times.

Charles N. Benson, Florence, his son, was elected last November as Boone County Circuit court clerk.

### District 4-H Tobacco Show and Sale Held

Kenton County 4-H Club members sold five crops of tobacco at the District 4-H Tobacco Sale in Carrollton. Members selling tobacco in the sale were Donald Courtney, Eddie Cummins, Kay Cummins, Tom Cummins, Barbara Wolong, and Allen Wolong. Prizes were awarded on the basis of the average selling price of the crops, number of crops from the county, handling of the crops, as well as on record books and special contests held in conjunction with the sale.

There were a total of 33 crops, weighing 41,000 pounds sold in the 4-H sale. These crops averaged \$60.89 and brought \$24,964.45. There were 40 4-H club members participating in the sale from the nine counties involved.

### Another Kentucky Colonel

On Monday night at the regular meeting of the Wa-Na Club, Mrs. James Webster of High School Court, teacher in the Walton Kindergarten, became a Kentucky Colonel.

The commission was issued last November by the out-going Lt. Governor Wyatt. The reason for delay in presentation was due to the meeting date of the club. Mrs. Jack Rouse made the presentation, which came as quite a surprise to Mrs. Webster.

The Wa-Na Club requested this commission as a gesture of appreciation for her service as teacher in the kindergarten and for a deserving individual.

Dan J. Roberts assisted the club in securing this much coveted commission.

In 1962, farm real estate taxes in the U. S. totaled \$13.33 billion.

## Federal Farm Tax Guide Available

The Federal Farm Tax Guide has arrived at the County Agent's office, according to Joe Claxon. This informative book is free to all farmers. The Internal Revenue Service has prepared this 1964 edition of the "Farmer's Tax Guide" to assist in preparing the federal income tax return for 1963. It includes explanations and examples of proper federal income tax treatment of all matters normally arising in the operation of farm business. The booklet should answer most questions or problems that the farmer may have.

Included in matters discussed in this 1964 edition of the booklet are the new rules for deducting expenses of clearing land and the new investment credit allowed against your taxes when you have purchased certain equipment. Form 3468, which may be used in computing the investment credit, is explained and illustrated with filled-in entries in the front of the booklet.

The Oak Hill Homemakers held their Christmas party at Robertson's Restaurant. Everyone enjoyed a delicious meal and gifts were exchanged. A "white elephant" auction was held to replenish the treasury.

Members enjoying the evening were: Mrs. William Gibson, Jr., Mrs. Leo Flynn, Mrs. Ed Berkmeier, Mrs. Herbert Day, Mrs. John Webster, Mrs. Ernest Ward, Mrs. Ed Egan, Mrs. William Gibson, Sr., Mrs. Mildred Clark, and Mrs. John Hetteman. Members of the club attended the Paul Dixon Show, December 19, and a good time was had by all. A bus was chartered for transportation.

The January meeting will be held at the home of Mrs. Mildred Clark on January 21. The lesson will be "Care of Major Appliances." Anyone interested is invited to attend.

The U. S. farmer gets about 38 cents of each dollar spent for food here.

## May Make Movie Of Boone County

One good motion picture about Boone County would be worth thousands of words in attracting new industry and people. So said a new group which will try to make a color and sound movie at no cost to local taxpayers.

"It will be a big, borrow and steal project," said County Judge Charles E. Niblack, who thought up the idea.

"We have men and women living here who can do most of the work," Judge Niblack said.

Chairman of the group, called Boone County Unlimited, is Wallace M. Lucas, Florence real estate broker.

"We have a lot of things to be proud of," declared the judge. "The county, I believe, has more Ohio River shoreline than any other county. And it has four excellent transportation systems: the Ohio River, the L&N and Southern Railroads, an existing expressway (I-75), and another planned, and the Greater Cincinnati Airport."

Big Bone State Park is one of the finest scientific attractions in the nation, he said. "Exhibits of prehistoric finds should draw tourists from a wide area."

The film will be shown in churches and schools in the county and to prospective new industry and residents.

Judge Niblack said he hoped various good things for the county will result. These include a water system and treatment plant and recreation facilities at Dam 38 on the Ohio River.

### Tobacco Quotas Subject Of Jan. 14-15 Hearings

Burley and dark tobacco quotas for 1964 will be discussed January 14 and 15 at Lexington, the Kentucky State Agricultural Stabilization and Conservation committee announced this week.

Dark air-cured and dark fire-cured quotas are first on the agenda. A meeting has been set at the Phoenix Hotel, Tuesday, Jan. 14, for these types. It starts at 1:30 p. m.

The burley quota meeting will be on Wednesday, Jan. 15 at the same hour—1:30.

The meetings will receive views and recommendations from all segments of the industry, including growers, warehousemen, buyers and processors, cooperatives, farm organizations, etc. Both meetings are open to the public.

### Firemen Congratulated

Rev. Joseph J. Reuter, pastor of All Saints Church, Tazewell, who has commended the Walton Volunteer Fire Department for their quick response to his call on December 31st and the professional way in which they handled the brush fire in the yard of the church property.

This fire group of dedicated men render a real service to the community. Rev. Reuter said, and added "thanks again, men!"

Breeding animal output today is 90 percent greater than in 1919.

### Strawberry Plants Need Ordering Now

Growers wanting strawberry plants of a certain variety in quantity should order now, says James Stacey, U. K. Ag Extension Service horticulturist.

"The word is out there is a plant shortage," he says, "and to fill large orders it may be necessary to order from more than one plant producer. Some growers will not dig more plants than they are reasonably sure of selling. If your order is late, you may not get any plants, or may get plants freshly dug rather than the preferred cold-storage plants."

Pocahontas is the leading variety grown in Kentucky, with Tennessee Beauty second. Sure Crop variety is recommended if red steel disease is a problem.

Use of certified, virus-free plants is recommended. They also should be free of red steel, root-knot nematodes and noxious weeds.

Best areas from which Kentuckians can obtain plants are Arkansas, Maryland and Tennessee. Delivery dates on orders should specify mid-March or as soon thereafter as possible, Stacey said. Buy only from reputable growers.

Mrs. Frances Wilson of Verona, spent the Christmas holidays visiting her mother, Mrs. W. G. Stevens, and sister, Mrs. Madelyn Ray, of Lexington, on her nephew, Mr. and Mrs. Harold S. Blythe, and two daughters of Blue Ridge, Ga.

Deacons Class Meets  
The Dorcas Class of the First Baptist Church, Walton, held its annual class party at the church December 16, with Mrs. Christina Poinsett and Mrs. Gertrude Daniels as hostesses.

A lovely covered-dish luncheon was served, followed by the program, with Mrs. Daniels presiding.

Mrs. Anna Johnson brought the inspiring devotion from the second chapter of Luke's Gospel, and prayer. Mrs. Poinsett presented a couple of inspiring stories on the "Art of Giving." Mrs. Percival, the teacher, gave a history of the class.

Instead of exchanging gifts, each member gave that amount to missions—a plan this class has followed for the past two years—feeling it to be more in the spirit of a Christ-like Christmas.

The business session followed, with election of officers for the coming year. Christmas cards were sent to shut-in members. The meeting closed with prayer by Mrs. Poinsett.

Class members present were: Mrs. Edith Percival, Anna Johnson, Edna Masie, Julie Acra, Bess Conrad, Christina Poinsett, Gertrude Daniels, and Mary Black. Visitors for lunch were Bro. and Mrs. Tackett, Maxine McCubbin, and Juliana Shields.

Mayolita Conrad has returned to her home after spending the Christmas holidays with Mr. and Mrs. Walter Zulaeger of Lexington. While there she attended the wedding of Cheryl Ann Zulaeger and Ens. Kenneth Richard Carr of Hamburg, New York.

Mrs. J. R. Flynn of Bracht, is confined to her home with what the doctor thinks is an inner ear infection.

Mr. and Mrs. Cecil Osborn and family of Hartwell, Ohio, formerly of Walton, recently returned from spending their Christmas vacation touring and visiting friends in Florida.

Mr. and Mrs. Stanley Bush spent New Year's Day with her brother, Mr. and Mrs. Arthur Benson of North College Hill.

Mrs. C. W. Ransler of Erlanger, formerly of Walton, had the misfortune to fall recently in the Dixie Terminal, Cincinnati. There were no bones broken as a result of her fall. At present she is at the home of her son, Charles Ransler.

Mrs. Marie Berkshire of Richmond Road, entertained with a luncheon one day last week for Miss Rachel Acree, Mrs. L. E. Masters, and Mrs. Stanley Bush.

Mrs. Mary K. Stephens, who makes her home with Mr. and Mrs. Nick Welsh and family on High Street, has been confined to her bed since Christmas Day. Mrs. Paul Simpson and Mrs. Clayton Jones were calling on her Sunday afternoon, representing Liggett Circle of the Walton Christian Church. Other calls made were to the homes of Robert Moore, Miss Lib Ingram, Mrs. Lucille Allphin, Mrs. J. R. Flynn and Mr. and Mrs. Clarence Patrick to see Mrs. Mary Patrick. These are shut-ins or have been sick.

Miss Virginia Beverly of Erlanger, was calling in the home of Mrs. Jane Slett, Sunday afternoon.

While on her recent trip to Washington, D. C., Miss Solie S. Vest of Alta Vista Drive, fell on the train and sustained a broken wrist. She was accompanied by Miss Lizzie Vest, same address, and Miss Betsy Jones. Miss Jones was visiting friends, Misses Elsie and Mary Neatour of Alexandria, Va.

College students from Georgetown, Miss Norma Neumeister, John Hartman, Ronnie Tackett and Bobby

Blackell returned the past weekend to resume their studies and prepare for mid-term exams after enjoying the holidays with their parents and friends.

Mr. and Mrs. John Wood entertained Saturday evening for Mr. and Mrs. Stanley Bush.

Mrs. Jack Rosenfeldt and family returned to their home in Taylor, Mich., after spending the holidays with her parents, Mr. and Mrs. Walter Whitson of Walton-Nicholson Rd.

Rev. and Mrs. William R. Moore and family have just returned from North Platte, Neb., where they spent a Christmas vacation with his parents, Mr. and Mrs. Glenn E. Moore.

Mr. and Mrs. Orville Collins and family of Covington, Mr. and Mrs. Jim Woods and son, Barry, spent Christmas Day with Mrs. Flora Woods and family of High Street.

Mrs. Robert Beach and daughter have been spending several weeks with her parents, Mr. and Mrs. Pete Miller, and daughter, Cheryl. Mr. Beach arrived the past weekend from Ft. Leonard Wood, Mo., to join his family and to spend a leave with his parents, Mr. and Mrs. Raymond Beach, and the Miller family.

Mr. and Mrs. Ted Gilbert and children of Lexington, spent the weekend with her parents, Mr. and Mrs. O. F. Young, and Patsy of Verona Road.

Mrs. Elizabeth Jones had as New Year's Day guests, Mr. and Mrs. Will Lynne, Mr. and Mrs. Clifford Chance and daughters, and Mr. and Mrs. Lawrence Wilson.

Mr. and Mrs. Don Rice and children of Alta Vista Drive, had as dinner guests on New Year's Day, Wilford M. Rice and Wayne Rice.

On New Year's Day, with the sleet and snow already deep and still falling, it was a pleasant surprise to have John Maddox going through Walton clearing sidewalks and driveways. Thank you, John, from all of us.

Mrs. Jack Allphin was confined to Booth Hospital a few days last week, but she is home now.

Mr. and Mrs. William Rorer and daughter, Kathy Lee, and Mrs. Lawrence Wilson were guests Monday of her aunt, Mrs. A. Q. Tipton, of Sanders, Ky.

Chuck Smith of Georgetown College, was the weekend guest of Mr. and Mrs. Raymond Brewster, and Norma and Eddie Neumeister.

Eleanor Pennington of the State Hospital in Lexington, spent Christmas with his mother, Mrs. Julia B. Pennington of High Street. He called on his aunt, Mrs. Flora Woods, on Christmas Day.

Seamon Art Green of the U. S. Navy, is visiting his parents, Mr. and Mrs. Fred Green.

Christmas with their daughter, Mrs. Charles Wells, and family in Virginia. Mr. and Mrs. Sylvester Taylor of Tennessee, spent the Christmas holidays in this community visiting their children, Mrs. Ollie Miller, Bill Taylor and Chester Taylor.

It is good to see Mrs. Otha McClure able to be out after her long illness.

Mr. and Mrs. Eugene Heidel have moved into their new home on Klette Road.

## OAK RIDGE

Shirley Tollett, Reporter

We were sorry to hear that Mrs. Ida Bindel injured her back at work and has been in Booth Hospital since Christmas. She hopes to be able to go home this week.

Gerald Cobb is home on leave from the Air Force.

Wally Baird had a leave over the Christmas holidays and was able to spend five days at home with his parents. He is in the Air Force and stationed in Mississippi.

Mr. and Mrs. John Atherton went to Florida to spend a few days with their son during the holidays and got caught in the snow storm coming back.

Lanny, Billie, Paula and Harry Mallory spent several days with their grandparents in Owen County, after Christmas. They intended to come home on New Year's Day, but because of the heavy snow, they got to stay until Sunday.

We hear Pearl Merikthous is taking a vacation trip to California, and Len is taking care of the store while she is gone. Pearl needed a vacation and we are glad to hear she got the opportunity to take one.

There was a bit of confusion last Friday over whether or not there would be school in the Kenton County School System. They have announced that whenever there is some question as to whether or not there will be school, to listen to WCKY, as that is the only station they call and they will have the correct information.

The Annie Allen W. M. S. of Oak Ridge Baptist Church will meet on Thursday at 8:00 p. m. at the home of Mrs. Hattie Thorpe on Clubhouse Drive.

## COUNTY AGENT'S 1/2 ACRE

By Joe Clexon

Forming is a business. To keep in the business of farming today, we must keep up with the latest agricultural research from our own agricultural experiment station and the U. S. Department of Agriculture. Every farmer is in competition with farmers throughout the United States. Therefore, each must strive to be better than the average. The following meetings have been arranged so that farmers may receive scientific and practical information to do a better job of making money from their farming enterprises. The northern Kentucky counties have cognized these meetings so that it is pos-

Mr. Clexon

sible to have a team of specialists on each subject. All meetings will be held at the U. K. Northern Center, in the auditorium.

January 14, 7:30 p. m., swine meeting.

January 17, 10:00 a. m. to 3:00 p. m., dairy meeting.

February 6, 7:30 p. m., tobacco meeting.

February 17, 7:30 p. m., beef meeting.

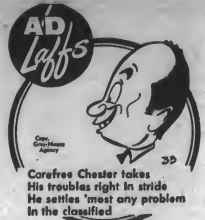

The public is invited and urged to attend these meetings.

Kentucky farmers have to handle their income tax filing and tax paying a little differently than the average city dweller.

For instance: If a bona fide farmer's business year begins January 1, 1964, that farmer must file his return and pay any taxes due by February 17, 1964. If the farmer prefers not to file his return (and pay tax) by that February 17 deadline, then he must estimate his income tax and pay that amount by January 15, 1964. He then would have until April 15, 1964 to file a return and pay any balance due. Nearly all farmers must pay some income tax. The law requires persons having a gross income of \$600 or more in a tax year, to file and pay. Others may have to file a return to pay Social Security taxes even though they did not have to pay any income tax.

Records, of course, may help the farmer at income tax time. The new Kentucky Farm Record Book is available, and may be ordered. It is especially designed to help farmers keep income tax data.

Cost of farm-grown foods since 1947-1949 has risen only 14 percent, but processing and marketing costs have risen 40 percent.

## TAYLOR MILL

Ernest J. Kyle, Reporter

Well, Christmas and New Year have come and gone and things have quieted down as we are all trying to relax and take inventory and see if we are all here. One thing old man weather handed us a belated present, as for winter the weather in 1964 has been beautiful. Now if we could just get a few days of rain to fill up the cisterns and ponds that would be a fitting climax to what we went through the last ten days of 1963.

This week we have a "break-in" story that is as crazy as any of the "who dun it's" you see on television and it happened almost under our very noses. The house is practically new and nicely and tastefully furnished. The owner and wife are in the south on vacation. One day last week a neighbor noticed the glass in the basement door was broken and the door standing open. The electricity was turned off when the owners left, so the wonder is that the intruder left burned matches strewn all through the rooms. Now comes the bizarre twist to the story of a neighbor called a relative of the owner who came over and an investigation could find nothing missing, even a purse with pennies in it lying in full view was not bothered, which seems to prove that juveniles were not implicated. Excepting the broken glass door and a knob broken off the door to get upstairs, little other damage was reported.

We believe that Saturday, Jan. 4 was about as perfect a winter day as we have ever seen at this time of year.

Irving Brumback and wife, Peggy, of Mobile, Ala., spent several days with the former's uncle, Bob Mathis, of Jones Road, Walton.

TABLE LISTS the Kentucky sales tax deductions which the taxpayer may take on his Federal and State income tax returns for 1963. Every Kentucky resident who itemizes deductions for the calendar year 1963 or the fiscal year beginning on or after July 1, 1962 may use the table. If the standard \$500 deduction is taken on the State income tax, no sales tax deduction will be allowed. If the table is not used and the sales tax is deducted, an itemized list of sales tax payments must accompany the tax return.

He should have bought tire chains before!

**PREVENT THOSE WINTER DRIVING WOES**  
The Safe Winter Driving League presents this winter driving tip from the National Safety Council: "Tests show that reinforced tire chains cut stopping distance on snow and ice more effectively than anything else, and give from four to five times as much traction as regular tires without chains." Don't be a traffic blocker—always carry tire chains for severe snow and ice conditions.

## New Lakes For Kentucky Communities

**NINETEEN NEW LAKES** have been completed, put under construction or approved for construction in Kentucky's Small Lakes Development Program, initiated in 1960. An additional five lake sites are being investigated by the State Highway Department. The location of these lakes is determined by an area's need for flood control, water supply and recreational water and by the absence of U. S. Corps of Engineers' dam projects. State Conservation Commissioner J. O. Matlick said the 19 lakes definitely scheduled will impound 2,485 acres of water and will all be completed and filled by the end of next year.

Mr. and Mrs. R. McCord and family, Monday evening.

Mr. and Mrs. G. H. Webster and Mrs. Jennie Spaulding spent Friday with Mr. and Mrs. Chas. Alexander.

The fondest desires of early settlers in Kentucky are seen in such names of communities as Independence, Liberty, Bliss, Joy and Paradise.

Stoner Creek in Bourbon County was named for Michael Stoner, a companion of Daniel Boone.

Kentucky supplied more than 75,000 soldiers to the nation during World War I.

## It's everybody's job!

BRINGING NEW INDUSTRIES to a community and keeping them happy after they get there is everybody's job. No one man or organization can do it alone.

Community leaders help by initiating and carrying out long-range civic policies and programs attractive to industry. Owners and managers of existing plants help by welcoming industrial newcomers and making them feel at home. Men and women workers help by showing their willingness to do a full day's work for a fair day's pay.

Yes, and Southern Railway helps, too! Southern's Industrial Development Department constantly seeks

new industries for available plant sites. Throughout the year, our national advertising urges industrialists to "Look South" for new and greater opportunities. And we do our best to provide an ever-better, low-cost mass transportation service, so vital to the modern industrial South.

All of this effort helps all of us. For a community's economic growth does more than provide new and bigger job opportunities. It quickly spreads out in all directions to benefit men and women in almost every type of service, trade and profession.

## March of Dimes Aid Frees Joan To Devote Self to Helping Others

For 13 years, Joan Keeler has been jousting with a formidable antagonist.

Sometimes this attractive young woman, who lives and follows her profession of occupational therapy in Summit, N. J., makes some headway and seems to be winning. Then in a counteroffensive, her old foe will deliver a succession of cruel blows.

The old foe, the formidable antagonist, is rheumatoid arthritis. Arthritis tortures, cripples and deforms more people in the United States than any other disorder.

Emphasizing that she neither wants nor needs anyone's sympathy, Joan agreed to tell something about her encounters with this excruciating disease since her teens. She spoke during one of her monthly visits to the March of Dimes-financed Arthritis Center at Columbia Presbyterian Medical Center, New York City.

At the age of 17, Joan could look forward to what should be a reasonably happy life. She was attractive, athletic and a good student.

Then, without warning, Joan says, "the roof of my little dream house caved in." First, there were unaccountable pains during the summer just before college, and that meant the end of athletics because pain wracked her body. Next, fever and loss of weight. Diagnosis of rheumatoid arthritis, never simple to make, was even more difficult 13 years ago. Specialists shook their heads in puzzlement over which disease had robbed this young woman of perfect health.

Despite the increasing severity of the pains, Joan was determined to start college. The first, almost insurmountable problem was getting from dormitory to classroom. The next difficulty was concentration. How can a student apply herself closely to lectures and homework when she suffers incessant spasms of pain in her back, arms and hands, legs and even her toes?

"It became a fiasco," she says. "The plain fact was I couldn't keep up. I had to drop out." Then, during the following summer, Joan's old foe seemed to relent. She improved and returned to school.

But the rheumatoid arthritis returned to the attack—more

Joan Keeler (left), after long and painful joust with rheumatoid arthritis, now teaches others who are handicapped. Above, she's instructing in the use of sewing machine.

savagely than it had before.

The second homecoming from college was no less discouraging than the first. But it did result in her applying to the Arthritis Clinic of Columbia Presbyterian Medical Center, which had been studying the problem of rheumatoid arthritis since 1928, and to which The National Foundation-March of Dimes has contributed \$108,100 since 1959.

After exhaustive tests, the upshot was a definite diagnosis of rheumatoid arthritis. Now, at last, the enemy was identified.

The first urgent objective was to reduce Joan's pain to that she could be moved, and move herself, without unendurable suffering. This was accomplished in part through administration of cortisone (which she continues to take but in reduced dosages). A second goal was, by means of surgery, to "uncinch" her hands so that she could regain the use of her fingers. A third aim was to minimize the weight-bearing pressure on her feet by designing special moccasins.

The fourth aim was to begin physical therapy, as soon as cortisone had reduced the inflammation of joints and connective tissues to a point where

rehabilitative exercise was possible.

"The simple truth is that the March of Dimes put me on my feet," she explains. This feeling of thankfulness set her to thinking of doing something within her capabilities which would also be helpful to others. She had had intimate experience, during her own ordeal, with many kinds of therapy. Armed with this familiarity, she began to study occupational therapy which is the teaching of arts and trades as a means of rehabilitation of patients handicapped physically or mentally.

"I was lucky to get a position as an occupational therapist at Fair Oaks Hospital in my home town," Joan relates. "I soon learned that I understood the attitudes of these patients toward life—their fears and hostilities—and that they understood my attitude, because all of us had experienced what it is to be handicapped. And I am better adjusted and happier than I was because I am helping others."

Perhaps the old foe, the formidable antagonist, has not been altogether vanquished. But by helping others, Joan Keeler has found that at least she now keeps her enemy on the defensive, most of the time.

Mrs. J. A. Keeney, Reporter

A few relatives and friends joined the immediate family of Mr. and Mrs. L. J. Rapp in celebration of the anniversary of their wedding, which occurred on Jan. 6, 1904. They had been telling of the coming of this special day but no plans had been made to celebrate. So they were completely surprised when guests began to arrive. Mr. and Mrs. Chester Rapp and Mr. and Mrs. Denver Binder planned the affair and were assisted by their children and grandchildren, who were close enough to attend. We wish them all the years together that they can enjoy.

Little Stephanie Brinkley is making progress in learning to use her legs and feet since being released from the cast, which she wore for over six months.

Many folks who had planned New Year's dinners were disappointed when the snow made traveling so difficult.

Rev. and Mrs. Hunt and sons visited their parents near Mayville, on New Year's Day.

Mrs. Ezra Elmore is still a patient at St. Elizabeth Hospital and not improving as much as we would like to hear.

Cecil Faulkner is somewhat improved.

We are thankful for the fine rain which came on Sunday night.

## Social Security Notes

Sickness and war have been enemies of mankind from the beginning of time.

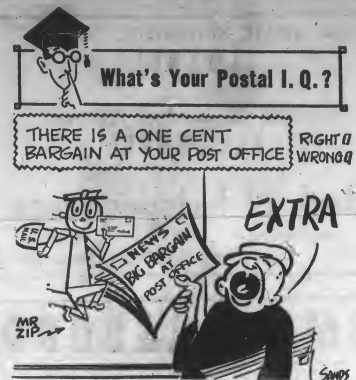

Our armed forces are strong and are there to protect us from attack. Our doctors and hospitals have come a long way in their fight against disease. All of us can think of many ways in which people have bonded together for their mutual protection.

Another form of protection we have joined together to furnish ourselves is social security. Each payday 9 out of 10 working people are reminded that social security protects them by the taxes their employer holds out of their pay, or they themselves pay as self-employed persons with their annual Federal tax return.

Do you know what you are buying?

Many people think social security means only retirement payments. Actually we make 3 different types of payments—disability, survivors, and old-age.

Let your family know where you keep the records—they will need to claim their social security, if you

**EVANGELISTS**  
Lesson for January 12, 1964

Background Scriptures: Mark 2:14-16;  
John 1:15-17; 6:15-16; 12:13-23; 14:1-13;  
John 1:15.  
Devotional Reading: John 14:1-11.

THE BIBLE studies selected for  
us this quarter are focused on  
persons, characters, rather than  
events and stories. The Bible sel-  
dom uses adjectives. We seldom  
or never hear, from the pages of  
the Bible, of a man who was  
mean, charming,  
resourceful, lazy,  
cowardly, coura-  
geous . . . not in  
so many words, at  
all events. We  
hear about peo-  
ple of those and  
many other  
kinds; but the Bi-  
ble lets us see  
Dr. Foreman what a man is  
like (just as it lets us see what  
God is like) not by adjectives but  
by verbs—not so much by saying  
what he is as saying what he did.

**Two in the outer circle**

Everybody has heard of the in-  
ner circle of Jesus' friends, those  
closest to him, who shared his  
most sublime and most agonizing  
experiences. Peter, James and  
John are as familiar as they are  
important. But most Christians  
would be hard put to it to name  
the other nine of the special dis-  
ciples who were later to be called  
Apostles.

Two of these meet us in the  
first chapter of John: Philip and  
Nathaniel. Maybe Nathaniel was  
the same as Bartholomew; but if  
this guess is true, still we hear  
nothing of either Nathaniel or  
Philip after that Pentecost time.  
(We hear of other Philip, but  
none of the Apostles by that  
name.) All that is known of Na-  
thaniel is in this fragment of the  
Gospel by John. We do know a  
little more about Philip, but it  
adds up only to the fact that the  
man was a little stupid.

However, the point here is that  
Jesus needed invited, made  
friends with and made use of or-  
dinary men.

These two men, Philip and Na-  
thaniel, are sometimes called  
"evangelists." In 20th century  
America, with the kind of church  
organizations we have now, it  
sounds a little odd to call these  
men evangelists. They were not  
Billy Grahams. They had no or-  
ganizations of their own; they  
never heard of either of them  
preaching a sermon; they had no  
choir to accompany them, they  
had no publicity at all. They never  
issued an "altar call," they  
were not known for the large  
number of their converts. Then  
why called evangelists? Because  
that word evangelism just means  
spreading the good news, and  
these two men did that in the  
simplest way possible. The good  
news was about Jesus. These men  
were not theologians; they might  
have made a low grade in a se-  
minary class; but they could do this  
much—they would tell others  
about Jesus.

**Laymen**

In an age of specialization, the  
present-day church follows the  
usual pattern and thinks of the  
minister (pastor, pastor, rector,  
whatever they call him) as the  
only person in the outfit "lic-  
ensed to preach." That was not  
the way in the New Testament.  
Undoubtedly in our church to-  
day we need organization and  
specialization; but the point here  
is that non-ministers, laymen,  
have just as much right—and just  
as much duty—to tell others  
about Jesus, as any minister has.  
There is a seminary which has a  
rule forbidding students to preach  
during their first year. But not so  
many years ago two young men  
who didn't know this rule, during  
the summer before they enrolled  
as students in the seminary,  
brought fifty-eight persons to  
Christ.

**Is there a secret?**

What did those boys have?  
What does any successful evan-  
gelist have, in or out of the pul-  
pit? Is it some mysterious gift?  
No, what Philip and Nathaniel  
had we can all have—if in our  
hearts we desire it so. We note  
that these two men were open-  
minded. They believed the good  
news with minds free from prej-  
udice, or at least willing to be con-  
vinced. Then they had the open  
mouth (in a good sense)—that is,  
they did not keep quiet about the  
Master. (What a contrast to most  
of us!) And they were men of the  
open hand. It is not just loyalty to  
Jesus that makes the evangelist,  
it is friendliness with other per-  
sons. Suppose these two men had  
had no friends with whom to  
share the News?

The farmer's share of a 21-cent

**NOTHING  
IS  
IMPOSSIBLE**

Never has the future seemed more exciting . . . or more disturbing! Today  
we dream of flights to far stars; about intelligent life on other planets. We look  
at our own earth with clear eyes, and discuss the possibility of world brother-  
hood, world government, world peace.

Are these things going to happen? We don't know. But we do know that  
nothing is impossible.

In fact, Jesus tells us that all things are possible with God. He wants us  
to understand that God is infinite power, as well as infinite love. The foolishness  
of men cannot affect God's plans for the universe, or His love for each one of us.

Faith is what we need . . . faith in the certainties upon which the Chris-  
tian Church is founded. When we put our lives in God's hands, there is no need  
to view the future with doubt or dread. All will be well.

# A LOOK AT EDUCATION

By Eugene Robinson

The adult education classes got under way last Thursday evening, January 9. Two classes were organized; one in beginning typing and one in general education. The turnout was a little disappointing in that about 50 percent of the people who filled out forms declaring they would be in attendance did not show up. We contribute part of this to the weather, which was miserable. Those people that did enroll were very enthusiastic and really got down to work. These classes will continue on each Thursday at 7:00 p. m. Any interested person that was not able to make the first meeting is invited and urged to be present this week. Anyone wanting to learn to type or work toward the High School Equivalency Certificate is missing a fine opportunity to do so.

Some time ago I used part of the space in my column to inform you of the KEA Legislative Program. I listed ten points that the Association was interested in getting passed during this session of the General Assembly. Now for the next few weeks it will be my purpose to keep you informed on the different education bills introduced and maybe make a few comments on some of the bills. If you have any interest for or against any bill introduced you should contact Senator Alvin Kiddell and Representative Herbert Tinsley and let them know your feelings. Of course both can be contacted at Frankfort, but if you cannot to contact them at home, Mr. Kiddell lives at 4010, and Mr. Tinsley at Warsaw.

The following bills have been introduced by Friday of last week, and I will list those that are introduced during the week of January 13 in next week's article.

HB10—Would amend KRS 156-0782 to allow the establishing of vocational schools out in the counties in which the cities listed are located. The law now allows such action in only counties and cities named and in some instances the law states a city without making reference to the county in which it is located.

HB11—Amending KRS 161.605 to increase the number of days retired teachers may do substitute teaching in one school year without a reduction in retirement annuities from sixty to ninety. This good because in some cases these retired teachers are in good health and are better qualified to teach than many substitute teachers that some school districts have to use.

HB14—Would authorize school boards to close schools up to ten days because of disruption of other public calamity and still receive full State aid from the Minimum Foundation Program Fund. I think this would probably be bad because some school boards might take advantage of this situation and close schools in some cases when it was not an emergency. In this case the boys and girls would be the losers. School boards are obligated to give boys and girls every advantage and not look for easy ways out. Of course sometimes there is a hardship in making up time. For example, we have three days to make up because of President Kennedy's funeral and two days of bad weather. We will have to make these up during the week set aside for a spring vacation, at the end of the year, or on Saturday. This is not easy, I believe the boys and girls are entitled to those days of instruction.

HB17—Would permit secretaries and clerical employees of boards of education to join the teachers Retirement System. This would be a good bill because many clerical and secretaries spend a lifetime working for schools and contribute as much as teachers to the overall education program.

## Piner 4-H Club News

The concluding school is on Monday, February 17, from 7:30 to 9:30 p. m., on beef production. The speakers will be Dr. Richard Miller, Dr. Zack Saufley, Dr. D. E. LaBore, and Dr. Nelson Gay.

## COUNTY AGENT'S 1/2 ACRE

By Joe Cleson

Many tobacco farmers have asked about the outlook for burley tobacco for the next season. In an attempt to answer this question, here are some statistics that may shed some light on the situation:

The total supply of burley tobacco as of October, 1963, was more than 100 million pounds larger than just one year ago. Disappearance increased only a few million pounds.

A normal relationship is between 2.8 and 3.0. Exports of burley tobacco during the past year reached 51 million pounds (farm sales weight), six million pounds above the previous year and highest on record. Domestic use rose 5 million pounds.

These figures point out that we are rapidly approaching a time when we still have large surpluses amount of burley on hand. We also should point out the possible effect the health scare might have on the use of tobacco. Another factor to consider is foreign competition. This may be more of a threat to our market than we realize. No one can forecast exactly what effect all of these factors will have on the use of burley tobacco in the future. However, we feel that the time is (Continued on Page 8)

## Fellowship Meeting-Revival

Two important events will take place at the Walton Church of God, 88 South Main Street, this week.

On Friday, January 17, there will be a Fellowship meeting, beginning at 7:30 p. m. Rev. Bruce Brooks of Xenia, Ohio, will be preaching. (Time on Monday through Friday, WPBB, 910 on your dial at 1:15 p. m.)

Beginning on Sunday evening, January 19, there will be a revival held at the church. Rev. Ronald Drown of Muncie, Ind., will be the visiting preacher.

Dee and Wanda Godd, pastors of the local church, urge members and friends to attend these coming events.

## NEWS LEFT OUT

Because of unexpected heavy advertising this week, we were forced to omit a large portion of our news matter. Time as well as lack of space is a factor in this, but we are sorry we have to do this from time to time.

## Republican Club to Meet

The canceled Boone County Republican Club meeting will be held tonight (January 16) at the headquarters in Florence, at 7:30.

## New Haven PTA to Meet

The New Haven School P. T. A. will hold its monthly meeting Monday, January 20, at 7:30 p. m., in the school cafeteria.

The program will be very beautiful films, and a speaker from Frankfort. The films are, "Vacation Wonders" and "Sundown Bright," which are beautiful colored films of the vacation spots which Kentucky offers to the vacationers. Refreshments will be served following the meeting.

## Social Security Notes

Most people would be indignant if they should ever be short-changed through an error showing up in their bank account. Yet many of these same persons year after year in effect short-change themselves and jeopardize future social security benefits for themselves and their families by filing incorrect or incomplete federal tax returns on their self-employment earnings. In some cases they simply do not file a self-employment report at all even though they are subject to doing so.

Commenting today on this problem, James W. Myers of the Covington Social Security District Office, said some self-employed people still do not seem to realize that the information from Schedule C (1040) for non-farm businesses, and Schedule F (1040) for farmers, is the only means whereby this agency can credit earnings to the self-employed account.

This in turn establishes whether that taxpayer or his family eventually qualify for social security benefits, and if so the dollar value of these benefits.

Mr. Myers said it, therefore, is just good business for the self-employed person to see that all items in these schedules are fully and correctly completed, the person's social security account number properly entered, and the return filed on time each year.

He reminded all concerned that the deadline for filing most of these tax returns is April 15, but most farm returns are due February 15, and suggested anyone needing information (Continued on Page 8)

## Notes of Servicemen

Don R. Moore, seaman, USN, son of Mr. and Mrs. Earl Moore of Walton, Route 1, is serving at the U. S. Naval Station, Keflavik, Iceland. The station is a vital part of NATO, on an alliance of 15 nations, including the United States and Iceland, that have banded together to protect themselves against Communist aggression.

Philip R. Black, aviation boat-swin's mate, USN, son of Mr. and Mrs. Sam Black, Green Road, Walton, spent the holidays in Cannes, France, aboard the attack aircraft carrier USS *Intrepid*, which is operating with the Sixth Fleet in the Mediterranean. The *Intrepid* will return to her home port, Norfolk, Va., in March.

Hubert Surgener, 45, of Richardson Road, Independence, was found dead at 2:00 a. m., last Thursday near a building housing the Spanish Villa, a Devon cafe.

Malvin Collins, Boone County sheriff, reported that Ray Cook, a resident of a nearby apartment, discovered the body. Jerry Rouse, coroner, who investigated, said Mr. Surgener apparently suffered a heart attack.

Survivors include his widow, Mary; two daughters, Patricia and Sherry, at home; his mother, Mrs. Little Burke, of Kingsport, Tenn.; his father, Willie Surgener, of Kingsport, Tenn.

Services were held at 10:00 a. m., Saturday at the Stith Funeral Home, Florence. Burial was in Forest Lawn Cemetery, Erlanger.

## Signup Period For Feed Grain Program

February 10 through March 27 has been set as the signup period for the 1964 Feed Grain Program.

The program this year is entirely voluntary. This follows the pattern set in past years. And, to a great extent is the same program presented to farmers in 1963—in addition to its voluntary aspect, it combines corn, grain sorghum and barley in a single base—farmers taking part qualify for diverted acre payments and price support payments, and they become eligible for price-support loans.

On the other hand, these changes appear, and they would seem to work to the advantage of the farmer. The maximum feed grain acreage which may be diverted on a farm has been raised to 50 percent of the base year it was only 40 percent. Farms with small bases have special provisions.

The average payment rate per acre for diverting 40 percent or more of the base will also be substantially higher than in 1963.

For more information on this program, see your County ASC Committee Chairman who is Russell Rector in Kenton County.

## Visalia Baptist Church Scene of Wedding

Miss Patricia Lynn Frederick, the daughter of Mr. and Mrs. Howard W. Frederick of Morning View, Ky., recently became the bride of Mr. William Clay Workman, son of Mr. and Mrs. John Workman of Independence, at the Visalia Baptist Church.

The candlelight ceremony was performed by Rev. William Barnard, pastor of the church. Miss Jo Ann Auerand was the organist and Miss Elaine Satchell was the soloist.

The bride, given in marriage by her father, wore a gown of ivory brocade, full length, with cummerbund waist and bead trim. The full skirt was flared and a brocade rose topped the train. Her fingertip veil was held in place by a cluster of white silk organza flowers.

Miss Linda Frederick, sister of the bride, was her maid-of-honor. Mrs. James Rice (Udd), Miss Joyce Frederick, Miss Donna Frederick (sisters of the bride), and Miss Diana Davis (cousin of the bride) were her attendants.

The girls wore identical gowns of red velvet and carried candles decorated with white mums and red and white streamers. The bride's bouquet was of white mums tied with red and white ribbons.

Mr. and Mrs. William C. Workman

Mr. Workman's best man was Mr. Richard Carlisle of Lexington, Ky. Ushers were Mr. Edward Fisk and Mr. Russell Richardson of Morning View, and Mr. Richard Workman (brother of the groom), and Mr. Wilson Sebastian of Covington.

Following a honeymoon trip, the couple will reside in Lexington.

## ORDINANCE NO. 1964-30

An Ordinance imposing a license tax upon certain businesses, occupations, trades, and professions, and the manner of conducting, operating, or carrying on the same, within the City Limits of the City of Walton, Kentucky, and requiring all persons, firms, corporations, partnerships, and other methods of doing business, and pursuing same, to first obtain a license therefor and providing penalties for engaging in any such business, occupation, trade, and profession without a license.

WHEREAS, heretofore there has been an inequality of license taxation with the City of Walton, Kentucky; and WHEREAS, the City Council of the City of Walton, Kentucky, is desirous of equalizing said taxes.

Now therefore, the City Council of the City of Walton, Kentucky, does ordain as follows:

Section No. 1. It shall be unlawful for any person, firm, partnership, corporation, or other form of doing business, within the corporate limits of the City of Walton, Kentucky, to engage in any business, occupation, trade or profession, or to sell or offer for sale, any articles of goods, wares, or merchandise named in this ordinance, or to do any act for the doing of which a license is required by this ordinance without having first procured a license so to do and without having first paid the required license tax therefor.

As used in this ordinance, the term "non-resident" shall mean one whose place of business is not permanently located within the City of Walton, Kentucky, and the term "resident" shall mean one whose place of business is permanently located within the City of Walton, Kentucky.

Section No. 2. Each person, firm, partnership, corporation, association, or any such organization, operating, conducting, or carrying on any of the following businesses, occupations, trades, or professions, whether such be operated or conducted separately or in connection with other businesses, occupations, trades, or professions, except as may be hereinafter specifically provided, shall pay the amount of license tax hereinafter provided, the name used in each case being the designation of the business, occupation, trade or profession required to be licensed.

The license fiscal year for the town of Walton, Kentucky shall begin on January 1st and end on December 31st of each year; and any person, firm or corporation beginning a taxed business, occupation, trade or profession on or after January 1st of any fiscal year, may procure a license so to do by paying such part of the annual license tax for such business, occupation, trade or profession as the business, occupation, trade or profession bears to the entire fiscal year, plus ten (10%) per cent of such annual license tax.

Section No. 5. All licenses issued hereunder upon the adoption of this ordinance shall expire at midnight on December 31st (unless issued as hereinafter provided), and shall be paid for by the licensee before the first of the fiscal year yet to run to said December 31st; licenses for one day or other short time may be issued as specifically provided herein. No annual license shall be issued for less than six (6) months.

Section No. 6. Any and all license fees or taxes due to be paid on December 31st, and if not paid within thirty (30) days from that date shall be assessed a penalty of ten (10%) per cent of the fee or tax required for that particular business, occupation, trade or profession, which penalty together with the regular fee or tax shall be paid before license is issued.

Section No. 7. Every person desiring to obtain a city license for any business, occupation, trade, or profession herein enumerated shall pay to the City Treasurer the required license tax and obtain the signature of the City Clerk upon the license certificate. The license certificate shall be evidence of the fact that the license has been duly paid. The license certificate shall be void and of no effect without the signature of the city clerk.

Section No. 8. Every person holding a license for any of the purposes mentioned herein shall keep the license posted in his or her place of business, if any, in a conspicuous place, or if he or it does not have a place of business in the city, upon the person, so that it may be inspected upon request by the proper authorities, and every person holding a city license shall be subject to the inspection, whenever required so to do by the City Clerk, City Treasurer, Town Marshal, City Judge, or any member of the City Council. Any person violating this section shall be fined not less than \$5.00 nor more than \$10.00.

Section No. 9. No license provided for herein shall be assigned or transferred to any person, firm, or corporation.

Section No. 10. The license tax herein provided shall be required of each member of a firm where two or more persons are engaged in the practice of business, and shall also be required where an individual firm or corporation may have separate locations for business, and each location shall be a separate location requiring the license tax according to the business conducted therein.

Section No. 11. Except as otherwise specifically provided herein, any person, firm or corporation violating any of the provisions of this ordinance shall, upon conviction be fined not less than Five (\$5.00) Dollars nor more than One Hundred (\$100.00) Dollars for each offense; and each day said person, firm or corporation continues such violation shall constitute a separate offense.

Section No. 12. All revenue received from payment of license taxes and penalties required by this ordinance shall be paid into and become a part of the general fund of the city to be used for the general operating expenses of the city.

Section No. 13. The different sections and items of this ordinance are hereby declared to be severable and it is the intention of the City Council that if any portion of this ordinance shall be held invalid, then the remaining portions are to be and to remain in full force and effect.

Section No. 14. All ordinances or parts or portions in conflict herewith are hereby repealed to the extent of such conflict.

Section No. 15. This ordinance shall apply in the future until repealed.

Section No. 16. It shall be the duty of the City Clerk, or the City Marshal upon their learning that any person, firm or corporation, or any person by this ordinance to pay any license tax to the city has not paid same, to send to that person, firm or corporation a letter

## WALTON-VERONA SCHOOL NEWS

**W-V Library Open to Public**  
The general public in the Walton-Verona district is invited to use the high school library. It is open every Monday night from 7:00 to 9:00 for anyone who wishes to use the reference books or to check out library books for home use. The library has books in a wide range of factual subjects as well as fiction. There is no charge for this service.

**W-V Offers Night Classes**  
Classes for adults in typing and general education were started last Thursday night at Walton-Verona high school. There were several members in each class and more are expected for the next meeting Jan. 16. The general education class is designed for those persons who want a refresher course before they take the General Education Development Test to get a high school Equivalency Certificate. Fees for the classes are \$25 for typing and \$20 for general education; all books and supplies being furnished without additional cost to the student. The class is to meet each Thursday from 7:30 to 9:30. Any interested persons who did not register for the course last Thursday may do this Thursday at 7:30 p. m.

**Arnett Attends All-State Band**  
John Arnett, Walton-Verona senior, left for Bowling Green, January 9 for a meeting of the All-State Band. The band presented a concert to the Kentucky Music Education Convention, Saturday, January 11th. Janet is the only W-V student to have been selected for this honor.

**Tune WCKY For School Information**  
On days when you suspect there will not be school due to bad weather, listen to radio station WCKY for the Walton-Verona school closings. The station has agreed to announce such closings from 6:00 until 8:00 a. m. and from 4:30 to 6:30 p. m.

**Buy A W-V Mascot**  
The junior class of Walton-Verona High School is selling mascots. Buy a teddy bear or dog with the school colors and emblem on it, at the low price of \$1.25. See any member of the junior class.

## CARD OF THANKS

I wish to express my sincere thanks and appreciation to dear Christian friends who prayed faithfully for me, and to Rev. Moore, Rev. Garriott and Rev. and Sister Godd for visits while I was in Christ Hospital. Also Sunday School class and other groups of Baptist, Methodist, Christian and Church of God Churches, Masonic Lodge, and Eastern Star for flowers and many lovely cards. Also the dear friends who so kindly sent flowers, candy, etc., and the many cards and little personal notes while in the hospital and since returning home and those who have visited at my home. May God bless you all.

## TAYLOR MILL

Ernest J. Ryle, Reporter

News is scarce right at this time so why not write it and make it rhyme. Of course this will be nothing new, for on TV they sing it too. First the weather has been quite cool as it seems that's getting to be the rule. Well the sick are all better and that's good news, most of it heavy colds and flus. The preacher at Amity has resigned so the deacons have another one to find. Our break-in item last week was exclusive, but so far the culprits have been elusive. Perhaps our dog Bullet scared them away, for he barks and runs both

night and day. Well that's enough of this zany stuff, as I know the editor thinks it's enough. So now a few lines we'll try to find, our thanks to the paper for being so kind.

Glad to report Charley Dorsey is feeling much better at this writing.

We hear that our former landlady (while we lived in Latonia) Mrs. Glenn Hurd, is now a resident of the new Baptist Home, Independence.

Cecil Clay, Whites Tower auto mechanic, is able to work in his shop again.

Tom Brumback, wife and daughter called on the writer and wife, Saturday evening.

Our sixteenth grandchild was born Jan. 6 to Mr. and Mrs. Carlos Petty at Covington, at St. Elizabeth Hospital, a boy, named Mark Allen.

## CARD OF THANKS

We wish to thank all of our relatives, friends and neighbors for the many kindnesses shown us in the recent death of our dear mother, Emma O'Maley. We especially wish to thank Father Joseph J. Rueter, the pallbearers, and the Hamilton Funeral Home for their kind and efficient service.

### A Cautious Man

Lesson for January 19, 1964

Background Scripture: John 8:1-21; 7:40-52; 12:35-42.  
Devotional Reading: I John 5:6-14.

NICODEMUS might have been one of the Apostles. He had more to start with than some of them did. He had education and money, for example, not to mention great prestige as a member of the Jewish Council or Sanhedrin as it was called. But his case goes to show that it's not what you have that counts, it is what you do with what you have.

This man Nicodemus has been described in various ways. Some have thought that he came under the everlasting condemnation of God because he did not speak out boldly as he should have—he was a disciple who arrived too late. Others on the contrary paint Nicodemus as being as much of a disciple as the circumstances permitted, a man whose faith triumphed in the end.

#### He came by night

The thing that most people remember about Nicodemus is that he "came by night" to Jesus. That does not label him a coward, but it does show him to be a cautious man. He was willing, indeed almost eager, to hear what Jesus had to tell him. Only he didn't think it would do his prestige any good to be seen interviewing Jesus, and admitting that he, a ruler in Israel, did not know all he needed to know about religion.

Jesus did not brush him off. If the Lord had despised him or thought him altogether a coward, he would not have said to him the things he did. Some of the most profound things Jesus ever said were spoken in conversation with this careful, timid man. It is rash to say that Jesus failed to convert this distinguished personage. Nicodemus was not convinced that very evening, he took time to think it over. He took too long; for he never stood up for Christ until matters had gone too far to change. However, he did think, and seems to have come out openly for Jesus at the last. Caution to the last.

Nevertheless, Nicodemus never became a bold man. When he spoke a moderate word for the Rabbi from Nazareth, he did not profess to defend him. All he said was that Jesus deserved a fair trial. Even that little was too much for the Sanhedrin, and they shouted Nicodemus down. Nicodemus did not try it again, we may infer. Then after the death of Jesus, Nicodemus and Joseph of Arimathea joined in caring for the body. Yet even here the reader notices that it was not Nicodemus but Joseph who took the lead. Nicodemus was doing a costly and gracious act, but he was led in this by another man.

All the same, though as was said, this "ruler" never became outstanding for heroism, yet remains that asking Pilate for the body of a man just executed by Pilate's own order took more courage than coming to Jesus by night.

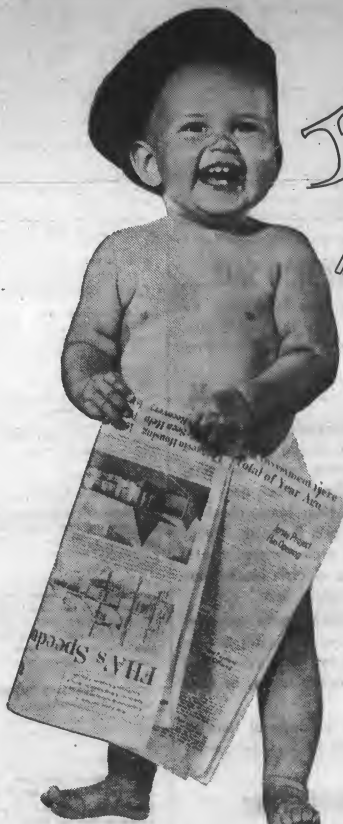

#### What he missed

After all's said, it still is a fact that Nicodemus missed a great deal by not becoming a disciple in the whole-hearted way of Peter and John. He missed what he might have had, association with Jesus through those years of conflict. Not only that, he missed the great joy the disciples had in serving the Master. There can't be much doubt that the twelve apostles, humble and ordinary men though they were, did more for their fellow-men during those years with Jesus than Nicodemus ever did in the same space of time. Nicodemus cut himself off from joy and from usefulness, by his cautious and "cagey" approach to faith.

People today are like that man, sometimes. They expect to be saved in due time, but they are in no hurry. They want a lot of evidence to convince them. They spend too much time, by the river of Truth, testing the temperature of the water and never heartily diving in. A Nicodemus may arrive in the end; but think what he misses along the way!

### CARD OF THANKS

I wish to thank my relatives, friends and neighbors for the many kindnesses shown me in the death of my husband, Wm Hoard. I especially want to thank Rev. Joseph R. Tackett, and Chambers and Grubbs. 11-3\* Little Franks Hoard

JKE!  
MY  
PICTURE'S  
IN THE PAPER

Sure it is! And you're looking at it right now.

Most people get their pictures in the paper because they've done something. But not I!

I haven't done anything. Not yet, that is...

But one of these days I'm going to do lots of things. Big things. Great things. Why, I might even be President of the United States some day.

Want to know why my picture's in the paper?

Because I'm one of millions of youngsters who needs to grow up with faith, fortitude, character.

And we boys and girls want you to come to Church next Sunday—and to bring us with you.

**COUNTY AGENT'S 1/2 ACRE**—(Continued from Page One)

here that barley producers do some thinking about this situation. It is rather apparent that some changes will need to be made soon. We cannot continue in the same direction that we have for the past two years.

One possible solution or change that might be made is to have a pondage-orecage control program instead of only an orecage control program. We feel that you will hear much about this type of a program in the next few weeks. Every farmer should do his best to become well informed on this and other possible changes that might be made in the tobacco program.

With farm operations getting larger some folks wonder if the family farm is being replaced. Well, a recent study indicates that there are more large farms, but there are more family farms than ever before. This study was limited to the 102,000 U. S. farms with annual gross sales of over 40,000. It was found that since 1939, the percentage of total farm production from

these large farms increased from 16 percent to 33 percent of all U. S. farm production. Today, 4.2 percent of U. S. farms produce one-third of the total value of all farm production. Four out of ten of these farms with sales over \$40,000 are classed as family farms. In 1944, less than two out of ten such farms were considered family farms. Even in the very large category, those having over \$100,000 in gross sales, 10 percent of the 20,000 total are family farms.

The number of large farms is increasing much faster than the size of such farms. From 1939 to 1959, the number of farms increased only 8 percent. In the over \$100,000 class the number of farms increased 300 percent with only a 10 percent increase in sales per farm.

As a whole, the family farms of the U. S. are producing a larger share of farm products than before. In 1959 family farms produced 70 percent of the total value of agricultural products as compared with 66.5 percent in 1944.

In conclusion, Mr. Myers said that April 15 this year is the last chance for most delinquent self-employed taxpayers to go back and pick up credit for years as far back as 1959, and that in many cases this credit or the lack of it could actually mean the difference between social security benefits ever being payable or not to that person and his family. He invited anyone desiring information or help about any social security matter to contact his office at 309 Garrard St., Covington, any weekday.

## Veterans Administration Questions and Answers

Q—How many young men and women are taking advantage of the War Orphan Educational Assistance program administered by the VA?  
A—About 20,000 are enrolled in colleges and schools at the present time.

Q—Do we have a reciprocal agreement with some Allied nations that veterans of their armed forces may be treated in a VA hospital?  
A—Yes, but these governments reimburse the VA for this care just as the United States must reimburse these nations for care of a U. S. veteran.

LOOK AT  
EDUCATION  
By Eugene Robinson

It seems that every time education is mentioned in newspapers, on the radio or in conversation by anyone, the phrase "Minimum Foundation Program" pops up. All the new bills presented in the present General Assembly are either directly or indirectly concerned with the Minimum Foundation Program for Education. Even though the Minimum Foundation Program has been in effect for almost ten years, there still are many people who lack an understanding of how the program was developed and how it operates.

I attempted in several of my past articles to explain certain phases of the Foundation. However, I do not feel that I did a good job because in any program such as this there are many technicalities of language and application which can be understood readily only by those closely involved in the day-to-day operation of the program. It is doubtful if any person, closely involved in the program, would have the depth and breadth of understanding to explain adequately the entire program.

For this reason I want to spend a few weeks using an article that appeared in a recent issue of the KEA Journal. This article was prepared by individuals for the State Department of Education, local school administrative staffs and the Kentucky Education Association. It is one of the best descriptions of the Foundation Program I have read, and I believe you will have a better understanding of the program after reading it.

Few persons who were involved in public school work in Kentucky ten years ago will ever forget the cry, "Amend Section 186." That was the rallying call which brought together the largest and most unified group ever before assembled for better schools.

It was just ten years ago that people from all walks of life decided it was time to change on a provided the provision of the Kentucky Constitution to that all children would have at least a minimum opportunity for an education. Teachers, parents, children, school administrators, and lay people from every facet of community life joined forces in this effort.

The intervening years, since the successful culmination of this widespread effort, have formed the decade of greatest advancement in Kentucky's educational history. The enactment of Section 186 made possible the enactment of a Foundation Program for Education, with an equitable basis upon which to provide much more adequate educational opportunities for every boy and girl in the state.

What is this Foundation Program which has made possible so much educational progress? How are the local and state shares in the minimum program calculated? How and when can a local school district go beyond this minimum?

**Basic Principles of the Foundation Program**  
The 1954 session of the Kentucky General Assembly enacted into law the legal provisions setting up the Foundation Program. In the first section of this legislation the members of the state's lawmaking body indicated their purpose when they said:

"It is the intention of the General Assembly to assure substantially equal public school educational opportunities through a foundation program, for those in attendance in the public schools of the Commonwealth, but not to limit nor to prevent any school district from providing educational services and facilities beyond those required by the foundation program." (KRS 157.310)

Then, the legislators went ahead to define the specific provisions of this program to provide:

(a) At least a minimum school program for every child in the state, regardless of where he lives.

(b) An opportunity for the people in any school district to go beyond this minimum whenever they decide they want to do so and feel they can afford it.

(c) A shared responsibility, between the state and the local school district, for financing the program, with the local district bearing a fair share of the load on the state providing the rest of the money needed to assure the needed minimum program.

(d) The calculation of the required local contribution to the foundation program on the basis of the local ability to support schools.

The simplest interpretation of the procedure for putting the Minimum Foundation Program into effect calls for the use of the following formula:

**TOTAL COST OF PROGRAM**  
minus  
**REQUIRED LOCAL EFFORT**  
equals  
**STATE CONTRIBUTION**  
The actual calculation of each of these factors is a rather complicated procedure, with a lot of ifs, and

## 16 Freight Cars Derailed Last Week

Sixteen cars of a northbound Southern Railway freight train were derailed just north of Walton (at the Gaines Farm) at 2:35 a. m., last Thursday. One car, containing empty soft drink cases, spilled over U. S. Highway 25 and blocked the northbound lane for some time. Electric power in part of Florence, Mr. Zien, Devon and the Lindburg subdivision area of The Union Light, Heat & Power Company was off until 3:35 a. m.

A 33,000-volt line was knocked out when two utility poles were snapped by three of the five freight cars which were jarred from the tracks and overturned. There were no injuries.

For a time other Southern trains were routed over the L&N Railroad to Cincinnati from Walton, as there is a spur here connecting the two roads. No cause was given for the accident.

## Stationed in Germany

SP/4 Dennis F. Jones, son of Mr. and Mrs. Raymond Jones, Norwood, Ohio, and formerly of Walton, and the grandson of Mrs. Ed Jones, North Main St., Walton, is stationed in Ulm, Germany. Dennis went overseas in November and will be stationed there for 15 months, serving with the Military Police. The Blue Danube River runs through the city of Ulm.

## Coming: A Hootenanny

Are you doing anything this Saturday night, besides sitting at home or looking for some place to go? Well, for some fun, entertainment, and a refreshment, come along with us to a Hootenanny. Yes, the Simon Kenton Student Council is presenting a Hootenanny, January 25 at 7:30 p. m. There will be music presented by several groups and some of the students will present some of their talents, too. This will all take place in the Simon Kenton gym. So grab your hat with one hand and a friend with the other and join the fun—Pub. Cim.

## Fire Auxiliary Meets

Anyone interested in joining the Auxiliary please contact any member. The group would appreciate your joining them.

## Protestant Ass'n To Meet

The Annual Assembly of the Northern Kentucky Association of Protestant Churches is to be held at the Lakeside Presbyterian Church, Lakeside Park, on Thursday evening, January 30, according to Dr. Jesse L. Murrell, Executive Secretary. Dinner will be served at 6:30 and the program will follow at approximately 7:15.

The guest speaker will be Dr. Howard E. Short, editor of The Christian, International weekly of the Christian (Disciples) Churches, and Vice President of the Board of Publications of that denomination. His subject will be, "Fellowship With Integrity."

## Tri-City Women to Meet

The annual meeting of the Tri-City United Church Women will be held Friday, January 24, beginning at 10:00 a. m., in the Florence Methodist Church. A very special program featuring the whole scope of the work of United Church Women has been planned.

During the business session a new vice-president and a new treasurer will be elected for two-year terms. The host church will provide dessert and coffee for the noon luncheon and the ladies are asked to bring sandwiches.

All church women of the Erlanger, Elmore and Florence area are invited to attend.

## Simon Kenton FHA Officer

Gov. Edward Breathitt recently appointed Charles M. Carpenter of Devon, to the vacant second magistrate's seat in the Boone County Fiscal Court. The vacancy occurred in the death of Joseph Hagan.

Mr. Carpenter is a retired steel company employee and a longtime Democratic worker.

## County PTA Council

The Boone County PTA Council will meet on January 28th in the Florence Graded School cafeteria at 8:00 a. m. Local PTA presidents and other interested parents are invited to attend.

The Executive Board will meet at 7:15 the same evening.

## Literary Club Meets

The regular meeting of the Walton Women's Literary Club was held on Wednesday, January 8, in Fellowship Hall of the Walton Methodist Church with Mrs. W. H. Presser and Mrs. D. L. Luby as hostesses. Mrs. Geo. Knox, president, presided.

The meeting was called to order by reading the collect, and pledge to the flag. "My Old Kentucky Home," was sung by the group, led by Mrs. Lloyd Watson, with Mrs. Solite Moore at the piano.

The speaker, Mrs. L. M. Gabriel, gave a most interesting book review on the Church in Communist China by Frances Price Jones. Mrs. Robert Daniels gave the spiritual guidance.

A new member, Mrs. Edith Gerth, was added to the club.

## Human Rights Workshop

The Northern Kentucky Commission on Religion and Race in cooperation with the Kentucky Commission on Human Rights of Frankfort, will hold one of its state-wide legislative workshops on Friday, January 24, at 5:30 p. m. at the YMCA in Covington. The public is invited.

Purpose of the workshop is to study and gather support for an early passage of the public accommodations bill to be presented to the 1964 Kentucky General Assembly.

## 'CATS BEAT BROSSART

The Walton-Vernon Beacorts easily defeated Bishop Brossart High 81-60 on the hometown floor, January 14. The Beacorts had little trouble in winning the game, which had been postponed due to heavy snow.

Dennis Rich topped all scorers with 24 points, and Heck led the losers with 16 tallies.

Friday night, Walton-Vernon met Augusta for the second time this season. They were beaten 78-64 on the local court. Keith led Augusta with 21, and Rich scored 16 points for the Beacorts.

Walton's next home game is with Breckinridge Training, January 30. They were one of the sixteen teams in the State Tournament last year.

## COUNTY AGENT'S 1/2 ACRE

By Joe Cleson

What's the best tobacco variety for your farm? The one that does the best job for you. That's not an over-simplification, but solid advice.

Each farmer has particular reasons for growing a certain tobacco variety. Also each farm has a particular soil environment that necessitates careful selection of variety—this soil environment may include organisms that cause black root rot, fusarium wilt or black shank. If so, selection of the proper variety may mean the difference between a good yield of desirable tobacco or a crop failure.

Disease problems will dictate the variety to best be used by a farmer. For land with a severe black root rot problem or fusarium wilt (or both), Ky. 12 is recommended. If wildfire is a problem, either Burley 21 or Ky. 12 is recommended. These last two are the only ones recommended for wildfire control.

Where there is no disease problem the farmer is free in variety selection. Never switch from variety to variety without good reason. Before a switch is made, use the stick root test to determine which of the new ones being considered fits the individual operation.

If you are growing the old standards (Ky. 16, Ky. 41A, Ky. 35 or Ky. 26) you are penalizing yourself. It has been shown that Burley 21, Ky. 10 and Ky. 12 are the best varieties. Burley 21 produces the most useful tobacco leaf. Ky. 10 and Ky. 12 are good varieties and will produce good yields of useful leaf.

Ky. 9, however, is not in the same class as Burley 21, Ky. 10 and Ky. 12; at one time Ky. 9 had a clean bill of health but now the leaf is considered less desirable than Burley 21, Ky. 10 and Ky. 12.

Burley hybrids of Burley 21 x Ky.

## Birthday in January? CHECK YOUR OPERATOR LICENSE

10 and Burley 21 x Ky. 12 are the best of the hybrids, and they can be grown where their parents were grown. Both will produce good yields of useful leaf.

Those large flies that buzz around the house on sunny winter days may be cluster flies or "tattler flies," as they are sometimes called. These pests often over-winter in attics and are especially active on warm or sunny days.

These flies get into rooms through window pulley holes, around baseboards and through other small openings.

Using a pyrethrin aerosol bomb is one good way to kill cluster flies in a room. For best results, close up the room and fill the air with the pyrethrin spray mist. This kills insects quickly and leaves little or no residue.

### Blue Grass State 4-H'ers Win '63 Honors for Club Projects

#### Chicago Congress Trip Heads List

Kentucky 4-H'ers lived up to the club motto—to make the best better—in winning the 1963 best-in-state placings in their favorite projects.

The young award winners are Charles Hayes, 16, of Jackson; Teresa Walters, 17, of Salersville; Bill Brown, 21, of Alexandria; Duane Moore, 17, of Campbellburg; Mary Ellen Junk, 18, of Louisville, and Diane Hughes, 15, of Florence.

The six were named Kentucky award winners by the Cooperative Extension Service. Five received expense-paid trips to the National 4-H Club Congress held in Chicago the first week in December.

#### Wins With Insects

Hayes' award was in the entomology program. A 4-H member for seven years, he began his winning collection of insects only two years ago. Now he has nearly 300 specimens.

A son of Mr. and Mrs. Chester Hayes, he has been vice president of his district 4-H Club. In Chicago, Hayes was the guest of the Hercules Powder Company, donor of prizes in the entomology program.

Miss Walters won a trip as Kentucky's winner in the food-nutrition program sponsored by General Foods Corporation. In 1962, she was third in the state 4-H home economics program.

Daughter of Mr. Truman Walters, she has won top awards

in county and district competition for the past three years. She often earns spending money by selling her baked products to neighbors and friends.

**Three-County Hootenanny**  
Brown, a Villa Madonna College student studying for a career as an elementary education teacher, won the state recreation award. He organized a three-county hootenanny of folk music, and planned parties for senior citizens.

His trip to the Windy City was donated by John Deere. Moore, son of Mr. and Mrs. C. W. Moore, won the state award with his beef cattle. He showed only one heifer, Duchess. In 1963, but his animals won grand championships at five county shows and placed second at the State Fair.

In Chicago, Moore was the guest of E. L. du Pont de Nemours & Company, Inc., national sponsor of the 4-H beef program. Moore helps his parents operate their 140-acre farm.

**Improves Health Habits**  
Miss Junk practiced what she preached in her many health demonstrations to win the state

Miss Hughes

health award trip donated by Eli Lilly and Company.

She stressed improvement of her own personal health by eating required foods for good diet. She lectured younger members of her club on the importance of good posture and health habits. She is the daughter of Mr. and Mrs. Leo Junk of 8001 Famous Way, Louisville.

Miss Hughes won the state dog care and training award, a 19-jewel wrist watch from the Ralston Purina Company. She used a female miniature Pekinese, Sue Lee, in the project, teaching her to sit, heel, lie down and beg.

She traveled to 4-H gatherings in Boone County, instructing other members in dog care and training. She is the daughter of Ben Hughes.

grades are to participate in the annual Cincinnati Post and Times-Star WPCO Spelling Bee. The representative and alternate from the Walton School will be selected in a spelling bee to be held at the school in the near future.

The champion from the local school will meet champions from all other schools in the area at Woodworth High School, April 11 for a written spelling test. The top 25% will appear in the final elimination oral spell-down in the Cincinnati Gas and Electric auditorium, April 25. The finals winner will represent this area in the National Spelling Bee in Washington, D. C., June 1-6.

According to rules of the contest, any representative cannot have reached his 16th birthday until after June 6, 1964 or have passed beyond the eighth grade.

The grand prize is an expense-paid trip to Washington for the winner and one parent and a set of the Encyclopedia Britannica. Second prize will be a Zenith transistor radio, with all semi-final winners receiving certificates of merit and a Paper-Mate pen.

#### Senior Magazine Sales

On January 30, the senior class is to launch its annual magazine sales campaign at Walton-Verona High School. The profits made under this Look School Plan will be used in financing the senior trip. If any of your magazines need renewing, contact any senior or call the school and your message will be given to one of the sales persons.

The bill for lime and fertilizer for U. S. farms is \$1.5 billion a year.

U. S. farmers use 28 billion kilowatt-hours of electricity annually.

### Keen Teen 4-H Club

The December meeting of the Keen Teen 4-H Club was held in the Courthouse, Independence, with Paul Kunkel, president, presiding.

Charlotte Richardson spoke on the last Junior Council meeting. She said the club decided to go Christmas Caroling to the Old People's Home and that all members were invited to go.

A unanimous vote was made to donate \$25 for the electronic bell system, which soon will be installed at St. Cecilia Church.

Mr. Maddox passed out medals for outstanding work by members in projects they took last year. Our club received the most medals of any Kenton County 4-H Club. Recipients of the medals were:

Paul Kunkel, tractor; Jane Kunkel, style revue, garden; Charlotte Richardson, style revue, bread, canning; Warren Richardson, tractor; Barbara Wolsing, dairy foods, dairy; Allen Wolsing, electric, dairy; Donna Elbert, style revue, canning, clothing, leadership; William Eggleston, leadership.

The January meeting was decided to be held at the home of Charlotte and Warren Richardson at the regular time.

Following the meeting, members participated in the 4-H Junior Council meeting.

The January meeting of the group was held at the Richardson home with Paul Kunkel presiding.

Mrs. Wolsing spoke to the boys taking the electric project and after the meeting each boy was to tell her what each one planned to make so she could order supplies.

Four members, Pam and Paul Kunkel, and Charlotte and Warren Richardson spoke about the old people's home in which they visited, along with other members of the 4-H Junior Council, and sang carols and passed out Christmas foods. Following this, members had their pictures taken.

Barbara and Allen Wolsing received ribbons and a check for participating in the tobacco show at Carrollton.

Mrs. Wolsing talked about the tobacco program and the tobacco show in which all members taking the tobacco project could participate. Project books were handed out by Mrs. Richardson. The 14 members have 72 projects.

Mrs. Wolsing showed films of the various activities, taken at the Kenton County Fair. These films proved to be very interesting to members.

It was decided to hold the next meeting at the home of Jane and Paul Kunkel. Following adjournment, refreshments were served. Thirteen members and three leaders were present.

### Staffordsburg

Mrs. J. A. Keeney, Reporter

Among those who came from a distance to the funeral of Miss Alma Stephens were: Mrs. S. Parker, Mr. and Mrs. Robert Stickford and two daughters, Linda and Janet, of near Franklin, Ind.; Wayne Stephens of Atlanta, Ga.; Misses Clara and Anna Belle Eaton of Proctorville, Ohio; Miss Hope Keeney of Houston, Texas, and Paul Keeney of Chicago, Ill.

The mail goes on in spite of wind or weather, but really, we were just about snowed in last week. We did get out to Sunday School, and there were a good many out for morning worship. But when it comes to writing the news, well, I'm at a loss for anything new about which to write. I think most of my friends who read my column know that my sister passed away January 5. I deeply appreciate the sympathy which has been profusely expressed. We miss her very much. But since that is a journey on which we must all go sooner or later we can look forward to a meeting in that better home above. Jesus said, "I go to prepare a place for you—that where I am there you may be also." St. Paul admonished us to "press forward toward the mark of the high calling, of God in Christ Jesus."

On Thursday of last week we visited our neighbor and friend, Mrs. Elmore, in the hospital. We found her improved but not knowing when she would come home.

We heard last week that Mrs. Ralph Hightman is in the hospital with pneumonia.

Cecil Faulkner is convalescing at home, we are glad to learn. Mr. and Mrs. C. S. Rapp, Jr. and son, were recent weekend guests of his parents.

### Approved Dairies Named

The following dairies have complied with the Milk Regulation Code adopted by the Boone County Board of Health, September 11, 1956, and delivered Grade A milk on Boone County during the year 1963:

Alvins, Burlington, Cedar Hill, Cloverleaf, Feldman, French-Bauer, Hanekern, Latonia Springs, Sealtrest, Sumet, and Thrush Dairies.

The Health Department spokesman

said "These dairies deserve a note of appreciation for their splendid efforts to provide the people of Boone County with a safe, high quality milk supply."

The farmer's share of a 25-cent quart of milk is about 11 cents.

#### Basketball King and Queen to Reign

The Student Council of Walton-Verona High School will again be in charge of sponsoring the basketball king and queen ceremonies. This year, since Paulette Chance is the only senior cheerleader, she will automatically be the queen. The king will be chosen from the five senior basketball players: Steve Collins, Tom Kirk, Dewey Mulford, Bobby Porter, and Gary Rooden. The voting will be held in the near future and the crowning will be between games on Tuesday, February 18.

#### Talent Show Planned

The Student Council is planning a Walton-Verona Talent Show as a money-making project. It will be held soon after the basketball season ends. Anyone interested in performing should contact the Principal, John Shoemaker. All your interest and support will be appreciated.

## A LOOK AT EDUCATION

By Eugene Robinson

Education bills presented to the General Assembly in Frankfort, Thursday, January 16, 1964:

House Bill 27: To amend the present law governing school board elections to require filing with the county clerk of candidacy for election to a board of education by written petition therefor.

House Bill 35: Amending the teacher retirement law to allow any member who has met the requirements of the law to retire sixty days after filing of application.

House Bill 36: Amending the attendance law to increase from 7-16 to 7-18 the ages between which a child must attend school. District boards of education may exempt from this requirement every child who is between the age of 16 and 18 and who is enrolled in an accredited or approved vocational school. This would be a fine law. For too many boys and girls are dropping out of school when they reach 16 years of age. If they stayed in school until 18 they at least would be old enough to handle a job if a job were available. Also, in two years they might change their minds about dropping out.

House Bill 45: Amend the law regulating the school term for 1963-1964 to 184 days, thereafter 185 days. I do not know what the reasoning is for this except to give schools a legal reason for not having to make up the day they were out because of the President's death.

House Resolution 10: Requesting a re-evaluation of the Public School Foundation Program.

House Bill 52: To amend the teacher tenure law to provide: (1) Four one-year contracts, making teacher eligible for tenure at the expiration of the fourth contract; (2) Continuing contracts only for four years experience while holding a certificate issued on the basis of a college degree; (3) Annual contracts rather than continuing contracts at age 65; (4) Notice of non-renewal of annual contract to be given by May 15. This will be a good bill if passed for no other reason than to have a law that we can understand. The present law is not clear and in some cases is hard to administer.

## First Aid Course Offered

Local residents may register now for a free standard first aid course to be given, beginning February 6, at the Red Cross Memorial Building at 720 Sycamore St., Cincinnati.

Classes will be held on successive Thursdays, 7:30 to 9:30 p. m., for six weeks. The course will offer instruction covering methods used to control heavy bleeding, restore breathing and to recognize and control shock.

William K. Strait, safety services chairman, says that all interested persons should call 721-2665 now to insure their enrollment.

## Boone Democrats to Meet

There will be a meeting of the Boone County Democratic Club at the Courthouse in Burlington today (Jan. 30) at 8:00 p. m. All members are urged to be present.

## Piner Busy Bees

Four members of the Piner Busy Bee 4-H Club were recently awarded medals for their achievements in their individual projects and in the dress revue.

Members awarded medals were: Rhonda LaFollette for her achievement and work in the foods project. She was the county champion and represented Kenton County at District Junior Achievement Day, held at Camp Ernst in September. Rhonda was the proud recipient of a blue ribbon at this event. She is the daughter of Mr. and Mrs. Raymond LaFollette of Piner.

Eddie Cummings received his medal for his work in the field crops project. Eddie was the county champion and represented Kenton County at District Junior Achievement Day. He was awarded a blue ribbon at this event. Eddie sold his tobacco at the District Tobacco Sale and in the Carrollton. He is the son of Mr. and Mrs. Cecil Cummings of Crittenden.

Sue Ellen Fisk was presented a medal for her outstanding work in the dress revue. Sue Ellen was the champion in the gown unit of the Kenton County Style Revue in May. She is the daughter of Mr. and Mrs. Lawrence Fisk of Piner.

The other winner was Gloria Striene, a seventh grade student at Tweenfork Junior High School. She won her medal in the dress revue, also. She was runner-up in the first dress unit at the county style revue in May. Gloria's parents are Mr. and Mrs. Willis Striene of Fiskburg.

Rhonda, Eddie and Sue Ellen are all students at the Piner Elementary School.

## Heads Republican Club

At their January meeting, the Boone County Republican Club elected the following members to office by acclamation: Charles Wiley of Walton, president; Mrs. Carrie Martin, Donaldson Highway, vice-president; William Conrad, Florence, secretary; Mrs. Lillian Schram of Florence as treasurer.

Out-going president, Don Brown of Burlington, congratulated the club on its achievements the past few years. "Above all," he stated, "I think the club should be commended on the way it has handled its matters openly and above board. With this understanding among its members has come our greatest success."

Incoming president Wiley urged increased Republican Club activity, membership and service. "The Republican Party has been traditionally one of progress with conservative thought," he emphasized. "It is imperative to our nation that the ideals of our great party balance the 'tax-spend-lect' theories and the 'all powerful federal government' proposition advocated by so many liberals of the opposition. In Boone County, Kentucky, in the nation, we must continue our cause for carefully considered legislation, strong local government, and active participation of the people in political understanding and education."

It will be a struggle in the decades ahead to maintain for our children power in the hands of the governed, rather than see it gradually swept away into the hands of the government itself. I am confident that the majority of the people of our party, our state, and our country, are of that mind, and that the guiding principles of our founding fathers will prevail."

Refreshments were served by the fathers at the social hour.

## Board Chairmen to Speak

The Simon Kenton P.T.A. will be honored Monday, February 3 to have as its guest speaker, Robert Scott, Chairman of the Kenton County Board of Education. Mr. Scott will speak on his trip to Russia this past summer.

As February is the birthday month of the Parent-Teacher Association, Founders Day will also be observed. Mrs. R. S. Richardson, chairman, has invited all past P.T.A. presidents, and hopes they will attend. A book is presented each year to the library bearing the names of the past presidents attending the meeting.

Won't you meet with us at 8:00 p. m. in the school cafeteria and enjoy the fellowship of the evening? —Pub. Chm.

## Lincoln Day Dinners

Republican leaders and party members in Kentucky have been invited to attend the annual Lincoln Club banquet on Saturday, February 15 at 6:30 p. m. in the Flag Room of the Kentucky Hotel, Louisville. This is the golden anniversary of the banquet and will feature as guest speaker, Congressman Rogers C. B. Morton of Eastern, Md.

Tickets are \$5.50 each and are available from Mrs. Dottie Young, 303 Madrid Bldg., Louisville, or by contacting the Northern Kentucky representative, Clyde Middleton, of Ft. Mitchell—331-8779.

The Northern Kentucky Republicans will hold their annual Lincoln Day dinner on Monday night, Feb. 17 at Highland Country Club. Reservations or further information may be obtained from William Towner of Frogtown Road—282-1292, or may be made with Boone County Republican Club officers at the regular monthly meeting, February 10.

## Safety Program On "Fathers Night"

Fathers' Night at the Taylor Mill PTA Meeting, Monday, January 20, was highlighted by a program on Safety. Assuming the role of presiding officers for the evening were Benard Hunsinger, president; Luell Hollar, vice-president; Arthur Bingham, secretary; George Jasgar, treasurer and program chairman.

Rev. W. G. Webster, pastor of Oak Ridge Baptist Church, gave an interesting and timely devotional message on the theme, "Spiritual Safety."

Mrs. Jaeger introduced Patrolman Bob Sherwood of the Cincinnati Police Department, who spoke on Highway Safety and presented a movie entitled "Sudden Death." On the topic of traffic courtesy, he said, "Courtesy is contagious. If it could be called a disease, I hope we have a plague."

Awards were presented to these winners of the Safety Poster Contest: Daryl Angel, first prize; JoAnna Peebles, second prize; and Pam House, honorable mention.

The room contest was won by Mr. Walters with grade.

Refreshments were served by the fathers at the social hour.

## Junior Class Meeting

The Junior Class of the Walton Methodist Church met at the home of Peggy Phillips, Saturday night, January 25. The meeting was called to order by the president, Dean Ward.

New business was having a white elephant sale and inviting the mothers.

Some of the officers resigned, and the following were elected: President, Billy Lawrence; secretary, Debbie Ramsey; game committee, Dennis Gray and Beverly Cox; devotional chairman, Peggy Phillips.

Refreshments were served to the following: Dennis Gray, Connie Ruf, Linda Welsh, Debbie Ramsey, Carol McMann, Dennis Roberts, Beverly Cox, Billy Lawrence, and Mrs. Wesley Burgess.

## Wa-Na Club Will Sponsor Heart Sunday

The Wa-Na Woman's Club is for the fourth year sponsoring the Heart Sunday Drive in Walton, which is on February 23. This club, founded in 1945 as one of the General Federation of Women's Clubs and consisting of members from the Walton and surrounding area, has as one of its many objectives physical fitness and health care, all inclusive and covering any infirmity. The club votes each year to sponsor one of the health fund-raising drives. This year the members voted to sponsor the 1964 Heart Sunday drive since the nation's and surrounding area's number one killer is heart and blood vessel disease, and can affect children as well as adults.

The Heart Association is the only national voluntary health agency devoted entirely to combating disease of the heart and circulation.

Mrs. William R. Moore, a member of the Wa-Na Club for two years and wife of the Walton Christian Church minister, has been named as Walton's 1964 Heart Sunday Chairman. Mrs. Moore, or 1963 Heart Sunday chairman, did a most capable job, but feels that last year's experience will be advantageous to an even more successful drive in 1964. Mrs. Moore has a slight heart murmur which may never cause her any concern, but, if necessary, Heart research has made it possible for cardiologists to cure the condition by surgery.

As the Special Gifts and Business Chairman, Mrs. Moore has appointed Mrs. Charles Holder, Mrs. Holder, past president of the Wa-Na Club, has a healthy heart but has a "heart" for those who do suffer from this No. 1 killer. She was one of the community door-to-door canvassers during the 1963 Heart Sunday campaign.

Mrs. Clayton Jones, society editor of the Walton Advertiser, has accepted the Publicity Chairmanship. Mrs. Jones is the current president of the Wa-Na Club and likes to do things that have purpose.

## Kenton Co. Council Safety Poster Contest

To promote safety in schools and to make students more mindful of safety, the Kenton County Council of Parents and Teachers is sponsoring a "Safety Poster Contest." Mrs. Kenneth W. Blake, Safety Chairman of Council, has announced that all PTA units must have their posters at the Covington YMCA no later than Thursday morning, March 5th. Judging will be at 1:30 that day and the judges for the posters will be Mrs. Raymond B. Hayes, Jr., Mrs. B. W. Southgate, Jr., and Mrs. E. S. Dudley from the Arts and Crafts Department of the Covington Art Club.

The winning poster will be on display at Copins Department Store in Covington and will represent Council in the poster contest at the March meeting of the 6th District Congress of Parents and Teachers.

Also note, posters that do not win at Council can be displayed at the District meeting by the unit they represent and do have a chance to win there.

## Circuit Clerk Office Open Each 4th Saturday Morning

It has been learned that the office of Charles N. Benson, Circuit Court clerk, Burlington, will be open the last Saturday of each month from 8:30 to 12:00 noon for the issuing of drivers' and boat licenses. This began effective January 25.

Mr. Benson also said he would take license applications at his home in case of necessity. He said, "Those who can't make it to the courthouse should contact me first, however, if they want to come to my home."

His business residence is at 17 Pike Pike, Florence.

Mr. Benson also advises that written and road tests for driver's licenses are given only on Mondays and Tuesdays. State troopers administer the tests from 8:30 to 12:00 noon and from 1:00 to 4:00 p. m. in his office in the Burlington Courthouse.

## IS YOUR SUBSCRIPTION PAID?

ly of her time to a cause she believes in, as evidenced by her active participation in the PTA, the Lions Club Auxiliary, and the American Legion Auxiliary. She has a very real purpose in accepting her duties for the Heart Sunday Drive since her father died six years ago of arteriosclerosis or hypertension due to high blood pressure.

Mrs. Gene Roland, 26 S. Main St., a second year member of the Wa-Na Club, a former Home Economics teacher presently teaching the seventh grade in the Walton-Vernon School has been appointed Captain of South Walton.

Mrs. Walt C. Ryan, Stephenson Mill Road, Verona, a member of the Wa-Na Club for several years, has been appointed by the Kentucky Heart Sunday Field Representative, Louis Baugh, as Heart Sunday Chairman of the Verona area.

Another Walton resident, Mrs. Thelma DeMolay, wife of a local attorney has been appointed to serve on the Advisory Committee of the Walton area.

Albert Meize, 15 Hollywood Dr., Florence is serving as the Boone Co. Chairman of the 1964 Heart Sunday Drive.

Considerable assistance will be required to support the Heart Sunday and Business Gifts Campaign. "It is in the Community that knowledge acquired by research is put to work to help people overcome the handicaps and suffering imposed by cardiovascular diseases. If you would like to help people live longer and more useful lives and if you wish to contribute your talents by volunteering your services to the Heart Sunday campaign, please contact Mrs. Moore, Mrs. Ryan or any of the above mentioned chairmen or captains. You do not have to be a member of the Wa-Na Club and please be assured that your assistance is greatly needed and will be most appreciated."

A heart movie, "The Heart of A Town," will be shown at the Florence Methodist Church on February 4 at 7:30 p. m. The public is invited. One of the characters in the movie will be the Kentucky author, Jesse Stuart, and the commentator will be Edgar G. Robinson, both having been cured of heart ailments.

## Engagement Announced

The prospective bride is a graduate of St. Henry High School, Erlanger, and is now employed by TWA Airlines in St. Louis. Mr. Dittmar is a graduate of St. Mary High School in St. Louis, and is now employed by the St. Louis Post-Dispatch newspaper.

A fall wedding is in the planning.

## Executive Board Meeting

The Executive Board of Simon Kenton P.T.A. will meet on Friday, January 31, at 1:00 p. m. in the principal's office at the school. All members are urged to attend.

## Boone Co. Church League Turney Play On Saturday

The Walton Christian Church and the Bellevue Baptist Church basketball teams will play the opening game in the Senior Division of the Boone County Rural Church Basketball League at 6:30 p. m., Saturday in the Burlington Grade School gym.

The second game in tourney play will be at 7:30, between Hebron Lutheran and Petersburg Christian.

For the regular season play, the championship team will be the Bellevue Baptist team.

The championship of the regular season in the Junior Division of the league will be decided Saturday afternoon at 2:30 when the Walton Christian and Burlington Baptist teams meet. Both of these teams have won all except one of their regular season games.

Season passes will not be honored for the tournament games. Admission for the sessions of turney play will be 25 cents. Come out and support your church team and see some real good basketball.

## Wa-Na Club to Meet

The regular monthly meeting of the Wa-Na Woman's Club will be at the Club Room on Monday, Feb. 3.

"Mental Health" which is a serious problem with both children and adults will be the subject of the program. Mrs. James O. Brewer and Mrs. Marvin Conrad will be the panelists to discuss this problem. Mrs. William Moore will have the Spiritual Guidance.

Hostesses for the evening will be Mrs. Robert Slackback, Mrs. George Black and Mrs. Nelson Popham.

## Band Boosters' Ham Dinner

We ask you to support our music program once again and enjoy a wonderful home or fish dinner at the same time. There will be apple pie a la mode and homemade hot rolls. There will be carry-out service. You may call 485-4958 or 485-4463. If tickets are purchased before the dinner, they will be \$1.25 and 75¢ later, at the door, \$1.35 and 85¢.

The dinner will start at 5:00 p. m., Friday, and we hope you will be seeing us.—Pub. Chm.

## BETTER WEATHER THIS YEAR

It seems that the Weatherman was much better to the residents of area last week than he was a year ago. Remember the 20 below zero on Jan. 24 of 1963?

If a man empties his purse into his head, no one can take it from him.

## Miss Simpson Wins Betty Crocker Award

Donna Jo Simpson is the Walton-Vernon High School's 1964 Betty Crocker Homemakers of Tomorrow. She achieved the highest score here in a written knowledge and attitude examination given December 3. General Mills, Inc., sponsor of the program, will award her a "Homemakers of Tomorrow" pin to signify her achievement, and her test paper will be entered in competition for state honors.

The state Homemakers of Tomorrow will be awarded a \$1,500 college scholarship and will be named a national finalist. Her school will be presented with a set of Encyclopedia Britannica, awarded by Encyclopedia Britannica, Inc. The state's second ranking girl will receive a \$500 scholarship.

In the spring, state Homemakers of Tomorrow, each accompanied by a school advisor, will enjoy an expense-paid educational tour to Colonial Williamsburg, Va., Washington, D. C., and New York City. The trip will be climaxed with the naming of the 1964 Betty Crocker All-American Homemakers of Tomorrow. She will be chosen on the basis of her original test score together with personal observation and interviews during the trip. Her scholarship will be increased to \$5,000. National runners-up will receive \$4,000, \$3,000 and \$2,000 scholarships, respectively.

All-time highs in the number of senior high school girls and schools enrolled marked this, the tenth annual Betty Crocker Search program. More than 484,000 girls in 14,000 of the nation's schools participated.

Donna Jo is the daughter of Mr. and Mrs. Paul Simpson of Welsh Ave., Walton. She is a Walton-Vernon senior and is secretary of the school literary club, member of the Pep Club, and is active on the school paper staff.

## Heart Fund Drive Leaders

The appointment of these more Boone County community leaders for the forthcoming 1964 Heart Fund Drive has been announced by the State campaign chairman, Jesse Stuart, of Greupsen.

Bruce Ferguson, of Union, will serve as chairman for that community; the Devon area will be under the chairmanship of Mrs. Nick Mikkelson, and Mrs. Lee Lawson, of Hebron, will be chairman for that area.

Albert K. Meize, 15 Hollywood Drive, Florence, is the Boone County chairman. The campaign begins on February 1.

## Piner-Fiskburg Firemen to Meet

The Piner-Fiskburg Volunteer Fire Department cordially invites all members and friends to attend the monthly meeting, Monday, February 3, at 8:00 p. m., in the Fire House at Piner, located near the Piner School.

Chief Jeff Mullins said, "Bring lots of pot to this meeting, please. We are not going to sit around talking about what we can do or should do. We are going to put our words into action and make your meeting the most interesting one. Plans will be made for the year. We are calling all members and looking for new ones. Let us work this year with our Fire Department and make it grow by leaps and bounds. Without the full cooperation of each and every one in this community, we will not be able to progress. Seem that we do not realize the importance of a fire department in the community. Those that have had fires can really stress how important it is and what a benefit it is to the community. So, let's get behind our fire department and support this worthy cause. The 1964 dues are now due and payable to the treasurer. A reminder will be sent out to each and every one in the near future. We thank you for your past support."

## Attend Builders' Workshop

Among Northern Kentuckians attracted to builders' workshops in Lexington, recently, sponsored by the Eastern Kentucky RECC, were Lewis Thornton of the Owen County RECC, and Marion Collins, Jr. of Piner.

### January 31 Is Deadline For Incentive Payment

Deadline to claim incentive payments for lambs or wool sold between April 1, 1963 and December 31, '63, is January 31, 1964.

That's the word this week from the UK Ag Extension Service economics department.

Payment period this year is based on nine months instead of 12, because of a shift from a non-calendar basis.

Incentive payments are based on wool quality. Claims are made thru county ASC offices. Wool growers may take their sales receipts for wool or lambs to the local ASC office for filing the incentive payment.

There is always something good in everybody. You've got to give an egoist credit, he seldom talks about other people.

When you pass the eighty mark in life and want to keep on going but problems come up—just forget about them and go fishing.

We left the word "great" out of our last item, week before last, so that was our sixteenth great-grandchild. Our grandchildren number nine at present—which reminds me of a tale they used to tell about a neighbor of mine when we lived down in Boone County some 40 years ago. He and his wife were in their early forties and had thirteen children.

Dolorous Dexter who Was unduly sour and grim Discovered the classified Was a super tank for him.

One afternoon he came by the barn where we were stripping tobacco, and my dad, who kidded him a lot, said "how many children have you now, Henry?" and his quick reply was, "I don't know, John, I haven't been home since last night."

Donald Starnper and wife, Brenda, are rejoicing over the arrival of a baby boy at St. Elizabeth Hospital on January 12. The same thing happened to Arthur Connelly and wife, Mary, at the same hospital, the only difference being their's was a girl. The Starnpers live at Independence, and the Connells at Independence.

Sorry to hear of the death of Elva Piper, who made many a visit to the farm here and also was our paper man at one time.

We extend sympathy to the family of James E. Watson, who had a host of friends in this neighborhood. John F. Poetter of 5951 Taylor Mill Road, also left many friends, and if he had an enemy, no one ever heard of him. He was seven years older than this writer.

The person who is always talking is bound to be right—now and then.

Mrs. Lindsey Webster

Mr. and Mrs. Lindsey E. Webster went to Falmouth, Friday to see her sister, Mrs. Joe Willis, and a friend, Mrs. Nettie King.

Mrs. Webster spent one day last week with Mrs. Floyd Chapman, while the men, Floyd Chapman, Price Webster, Marlon Martin and Lindsey E. Webster, sold their tobacco. It sold very well.

Mrs. Effie Clements is quite ill in Booth Hospital. We are praying for her early recovery.

Mr. and Mrs. Lindsey Webster spent Monday with Mr. and Mrs. Vernon Frank and children.

Lindsey Webster is helping Elbert McCormick strip tobacco.

Mrs. Lindsey E. Webster got a nice Christmas card and a letter from one of her cousins in California—she said that she had flowers blooming in her garden for Christmas. She is a preacher, and they had a six weeks meeting—we get tired of one or two.

Floyd Chapman is better; also Lewis Riley, but Mrs. Chapman is about the same.

Mrs. Russell Webster fell recently and broke her wrist and thumb.

The Concord WMC met with Ten Mile Baptist Church, Tuesday for an all-day meeting.

Mrs. Mae Brown is not very well, but her brother, Jess Seegal, is better.

**MANAGE MONEY WISELY IN 1964**

Did you manage your dollars wisely in 1963—or did your money manage you? Right now—early in the year—is the time to start "telling your family's dollars what to do" if you want to handle family income wisely in 1964, according to Frances Stallard, UK Extension specialist in home management.

A good family spending and saving plan can be the secret of good money management, Miss Stallard says. Planning family spending concerns all members of the family and the plans should be made together. Each person should know how much money is available, what expenses must be met, how much money is saved and why, and what items the spending money for each individual is expected to cover. Everyone in the family will be more satisfied with the plan if he or she has helped make it.

**Layers Do Best In Cool, Comfortable Quarters**

Most poultrymen don't need the management fact that poultry, layers particularly, do better in comfortable quarters.

Usual body temperature of a chicken, says J. E. Humphrey, UK Ag Extension Service poultryman, is 106 to 107 degrees F. Thus, a hot, stuffy house makes the chickens uncomfortable. Egg-production is affected and profits drop.

One way to make a house comfortable—even though outside temperatures are very low—is by proper ventilation. This not only makes the chickens comfortable, it keeps the ground area (litter, etc.) dry and cleaner.

Humphrey recommends that poultrymen planning to build a laying house get the UK Ag Extension Service's recommended plan for such structures. It was designed by the UK agricultural engineering department with the poultry department as consultants.

"With this plan, comfortable conditions can be maintained year round regardless of weather conditions. Many existing houses can be easily and inexpensively remodeled with this plan, with a much better living condition for the layers."

Some 1,000 species of the sweet potato, which belongs to the morning glory family, are distributed around the world.

Chances of spreading cattle lice in winter is somewhat increased because cattle are usually in closer confinement. The cattle transfer lice to each other by rubbing against one another.

Lice cause intense irritation of animals with consequent loss of milk or beef production. Control lice early.

DAIRY CATTLE: Pyrethrin, Rotenone and Cloidin are approved for dairy cattle by the U. S. Food and Drug Administration. Follow label directions carefully.

BEEF CATTLE: Malathion, Lindane, Co-Ral, Karlan, Taxaphene and Methoxychlor are approved. Usually these are applied as sprays or dips.

Two treatments two to three weeks apart may be necessary as new lice may hatch from eggs. Treat new stock before putting them in with the herd. When treating animals, be sure to follow regulations and safety directions.

Mr. Claxton

phosphorus acid) and the last figure, the available K2O (known as potash). Example: Each 100 pounds of a 6-8-6 analysis fertilizer has 6 lbs. of nitrogen, 8 lbs. of available P2O5, and 6 lbs. of available potash, for a total of only 20 lbs. of plant nutrients. A 5-20-20 analysis would contain 5 lbs. of nitrogen, 20 lbs. of available P2O5 and 20 lbs. of available potash, for a total of 45 lbs. of plant nutrients in each 100 lbs.

The analysis shown on the bag is the key to the purchase—not a fancy bag, special-purpose materials or a low price per bag. Buy on the basis of plant nutrients contained rather than cost per bag or per ton.

**"Delicious" Is The Word For This!**

Festive to serve, flavorful to eat is this Jellied Apple Salad accompanied by a high-protein salad dressing. Why not try it next time you entertain at a small buffet supper or luncheon party? Both the salad and the dressing are made well in advance and stored in the refrigerator. The sparkling salad gains color and texture from the fresh Washington Red and Golden Delicious apples—perfected by nature for tangy salads and crackling-crisp eating.

**Jellied Apple Walnut Salad**

1 pkg. lemon-flavored gelatin  
3½ cups hot water  
1 unpeeled Washington Golden Delicious apple  
1 unpeeled Washington Red Delicious apple

2 tbs. lemon juice  
2 tbs. sugar  
½ cup sweet pickle relish  
1 cup coarsely diced celery  
½ cup coarsely chopped walnuts

Dissolve gelatin in hot water; cool until it starts to jell. While it cools, dice apples; at once add lemon juice and sugar, and toss well to prevent darkening. Add other ingredients. Fold into the thickened gelatin, pour into a 6- or 8-cup mold and chill until firm. To serve, unmold salad on a pretty plate and garnish with slices of both Red and Golden Delicious apples and sprigs of parsley. Top with just a suggestion of the dressing, with more dressing in a bowl nearby. Serves 6 to 8.

**High-Protein Salad Dressing**

1 pint large-curd cottage cheese  
1 cup mayonnaise or salad dressing

¾ cup light brown sugar  
¾ cup lemon juice  
¾ tsp. salt

Press cottage cheese through a wire strainer, or mash it fairly fine with a fork, or whip it smooth with electric mixer or blender. Add other ingredients and mix well. Makes a little over 8 cups, or 8 or 9 servings of delicately flavored dressing, which supplies around 10 grams of protein per serving. (If additional protein is needed to round out the meal, it's smart to accompany such a salad with toast, cheese rolls or sandwiches, or hot cheese macula.)

Mrs. J. A. Keeney—359-4441

We were so glad to have more folks out for Sunday School than have been present for a few weeks.

Harry Rees has been suffering an attack of asthma for several weeks. We hope he will soon feel better.

We missed Mrs. Hunt and the boys on Sunday morning, then learned that Paul has mumps.

Glad to see Miss Barbara Bruggen at church.

Mr. and Mrs. George Fennell and children enjoyed going to a movie Saturday evening.

The Homemakers met at the home of Mrs. Marvin Adams on Tuesday. Almost the entire membership was present and two visitors. The lesson on picture hanging was given by Mrs. John Shaw and Mrs. R. Harney. A star was made on reading an amusing book which we are reading as a serial. A delicious luncheon was enjoyed at noon. The next meeting will be at the home of Mrs. Denver Binder on February 17.

The W. S. C. S. met at the home of Mrs. Melvin Bruggen on Tuesday evening. The meeting was opened with devotion by Mrs. J. Keeney. The program was given by Mrs. D. Parsons, assisted by Miss Helen Richardson, Mrs. E. Rich and Mrs. R. Hunt. The business session was conducted by the president, Mrs. D. Keeney. Secretary and treasurer reports were given by Mrs. D. Keeney. We were urged to each work to interest others to join us. Thank you notes were read from several who had received baskets at Christmas. Delicious refreshments were served to those mentioned and also to Mrs. D. Ballinger, Mrs. G. Fennell, Jr.

Mrs. K. Rice called on Mrs. Caroline Armstrong, Wednesday afternoon.

**Kentucky Citizens Named to 4-H Alumni Service Awards**

Two residents of Ewing, Ky., and two from the Paducah area have won 4-H Club awards for their effective leadership, public service and aid to 4-H work. The four Kentucky winners who received alumni recognition awards are Julian Atkinson and Mrs. Jean Wood Grannis, both of Ewing, and Mrs. Denise Wurth and H. E. Luttrell, both of Paducah.

Mrs. Grannis has been a 4-H leader for 15 years, and in addition to helping her husband operate their 287-acre farm, is now working on a degree from Morehead College. The Grannis' specialize in the breeding of purebred Hampshire and their swine have won many prizes, including State Fair ribbons. Atkinson, a loan company manager, has been Fleming County 4-H leader for 25 years and was a charter member and president of the National Campers Association. He is a former president of the Kentucky 4-H Club and delegate to the National 4-H Conference in Washington, D.C.

Mrs. Wurth, who works in the foods service department of Lourdes Hospital, is chairman of the Southern States Cooperative farm home advisory committee. She and her husband

have six children, all 4-H members.

Luttrell, a farmer, has been a member of the Kentucky Farm Bureau Federation's board of directors since 1961 and is a former chairman of that organization's commercial crops committee. He is a deacon and Sunday school teacher at the Lone Oak Baptist church.

The four winners received burnished copper plaques from the Olin Mathieson Chemical Corporation, sponsor of the alumni recognition program.

Mr. and Mrs. William Davis and little daughter, Pamela, of Ludlow, were the Sunday guests of her parents, Mr. and Mrs. Bill Roberts.

Mrs. Gertrude Daniels called on Mrs. Prudie Oliver, Saturday afternoon. Malcolm Oliver was the Saturday guest of his mother, Mrs. Prudie Oliver.

Miss Annette Rouse spent several days the past week with her grandparents, Mr. and Mrs. J. R. Flynn, of Bracht.

Mr. and Mrs. Ato M. Rouse and daughter, Amy, spent Friday in Lexington and Frankfort, on business.

Willy Rouse was the Friday guest of his grandparents, Mr. and Mrs. Wendell Rouse.

Mrs. Goldie Glenn, Mrs. Louellen Parris, Mrs. Ethel Baker, Hilda Neuman and Margaret Wilson called on Mrs. Prudie Oliver last week.

Miss Nancy Jones was the week-end guest of Miss Kathleen Flynn. Mrs. Stella Stephenson of Moffatt Road, Kenton County, is very ill at her home.

Mr. and Mrs. Larry Greene and children left Saturday night to make their home in Florida.

## WHITES TOWER

Mrs. Ralph Howard, Reporter

Well, we are in the last of January with a lot of snow and bad weather behind. A lot of farmers have already started their plowing.

Mr. and Mrs. Jerry Colcord of Hemphing Road, and Mr. and Mrs. Ralph Howard of the Tower, and Charles Colcord of Williamson, took a little trip to Lexington, last week and had a very nice time.

We congratulate two nice folks of near here, Miss Bobbie Jean Knox of Independence, and Randall Fohrer of Taylor Mill and Hills Roads, who are to be married Saturday, February 1 at St. Cecilia Parrish. We wish them a long and happy married life.

Mrs. Lee Faulkner of McCullum Road, plans on making a trip to Florida, real soon to visit her daughter and family there.

I hear Mrs. Ezra Elmore of Stofordburg, who has been a patient in the hospital for several weeks, is now recuperating at the home of her son at Fishburg.

I think everyone was very sorry to hear of the death of Bonnie Lou's husband, for she sings her way into anyone's heart and I am sure all of Kentucky extends their deepest sympathy to her at this time.

Mr. Riley, the storekeeper at Independence, had an early visitor on Tuesday of last week when a car ran right through the building into the store, and he was a lucky fellow to not be seriously hurt in the accident.

## Literary Club to Meet

The regular meeting of the Walton Woman's Literary Club will be held Wednesday, February 5 at 2:00 p. m., in the Walton Christian Church. The club is celebrating its 40th anniversary, and also honoring the past presidents and charter members.

## Kenton Livestock Growers To Study Farm Records

The next quarterly meeting of the Kenton County Livestock Improvement Association will be a dinner session to be held Monday, February 3 at 7:00 p. m. at the new RECC Building, located one mile from Nicholson, on the Walton-Nicholson Road. All members and their wives are urged to attend, according to Willard Shapshire, president.

Steve Allen, University of Kentucky Specialist in Agricultural Economics, will give instructions in using the new Kentucky Farm Account Book. This book is adapted to use for income tax purposes as well as better farm efficiency.

The association will provide ham, tea, coffee and hot rolls. Each member is expected to bring a salad, vegetable dish, or pie.

## Mrs. Sizemore Honored

On Wednesday evening, members of the Sizemore Mfg. Social Club surprised their employer, Mrs. Eugene Sizemore with a dinner party, given in her honor at Robertson's Restaurant, Ft. Mitchell.

After a lovely dinner and the special "Robertson's Birthday Cake" was served, a very interesting program was presented by Mrs. Ed Egan. Those attending were Mr. and Mrs. Earl Perrin, Mrs. Clayton Spillman, Mrs. Ralph Poore, Mrs. Russell Speagle, Gordon Phillips, Mrs. Randall Martin, Mrs. Bill King, Mrs. Alice Hyatt, Mrs. Jake Quessell, Mrs. Bill Quessell, Mrs. Wendell Miller, Mrs. Charles Sizemore, Mrs. Barney Roas, Mrs. Ed Egan, Mrs. Mae Cook, Mrs. Kirt Hudson, and Mrs. Charles Leicht.

## To Observe Youth Sunday

The young people of the Walton Christian Church will have complete charge of the morning worship service at the church on Sunday, Feb. 2. Come out and support these young people because they are the "church of tomorrow." The speakers will be Linda Campbell, Jo Simpson, and Bobby Adams. All of the C. Y. F. and Chi-Rho groups will have part in the service. A special offering will be taken to promote the youth work in the church.

## Ruth Class Meets

The Ruth Class of the Kenton Baptist Church met recently at the home of Mrs. John Grizzle. The meeting was called to order by the president, Mrs. Arnold Saltee. The devotional was given by Mrs. Ben Rander, and prayers were given by Mrs. Alton Stephenson and Mrs. Grizzle. Several cards were sent to the sick. Mrs. Tom McClure showed slides of the class Christmas party and of the G. A. girls.

Those who attended were Mesdames John Riggs, Arthur Seelye, Alton Stephenson, W. B. Barnes, Sherrill Elstun, Albert Sharp, Tom McClure, Arnold Saltee, Ben Rander, Carol Covey, Albert Brown, Rudolph Casson, Vernon Lykins, and Lauretta Richardson.

**Casual Meeting**  
Lesson for February 1, 1964

Background Scriptures: John 4:1-42.  
Devotional Reading: Psalm 42:1-5.

THE WORD "casual" has various meanings. It makes you think of leisure-time casual clothes or offhand casual remarks. It is the opposite of formal, planned, carefully prepared. You don't look forward to a casual meeting, you don't even give it a thought till you run across this person unexpectedly. Many meetings in life are planned, more are not. A casual acquaintance is one you meet

Dr. Foreman once and then not again. A casual meeting is the opposite of an important meeting. Most people don't expect much from casual acquaintances or casual occasions of any kind.

No one is unimportant! Jesus, as usual, was different. He met many persons casually, as we would say. He would talk with a stranger a few moments and then they would part never to see each other again. But for Jesus no meeting was merely casual, because no person was unimportant, and every moment was bound up with Eternity.

That woman at the well is a good example. Jesus did not inquire her name. She lived in a village he never had visited and never would visit again so far as we know. As the world counts such things, she was not important. Notorious in her home town, maybe; but not important. In fact, from the viewpoint of the disciples, she was so far beneath the notice of Jesus that when they found him talking with her, they were astonished. And yet Jesus did talk to her with such leisurely seriousness that you might have thought she was the only person in the world. He said to her some profound truths.

If Jesus had treated casually that, casual meeting, nothing would have happened. If when she talked about the right place to worship God, he had said, "That's a good question—but let's not get into an argument, it's too hot;" or if when she said "I have no husband" he had said nothing but "Oh," it would indeed have been a casual meeting, nothing more. But Jesus turned that meeting into a milestone for the woman's life. Before she met Jesus she was a woman living only for pleasure and not getting much out of it. After she met Jesus she became an enthusiast about him. She is interested in her fellow-citizens—for the first time, we may suppose—no longer in a self-seeking way, but eager to have them know Christ also. She has a new interest in life because for the first time her life has found a new center, a center not in her own trivial self. In short, Jesus knew that while he himself would have more meaningful hours than this, while he knew that this was not a life-changing moment for him, it was for her. And he dealt with the woman in accordance with the importance of the hour and the meeting for her.

No brush-off  
One of the most humiliating and disappointing experiences in life is to be the victim of a "brush-off" from someone who stands above us. Those who have some importance recognized by others "might" remember this; Christians especially. Parents, for example, may make fun of some effort a child has made at playing a small instrument, or high-jumping, or something else that isn't much account in the grown-ups' book but means a lot to the child. A worker who has a suggestion thrown into the wastebasket, a helper in the house or on the farm who does his best on a small task only to have it ignored—these incidents are soon forgotten by parent, employer, or boss; but they are not forgotten by the "little man." The great secret of turning casual meetings, casual occasions, into memorable moments, is putting yourself in the other person's place. A woman was explaining why she didn't like her preacher. "He always acts like he doesn't have time for me." Isn't that the trouble with most of us? We don't have time for people—especially if they are littler than ourselves. Perhaps if we took more time with people we could begin to see more in them!

TEL-STAR 4-H CLUB  
The Tel-Star 4-H Club held its regular monthly meeting at the home of Connie Fields. After a short business meeting the club practiced for the talent show. Refreshments were served to the members and leaders.

**Our Mightiest Hour**

Rockets have a certain thrust — and no more. Nuclear bombs have a certain explosive force — and no more. Every powerful device on which man depends for military defense or scientific advance is limited in its energy.

But FAITH has no limits. It turns with trusting eyes to the Almighty, whose power is infinite, whose love is everlasting. It is constantly confident and courageous — because its resources cannot be exhausted.

In perilous times a great nation always finds its might in spiritual resources. And today, significantly, one of the essential elements of survival in which our stockpile dwarfs the Russians is FAITH. Khrushchev has no secret installation to match the thrust and force generated in the souls of our people by our hundreds of thousands of churches.

Think on these things as we worship together next Sunday morning . . . our mightiest hour!

## A LOOK AT EDUCATION

By Eugene Robinson

I shall continue this week with information on the Minimum Foundation Program for Education.

**Basic Factors in Calculating Costs**  
In calculating the total cost of the Foundation Program in any school district, it is necessary first, to know the number of classroom units, the daily cost per pupil for transportation, and the number of teachers in each rank (salary category). Then, statutory provisions are used to determine the correct amount to be allocated to each of the four areas included in the program: salaries, other current operating expenses, capital outlay, and transportation.

**Classroom Units**  
A "classroom unit" is the basic unit used in measuring educational needs under the Foundation Program. Generally speaking, one classroom unit represents one professional staff member at work. Each unit is calculated in such a manner as to provide a workload large enough for the person to operate effectively, small enough for him to operate effectively.

The largest number of classroom units comes out of the elementary and secondary school teaching situation. One classroom unit is included in the calculation for each group of 27 students in average daily attendance (ADA). However, there are certain "isolated" schools with enrollments of less than 100 students, where this standard is reduced to 25 students in ADA. In addition, certain one-teacher schools with even fewer students are assigned one assigned one classroom unit.

The average daily attendance figures used in this computation are those for the previous year, except in those school districts where this would work a particular hardship. Special provisions for recalculation of authorized classroom units are included in the law to make possible to take into consideration large increases in enrollment and losses in ADA due to bad weather, epidemics or disasters the previous year.

In addition to the basic classroom units allocated in terms of classroom teaching situations, additional classroom units are allocated in five other classifications:

(a) Vocational Education — One classroom unit is allocated for each fulltime teacher, with additional units awarded for parttime teachers.

(b) Exceptional Children — One classroom unit is allocated for each teacher who is authorized for this special program to help handicapped children.

(c) Administrative and Special Instructional Services (ASIS) — One classroom unit is allocated for each group of eight teaching units in the school district.

(d) Supervisors — One classroom unit is allocated for each 100 teachers in the school district, or major fraction thereof, except that school districts with 25 to 50 teachers are authorized one-half of a unit.

(e) Directors of Pupil Personnel — One classroom unit is allocated for each school district with 36 to 166 teachers; larger districts are allocated an additional unit for each additional 266 teachers, with fractional units for fewer than this; and a fractional unit is allocated for each school district with fewer than 36 teachers.

**Transportation Units**  
The basic unit used in the calculation of transportation costs, under the Foundation Program, is the overall cost per pupil per day for transporting children in areas with a similar population density. This will, necessarily, vary from school district to school district because of different patterns of population density.

Each school district calculates the actual cost of transporting its pupils, including normal operating costs plus the normal cost for replacement of equipment. The attendance figures used in these calculations actually transported at public expense who live one mile or more from school, plus handicapped children who live less than one mile from school.

The area served is calculated in square miles, and does not include those areas where school transportation services are not provided.

Using all of this information, the density is calculated by dividing the average daily attendance of pupils transported at public expense by the number of square miles in the area actually served. This density figure, then, would be the number of such transported pupils living in each square mile.

The State Department of Education takes these density and cost figures from every school district in the state, and calculates the average daily cost per pupil in areas of similar density. From these figures, a scale is developed which indicates the average daily cost per pupil in each of several areas with different densities.

## BOONE BAR ASSN. ELECTS ROBT. GREENE

Robert F. Greene, Burlington attorney, was elected president of the Boone County Bar Association at a meeting last week at Sky Chef Restaurant at Greater Cincinnati Airport. Mr. Greene, of 827 Limaburg Road, moved up from vice-president to succeed Charles E. Niblack, Boone County judge.

Robert F. Greene

A graduate of the University of Cincinnati College of Law, Mr. Greene has served as president of the Boone County Junior Chamber of Commerce, and was also vice president of the Kentucky Chamber of Commerce.

Other officers chosen by the bar group included Raymond R. Vincent, Florence city attorney, vice president, and Thurtell R. DeMolay, Walton, secretary and treasurer.

Mr. Greene set as goals during the coming year: remodeling the Boone County/Clerk Courthouse, setting up a grievance board for lawyers' clients, and plans for Law Day and Career Day programs.

## Kenton County PTA Council Meeting

The Kenton County PTA Council met at the Covington YMCA, Jan. 20, with the president, Mrs. Frank Palmer, Jr., presiding. Devotions were given by Mrs. Harold Buxton.

Mrs. C. W. Adams announced that the Scholarship Committee voted to send \$25.00 to the State Scholarship Fund in honor of all past presidents of the council. Past presidents who attended this Founders Day program were Mrs. B. R. West, Mrs. Milton Loder, Mrs. A. J. Stone, and Mrs. Harold Buxton.

A nominating committee, composed of Mrs. Kenneth Blake, chairman; Mrs. A. L. Stone, Mrs. C. W. Adams, Mrs. Harold Buxton and Mrs. R. L. Denham, was elected for the ensuing year.

Mrs. James Feagun, program chairman, introduced Mrs. Charles C. Adams, who was in charge of the Founders Day program. A three-act comedy sketch, entitled "The Doctor's Axe, or, If You Don't Need It, Cut It Out," was presented. The cast included Mrs. James Thomas of PTA, the doctor; Mrs. E. Thomas Williams of Dixie Heights PTA, the nurse; Mrs. James Feagun of Turkeyfoot PTA, second nurse; Mrs. James Dossater, the patient; and Mrs. Courtney Kral, her friend, both of Beechwood PTA.

PTA units represented at Council were Beechwood, Bramley, Caywood, Dixie Heights, Kenton Elementary, Ludlow, Park Hills, Piner, Ryland Heights, Simon Kenton, Taylor Mill, Twenhofel, and Turkeyfoot.

## TAYLOR MILL P.T.A.

The executive board of Taylor Mill PTA met recently at the school, and plans were discussed for a Spring Dinner to be held on Saturday, April 4. Mrs. Luell Holtz, president, announced the Kenton County Council meeting, which she attended with Mrs. William E. Johnson.

The following committee chairman represented Taylor Mill PTA at the Sixth District of Kentucky Congress of Parents and Teachers Mid-Winter Conference, on Thursday, January 23, at the Madison Avenue Christian Hotel. Mrs. Luell Holtz, Mrs. Bernard Hengler, Mrs. Jack Swartz, Mrs. William E. Johnson, Mrs. E. E. Webster, Jr., Mrs. R. B. Dougherty and Mrs. Malcolm Fletcher.

## Walton PTA Meets At Verona School

The best attendance of the year was had at the regular January meeting of the Walton-Verona PTA last Monday night. Approximately 70 parents and teachers were present.

Open house was held for the 4th, 5th, and 6th grades at the Verona School and a great deal of interest was shown by parents who visited the rooms to see the many accomplishments of the pupils enrolled in three grades.

The business meeting was conducted by the president, Mrs. Robert Eisenhardt. Robert Kellum, Verona principal, had the devotional for the evening. The president appointed a committee to discuss the idea with Mr. Shoemaker and Mr. Robinson for a dinner to recognize the students from grade 7 through 12, both in scholastic and sporting activities who have done outstanding work in a particular phase.

For the room number, Mrs. Kemper's 4th grade room was the winner with 16 parents present. This being "Fathers Night" a special concert was taken and this time Mr. Kallum 6th grade tied with Mrs. Kemper with 5 fathers present. Both rooms will receive a prize.

The February meeting will observe Founders Day of this National organization.

Refreshments and a social hour followed the adjournment of the meeting.

## NEW HAVEN P.T.A.

Members of the New Haven PTA are anxiously awaiting summer vacation as they were made aware of the many beautiful vacation spots Kentucky has to offer.

Paul Campbell and Mr. Knight, promoters of tourists in Kentucky, spoke and showed beautiful colored films on parks and the History of Kentucky.

Mr. Holmes reported on the athletic program and much to our disappointment has been given the run-around, but will keep trying to get an athletic program at New Haven School.

Bruce Ferguson reported on retarded children's program. Boone County has two teachers for these children.

Boone County Council reported Conner School still has not organized a PTA and has great concern for the parents, teachers and children in this school—as much can be accomplished by the PTA organization.

The February 17 meeting will be "Founders Day" program with plans for a silver tea and a character play.

## Democratic Club Officers

Vernon Roberts, Hebron, was the presidency of the Boone County Democratic Club at a meeting last Friday night at the Burlington Courthouse.

Bruce Ferguson, Union, was named first vice president. Other officers were: Al Mainizes, Florence, second vice president; Virginia Grant, Petalburg, secretary; Dan J. Roberts, Walton, treasurer; and Nellie McCarthy, Florence, publicity director.

County Judge Charles E. Niblack gave the oath of office.

## Twenhofel PTA to Meet

The Twenhofel PTA will meet at the school on Taylor Mill Road, Monday, February 10, at 7:30 p. m. Founders Day will be observed with a silver tea. Everyone is urged to attend, according to Mrs. Robert H. Butte, president.

## In Booth Hospital

Mrs. Barney Taylor of Green Road Walton, is a patient in Booth Hospital, Covington, where she is undergoing tests and treatment. Mr. Taylor suffered an ankle injury when he fell from the hayloft of his barn recently.

## Cancer Society Meets

The Boone County Unit of the American Cancer Society held its first meeting January 30 at the Florence Christian Church.

Charles Kiley will act as Crusade Chairman for Boone County and captains were selected for the various communities.

Edward Brandon, Field Representative of the Kentucky Division of the American Cancer Society, met with the officers and chairman concerning the crusade which is scheduled for April 1-7.

## Teacher From Japan to Speak at Richmond Church

An American woman who teaches in Japan's largest girls' school, Mrs. Charles A. Logan, will speak at the Richmond Presbyterian Church, Monday, February 10 at 2:00 p. m. Mrs. Logan is here under sponsorship of the Women of the Church during their World Mission Season. All interested friends are cordially invited to hear her.

Mrs. Logan, a Presbyterian U. S. missionary living in Nagoya, Japan, teaches English and American History at Kinjo College, which includes junior high, high school, and college. The enrollment is more than 5,200 girls, with a faculty of 200.

While in the Richmond community, the educational missionary will be staying in the home of Mr. and Mrs. Ashlin Logan of Richmond Road.

## Surprise Shower Given

Last Wednesday evening Mr. and Mrs. Jack Rouse entertained the members of the choir of the Walton Christian Church for their regular weekly rehearsal.

But what one member didn't know was that a surprise miscellaneous bridal shower was being held for her, Miss Freda Jones, a faithful choir member, who becomes the bride of Eugene Parton the 15th of February at the local Christian Church.

Many lovely and useful gifts were received as the honored guest opened packages and thanked the following friends present: Mrs. Ruby Flynn, Mrs. Dorothy Still and daughter, Darlene, Mrs. Martha James, Mrs. Sue Miller, Mrs. Marilyn Moore, Mrs. Nellie Egan, Mrs. Margaret Jamieson, Mrs. Gertrude Hanson, Miss Pam Shields, Miss Janice Morgan, Miss Peggy Israel, Miss Patsy Young, the honored guest's mother, Mrs. Danny Jones and Mr. and Mrs. Jack Rouse and daughters.

Refreshments were served by the hosts.

## TO WED FEBRUARY 15

Miss Freda Ann Jones

Mr. and Mrs. Arthur Denny Jones, Chambers Road Walton, announce the engagement of their daughter, Freda Ann to Mr. Eugene Parton, son of Mr. and Mrs. Harry Parton of Covington.

Freda Ann is a graduate of Walton-Verona High School and Miami Droughan Business College, Cincinnati, Ohio.

Mr. Parton is a graduate of Holmes High School and attended Georgetown College.

The wedding will take place on Saturday, February 15, 1964, 7:30 p. m. at the Walton Christian Church. The public is invited.

## Valentine Dance Planned

The Wa-No Club is sponsoring a Valentine Dance on Saturday, Feb. 15, from 9:00 p. m. to 1:00 a. m., at the West Federal Building, south of Walton. \$5.00 per couple includes soft drinks and light refreshments.

See any Wa-No member for tickets or call Maida Halder, 485-4582. Come, enjoy an evening of dancing to good music. Proceeds to be used by the club to carry out community projects.

## Assistance for Fire Victims

The Ladies' Auxiliary of the Walton Volunteer Fire Department are collecting furniture, stove, bedding, and floor coverings for the family of William Lamb, whose home and possessions were recently destroyed by fire. Donations will be picked up if you will call 485-4677.

## Heart Sunday Army Is Forming Ranks

Mrs. William R. Moore, Chairman of the Heart Sunday Drive in Walton, announced the Volunteer teams who will be calling on neighbors and friends on Heart Sunday, February 23rd. This announcement was made at the regular meeting of the Wa-No Club on Monday night. Mrs. Walt Ryan, Chairman of Verona will originate her volunteer workers later.

"Heart Fund volunteers serve a two fold purpose," Mrs. Moore explained. "They serve as educational ambassadors, leaving at each home a leaflet containing important information about reducing the risk of heart disease. They also receive Heart Fund contributions."

The heart and blood vessel diseases are the number one killer among our nation today. The Heart Fund fights the disease responsible for more than 54 percent of all deaths—among them—heart attack, stroke and other complications of hardening of the arteries, high blood pressure, rheumatic fever, and inborn heart defects. This is a disease that can affect babies, children of all ages, and grown-ups.

The entire month is Heart Fund month and you will be hearing more about Heart Sunday through your local papers as the month progresses. The teams appointed last night are volunteers in residential communities throughout the nation who have a "heart" and are dedicating time and effort to such a worthy cause of aiding those with heart afflictions.

## M. Y. F. "Youth Week"

"Youth Week" for the M. Y. F. of the Walton Methodist Church was climaxed Sunday evening with services conducted by the youth.

Speaking on the subject, "Faith and the Bible," was Marvin Hudson. "Prayer," was the subject pursued by Rusty Burgess. Others taking part on the program were: Shelley Kestell, song leader; Frances Utley, announcer; Joyce Mitts and Peggy Croustwhite, prayer; Linda Martin, witness; Walter B. Garriott and Dennis Roberts, ushers. Other members of the group composed the choir, and Benny Phillips was organist. Counselor and leader of the M. Y. F. is Mrs. Marcus Carey.

## Ryland Heights PTA Starts Rhythm Band

The Ryland Heights PTA voted, at the January 28 meeting, to purchase rhythm band instruments for the Music Department at the request of Mrs. Edith Owens, music director.

Kentall, song leader; Frances Utley, announcer; Joyce Mitts and Peggy Croustwhite, prayer; Linda Martin, witness; Walter B. Garriott and Dennis Roberts, ushers. Other members of the group composed the choir, and Benny Phillips was organist. Counselor and leader of the M. Y. F. is Mrs. Marcus Carey.

Mrs. Charles Sckmeier, Kentucky Chairman for Character and Spiritual Education was the guest speaker. The outstanding highlight of her program was the story of the "Three Trees." The story told of the life wishes of the tree. The answer to their wishes was a far greater reward than they asked. Mrs. Sckmeier's message was an inspiration to all.

Mr. and Mrs. Sckmeier and another well known guest, Mrs. Marvin Bradley, Sixth District Exhibit Chairman, enjoyed a delightful social with the PTA members. Mrs. Paul Dorman, president, presided over the meeting.

The Mother Singers concluded the program, singing "You'll Never Walk Alone," with Mrs. Ray Kline at the piano. Singers were: Mesdames David Nicom, Donald Frank, John Ferguson, William Martin, Lawrence Gilvin.

The Executive Board will meet on February 11 in the Ryland library.

## Republican Club to Meet

"Panama, the Present Day Crisis" will be the subject of a panel discussion at the regular monthly meeting of the Boone County Republican Club, according to Carrie Martin, vice-president and program chairman. The meeting will be held Monday night, February 9, at the Republican Headquarters, 276 Main Street in Florence.

In addition to the program, there will be an important business meeting, and appointment of committees.

## Rural Church League Basketball Tournament

First round of tournament play in the Junior Division of the Rural Church Basketball League gets under way Saturday afternoon at 2:30, when Walton Baptist meets the team from Petersburg Christian. All games are played at the Burlington Grade School gym. At 3:30 p. m., the Burlington Baptist and Petersburg Baptist teams clash.

For the regular season championship, the honor went to the Burlington Baptist boys who defeated Walton Christian, 37 to 27, last Saturday.

Results in the first round of tournament play in the Senior Division gave Bellevue Baptist a 60-31 victory over Walton Christian, and Hebron Lutheran a 65-35 win over Petersburg Christian.

The schedule of games in the Senior Division, Saturday are:

Bullittville Christian vs. Walton Baptist at 5:00 p. m.; Petersburg Baptist vs. Bellevue Baptist at 6:00; Bullittville Baptist vs. Burlington Baptist at 7:00; and Hopeful Lutheran vs. Hebron Lutheran at 8:00. Some of these games should be close and interesting. Admission is only 25c. Season passes are not honored for tourney games.

## Lions Make Donations

Linda Foster, chairman of the Safety Committee of the Taylor Mill Lions Club, recently presented a check to Capt. Ed Hack of the City of Taylor Mill Life Squad, for the purchase of a portable stretcher and oxygen equipment.

At the same time, Don Kearns, president of the Taylor Mill Lions, presented a check to Capt. Art Owens of the Taylor Mill and Community Life Squad, for the purchase of new snow-tires for the ambulance.

The Lions Club made these donations from the proceeds of a recent dance they sponsored.

## Band Booster Dinner A Success

The Walton-Verona Band Boosters and the band were "snowed under" with your support of their home dinner last Friday evening. If there was anyone missed in the carry-out orders, it is deeply regretted, and it would be appreciated if you would let us know.

Our thanks go out to Mrs. Beulah Smith, and President June Brewster in their untiring efforts, to those of the band, who so graciously delivered the many orders and assisted in the kitchen, to the too few band mothers, who worked so hard, Mr. McGlone, who helped around in the kitchen. But our hearts truly go out to you because you supported us in such a wonderful way. To Mr. Malcolm Simpson we extend our appreciation for the publicity he has given our band at all times. Thank you.

Miss Judy Horn spent the week-end with her grandparents, Mr. and Mrs. Everett Bickers.

## Oak Hill Homemakers

The Oak Hill Homemakers met in the home of Mrs. Mildred Cleek on January 21 for the regular monthly meeting. Roll was answered by telling, "How I Spent Christmas," by 12 members. We were honored by the presence of our county president, Mrs. R. H. Reimer, and Mrs. Gertrude Papotta, our Home Agent.

Mrs. Mildred Cleek read the devotion from the 17th chapter of St. John. Our Citizenship chairman, Mrs. Robert Gibson, gave a very interesting discussion on "Russia." Due to the bad weather our lesson leaders did not attend the leaders' lesson meeting at Cincinnati Gas & Electric, and Mrs. Reimer, assisted by Mrs. Papotta, gave the lesson to us on "Care of Your Major Appliances."

Refreshments were enjoyed during the meeting in order to save time. Two dates were set for candy workshops—February 12 and 25. The lesson for February will be on Interior Painting. Anyone interested in becoming a homemaker may contact our membership chairman, Mrs. John Hatteman, or any of our club

heating?

Bothersome fuel deliveries and space-robbing storage problems identify old-fashioned heating. ☐ Compact electric heating, by wire, is the logical choice for heating system modernization, new homes... or new room additions. ☐ Separate room thermostat provides "on-the-spot" comfort control. Each family member has the choice of selecting his own bedroom comfort level. You can also lower or turn off heat in unused rooms. ☐ And, clean electric heating helps reduce housework. Curtains, draperies and slip covers require less frequent laundering and dry cleaning. Painted walls and woodwork need fewer scrubbing, less frequent repainting. Wallpaper and upholstery stay cleaner and new looking longer. FREE Brochure has more details.

## WALTON-VERONA SCHOOL NEWS

**Represented at Science Seminar**  
The Citizens Telephone Company is to sponsor a Science Seminar for selected high school students to be given at the University of Cincinnati, February 6, 1964, at 2:30 p. m. The speaker for the afternoon will be Dr. Henry O. Pollak, Director of Mathematics and Mechanics Research Center, Bell Telephone Laboratory. His talk, entitled "On the Nature of Applied Mathematics", is to give a feeling for applied mathematics as is practiced in industry today. Dr. Pollak will answer questions from the audience after his talk.

The people selected to attend are Linda Grant, Janice Morgan, Billy Gamble, Eddie Neumeister, Frankie Parker, and Mike Simpson. They were selected because of their ability and achievement in science and mathematics course at W-V High.

**Magazine Campaign Underway**  
February 20 marks the end of a three-week magazine sales campaign being conducted by the W-V Seniors. Profit made from this sale is to be used in financing the class trip.

Mr. Blivins of the Look School Plan explained sales methods to the class. A goal of \$1500.00 sales was set with the class to be divided into two teams, Eddie Neumeister and Stella Chipman team captains. Paul-ette Chance was appointed general manager.

Prizes are to be awarded to top sales people. Those selling \$100 or more will receive their choice of a hair dryer, razor, transistor radio, or camera. For the \$50 salesmen, the gifts offered are an alarm clock, flashlight, blanket set, or camera.

If you are interested in buying or reviewing any magazine, contact any class member.

### School Visitors

On February 20, an agent of the Federal Bureau of Investigation will speak at school. This is more commonly called the FBI. He will tell the students workings of this large department in the Federal government. He will also explain the opportunities for a career in the FBI.

Dr. Hankinson, Director of the Northern UK Center is to speak to the Junior and Senior boys, Feb. 13. He will explain the opportunities for a career in the FBI. Mr. Henry Pryse is to speak to all seniors on February 12 about enrollment at the University of Kentucky. A representative from Sam's Technical Institution spoke to the Junior and Senior boys, February 3, on a career in electronics. He explained the merits of the career which is one of the fastest-growing of our time.

### Beards' Victorious Over Falmouth; Lose to Breck. Training in Overtime

Thursday night, the Walton-Verona Beards were defeated in overtime, 65-60, by Breckinridge Training on the home floor. The Beards were outscored 17-9 in the first quarter but fought back to a 21-21 tie at halftime. Breckinridge took the lead again in the third quarter ended 37-40, only to see the Beards tie the score at the end of the regulation play. The Beards were finally defeated 65-60 in the overtime.

Comett led the scoring for Breckinridge with 33 points, and Collins scored 18 for the losing Beards. Other scoring: Brown 14, Chapman 3, Ingram 3, Kirk 3, Rich 1, B. Gamble 2, and Simpson 11.

The freshmen lost the preliminary game to Dixie Heights.

The following night, the Beards faced Falmouth for the second time this season and came out on top, 76-75. The Beards led at the first quarter stop 20-17, but Falmouth overcame the lead and the half ended 37-35. The Beards then posted a 56-52 lead at the end of the third quarter, and then pulled away to an 11-point lead during the last few minutes of play. Falmouth kept fighting back and with only a few seconds left to play, the Beards led by only two points. Ingram sank the first of two foul shots giving the Beards a three-point lead with four seconds left in the game. Falmouth scored, unmolested, and the Beards won 76-75.

Collins and Brown led the winning Beards with 22 and 20 points respectively. England led all scorers with 29 for Falmouth. Other scoring:

Ingram 3, Kirk 2, Colcord 2, Rich 17, Simpson 10.

The Beards won the Junior varsity game, 64-49.

### W-V Basketball King-Queen Selected

Under direction of the Student Council, the crowning of the basketball king and queen is to take place February 18, when St. Henry visits Walton-Verona. It has been customary to select the king and queen from the cheerleaders and basketball players of the senior class. Paulette Chance being the only senior cheerleader is automatically the queen. In an election, held by the Student Council, Steve Collins, received the majority vote for king.

King Steve's attendants are the other senior players: Bobby Porter, Dewey Mulford, Gary Rooden, and Tom Kirk. The varsity cheerleaders attending Queen Paulette are: Candy Thornton, Lana Black, Nancy Jones, and Linda Farwell. The queen, wearing a long white formal, is to receive one dozen red roses and is to reign for the rest of the game. Her attendants are to wear short formal in pastel shades. The crown bearers are to be Desi Hankinson and Larry Kanner.

Paulette has been a cheerleader for five years and has been active in many school organizations. She is vice-president of the Walton-Verona chapter of Y-Teens and is secretary of the District for Y-Teens. She is also a member of the Literary Club, Future Homemakers of America, Pep Club, Science Club, and YWA. She lives with her parents, Mr. and Mrs. Clifford Chance, on Stephenson Mill Road, Walton.

### Wilson Wins Essay Award

Paul Wilson, senior at Walton-Verona High School, received second-place certificate of achievement in the District Soil Conservation Essay Contest, sponsored for the last 20 years by the Courier-Journal, Louisville Times and WHAS, Inc.

The contest is sponsored in an effort to make the young people of Kentucky aware of our natural resources and the problems of conservation. This year 60,395 essays in 119 soil conservation districts were submitted.

Louise, the son of Mr. and Mrs. Lawrence Wilson of Main St., Walton, is very active in school organizations. He is manager of the basketball team, salesman for the annual staff, and trombone section leader in the school band. He is also a member of the debating team, Pep Club, Mixed Chorus, and Science Club.

## COUNTY AGENT'S 1/2 ACRE

By Joe Claxen

The drought has seriously damaged many pastures in Boone County. These pastures are grazed down to the drought. Now is the time to plan to re-establish these pastures. It was found at the Eden Shale Demonstration Farm that renewing the legume stands and old grass sods will pay big dividends to farmers. These experiments were very successful in establishing legumes.

The best method to establish legumes in pasture is to disturb 60 to 100% of the existing vegetation by disking. Seed with a grain drill or broadcast and cultipack. The seeding rate per acre for establishing legumes in pastures during the spring are: Alfalfa, 12 to 15 pounds; red clover, 8 to 12; Korean lespedeza, 20 to 25 pounds.

These pastures should have a soil test for best results. Farmers that are considering re-establishment of pastures should contact the County A. S. C. office and learn more about their program.

In making pasture or meadow seedlings, any time it is very important to get the young plants firmly established with deep roots before the next critical season. This makes it very important to sow in good time and to fertilize for fast, vigorous growth. Young grass and clover can compete with weeds only if plant food is abundant.

New seedlings of permanent pastures should not be grazed until they become well rooted and have made good growth. Unless other spring grazing is provided, it may not be easy this spring and early summer to delay grazing of these seedlings in this manner, but results are quite apt to be about in proportion to how well it can be done.

A recent report published by the U. S. Department of Agriculture says Russia must solve many problems before it can meet the demand for improved diets and consumer goods. A major difficulty is the lack of incentive and initiative resulting from the system of huge state and collective farms.

There are shortages of fertilizers and capital output. Much production is located in very dry regions with a short growing season, and there's not enough attention to improving dry-farming techniques. The Russian agricultural administrative structure is too complicated and experimentation is lacking. There is potential, but the future of the Russian's agriculture is clouded because agricultural policy and objectives are bound up with political and strategic considerations.

The University of Kentucky Alumni Association had a membership of 1,806 in 1939. It has now, for the 1963-64 year, approximately 6,727 members on the active roll.

**Inner Circle**  
Lesson for February 9, 1964

Background Scriptures: Matthew 4:18-22; 10:1-16; Mark 1:16-20; 10:1-16; Luke 9:1-17; Acts 1:1-5; 13:1-3.  
Devotional Reading: John 11:16-27.

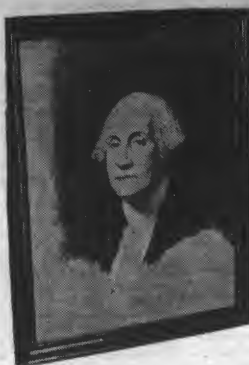

**JESUS** never played favorites in the sense of treating one or two persons more generously than he treated others. On the other hand he did not treat his men as if they were all alike, so many sticks in a row. If Jesus differed in his dealings with men it was because the men were different. As everybody knows, not all the crowds that followed him from place to place were his followers, really. Dr. Foreman Out of those crowds there were some, perhaps many, who were real "followers," eager to learn all he taught. Out of those followers, called disciples, there was a small group, an even dozen men, who were not only disciples but apostles—this last name being (in our Greek New Testament) the word for envoy or ambassador. Jesus not only taught these twelve men, he taught through them.

**Friends all different**  
But not even this was the inner circle. There were three men who were more intimate with Jesus, by his own choice, than any others. They were with him, by his special invitation, at the time of his transfiguration, and also in Gethsemane. They did not understand what was going on, on either occasion; but it is clear that Jesus craved their company, even if they did what we think we could never do—go to sleep. Fancy any one sleeping on the Mount of Transfiguration, or on that night when he was betrayed! Yet these men, stupid as they must have seemed to themselves when they thought about it afterwards, were the only inner circle of friends that Jesus had. No two were alike. If you had had to give those men a written examination, you might have thought Simon Peter the dullest of the lot. But wherever there was action, Peter was there. He was the kind of man who is a natural leader, the kind of man you would depend on in a fight. James is obscure, not so well known as his brother John. We do know that Jesus' nickname for James and John was Boanerges, "the thunder boys." They were the two who once wanted to burn with "fire from heaven" a whole village just because no one offered them beds.

**Friends all alike**  
In spite of the many differences between the three close friends of Jesus, they were, or came to be, strongly alike. This was undoubtedly due to their common loyalty to, and close acquaintance with, Jesus, their Master and Teacher. Jesus did not try to make them all over into one single mold. If you read, for example, the writings of Peter and of John in the New Testament, you will find that even in mature years and with long Christian lives behind them, John was still John and Simon Peter still Peter. Yet they had a common likeness to Christ. We tend to become like those we most admire.

**The heart's need**  
Peter, James and John show how it has been with Christians ever since. No two are alike; some of us are so different that we find it hard to live with the others, and they with us. Yet among true Christians everywhere there is some family likeness. A Christian always feels at home with other Christians wherever they may be. Further, now as then, some Christians are closer to Christ than others are. Shall we say that some Christians are more sympathetic with God, they have a keener feeling for what God is doing, they are more aware of his presence. Now the number of persons Jesus of Nazareth could treat intimately was limited; but the Risen Christ, the "Friend Unseen," has no such limitations. Can we doubt that Christ is now still in search of friends? He needs friends—indeed in the New Testament his friends are sometimes called his "body." Without a body Christ would be a kind of unremembered ghost in this world. Why should we be content with being mere distant acquaintances of our Lord when we are invited to become his friends?

In January 1789, the first election for a president of the U. S. took place throughout the nation.

**A BOY AND HIS HEROES**

One of the keys to a boy's character is his choice of heroes.

For a hero is more than a portrait on the wall. A hero is an ideal—a blueprint of greatness.

And where does a boy find his heroes?

He finds them in books and on the playing field... in his school, his family, his Church.

The Church's contribution to a child's gallery of heroes is unique.

Bible study and religious education not only introduce him to the greatest lives ever lived... but they teach him how to build the same qualities of heroism into his own life.

**A Look At Education**

(Continued From Page One)

From this scale is determined the appropriate figure to use in each school district as the basic unit in calculating the cost of school transportation under the Foundation Program. Also needed is the aggregate attendance of such transported pupils, which is the daily average multiplied by the actual number of days school is in session, up to a maximum of 175 days.

**Classification of Teachers**

The Foundation Program Law lists seven categories under which teachers may be classified according to their background of training:

Rank 1, Master's degree, plus 30 semester hours; Rank 2, Master's degree or its equivalent; Rank 3, Bachelor's degree or its equivalent; Rank 4, three years of college or more (90 semester hours); Rank 5, two years of college or more (64 semester hours); Rank 6, one year of college or more (32 semester hours); Rank 7, less than one year of college.

All individuals listed under any of these ranks must have a teaching certificate, and those with emergency certificates cannot be listed higher than Rank 4.

Beginning July 1, 1964, Rank 7 will be eliminated, and no teacher with less than one year (32 semester hours) of college work can be included in Foundation Program calculation.

The following year, July 1, 1965, Rank 6 will be eliminated, and no teacher with less than two years (64 semester hours) of college work will be considered.

Thinking is the hardest work there is, which is the probable reason why so few engage in it.—Henry Ford

**Staffordburg Homemakers**

The Staffordburg Homemakers met at the home of Mrs. Marvin Adams in Latonia on Tuesday, 25 members answered roll call with something NEW they prepared in the holidays.

Mrs. Bluch Rich gave a very interesting talk on Peru, its beautiful churches and attractions, so interesting to tourists. They told to the good old waiters for dances and have beautiful music but bar shorts and slacks and twist. They speak the Spanish language and are a lovely people.

Mrs. Frances Kenney read a story entitled "One Saint and Seven Sinners."

Mrs. John Shaw and Mrs. Richard Harney instructed how to hang pictures, and the right and wrong way of assembling.

After a delicious lunch, several games were enjoyed and the meeting adjourned.

The next meeting will be at the home of Mrs. Denver Binder of Decoursey Road on February 18.

When ill news comes too late to be serviceable to your neighbors, keep it to yourself.

# A LOOK AT EDUCATION

By Eugene Robinson

On Thursday evening, February 6, the Walton-Verona Board of Education held its regular monthly meeting with all members in attendance. The following business was transacted:

Hired Calvin Sturgeon as janitor at the Verona school; converted the fire insurance on the Verona building to co-insurance, increased the amount from \$50,000 to \$80,000 at a savings in premium; voted to allow only those seniors with state required number of credits to go through the graduation exercises; rehired John Shoemaker as principal of the Walton-Verona High School for the 1964-65 school year; rehired Eugene Robinson as secretary to the school board for the 1964-65 school year, and voted to pay the monthly bills and salaries.

I will continue my discussion of the Foundation Program, explaining how the total cost of the Foundation Program is calculated.

The total cost of the Foundation Program in any particular school district is found by adding together the amount needed for each of the major aspects of the program: (1) Salaries, (2) Other Current Operating Expenses, (3) Capital Outlay, and (4) Transportation. These amounts come from the multiplication of one of the basic units, already described, by a monetary factor determined every two years by the members of the General Assembly.

**Salaries**  
A certain amount of money is allocated to each of the categories under which teachers are classified. At the present time, these allocations are as follows:

Rank I, \$4,600; Rank II, \$4,300; Rank III, \$4,000; Rank IV, \$3,200; Rank V, \$2,600; Rank VI, \$2,200; Rank VII, \$1,900.

In calculating the cost of this part of the Foundation Program, the amount allocated to each rank is multiplied by the number of teachers to be considered. The sum of these is the total number of approved classroom units in the school district.

In cases where special personnel (supervisors, administrators, etc.) are employed for a period longer than the regular school year, these amounts are increased in proportion to the length of the additional period of employment. In those school districts where the number of teachers employed is greater than the total number of classroom units authorized, they are divided proportionately among the different ranks.

**Other Current Operating Expenses**  
The minimum amount needed for current operating expenses, other than salaries, is determined by multiplying the total number of authorized classroom units by \$900.

**Capital Outlay**  
The funds for use in financing or constructing new buildings and equipment are under the heading of capital outlay, the total amount of which is determined by multiplying the total number of classroom units by \$600.

**Transportation**  
The amount to be included in the Foundation Program for transportation is determined by multiplying attendance of pupils transported at public expense times the allowable cost per pupil per day for that district (as listed on the scale for districts of similar size). Added to this total is \$475 for each district-owned bus with a capacity of 12 or more.

## A Suggestion For St. Valentine's Day

We are about to celebrate St. Valentine's Day. The youngsters will have their dances. The mails will be filled with greetings—some frilly as they were in the olden days, some more likely to gray the hair of a true romantic. And gifts will be exchanged as tokens of love and affection on this day devoted to affairs of the heart.

That this day should take on an additional "heart" significance, as it has, seems entirely fitting. It is now also the midpoint of the annual Heart Fund drive, which, too, is dedicated to "affairs of the heart"—specifically to protecting hearts against the leading health enemy of our time, the heart and blood vessel diseases.

It seems equally appropriate on St. Valentine's Day to suggest that you make a gift for all hearts, for we know of no more appropriate day than this to "love thy neighbor as thyself"—which is precisely what you do when you give to the Heart Fund. You help save thousands of lives everywhere by making possible Heart Association programs of research, education and community service. So give as generously as you can when the members of the Wa-Na Club conduct Heart Sunday on February 23.

## February Meeting Of the Wa-Na Club

At the regular February meeting of the Wa-Na Woman's Club, which was held in the club room, Monday, February 3, members present heard an interesting discussion on problems in the special education classes conducted for children in Grant County. This was presented in a panel discussion with two teachers, Mrs. Jos. O. Brewer and Mrs. Marvin Conrad, leading the group. Both of these ladies are specialized in training and teaching these educable mentally retarded children.

The meeting was opened with the pledge to the flag and reading of the club collect. Mrs. William Moore gave an inspirational devotional, using a scripture from Matthew and explaining the true meaning of Lent. Mrs. Paul Beighe gave the Status of Women report and Mrs. Clayton Jones presided during the business meeting.

Plans for the Valentine Dance were discussed. Don't forget the 5th. Tickets are available from any member.

Refreshments were served by the hostesses, Mrs. Robert Slayback, Mrs. George Black, Mrs. Nelson Popham, and Mrs. Charles Holder, to the following: Speakers Mrs. James O. Brewer and Mrs. Marvin Conrad of Dry Ridge; to members, Mrs. Paul Beighe, Mrs. Orlando Christy, Mrs. Alva Fells, Mrs. Marydell Conrad, Mrs. Clayton Jones, Mrs. Leonard Cook, Jr., Mrs. Jack Rouse, Mrs. Agn. M. Rouse, Mrs. Robert Emmerich, Mrs. Gene Roland, Mrs. Harry Hanson, Mrs. Walt Ryan, Mrs. John Taylor, Mrs. William Moore, Mrs. Gayle McElroy, and Mrs. David Peebles.

## Club Celebrates 40th Anniversary

The Walton Woman's Literary Club met February 5, in Fellowship Hall of the Walton Christian Church to celebrate its fortieth anniversary, at which all charter members and past presidents were honored. Mrs. Grace Knox, president, presided as routine business was transacted. Mrs. Dan Bedinger read the Club Collect, and the group gave the Salute to the Flag. Mrs. Knox appointed a nominating committee for incoming officers: Mrs. Robert M. Daniels, chairman; Mrs. Jane H. Sleet, and Mrs. Dan Bedinger.

Twenty-one members answered roll call. Mrs. W. W. Rouse, program chairman, ran through the interesting pages of the history of this group since its beginning in January, 1923. Everyone thoroughly enjoyed and admired the noble struggle from year to year to hold their standard high to render their greatest good to the community.

Mrs. Rose Hamilton awakened sacred memories with her touching rendition of "Trauerlied" by Schumann, and "Longing for Home" by Jungmann.

Mrs. L. M. Gabriel chose Psalm 100 for her Spiritual Guidance, expanding it to suit the occasion—"let us make a joyful noise unto the Lord".

Mrs. Gabriel also represented this club at the mid-winter board meeting in Lexington. She enjoyed this and returned full of inspiration and enthusiasm, having listened to guest speakers on the subject of means and methods of community building.

Punch and cookies were served by the Liggett Circle of the church. This was the favorite refreshment on those days of long ago.

Guests present were: Mrs. Edith Percival, Miss Mottie Hudson, Mrs. Wadsworth Lattimer, Mrs. Clayton Jones, and Mrs. Harris Moore. Members present were: Mrs. Dan Bedinger, Mrs. Willis Berkshire, Mrs. C. S. Chambers, Mrs. J. R. Conrad, Mrs. Robert M. Daniels, Mrs. R. F. DeMolay, Mrs. A. H. Gaines, Mrs. L. M. Gabriel, Mrs. Wallace K. Grubbs, Mrs. J. L. Hamilton, Mrs. George Knox, Mrs. Sallie Moore, Mrs. Julia A. Rouse, Mrs. Sam Sleet, Mrs. W. W. Sturdivant, Mrs. Forest S. Thompson, Mrs. Heinz Wahrnson, Mrs. Lloyd Watson, Mrs. Melvin Wason, and Miss Mary West. —Denotes past member; \*—denotes past president.

## ASSESSMENTS FAIR IN BOONE COUNTY

State and local governments are suffering loss of revenue because property assessments are too low and unfair, the Department of Revenue, Frankfort, said last week.

Commissioner James Luckett said the state-wide average assessment is only 27.7% of the estimated market value. The percentage has been falling steadily for years, he added.

Mr. Luckett said a study made by his department shows 63 of 111 counties surveyed have variations in assessments wide enough to be termed "serious discrimination among taxpayers."

The counties with the fairest assessments, Mr. Luckett said, are, in order: Lanes, Washington, Boone, Daviess, Jefferson, Warren, Fayette, Grant, Carroll, and Scott.

## Wa-Na Valentine Dance

The Wa-Na Woman's Club is sponsoring a Valentine Dance, to be held this Saturday, February 15, at First Federal. The time is from 9:00 p. m. until 1:00 a. m.

Music is to be by "The Moonlighters." Tickets are still available, and may be purchased from club members or call Maida Holder, 485-4582.

## Sophomore Class Will Sponsor Spaghetti Supper

On Tuesday, February 18, from 5:00 until 7:00 p. m., the sophomore class of Walton-Verona High School will serve a spaghetti supper in the school cafeteria. The price: Adults \$1.00, and children .50c. This includes all the spaghetti you can eat, cole slaw, french bread, home-made pie, and coffee, tea or milk.

This is the only dinner this class will be having this year and they would certainly appreciate your support.

## Prayer Service Scheduled At Local Christian Church

A World Day of Prayer service will be held Thursday, February 14 (tonight) at 7:30 p. m., in the Walton Christian Church.

The Walton Methodist Church will present the program, and the Zion Baptist will have some special music. The hostess church will serve refreshments following the program.

The public is invited.

## Boone County Homemakers

Interior points and how to use them was the subject of the lesson given Boone County Homemakers leaders last week in Burlington.

During the lesson, different colored points were tried on different designs and colors of wallpaper. Results were that some colors cover better than other colors, and some designs and colors of wallpaper cover better than others. The characteristics and uses of the alkyl (oil-base) paint and later (water-base) points were explained.

The morning session was taught by Home Demonstration Agent Gerald Paparotta. For the afternoon session, Mr. Simpson of the Covington Color Company and a sales representative, came to answer personal questions.

Leaders present were: Irene Connelton, Bess Rouse, Mrs. William Tupper, Mrs. Edward Kessler, Mrs. Florence Anderson, Mrs. Dorothy Pfalzgraff, Mrs. B. A. Barlow, Mrs. Grace Alexander, Mrs. Bessie Smith, Mrs. C. E. Whalen, Mrs. W. E. Ferguson, Mrs. R. J. Sandfoss, Mrs. Larry Stephens, Mrs. D. Ensminger, Mrs. A. Leder, Mrs. M. Satter, Mrs. Ben Blair, Mrs. Alan Sullivan, Mrs. Nick Mikkelsen, Mrs. Ed Berkemeyer, Mrs. Charles Holmes, Mrs. John Heikman, Mrs. Anna Clark, Mrs. Edna Rolfsen, Mrs. Edna Adams, Mrs. Marie Burgess, Mrs. J. Crimmins, Mrs. Pat Lawrence, Mrs. Dorothy Chute, Mrs. Frank Penick, Mrs. L. R. Williamson, Mrs. T. W. Olio, and Mrs. James Pleasants.

An excellent leaflet, "Interior Points and How to Use Them," can be had by calling the Home Demonstration Agent at the Extension Office, 586-6412.

## Engagement Announced

Miss Sarah Ruth Sexton

Mr. and Mrs. William W. Sexton of Erlanger, announce the engagement of their daughter, Sarah Ruth, to Richard Lewis Davis, son of Mr. and Mrs. Lewis G. Davis of Richmond Road, Walton.

Mr. Davis is a graduate of Boone County High School, Florence, and is now employed with the Railway Express Agency. Miss Sexton is a graduate of Lloyd High School, Erlanger, and now attends the University of Kentucky, where she is a member of Alpha Delta sorority.

No date has been set for the wedding.

## Boone County DAR Chapter Meeting

Mesdames Floyd Roberts, Frank Weidenkopf, Clifford Coyle, Howard Allen, and Davis Gaines were hostesses to the Boone County Chapter, DAR, at Southern Trails, Florence, recently.

The Regent, Mrs. Ashlin Logan, welcomed members and guests, and changed the order of business to that of Mrs. Williams Logan, program chairman, might introduce the speaker, Miss Joan Osenbeck (alias Ann Holiday) of The Union Light, Heat and Power Company, who spoke on decorations and showed members how to make these displays inexpensively.

Following the program, Mrs. Logan led the DAR ritual. Members were informed that CAR promoters were again invited to participate, the dues being \$3.00 per year. This is to encourage and assist the youth members of CAR. Mrs. Davis Gaines and Mrs. Samuel Denham are state senior co-chairmen for this.

The Regent announced that seven members had attended the tea at Duncan Tavern, with the local DAR chapter having received credit for \$25.00 toward the debt on Duncan Tavern.

Money gifts were taken for Duncan Tavern maintenance, John Cox Library, and Hindman School.

As is their custom when a member marries, the chapter will present a gift to Miss Virginia R. Nestor, whose marriage to Mr. Harold Kohl, was announced.

Members enjoyed a social hour and refreshments during which the following guests were welcomed and introduced: Mesdames Steve Renason, Jack Turner, Violet Smith, Joseph Eubanks, Gilbert Borchers, and Mrs. McWhorter.

Mrs. Long introduced Mrs. William Conrad, who gave a most impressive reading, which was touching and tender.

Members present were: Mesdames Carl Anderson, Howard Allen, Fred Bennett, William Conrad, Clifford Coyle, Davis Gaines, Charles Goodridge, Wallace K. Grubbs, Wallace S. Grubbs, Ashlin Logan, William Long, Roy C. Nestor, William Vickers, Clarence Wolfe, Robert Woodward, and Miss Margaret Goodridge.

## To Honor Judge Niblack

The Boone County Democrats' Club is planning a victory dinner for Judge Charles E. Niblack, who defeated Republican Lee Larson of Hebron, at the polls Nov. 5, 1963.

Judge Niblack is a working member of the Democrat Club and is always willing to answer any questions in regard to the club. He is also always willing to cooperate in any other matter concerning the well being of the Democrat party in the county.

Time and place of the dinner will be announced later.

## TOBACCO LOAN LEVELS ANNOUNCED FOR 1964

The 1964 crop price support program for tobacco was announced recently by the U. S. Department of Agriculture.

The average loan level is 58.9 cents a pound for burley (Type 31), compared to 58.3 cents for the 1963 crop. Kentucky fire-cured (Types 22-23) is 40.0 for 1964, compared to 39.6 for 1963. Dark, air-cured (Types 35-36) is 35.5, compared to 35.2 for 1963.

Loans will be available if marketing quotas are approved by burley growers in referendum to be held soon. The slight increase in price support levels is due to an increase in prices of goods and services bought by farmers during the last three calendar years (1961-1963) as compared to the 1959.

## Sponsor Skating Party

The Ladies Auxiliary of the Kenton and Community Fire Department is sponsoring a Valentine Skating Party on Thursday, February 13 (tonight) at Lloyd's in Latonia, from 6:30 to 9:30 p. m.

Records, prizes and autographs by Mr. Braun. This, the biggest Sock Hop of the year, is sponsored by the Grant County Jaycees.

## Registering To Vote Is Individual Responsibility

Colonel Gil Clifton of the Boone County Democrats Club contends that it is the responsibility of each person to register and vote.

Mr. Clifton asks, "Unregistered Voters: Do you feel that you have the right to criticize the outcome of an election? What part did you play in the election? After all, the people who registered and voted are the voice of the people. If you would like to be part of the voice of the people, register and vote."

## Farm Bureau Week

James A. Dressman, Judge of Kenton County, has proclaimed the week of February 10-14 as Farm Bureau Week in Kenton County, and urged all farm families to join with their neighbors in support of the Farm Bureau organization and its program.

More than 300 rural and farm families in the county are members of the Farm Bureau.

## Father and Son Killed, Saturday

John M. Baker, 37, a native of the Richmond community, and his 14-year-old son, John R. Baker, were killed Saturday night at Richmond. A second son, James Baker, 12, was injured, but not seriously.

Mr. Baker and his two sons were returning from a bowling party in Cincinnati. On reaching the exit ramp on I-75 for Richmond road, Mr. Baker skidded over the steering wheel of his car. John R. was on the front seat with his father, and he tried to be of help but to no avail, and the car continued down the ramp, across Richmond Road, and struck an embankment. Mr. Baker suffered chest injuries, and his son had a possible skull fracture. James was taken to St. Elizabeth's hospital where his injuries were said to be of the chest and leg. He was released Monday afternoon.

Mr. Baker was an IBM programmer at General Electric in Evendale, Cincinnati. He was a graduate of Hanover College, Madison, Ind., was a veteran of World War II, and a member of Richmond Presbyterian Church.

The family had recently moved from Richmond Road to near Warsaw, Ky. Survivors include the wife and mother, Mrs. Phyllis Yentes Baker; two other sons at home, Joseph and Jeffrey, and a daughter, Janet, at home; Mr. Baker's parents, Mr. and Mrs. Hubert P. Baker of Richmond Road; and his sisters, Miss Linda Green of Ocala, Fla.; and John R. Baker's maternal grandparents, Mr. and Mrs. Earl Yentes of Zephyr Hills, Fla.

Double funeral services were held at 2:00 p. m.; Tuesday at the Richmond Presbyterian Church. Burial was in the church cemetery.

Chambers & Grubbs Funeral Home of Walton, had charge of the arrangements.

The weather forecaster seems to be having trouble bringing in rain which is badly needed, so now we will see what Mr. Groundhog can do, for he surely saw his shadow as it was a beautiful sunny day—maybe he has helped already, as we had a good rain last week.

**WHITES TOWER**

Mrs. Ralph Howard, Reporter

Here we are in February and I am sure the ground hog has seen his shadow so we will have to adjust ourselves to six more weeks of winter before we look around that certain corner for spring, but generally speaking, we can not complain. Our weather has been good.

Mr. and Mrs. Thomas Schoborg of the Tower left Friday evening for Georgetown and Lexington to visit with relatives and friends over the weekend and return Sunday evening.

Mr. and Mrs. Wilbur Walke of DeCoursey Road went to Lexington Sunday to visit their son, Father Walke.

Mr. Al Perry of Latonia, William Binder, Jerry Binder and Stanley Ledford were folks who stopped for a brief visit at the Howard home on Saturday.

Our sympathy is extended to Raymond Burke and family of Pearl Street, Covington, whose wife, Myrtle, passed away February 2 at St. Elizabeth Hospital, where she was taken on Saturday when she became very sick.

**OAK RIDGE**

Shirley Tollett, Reporter

Several members of our community have been in St. Elizabeth Hospital: Sandy Richardson and Jesse Bailey for tests; Bill Corbin as a result of being hit by an automobile, and Chuck Leffler with hepatitis. Mrs. Pat Burkey was in Booth Hospital, where she had her tonsils removed.

Mrs. Kitty Calston visited sick relatives in the hospitals in Louisville and Lexington, recently.

Little Caroline King had an accident on her tricycle recently and got

a nasty cut on her forehead.

Mr. and Mrs. William Rider have sold their home on Sherry Drive, and expect to move into their home on Lipscomb Road, in the near future.

Someone broke into the home of Mrs. Ozella Perry while she was at work recently and carried off nearly everything in the house that they

could move.

We were sorry to learn of the death of Mrs. Baker, mother of Mr. Edgar Baker, principal of Taylor Mill School, and Mr. D. E. Jones, father of Mrs. Jan Rohe Bell of Valley View Drive.

Mr. and Mrs. Carol Tomlin and son of Lexington, spent the weekend with Mr. and Mrs. Eugene Tomlin.

## WALTON-VERONA SCHOOL NEWS

**Commencement Speaker Announced**  
According to John Shoemaker, principal, the 1964 graduating class at Walton-Verona High School will have as its commencement speaker Dr. J. M. Boswell, president of Cumberland College. Before becoming president of Cumberland College, Dr. Boswell was associated with Williamsburg College for four years. During World War II he served in the Navy as a captain. Dr. Boswell, who is originally from Northern Kentucky, is a member of the Baptist Church.

**All "A's" For Semester**  
Three seventh grade students, Mildred Baker, Belinda Kidwell, and Marlene Robinson have made the all-A honor roll for the entire semester.

**Future Assembly Programs**  
The National Aeronautics and Space Administration has been invited by Mr. John Shoemaker, principal, to give a space mobile assembly. In addition to a speech of explanation, a space mobile will be displayed outside the building and scale models of rockets will be set up inside. An electronic demonstration will also be given. The Oakridge Science Division is to give a similar program with an atomic mobile.

**Students Visit Post and Times-Star**  
Judy Horn, Linda Gadd, Ada Spicer, Pat Yancey, and Donna Jo Simpson, members of Walton-Verona High School paper staff, visited the Kentucky Post and Times-Star in Covington on Saturday, February 8. During their visit they were taken on a trip with a reporter so that they could watch the news-gathering process. They were shown just how a newspaper page is laid out and put together and how a newspaper office

is managed. Then the girls were taken to Cincinnati for a tour of the main office and printing division of the newspaper. Their picture was taken and they were interviewed for a feature article by newspaper reporters. They all commented on how much they had enjoyed themselves, what they had learned, and how nice the Post and Times-Star employees had treated them.

## Kentucky's New Travel Show Display

KENTUCKY'S NEW TRAVEL SHOW EXHIBIT, featuring a panel of rotating elements which alternately show two different and inviting Kentucky scenes, will be used at travel shows throughout the midwest to attract vacationers to the state. The State Department of Public Information's 30-foot long exhibit also displays illuminated color photographs of Kentucky State parks and other tourist attractions and provides ample space for travel folders. Public Information Commissioner Cattle Lou Miller (center) discusses the attractive new exhibit with Mrs. Frances Durrett, one of the State travel division employees who act as hostesses when the exhibit is on display. Travel Division Director W. L. Knight listens to the recorded message which tells prospective vacationers of Kentucky's many attractions. A large map of the state (in front of the phones) shows the location of Kentucky's lakes and resort areas. Two identical exhibits have been constructed to permit coverage of out-of-state travel shows.

## —DEATHS—

**JOHN W. CONRAD**  
John W. Conrad, 68, of 67 High Street, Walton, died of leukemia at 3:00 p. m., February 4 at St. Elizabeth Hospital, Covington, where he had been a patient for two weeks.

Mr. Conrad was a retired farmer, but was still active with his rental property and trailer court. He was a member of the Walton Christian Church.

Survivors include his widow, Mrs. Edith Conrad; a son, Harold Conrad, of White Deer, Texas; two daughters, Mrs. Margie Lane, of Cleveland, Ohio, and Mrs. Wanda Lou Steiner, of El Paso, Texas; a step-sister, Mrs. Louise Stephenson, of Walton, and five step-children.

Services were held at 2:00 p. m., last Friday at the Walton Christian Church. Burial was in Highland Cemetery, Ft. Mitchell, with the Chambers and Grubbs Funeral Home of Walton, in charge.

**JOHN S. HANKS**  
John S. Hanks, 75, of High St. Walton, died at 12:30 a. m., last Thursday at St. Elizabeth Hospital. Mr. Hanks retired 12 years ago as an L&N signal man. He was a native of Rockcastle County.

He had been admitted to the hospital on Wednesday, prior to his death, suffering from a heart condition.

Survivors include his widow, Mrs. Martha Hanks; five sons, William and Luther Hanks, both of California; Paris E. Hanks of Louisville; John L. Hanks of Indiana; and Eugene Hanks of Walton; three daughters, Mrs. Grace Johnson of Walton, Mrs. Margaret Gillespie of Newport, and Mrs. Wilma Johnson of Covington.

Services were held at 2:00 p. m., Saturday at the Chambers & Grubbs Funeral Home, Walton. Burial was in Richmond Presbyterian Cemetery.

Mrs. Ellen (Neil) Boberg, 74, of Banklick Station Road, Independence, died at 8:00 a. m., Sunday at the home of a niece, Mrs. Ann Roberts, 510 Russell St., Covington.

She is survived by a brother, Joseph Madden, Fostoria, Ohio. Requiem High Mass will be sung at 9:00 a. m., Thursday, at St. Cecilia Church, Independence, with burial in St. Cecilia Cemetery.

**MRS. KATIE CLEMONS**  
Mrs. Katie B. Clemmons, 64, of Dry Ridge, died at 6:45 a. m., last Saturday at St. Elizabeth Hospital.

Survivors include her husband, Floyd Clemmons; a son, Thomas, of Dry Ridge; three sisters, Mrs. Mary Bishop of Dry Ridge, Mrs. Hobart Vomer of Mt. Zion, and Mrs. Atwood Gibson of Walton.

Services were held at 2:00 p. m., Tuesday at the Eckler Funeral Home, Dry Ridge. Burial was in Hill Crest Cemetery.

## Notes of Servicemen

**Pfc. John C. Friedman, Jr.**  
John C. Friedman, Jr., of A Battery 6/14th, made a clean sweep of honors for the month of January. He was selected as both "Outstanding Soldier" and "Outstanding Driver" for the battalion.

Friedman earned this unprecedented distinction by displaying outstanding knowledge of General Military Subjects, Driver's Training and Responsibilities, and the excellent condition of his vehicle, log book and OVM.

He is the son of Mr. and Mrs. John C. Friedman of Independence, and entered the Army in February, 1963. He took basic training at Ft. Knox, and was assigned to Fort Sill, Okla., upon completion in April. He joined A Battery of the 6/14th from USATC in June, and since that time has displayed outstanding soldierly qualities. Pfc. Friedman will now represent his unit in the 214th Artillery Group contest.

Sgt. and Mrs. Albert D. King spent 30 days with his parents, Mr. and Mrs. William King, of Percival Road, Walton. Sgt. King was enroute to Korea for a tour of 13 months. His wife will remain at her parent's home at 1684 State Ave., Cincinnati, while he is out of the states.

Mr. and Mrs. King's other son, the former Sgt. Victor King, has retired from the Army after 20 years service, and will reside in Florence, with his wife and daughter.

Larry R. Records, seaman, USN, son of Mr. and Mrs. Roy R. Records of 65 Alta Vista Drive, Walton, is serving aboard the attack cargo ship, USS Mullighan, which departed from Norfolk, Va., January 13, for a five-month tour of duty with the Sixth Fleet in the Mediterranean. Aside from operational training, the ship is to visit ports in Spain, France, Italy, Greece several Mediterranean islands while away. It is scheduled to return to the states early in July.

## COUNTY AGENT'S 1/2 ACRE

By Joe Clexon

Grass-legumes and meadow crops in Boone County may need phosphate or potash—or both—applied this spring. Some tips on this practice:

- 1) If the soil tested low in available phosphate or potassium when the soil was established, put on about 30 pounds of phosphate and about 60 pounds of potash on acre of potash as these are needed to maintain the stand and give good production;
- 2) If the soil tested medium or higher in either phosphorus or potash, there is no need to apply either nutrient;
- 3) Any fertilizer needed on these grass-legume fields or meadow crops can be top-dressed any time this spring when convenient to the farmer;
- 4) Nitrogen fertilizer on pastures and meadows is not profitable if 25 percent or more of the stand is in clover. A good stand of clover will fix enough nitrogen from the air for its own use as well as the grass growing along with it. Have soil tested.

Mr. Clexon

The best time to spring sow lawn grass seed is on a honeycomb frost. Many sowings did not succeed last fall because of the dry weather. In other cases, the lawn could not be fitted in time to fall-sow.

Honeycomb frosts usually are frequent during February. The grass seed is sown early in the morning before the ground thaws. As the ground thaws, the frost ridges (honeycomb) melt, level out and partially cover the seed. Subsequent frosts complete the process.

Sow good common Kentucky bluegrass seed at the rate of one pound per 1,000 square feet of area. Straw may be added, one bale per 1,000 square feet. Use up to 20 to 25 pounds of 10-10-10 or similar fertilizer per 1,000 square feet. If mowed no shorter than three inches, it will have less crab grass in it next summer.

Spring-flowering trees and shrubs should not be pruned now. Pruning at this time removes flower buds that would bloom in the spring and the pruned plants will not put on as good a show of flowering time.

Since many fruiting plants need pruning now, some homeowners may think that flowering plants also should be pruned. However, flowering trees and shrubs are not pruned for the same reason as those that are grown especially for fruit. On fruiting plants, pruning is used to decrease the flowering—and thus the fruit production—to a level the plants can support and still produce quality fruit. Spring-flowering trees and shrubs should be pruned after flowering to improve the plant's shape and keep it productive. In contrast, those flowering plants which flower later and set flower buds after growth starts need pruning before growth starts in spring.

Don't prune sugar maples until June or July. If they are pruned before that time, they will often drip sap until mid-summer or later. Shade trees that do not "bleed" can be pruned "when the knife is sharp—anytime."

Do not top any tree or shear any flowering shrubs. Of course, dead portions of plants can be removed anytime you wish.

### CHOCOLATE MACARON CREAM

- |   |                                 |
|---|---------------------------------|
| 1 envelope (1 tbsp) gelatin             | 2 egg whites                    |
| 2/3 cup sugar                           | 1/4 cup sugar                   |
| 1/8 teaspoon salt                       | 1 teaspoon vanilla              |
| 1/4 cup cold water                      | 1/4 teaspoon almond extract     |
| 1-1/4 cups milk                         | 1 cup heavy cream               |
| 2 squares Baker's Unsweetened Chocolate | 1/2 cup fine dry macaron crumbs |

Mix gelatin, 2/3 cup sugar, and the salt in a saucepan. Add water and milk. Place over low heat, stirring constantly, until gelatin is dissolved. Add chocolate. Stir constantly over medium heat until chocolate is melted. Add vanilla and almond extract. Beat with rotary beater until mixture is blended. Chill until slightly thickened.

Beat egg whites until foamy throughout. Add 1/4 cup sugar, 2 tablespoons at a time, beating after each addition. Continue beating until mixture will form stiff shiny peaks. Whip the cream. Fold egg white mixture and whipped cream into chocolate mixture. Blend in macaron crumbs. Spoon into a 1-1/2-quart mold. Chill until firm. Unmold. Garnish with additional whipped cream, if desired. Makes about 5-1/3 cups, or 8 to 10 servings.

Mrs. J. A. Kenney—359-4441

We regret to hear that Mrs. Dora House, who has been convalescing at the home of her sister, Mrs. Chas. Losey, was rushed to St. Elizabeth Hospital, Sunday evening. Mrs. Losey, who has been ill also for a few weeks, is not recovering as fast as we would like to see. Both of these shut-ins were visited by a brother, Goebel Armstrong, and wife on Sunday afternoon. We hope both sick ones are soon well.

Mr. and Mrs. Charles Dorsey called on Mr. and Mrs. Dawson Bollinger on Sunday afternoon.

Mr. and Mrs. Don Kenney and sons were dinner guests on Sunday of his mother, Mrs. J. A. Kenney.

Best birthday wishes to Chester Rapp on his birthday Monday, February 10.

The crowd of Sunday school and church services was cut down considerably. Let's do better. If it's not too bad to go to work Monday, we

should go to God's house if it is a bad day.

Mrs. Ezra Elmore came back to her home a few days ago, after spending several days at the home of her son on Elliott Road.

The University of Kentucky Medical Center has been included by the American Dental Association and the World Health Organization on a list of "places to see" for foreign visitors.

## CARD OF THANKS

We sincerely thank the many friends and relatives for their kindness, sympathy, and prayers during the illness and death of our beloved husband and father, John W. Conrad. We especially wish to thank the ministers, Rev. Tackett for his prayers and Rev. Moore for his services; the many people who sent cards, flowers and food, and Mrs. Ed Egan and the organist for their musical contributions, and the funeral home for their kind and efficient services.

## These Men Made History

BECAUSE OF THEM,  
OUR LIVES ARE WHAT  
THEY ARE TODAY . . .

Lincoln, Edison, and Washington . . . each has influenced the destiny and life of a nation. Because of Washington and his contemporaries, we are a free, independent people. Because of Lincoln and those who believed as he did, we are a united people. Because of Edison and other men of science, we are a technologically advanced people. We salute these great Americans during the month of their births.

### A Man Made Whole

Lesson for February 16, 1964

Background Scriptures: Luke 8:26-29.  
Devotional Reading: Colossians 3:15-17.

**LUKE'S STORY** of the "demoniac," the many-devil man, who did not know his own name, being so many different persons at once—and all had,—this story raises more questions than can well be answered here. What we

want to do is to look at the symptoms of the man; who would today be considered by any psychiatrist a very sick man. The man had no name. He was so wild he hardly needed one. He clothes, and (we may guess) without much to eat. He would not stay under a roof, but stayed in the open—not in the good green wood but among the tombs of a burying-ground. It was a suitable place for him, for the man was dead. He had lost contact with living men and living affairs. What the devils were—whether spawned by his own brain, or demons moving in from a dark other world—we do not know. Whatever they were, they had charge of the man. His life was eaten out by these sinister infiltrators. When Jesus asked the man for his name, the reply was "Call me Legion"—using the word for a regiment of soldiers. Actually what was in the man was more like a mob than a well-drilled regiment.

**20th Century devils**  
Today we say we don't believe in devils any more. This is strange, considering how many around us. You do not have to go far or search long, before you find men who are not men. They do not know rightly who they are. They have many conflicting desires, yet no real purpose. They are the slaves of habit, slaves of their most beast-like desires. Some of these modern devils are obviously afflicted. Alcoholics, dope addicts, drivers who are never safe behind a wheel, victims of hot temper, fear, gnawing envy, or a thousand other devils, walk our streets, imperil our highways, inhabit our jails, reformatories and hospitals. A person who has lost all control of himself, who cannot resist some particular temptation, who perhaps knows very well what this next drink is going to do to him but must have it regardless of consequences, such a man may have a name, but it is not he himself who bears the name. He is no longer himself, he is a walking habit, a walking bundle of fighting impulses, he does over and over what he swears to himself he would not do again.

**The cure**  
No one knew just how Jesus did it, but one thing was certain: the demon-ridden man was cured. Whatever was wrong with him was made right. No longer a naked howling savage lunatic, he was seen dressed, sitting and listening to Jesus, once more a member of society, a human being. For the first time in years, perhaps, he could honestly say "I" and not "we." But it was not his own self-control that had won the struggle. He had been brought so low there was no struggle left in him. It was Jesus who took hold of him, it was Jesus who mastered the devils, not he.

In the treatment of alcoholics today, cures need not be expected so long as the victim insists he can "take it or leave it alone." For an alcoholic to be cured the first necessity is to admit he is an alcoholic, that he can't get out of himself by himself. And the Alcoholics Anonymous has found that the best and surest helper there is, is God. The Christian church knows that this is true of others, too. When a man is helpless in the grip of evil inner forces, it is not a case where self-cure is advisable—because what really ails us is beyond our own power to cure. To admit we are defeated, to admit we need help, is the first step on the road to freedom, but there always has to be some understanding heart. Suppose Jesus had been afraid of the man, or despised him, or thought of him only as a disgusting interruption?

The term "family farm" is often misunderstood. To be a family farm, the farmer and his family must manage and operate the farm, take the risks and reap the rewards and contribute most of the labor.

UPSIDE

DOWN

PRAYER

I'll never forget the first time I saw a harp. I was walking by a music store with my mother and it was there in the window, tall and golden. I knew, then and there, that I wanted to be a harpist.

But, my heart sank, for I knew my parents could afford neither the instrument nor the lessons. I started to pray every night to God to send me a harp.

Nothing happened. My small spirit rebelled, and I blurted out to my Sunday School teacher that my prayer hadn't been answered. My teacher was a wonderful woman. She just said, "You've been going about this in the wrong way, Ann. You've been demanding something of God. Don't you think it would be better if you asked Him?"

Her quiet words made an impression. The tenor of my prayers changed. And the teachings of the Church meant more to me than ever.

Well—in time, I did become a harpist. Recently, I played my first concert. And as the great, golden instrument came to life beneath my fingers I hoped that the angels, too, were smiling.

### THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest force for good in the world. It is the only institution that is not for profit. It is the only institution that is not for power. It is the only institution that is not for money. It is the only institution that is not for fame. It is the only institution that is not for self-interest. It is the only institution that is for the good of all. It is the only institution that is for the glory of God. It is the only institution that is for the salvation of souls. It is the only institution that is for the peace of the world. It is the only institution that is for the happiness of all. It is the only institution that is for the love of God and man. It is the only institution that is for the kingdom of God on earth. It is the only institution that is for the life of the world to come. It is the only institution that is for the glory of God forever and ever. Amen.

## Feed Grain Signup Got Under Way Feb. 10th

Farmers throughout the nation began filing applications for participation in the 1964 Feed Grain program on Monday, February 10. The signup period will continue through Friday, March 27, according to R. O. Wilson, chairman, Kentucky State ASCS Committee.

To participate, farmers must agree to divert at least 20 percent of their corn, barley, grain sorghum feed grain base to conserving use.

Farmers who participate in the program will be eligible for diversion and price support payments and for price support loans on their 1964 production of the three feed grains. The price support payments will be made to participants whether the feed grain produced in 1964 is fed on the farm, sold, or placed under price support loan.

Mr. Wilson says the local ASCS office will gladly show any farmer how the 1964 program fits into his farm operation.

## Day of Prayer Observance

Mrs. J. F. Daugherty of Florence will serve as chairman of the Day for the World Day of Prayer Observance sponsored by the Tri-City United Church Women which will be held at the Erlanger Church of God, Hillcrest Drive, on Friday, February 14 at 10 a. m.

As a reminder of the services church bells in Erlanger, Elsmere and Florence will ring at 9:30 a. m. and again at 10:00 a. m.

A special feature of the program this year will be the Boone County

High School Glee Club under the direction of Mrs. Marie Harrow with Miss Ellen Benson as accompanist. Leaders in the program will be Mrs. Roy Ulre, Mrs. Charles Whalen and Mrs. Donald Nunnally.

Another innovation this year will be a special service in the nursery for pre-school children under the direction of Mrs. Wilbur Winebrenner and Mrs. John Pierce.

Theme for the 1964 service is "Let Us Pray" and the program is prepared by Dr. Madeline Barot, executive secretary of the Department on the Cooperation of Men and Women in Church, Family and Society of the World Council of Churches, Geneva, Switzerland.

World Day of Prayer groups first met together 78 years ago, offering their prayers and gifts for missions. The faith and love of God expressed has reached out to the present time when groups on six continents gather throughout the twenty four hours bound together in prayer.

All residents of the Erlanger, Elsmere and Florence area are invited to attend. A coffee hour at 9:30 will precede the service.

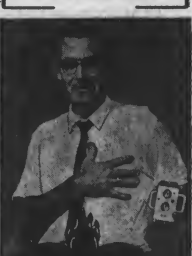

## Marketing Cards Must Be Returned to ASCS Office

Many producers have not returned their marketing card for the 1963 crop year. All cards are to be in the county office thirty days after you have completed your sales.

Failure to return the marketing card may cause a reduction in the allotment next established for your farm.

Mail your card today to the Boone County ASCS Office, Burlington, Ky. 41005, or bring it to the office personally.

## Holds Record for Use of 'Pacemaker'

**FOR FOUR YEARS** his heart has been triggered by an electronic device (held in left hand) which your Heart Fund dollars helped to create. ## A LOOK AT EDUCATION

By Eugene Robinson

After the total cost of the Minimum Foundation Program is determined, the next step is to calculate the fair share to be provided by the local school district. This is the "required local effort."

Before considering the required local effort, there is one term which needs to be understood: "assessment ratio." This is the percentage ratio between the value of property set by the tax assessor and the true market value of that property. For example, if a house is assessed at \$3,000 for tax purposes, and is sold for \$10,000, that represents a 30 percent assessment ratio. The assessment ratio is determined each year by the State Department of Revenue for each school district in the state.

In essence, the required local effort is the amount which would be received from a tax of \$1.10 per \$100.00 assessed value of property, if the property were assessed at the average assessment ratio for the state. This is the dollars and cents contribution of the people who live in the local school district to the minimum program needed by all boys and girls.

In school districts where the assessment ratio is less than the state average, the tax rate to secure the required local contribution has to be more than \$1.10. By the same token where the assessment ratio is above the state average, the required local contribution can be secured with a tax rate of less than \$1.10 per \$100 assessed value of property.

If necessary, when the assessment ratio falls very low, the local school board can go beyond the \$1.50 tax rate per \$100 assessed valuation of property if that is necessary to secure the required local contribution. (In Grayson County, for example, the assessment ratio is so low that the current tax rate to provide the required local effort must be set at \$1.65. There are two other school districts in the state which have had to go beyond the legal maximum just to secure their required contribution to the minimum program.)

**The State Share Is**  
The function of the state, as expressed in the legislation which makes the Foundation Program a reality, is to provide whatever is necessary to assure every boy and girl at least a minimum educational opportunity. This is done in fulfillment of the constitutional requirement to "provide for an efficient system of public schools throughout the Commonwealth." (Kentucky Constitution, Section 183.)

This is accomplished by subtracting from the total cost of the minimum program the required local effort. The difference between these two figures, whatever amount it may be, is the state's share, and guarantees the attainment of the minimum program.

If, for any reason, the local district fails to provide its full share of the cost, the state's share is reduced in the same proportion. Payments of the state's share (the equalizing fund) are made each month. During the first seven months of the fiscal year, the payments are based on estimates coming from the statistics for the previous year. On or before March 1 of each year, a recalculation is made on the basis of the current year's information, and the last five payments to the local school district reflect this exact recalculation.

**Geometric Districts**  
In some school districts the wealth is great enough that, if the standards for the Foundation Program are applied, calculations show that the entire minimum program can be provided from local funds. In such a situation, operating on the assumption that all school districts should receive some state help, the state's contribution is now calculated on the basis of a flat sum of \$125 per child in average daily attendance (ADA).

There are other school districts where such a calculation of the state share (on the basis of \$125 per child in ADA) would provide more help than the calculation on an equalizing basis. In such a situation, the method of calculation used is the one which will give the local school district the greatest financial help.

In other words, there is a guarantee written into the Foundation Program Law that no school system will receive state financial help in an amount less than \$125 per child in average daily attendance. Since only a few school districts fall in this minimum category, most of them receive more than this amount.

## No Social February 22

## Engagement Announced

Miss Alice Marie Birkhead

Mr. and Mrs. A. Mason Birkhead of Gambrell, Maryland, have announced the engagement of their daughter, Alice Marie, to Cpl. Donald Bowman, son of Mr. and Mrs. Lewis Trapp, of Walton, Route 1.

Miss Birkhead is a senior at Anselm High School. Cpl. Bowman is attached to the 526th M. P. Co. at Ft. George G. Meade.

A June wedding has been planned.

## Lincoln Day Dinner

A large group of Boone County Republicans joined hundreds of other Northern Kentucky Republicans at the annual Lincoln Day Dinner, held Monday night at the Highland Country Club in Campbell County.

Congressman John Ashbrook of Ohio, was the principal speaker.

## BOONE PTA COUNCIL

The Boone County PTA Council met recently in the Florence Elementary School gymnasium.

Mrs. Harry Menon, president, called the meeting to order with the Pledge to the Flag. Mrs. Clayton Jones, of Walton, gave a devotional entitled, "A Word or Language Everyone Understands, But Not Enough L-O-V-E." Mrs. Jones closed her inspiring message with prayer.

Mrs. Menon explained a TR skin test to be given to all school pupils in Boone County by the Health Department. The tests will be given free with the permission of parents.

PTA Units represented were Florence, Walton, Verona, Yealee, New Haven, and Boone County High.

After adjournment, the Boone High School Unit entertained with refreshments and a social hour.

## Southern States Meeting Feb. 26

Approximately 82 members of Southern States Cooperative's advisory boards, directors of local cooperatives, committee members, agricultural workers and retail agency managers from this area, will attend a regional board meeting in Cynthia, Ky., February 26. The session will be held at the Cynthia Christian Church and will begin at 10:00 a. m., EST. Also attending the meeting will be a number of guest young farmers from the area.

Those expected to attend the meeting from the Walton area are: James H. Lipscomb, manager of Lipscomb Farm Supply; local board members, Joe Jones of Union, Warren Van Horn and Russell Clinkenbeard of Morning View, Wilbur Simpson of Crittendon, Leo Courtney, Leo Flynn, Bobby Kennedy, Mark Helmer, David Neumeister, and Clifford Stephenson, all of Walton, Frank Jackson, Jr. of Independence, and Rodney Vest of Verona.

## Kenton Elementary PTA

The Kenton Elementary School P. T. A. will observe February Day at its regular February meeting to be held Thursday, February 20, at 8:00 p. m., in the school cafeteria.

The program will be under the direction of Mrs. Art O'Brien, who will present the past presidents and they will be honored with a silver tea. A life membership will also be presented.

The highlight of the evening will be a comedy skit, "Mr. P. T. A. and the Doctor." The cast will consist of Mrs. Charles Adams, Randall Wagner, Mrs. Randall Wagner, Art O'Brien, and Willard Slade.

## Kenton Clerk's Office To Be Open Evenings

To accommodate those Kenton County automobile owners unable to obtain their 1964 license tags during regular office hours, County Clerk Albert T. Wood has announced that his office will remain open at night, Monday and Tuesday, February 24 and 25, until 8:00 p. m. Kentucky requires the new tags be on cars by March 1. The office will also be open Saturday, February 29, from 9 a. m. to 1:00 p. m. City Auto Stickers will also be available at these times.

At the Independence Courthouse, the office will remain open Friday, February 21 and 28 to 8:00 p. m. On Saturday, February 29, the Independence office will be open from 9:00 a. m. to 1:00 p. m.

## Burley Tobacco Allotment Is Set

Burley tobacco allotments for most farms in 1964 will be about 10 percent less than for the 1963 crop, Mr. Wilson, Chairman, Agricultural Stabilization and Conservation State Committee, has announced.

The State allotment for the 1964 crop of Burley tobacco is 203,696.72 acres, which represents the State's share of the national allotment of 314,263 acres. It compares with the State allotment of 226,090.26 acres in 1963.

Except where marketing quota violations are involved, the law provides that no allotment may be reduced below the smallest of (1) the allotment established for the farm for 1963, (2) five-tenths of an acre, or (3) one percent of the cropped land in the farm.

The chairman explained that substantial increases in per-acre yields in recent years necessitated the reduction in farm acreage allotments. Policy for the 1964 crop of Burley tobacco will be supported at an average of 58.9 cents per pound. The 1963-crop prices were supported at an average of 58.3 cents per pound.

Since 1950, milk production in the U. S. has increased from 117 billion pounds to about 126 billion pounds, a jump of eight per cent.

## Oak Island Homemakers

The lesson on vegetable cooking was given by Mrs. Frank E. Jackson at the February meeting of the Oak Island Homemakers. Members were given information on how to buy, store, prepare and serve vegetables in order to preserve color and vitamins and to retain nutrients.

Mrs. Robert Wainwright reported on the recent Advisory Council meeting and led the club in lesson plan planning for the coming year. Presiding were: Mrs. C. C. Northcutt, Mrs. F. B. Jackson, Mrs. Gayle Sipple, Mrs. Gerald Dixon, Mrs. Russell Rector, Mrs. Robert Wainwright, Mrs. Frank E. Jackson, Mrs. Gerald Vaughn, Mrs. Sherman Barberick, and Mrs. Donald Riddell.

## Wa-Na Club Sponsors Heart Sunday, Feb. 23

Sunday, February 23 has been set aside as Heart Sunday throughout the nation, and the Wa-Na Woman's Club is sponsoring the drive in the Walton and Verona area. Members of the club and other volunteers will be ringing your doorbell between the hours of 12:00 and 4:00 p. m. We urge you to welcome her with a generous Heart Fund gift because:

1. The heart and blood vessel diseases are the number one health enemy and killer in the U. S. today.
2. Your contribution will help support the research, education, and community service program of the Kentucky Heart Association.
3. The American Heart Association is the only national voluntary health agency devoted exclusively to combating the heart and blood vessel diseases.
4. Heart Fund dollars go to support research—more than 75 million Heart Fund dollars already have been invested in developing vital knowledge which is protecting hearts and enabling us to live longer, more productive lives.

5. Your Heart Sunday collector is a health ambassador as well. The educational pamphlet she will leave with you will help you to protect your heart.

## BAPTIST "YOUTH DAY"

On Sunday, February 23, "Youth Day" will be observed at First Baptist Church, Walton. An evangelistic team from the Baptist Student Union of Georgetown College will be bringing the morning and evening message. Special music will also be provided.

Sunday evening at 5:00, all church members are invited to bring a covered dish and share potluck with the guest speakers. After services, a fellowship will be held for all young people in the church dining hall. We invite everyone to come and receive an inspiration from these speakers.

## Boone Democrats Urge Everyone To Register

Registration closes April 11, 1964. If you do not have transportation to Burlington to register, please contact any member of the Boone County Democratic Club or Wilton Stephens and Judge Charles E. Niblack and transportation can be arranged.

Do you work late hours or shifts? If so, perhaps you could go to the Courthouse in the morning to register.

Women, do you need a baby sitter while you register? This too can be arranged.

Seniors at Boone County, Walton, and the Parochial Schools, do you have a problem about registering? If so, let us know about it.

## In California Hospital

Word has been received here by Mr. and Mrs. Richard Howard that their son, Mr. R. Howard, is a patient in Washington Township Hospital in Fremont, Calif., suffering from a severe heart attack. For those who would like to send a card, his room number is 303.

## Ethel Harman Circle

The Ethel Harman Circle of New Bethel Baptist Church, Verona, met in regular session February 3, with 13 members and seven visitors present.

The program, "I Must Be Informed," was given by Mrs. Lillian Stephenson, Clara Messmer, Mrs. Dorothy Porter, and Mrs. Phyllis Stephenson.

After the program, a shower for Mrs. Doris Webster and Mrs. Dorothy Porter was held in the church basement.

Thursday night, February, Mrs. Steacy showed films to go along with the mission study book, and a discussion followed.

**Nicholson Home Lotted**  
Articles and money totaling \$290 were taken in a break-in last Tuesday night at the home of John Butler, 7006 Taylor Mill Pike, near Nicholson, according to Kenton County Police.

Intruders broke glass in a rear door and took a portable television valued at \$140, a shotgun and cash worth \$125, and \$25 in cash.

## IS YOUR SUBSCRIPTION PAID?

These are five reasons, we believe, to greet your Heart Fund volunteer on Heart Sunday. But if you can't be at home when she calls, promptly mail a gift in the envelope she will leave.

For a gift of \$2.00 or more you would want to name a person who is afflicted with a heart disease and make this a living memorial. The memorials and names of donors will be published at a later date, amount will be omitted.

The slogan, "More Will Live, the More You Give," is a good one. Mrs. William Moore is chairman of Walton and Mrs. Walt Ryan is in charge of collections in Verona, and the Wa-Na Club appreciates the help of members and other volunteers who will be helping on Heart Sunday.

**Verona Volunteers**  
Mrs. Walt Ryan, chairman of the Heart Sunday collections in Verona, this coming Sunday, has named the following to help volunteer their services in that community:

Mrs. Ronnie Vest, Mrs. Gary Hicks, Mrs. Jim Barker, Miss Joyce Birds, Miss Stella Chipman, and Mrs. Heinz Wohlenburg.

Mrs. Ryan and Mrs. Wohlenburg are members of the Wa-Na Club, sponsors of the drive in this area.

## FHA 2nd Vice President

Miss Rita Trapp

Miss Rita Trapp, a senior, has been in the Simon Kenton FHA for four years and has held the office of Chapter Parliamentarian for two years and is now 2nd vice president. She is a member of the Northern Kentucky District Scholarship Committee and a member of the District Degree Committee. Miss Trapp holds Junior and Chapter degrees and is working on her State degree.

Rita is also active in Y-Teens, Beta Club, Honor Club, Student Council, and 4-H Club work. She is a reporter for the Kenton County Junior 4-H Club.

Miss Trapp is the daughter of Mr. and Mrs. Daniel Trapp, Visalia.

## Baptist Temple Revival

A revival will be held at the Covington Baptist Temple, 1140 Holmes Street, beginning Sunday, February 23 and continue each evening at 7:30 until Sunday, March 1.

The evangelist will be Rev. Chas. Ashcraft, pastor of the First Baptist Church, Harrison, Ohio. Rev. U. R. (Red) Turner is pastor of the church.

## PTA Founders Day Observance Feb. 24

On Monday, February 24, at 7:30 p. m., the Walton-Verona PTA will hold its regular meeting in the Walton school.

The local PTA will observe the 67th anniversary of this national organization by presenting a pageant of founders day entitled, "Guard Well Thy Trust," under the direction of Mrs. John Taylor, program chairman of the Walton-Verona unit. The cast will include students, teachers, and parents.

The organization is still working hard to secure filled stamp books or the equivalent of \$3.00 in a donation toward the purchase of a new piano for the school. If you have promised a book of stamps or can give one for this project, please take it Monday night and turn it over to Doris Taylor.

A baby-sitting service will be available for the meeting, and refreshments will be served. The publicity chairman said, "See you at PTA, Monday night. Let's have a larger crowd than last month, which was nearly 75."

## BOONE PTA COUNCIL

The regular meeting of the Boone County P. T. A. Council will be held at the Florence Elementary School on Tuesday, February 25, at 8:00 p. m. Don J. Roberts, Walton, will speak on State Legislation.

All P. T. A. presidents, school principals and superintendents should attend this council as well as any interested parents.

## Republicans In Louisville

Otis Readnor, Charles Wiley and Wilbur Kelly, Walton, were part of a large contingent of Boone Counties and Northern Kentuckians who joined more than 1,500 Republican faithfuls in Louisville last Saturday in honor of the 50th anniversary of the Lincoln Club of Kentucky. The speaker was Congressman Pat Martin of California.

The bothersome and sometimes destructive problem of birds in haylofts can be solved by the use of a flashing light. A revolving cylinder with two amber and two clear lenses placed over the 7.5-watt bulb will annoy the birds and drive them away.

## Fellowship Meeting At Walton Church of God

There will be a Fellowship meeting on Friday, February 21, starting at 7:30 p. m., at the Walton Church of God. There will be special singing and the guest speaker will be Rev. Ronald Bled of Dayton, Ohio.

The local pastors, Dee and Wanda Gadd, invite everyone to attend and enjoy this Fellowship meeting.

## Tractor School Schedule Given

Four-H leaders, Woodford Crigler and Beckham Shields, have announced the following schedule for the 4-H tractor school this year.

Thursday, February 20, Cress and Sons Implement Co., Burlington; Wednesday, February 26, Ryan's Implement Co., Walton; Thursday, March 5, Roberts' Implement Co., Hebron; Thursday, March 12, Erlanger Tractor Co., Erlanger; Wednesday, March 25, place to be announced. All meetings will start at 7:30 p. m. and end at 9:30 p. m.

This 4-H project is sponsored by the above-named local tractor dealers and the Standard Oil Company of Kentucky.

The leaders said this project is open to any boy or girl who works with farm machinery and was 12 years of age or older on January 1, 1964. They need not be 4-H members.

Goals of the project are the teaching of safety, preventive maintenance, and skill of operation. The project is climaxed with a tractor-driving contest held at the County Fair in August, sponsored by the above-named tractor dealers.

## COUNTY AGENT'S

½ ACRE

By Joe Claxton

Fertilizer-insecticide mixtures on tobacco plant beds are not recommended by the University of Kentucky Ag Extension Service entomology department. Where such mixtures are used, despite our recommendation against it, they are being used incorrectly. For one, fertilizer goes on plantbeds every year, as a rule; soil insecticides should never go on more frequently than every third year, and then only if insects are known to be a problem. Excessive use may result in a health hazard.

Many farmers are using the fertilizer-insecticide mixture despite the recommendation against it. Their practice is wrong because: (1) Fertilizer application (usually done every year on plant beds) is different from what would be recommended for a soil insecticide. And time of application of fertilizer also differs from that for a soil insecticide. (2) Rates of the two materials vary. A soil insecticide goes on at the standard rate of 3 pounds actual material on acre. But fertilizer rates vary according to soil needs, and will also vary considerably among individual farmers.

It pays any dairymen to use up-to-date milking methods. This means using methods that will obtain the maximum amount of clean milk with a minimum of labor and without injury to the cow's udder.

Essential elements of good milking practices are: (1) The cow's flanks and udder should be kept clipped, the udder and teats washed and dried before each milking, and the strip cup used at least once a day before milking; (2) Keep the milking machine in good mechanical condition and operate it according to the manufacturer's instructions; (3) Attach the machine within one

minute after preparing the cow to obtain maximum benefit of milking; (4) Remove machine carefully as soon as udder is milked out—this should not, on the average, require more than about 5 minutes; (5) Sanitize test cups after each cow by dipping the cups first in a bucket of clean warm water, then in a solution of sanitizing agent of proper concentration; (6) Using a cap, submerge the teats in a sanitizing solution.

It is recommended to wash and massage the udder with warm water, containing sanitizer, for about one minute. One of the greatest causes of mastitis is the too-common practice of leaving the machine on the cow longer than necessary.

## Ryland Homemakers

"Low Calorie and Vegetable Cookery," was the topic of the lesson presented to the Ryland Homemakers Club when they met recently in the home of Mrs. George Campbell. The leaders stressed short cooking periods and the main goal is to serve vegetables that look and taste so good that families will always enjoy them and ask for more. Helpful booklets were distributed to members on "How to Prepare and Serve Vegetables."

Mrs. Everett Wilson, reading chairman, gave the devotions which included a poem, "Magic Medicine."

During roll call, a U. S. President's name and birthday were given. Games and a Valentine gift ex-

change was conducted by the program chairman, Miss Ruth Schmidt, who gave a reading on St. Valentine and stretch your mind games were enjoyed.

Mrs. Harold Hoffhill presided and program planning for 1964-65 were discussed and tabulated.

Mrs. Fenton True was welcomed as a guest, and Mrs. Campbell was assisted by her daughter, Mrs. Morgan Metzger, in serving the following members: Mesdames A. R. Hicks, William Damon, J. D. Loinhardt, Hugh Croigmyle, C. J. Castleberry, William Schwall, Everett Wilson, O. J. Williams, J. H. Lawson, F. B. Hermes, Harold Hoffhill, and Miss Ruth Schmidt.

In March, the club will meet in the home of Mrs. F. B. Hermes when the lesson of the day will be, "Accents with Accessories."

Services will be held at 2:00 p. m., today (Thursday) at the Chambers & Grubbs Funeral Home, 5269 Madison Pike, Independence. Burial will be in Independence Cemetery.

## OAK RIDGE

### Shirley Talbot, Reporter

Mr. and Mrs. Gene Kelly and Mr. and Mrs. Edwin Kelly have returned from a two weeks vacation in Fla.

Mr. Leonard Thompson, underwent surgery at St. Elizabeth Hospital last Friday and expects to be home this week.

We hear that Boots Tillet is undergoing surgery for appendicitis today (Monday) at St. Elizabeth Hospital. We wish her a speedy recovery.

Mrs. Evelyn Annison of Chattanooga, Tennessee, is visiting her parents, Mr. and Mrs. T. C. Richardson, for a week. Mr. Richardson has been under the weather for the past month but is feeling better.

Mrs. O. J. Dorman has gone to Florida to visit relatives, Mr. and Mrs. Jim Dorman, for a week. Her daughter, Betty Jones, is taking a week off from work and staying with Gertrude, while she is gone.

Mrs. John Bruce went to Richmond, Va. to meet her daughter, Mary Ellen Wells, and children, and drive back here with them. Mary Ellen's husband, Lt. Charles Wells, is on a Mediterranean cruise with the Navy.

Congratulations to Mr. and Mrs. Robert Scroggins, the former Carol Talbot, on the birth of their first child, Roger Wendell, born February 11th at Booth Hospital. The baby weighed 7 1/2 pounds at birth and both mother and baby are doing well.

Mrs. Ed Binkley is still in Booth Hospital, where she is undergoing treatment for a back injury. She is kept flat of her back with her head lower than her body, and heavy weights hanging from above at her hips, which is certainly a miserable way to spend your days and nights. She would appreciate cards from her many friends.

The father of Mrs. John Atherton is a patient at Booth Hospital.

The Home Mission study book, "Apostles" will be taught Thursday night at 7:30 at Hickory Grove Baptist Church by Mrs. Mildred Fredericks.

The Oak Ridge Homemakers Club met Tuesday at the home of Mrs.

## WHITES TOWER

### Mrs. Ralph Howard, Reporter

One wonders why do we have all this stealing and house-breaking these days? It must have about run its course. They even get so bold as to go right to a patrolman's home, enter and take his furnishings and valuables. I am sure they could make an honest living a lot better if they would just stop to think the price of their character damage, and they do get caught sooner or later. I would say it was a high price to pay for what little they get. Let's hope they wake up.

We are sorry to hear that Mrs. Ollie Light of Latonia, formerly of Staiffordburg, is a patient at St. Elizabeth Hospital. We hope she is not serious and will soon be on the mend.

Nelson Hoffman of Staiffordburg, is also a patient at St. Elizabeth Hospital. Hope he too will soon be well.

Mr. and Mrs. Melvin Vinson of

the Tower, entertained on Sunday for some relatives and friends.

Our sympathy to the grandchildren of Mrs. Inez Howard of Latonia, who passed away last week.

Sorry to hear that Mrs. Dora House of Independence, is back in the hospital again, and hope for her an early recovery.

Mrs. Mary Northcutt of Latonia, is visiting at the home of her brother and family, Mr. and Mrs. George Binder of Decoursey Road.

Harry Armstrong of the Tower, has been on the sick list the past week with arthritis.

Someone missed the road in the night and took our mail box away or it's down over the hill. I guess I'll have to hang this news on a post this morning.

## Staiffordburg

### Mrs. J. A. Keeney, Reporter

Well, a different story about Sunday School this week. We had quite a few more out, but no heat, so we had a short session of the S. S. and then went home, since it was too uncomfortable. We trust things will work out better next week.

Mrs. Dora House does not show much improvement since going to St. Elizabeth Hospital.

Clayton Keeney had his tonsils removed at Booth Hospital, Friday. He seems to be doing fine.

Mark Huff is recovering from an attack of mumps.

Nelson Hoffman spent the past week in the hospital, where he had treatment for sinus trouble and underwent various tests. He returned home Saturday and will, we hope, be feeling better very soon.

Mr. and Mrs. Lathan Brinkley and daughters visited his parents Sunday. We rejoice that little Stephanie is doing so well.

We regret to hear that Mrs. Saffie Barnett is not well. The children are much concerned about her.

### Veterans Administration Questions and Answers

Q—A veteran I know is going to school under the GI bill and is also getting a GI loan to buy a house. How can he get double benefits?

A—There is nothing in the law that prohibits a veteran from receiving these two benefits simultaneously.

Q—As the widow of a veteran who died of service-connected disabilities, I receive a monthly compensation payment. I have been thinking of going back to work. A friend tells me that I will lose the compensation payments. Is this so?

A—No. Compensation payments are made without reference to your income. Your friend is thinking of VA pension payments, paid to widows of veterans who died of non-service-connected causes. Income limitation do apply in these cases.

Q—Has the so-called "Long Bill" reintroduced by Congress to allow reinstatement of lapsed GI insurance policies?

A—No. None of the bills which would have allowed reinstatement of lapsed GI insurance policies have been passed by Congress.

IS YOUR SUBSCRIPTION PAID?

### —ORDINANCE NO. 1964-33—

An Ordinance granting and offering for sale a 20-year Franchise to place Electric Transmission and Distribution Facilities in the Public Streets and places of the City of Walton, Boone County, Kentucky.

THE COUNCIL OF THE CITY OF WALTON, BOONE COUNTY, KENTUCKY, DOES ORDAIN AS FOLLOWS:

Section 1. The City of Walton, Boone County, Kentucky, hereby grants and offers for sale to the successful bidder a franchise, consent, right and privilege, for a period of 20 years starting from the date of acceptance of the bid of the successful bidder, to construct, reconstruct, erect, extend, operate, use, maintain, repair, replace and remove (hereinafter collectively referred to by the use of the words "install" or "installation") poles, wires, cables, apparatus, fixtures and equipment for the transmission and distribution of electricity (hereinafter collectively referred to as "facilities") within, on, along, over, under and across the public streets, alleys, ways, places and grounds of the City (hereinafter referred to collectively as "property"). The transmission of electricity referred to above shall include the transmission of electricity into, through and out of the City, as well as transmission terminating within the City after receipt of such notice, move or relocate the same within the "public property" so as not to interfere therewith; but the successful bidder shall not be required at any time to terminate any service provided by its "facilities." Where any such moving or relocation of the successful bidder's "facilities" is reasonably required by any such project of the City done by it at its own expense, but where the same is reasonably required by the City acting in its proprietary capacity such moving or relocation shall be at the expense of the City. The successful bidder shall have the right to cut, trim or remove any trees, overhanging branches or other obstructions on "public property" which in the opinion of the appropriate engineer of the successful bidder may endanger or interfere with the efficient "installation" of "facilities."

Section 2. The successful bidder shall render electric service from its "facilities" to the City and its inhabitants at such rates and under such conditions as may be applicable and effective from time to time throughout the franchise period, as set forth in its filings with the Public Service Commission of Kentucky or any legally constituted body succeeding it in jurisdiction, and in the rules, regulations and service requirements thereof. The electric service to be rendered shall be alternating current, 60 cycles, single or three phase service, supplied within the appropriate range for successful bidder's standard voltage and frequency of service.

Section 3. Each bid shall specify the rate tariffs which, until thereafter duly changed, shall be applicable to service rendered within the City.

Section 4. Any bidder not presently furnishing the service required under this franchise shall make a deposit as required under the provisions of K. R. S. 96.020.

Section 5. The successful bidder shall defend and indemnify the City against any suit or claim for any expense or liability whatsoever by reason of negligence attributable to the successful bidder, providing, however, that any expense or liability resulting from joint or concurring negligence attributable to the City and to the successful bidder shall be borne by the City and the successful bidder equally.

Section 6. In the event the successful bidder does not, as of the date of passage of this Ordinance, maintain "facilities" in the City, such successful bidder shall commence the construction of the necessary "facilities" within 120 days after the acceptance of its bid or after receipt of any necessary authorization from the appropriate governmental agencies, whichever is later, and supply electricity to the City and all of its inhabitants qualifying for the same within eighteen months after such date, or this franchise shall be void.

Section 7. The words successful bidder, as used in this Ordinance, mean the successful bidder and his, its or their heirs, successors and assigns, each of which must, upon rendering service hereunder, be a "utility" providing electric service under K. R. S. 278.010 and any succeeding section. The word City, as used in this Ordinance, means the City of Walton, Boone County, Kentucky, its successors and assigns, as it now exists or hereafter may be changed through annexation, reduction of its boundaries, merger, consolidation, or other similar proceedings.

Section 8. The City Clerk is hereby directed to advertise, as provided by law, for bids for the franchise provided for in Section 1 through 10 of this Ordinance, such bids to be received by the City at its regular meeting to be held at 7:30 P. M. on the 12th day of March, 1964. Each bid shall be sealed and marked "Bid for Electric Franchise," and shall be opened by the Council at its said regular meeting. The Council shall have the right to reject any and all bids.

Section 9. This Ordinance and the bid accepted by the Council of the City shall, upon passage of the Ordinance accepting the bid, constitute a contract between the City and the person, firm or corporation to which the franchise is awarded.

Section 10. This Ordinance shall be effective at the earliest time allowed by law.

Passed this 13th day of February, 1964.

1. TRUE—Carriers are not required to deliver mail where dogs interfere. When a carrier encounters such delivery interference, he reports the name and address of the owner to his immediate supervisor who immediately contacts the patron and requests that the animal be confined during usual delivery hours in the neighborhood. Otherwise, service may be interrupted and patrons in the immediate vicinity may be required to call at the post office for their mail.

Dog bites can be held to a minimum in numbers and severity only if dog owners cooperate willingly with the Postal Service. So if your dog doesn't possess and exhibit proper respect for public servants, please keep him or her on a leash or otherwise confined when the carrier comes to your house.

The Post Office Department is currently conducting experiments with a dog repellent for personal protection of carriers from dog attack. If proven successful and practical, this animal deterrent should reduce substantially the annual high rate of dog bites.

### CARD OF THANKS

I sincerely want to thank everyone who came to visit me, sent cards and gifts during my stay in the hospital. Your kindness will always be remembered. Especially, I want to thank the ministers of each church, and those who were kind enough to bring my wife down to visit.

BY DR. KENNETH J. FOREMAN

**Unforgiven**

Lesson for February 23, 1964

Background Scriptures: Luke 7:36-50; Devotional Reading: Ephesians 1:6-14.

THREE PEOPLE met together that afternoon. There was a crowd in the room but all we know of the story is just what these three persons said and did. If artists had painted it many times it would seem very strange to us. There the guests were at the long tables, only lying down, not sitting up straight as we do. No women were guests, but according to custom the outer doors were not kept locked, and Dr. Foreman apparently any one could wander in. The guests were all barefooted; they had kicked off their sandals as a man here would remove his hat. Suddenly a woman, no respectable woman either, appeared behind the place where one of the guests reclined, and began to act in a way which even then seemed more than odd, wetting the guest's feet with tears, wiping them dry with her long hair, pouring on his feet ointment from a beautiful white flask. The woman's name we do not know, for Luke who tells the story was a gentile; the host was named Simon and the guest was Jesus.

**The mind of Simon**  
Why Simon had invited Jesus we do not know, perhaps from curiosity. He had not treated Jesus with even common courtesy, so we know Jesus was not the guest of honor by any means. Simon had an unpleasant mind. At that moment he was thinking about Jesus and the woman. For her he had no kind thoughts. All he knew about her was her reputation, and that was all he needed to know. He thought all those tears etcetera were just an act. He was ready to believe the worst about her, not anything good. For Jesus, Simon also had only contempt in his mind. The reason for this was that Jesus did not seem to despise the woman as Simon did. Either Jesus knew this woman for whom she was, or he didn't. If he did, then he was wicked for letting her touch him. If he didn't, then he was a fool. That was the way Simon's mind operated: believe no good about any one.

**The mind of a woman**  
The woman did not say a word from beginning to end. If asked what she was thinking, she might not have been able to make a sensible answer. But Simon could not see what Jesus saw, that this woman was passing through a crisis. Her tears spoke for her. Tears for the wasted years; tears for the sins she had done; for the life she had lived; tears perhaps because she could not turn the clock back and begin life where she had first left the right road—who knows how long ago? Tears for her weakness, for resolutions broken, for shame and for sorrow. She hated what she had been. But she had heard of Jesus. Just the word that he would be there, had brought her to seek him.

**The mind of Jesus**  
Jesus knew what was in the mind of Simon, and what was in the mind of the woman. It is said that Jesus "answered" Simon, though Simon had not spoken a word, only "talking to himself." And he knew what was in the woman's mind, he knew the tears were not acting, they were real; he knew why the woman cried; and though she had not opened her mouth he knew what she really wanted. Did she know herself? We may believe she did. She wanted to be at peace with God. Happiness, yes, but above all, peace. She knew, if only in a dim confused kind of way, that she had cut herself off from women—for women despise such a woman more than men do; she had cut herself off from clean people, cut herself off from respectable society. But what she wanted was not respectability, it was peace. And so Jesus—who knew not only the mind of men and women, but the mind of God—said the healing word: Your sins are forgiven.

... go in peace. Simon was a Pharisee, and pharisees led sheltered lives. His sin may have been far fewer than the woman's. But Jesus could not say to Simon, Your sins are forgiven. Simon had no tears for his sins, no repentance. And God does not send his peace to those who do not want it.

The amount of horsepower required to move soil on U. S. farms each year would move a ridge of soil 100 feet high and a mile wide from New York to San Francisco.

**ORBIT PATH:  
THE CROSS****THE CHURCH FOR ALL...  
ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are three reasons why every person should stand beside the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Then to go to church regularly and read your Bible daily.

The entire message of America's astronauts has not yet been deciphered. Parts of it still lie locked within instruments, and most of it still is hidden in the infinity of space. But we are learning, and we might say that the astronauts are our teachers.

Many, many years ago there was another great Teacher, and His message is still being revealed through faith to the mind of mankind. His message is the path of the Cross...

But where do we find our instructions, our briefing? What instruments can we use to discover this message for ourselves? You will find it in your church this Sunday.

We all know now about Cape Canaveral, about tracking stations. We are discovering more about outer space.

We know too about the Church. Let us use it then as our guide, our booster, our thrust to Heaven.

A LOOK AT  
EDUCATION

By Eugene Robinson

Other Requirements for Participation  
in the Foundation Program

In addition to the requirements already listed for the local school district to participate in the Minimum Foundation Program there are other standards to be fulfilled. These other standards can be closed under three headings: (1) School Term, (2) Salary Schedules, and (3) Capital Outlay.

## SCHOOL TERM—

In order to participate fully in the Foundation Program, a local school district must have a school term of at least 185 days. Included in this total are at least 175 days when schools are in session plus 4 holidays and 6 days for planned professional meetings, in-service education, and professional growth.

The length of the school year, the curriculum to be followed, and other matters of related nature are subject to rules and regulations of the State Board of Education, which have the same authority as legislative acts. If, for any reason, the school term is less than 185 days, the state contribution to the Minimum Foundation Program in that school district is reduced proportionately.

## SALARY SCHEDULES—

The local school district has the authority to determine the schedule of salaries for the teachers employed there, subject to certain limitations. The Foundation Program law specifically requires that there be a single salary schedule upon which the compensation of all teachers is based. This schedule is set up to give recognition for training, experience, and other factors the local board of education may deem important to the local school program.

The essential requirement is that all salaries must be calculated on the basis of the school year. In other words, all teachers with the same background of training and experience, and with the same professional responsibilities in the system, must be paid the same salary.

In addition, the law specifically requires that the salaries schedule be in each salary category (rank) in the Foundation Program must average at least as much as the allocation for that rank in the calculation of the total cost of the minimum program. Furthermore, the lowest salary in any rank must be at least 90 per cent of the allocation for that category.

For example, in any school district, the average salary paid all the teachers classified in Rank III (Bachelor's Degree, or its equivalent) must be at least \$4,000 per year, and no teacher in this category can be paid less than \$3,600.

## CAPITAL OUTLAY—

In any system of financial accounting there are two categories of expenditures: (1) those expenditures for goods and services which are used up immediately, and (2) those for goods and services which are used up over a relatively long period of time.

The first of these categories is called "current operating expenses." Salaries, for example, come under this heading, and represent payment for services already rendered. Other expenses, such as salaries for electricity, and art materials, either have been used up already or will be during the current year.

School buildings and the furniture and equipment which go into them, represent items which will be used by the children and teachers for the next ten, twenty, thirty or forty years. These items of expenditures are known as "capital outlay."

The capital outlay allotment, used in figuring the cost of the Minimum Foundation Program, is earmarked for such expenditures. This is the only purpose for which such an allotment must be kept in a separate fund, and can be used only to pay for construction costs or for the retirement of loans which were used to pay construction costs. Traditionally, capital outlay has been considered the responsibility of the people in the local school district. However, in more recent years, expanded educational programs and increased construction costs have made it difficult, if not impossible, for some local school districts to bear the entire burden. Hence, the state has had to come to their aid in the Foundation Program in order to insure an adequately housed school population.

## Tupperware Party Planned

On Thursday, February 27, a tupperware party will be held at the Florence Firehouse at 7:30 p. m. The party is being given for the trainable class of the Boone County Association for Retarded Children.

Games will be played and a door prize will be given.

Now is the time to order Easter candy. Contact Mrs. Thelma Vest, 2182-1826, who is in charge of the Easter candy sale for the children.

1964 Heart Sunday  
Tops Last Year

Heart Sunday in the Walton and Verona communities was very successful, according to the chairman in these communities. The weather was very favorable and residents were most liberal—in many incidents were waiting to be called upon for a donation.

In Walton, the total will be over the \$300,000 mark, and in Verona, \$64,200 was collected. This, of course, doesn't include envelopes that may be returned by residents not at home. Mrs. William Moore, Heart Sunday Chairman in Walton, and her captains, Mrs. John Taylor and Mrs. Gene Roland, want to take this opportunity to thank the Walton Club members and the following ladies who volunteered their services in Walton: Mrs. A. H. Gaines, Mrs. Bob Morgan, Mrs. Ed Egan, Miss Tessie Rones and Miss Alyce Egan for making the Heart Sunday collections so big—thanks to Mrs. Cho. Holder for soliciting the business houses.

Mrs. Walt Ryan, Chairman of Verona, expresses her appreciation for the volunteer support in Verona. The success on Heart Sunday proves there are many with a heart for those less fortunate. Thanks to all of you.

## New Architectural Firm

## Boone County DAR Meets at Florence

Mrs. Ashlin Logan, Mrs. Walter Ferguson, Mrs. John L. Feagans, Mrs. Ralph Barlow and Mrs. Cecil Carr were hostesses at a recent meeting of the Boone County Chapter, Daughters of the American Revolution, held at Southern Trellis Restaurant, Florence.

The Regent, Mrs. Logan, presided and led the DAR Ritual. Roll call was answered with the name of their Revolutionary War ancestor. For this Mrs. William Long, program chairman, introduced Messrs. Kathy, Karen and Kay Arnold, who are known as "The Three Ks" on WLWT where they appear on "The Hayride" every Saturday evening. These girls are the granddaughters of Mrs. Clyde Arnold, a member of the local DAR chapter. They sang Kentucky Bob, River of the Roses, Blowing in the Wind, Peace, and as an encore, My Buddy. In addition to the delightful music by these girls, it is one of the National projects of the DAR to encourage young people in the American music field.

Mrs. Clyde Arnold, chairman of mountain schools, reported that the chapter had sent money to Hindman School, as well as clothing; and through the local chapter, other organizations had become interested and sent boxes of clothing to this mountain school.

Mrs. William Conrad, chairman of American Indians, requested members to bring jewelry, which she will send to Indian schools in the West.

COMING EVENTS AT  
WALTON-VERONA HIGH

March 13th is the date set for the sophomore class party.

The juniors are going to have a busy day, March 28th. They are planning a bake sale at Cliff Ryan's and a car wash at the Christian Church.

March 31st, is the date set for the Choral Chorus. This year it is to be held at Boone County High School at Florence.

Week of Prayer at  
Walton Baptist Church

A week of prayer for Home Missions will be observed at the First Baptist Church, Walton, beginning March 1 and continuing through March 6, every afternoon at 1:30, except on Wednesday, and that day the services will be held at 8:00 p. m. All women of the church are urged to attend these prayer services.

## Clerk's Office Open Sat'day

County Court Clerk C. D. Benson, has informed us that his office in the Burlington Courthouse will be open Saturday, February 29, from 9:00 a. m. to 4:00 p. m. for the convenience of the public in securing their 1964 auto tags. This is the last day to purchase your new tags, Mr. Benson said.

## PINER PTA MEETS

Founders' Day was observed at a meeting of the Piner PTA on Thursday, February 20. Mrs. John Childress, president, conducted a short business session, followed by room count and the usual announcements. Past presidents of the Piner PTA were honored, with Mrs. Sora McGinty in charge.

A short play, "The Doctor's Shop, or, If You Don't Need It, Chop It Out," was presented by some of the officers and members. It was most interesting. Refreshments were served after the meeting.

## REGISTER BY MARCH 28

The Boone County Democratic Club would like to point out that deciding to register and vote will place you in a position where you may exercise the most vital of all citizen's rights—the right to vote!

In the 1960 Presidential election over 37 million adult Americans did not vote and over 22½ million failed even to register. It should be a source of personal satisfaction to know that you are reaching this tragic number of ineffective citizens when you make that extra effort and register. We are ready to help you with your problems on registration.

Contact these people, listed below: Walton, Dan Roberts; Union, Bruce Ferguson; Florence, Nellie McGinty; or Al McLean, Burlington; Wilton, Stephen; Hebron, Burnard Roberts; Petersburg, Virginia Grant.

## which the DAR assists.

Mrs. Walter Ferguson, chairman of National Defense, spoke on "The Russian Wheat Deal," taken from an article in the Wheeling, W. Va. newspaper.

Mrs. Ferguson, who is also chapter Historian, announced she had sent notices to thirteen school principals in Boone County asking that students in the fifth, sixth, seventh and eighth grades enter the essay contest, the subject being, "The American Patriot." From those essays submitted, the winner will be sent on to the state contest for competition.

Mrs. Logan reminded members that several years ago one of their guest speakers had been a man from the organization, "Citizens for Decent Literature," and noted that recently Otto Drug Store in Louisville, had taken all magazines from its store in order to eliminate indecent and vulgar magazines.

A dessert of strawberry short cake was served and members enjoyed a social hour. Members present were: Mesdames Carl Anderson, Clyde Arnold, Fred Bennett, William Conrad, Samuel Denham, Jr., John Feagans, Walter Ferguson, Charles Goodridge, Wallace K. Grubbs, Ashlin Logan, William Long, Anna May Meyer, Roy C. Nestor, Frank Soyke, Bernard Scott, William Voyles, Clarence Wolfe, and Miss Margaret Goodridge. Guests were Mrs. Greg Tury and Billie Long.

## Dance at Kenton Firehouse

The Ladies Auxiliary of the Kenton Community Volunteer Fire Department will give a dance at the Firehouse in Kenton, Saturday night, February 29th at 8:00. Proceeds will be used for the benefit of the department, according to Chief Cecil Ishmael.

## Three Get Scholarships

Three Northern Kentucky students at the University of Kentucky, Lexington, have received \$100 scholarships by the Lexington Rotary Club. The three are: James M. Huey, Robert E. Rich and Wilson Sebastian, Jr., received their awards at a Rotary Scholarship Luncheon held at Lexington's Holiday Inn. All three were graduated from Simon Kenton High School, and are now sophomores at the University of Kentucky.

Huey is a pre-medicine major, Sebastian a chemistry major, and Rich an English major.

Piner-Fiskburg  
Ladies Auxiliary

The regular meeting of the Piner-Fiskburg Ladies Auxiliary was held on Tuesday evening, February 18, at 8:00 p. m. in the Firehouse at Piner.

The meeting was called to order by the president, Mrs. Ruth Worthington. Prayer was given by Mrs. Esther Glenn, after which all saluted the flag.

Minutes of the last meeting were read by the secretary, Mrs. Glenn; then the president called for the report of the treasurer, Mrs. Goldie Glenn.

The Sunshine report by Mrs. Lettie Woods was very good; she reported sending out several cards.

The president then told the group that the Auxiliary had been asked by the Fire Department to serve lunch at an auction, which will be held soon. Watch this paper for details later.

Those present were: Mesdames Ruth Worthington, Christine Turnage, Janet Cooper, Glenna Elmore, Esther Glenn, Lettie Woods, Wilma Mullins, Goldie Glenn, Lila LaFollette, and Gertrude Marshall. The Auxiliary would like to have more ladies of the Piner-Fiskburg area join this organization and attend the meetings which are held the third Tuesday evening of each month at 8:00.

## Attend Conference

Personnel and directors from the Northern Kentucky Production/Credit Association attended the Annual Kentucky Agricultural Conference at the Phoenix Hotel, Lexington, February 10-11.

Attending the conference were: Directors Roscoe Jump, president of the Northern Kentucky PCA, and Leslie Herbst of Pendleton County. Personnel attending were: Manager Paul N. Ireland, Field Representative Wilfred Scott of Carroll and Gallatin Counties, Vernon Wells of Pendleton and Campbell Counties, Robert D. Vance of Boone and Grant Counties, Kline D. Ship of Grant and Kenton Counties, and Robert J. Robb, formerly of Grant County.

## Swim Party March 7th

According to the present schedule youngsters from local churches are to use the swimming pool at the Covington "Y" on Saturday, March 7. If you are 11 or older and wish to go please call Estel Hitts, 485-4474, by March 3 in order that the pool will be available.

## Joint OES Inspection

Crittenden Star Chapter, OES, and Bradford Star Chapter, OES, will be jointly inspected by Mary Dye, worthy Grand Matron, and William Cates, worthy Grand Patron, on March 4, at 8:00 p. m. in Independence. All members and visiting members are welcome to attend.

## Stay-In-School Project Sponsored by FHA

The Simon Kenton F. H. A. Chapter recently conducted a survey on the freshman's outlook on continuing in school. One hundred sixty-two of the freshmen voted as follows:

What do you plan to do after graduation? 52 planned to go to college, 108 planned to get a job, 31 planned to marry, 2 planned to enter the army, and 2 didn't know.

How do you consider dropping out of school? Twenty replied "yes," 142 replied "no."

Do you know anyone who has dropped out of school? 133 replied "yes" and 17 replied "no."

The survey was also held at the FHA Chapter meeting in January, along with a program on the FHA National project, "Stay In School." The program began with the question: Did you know that more than one-third of the nation's young people drop out of school before completing senior high school? This year one million students will drop out of school.

The reasons for so many dropping out of school are: One may not survive to receive a high school diploma; each year about 175,000 girls leave school to marry; those people possess no skills; dropouts are at least two years retarded in reading ability—they fail three times as many courses as "stay-ins," and nine out of every ten dropouts have been retarded in some grade at least one year; teachers avoid giving these people attention they need; lack of social life and extra-curricular activities in the school; poor treatment by teachers and pupils; lack of the right clothes and rejection by an established clique.

## WA-NA CLUB TO MEET

The Wa-Na Club will hold its regular March meeting, Monday, March 2 in the home of Mrs. J. Clifton Mayhugh at Nicholson. Assisting Mrs. Mayhugh as hostess will be Mrs. Dwight Maddox and Mrs. Alva Falls.

The program will be on Arts and Crafts with Mrs. Wesley Hall as guest speaker for the evening.

At this meeting, election of officers for the new year will be held, so it is important that club members be present.

## KENTON ELEMENTARY 4-H's

The Kenton Elementary School 5th grade 4-H's met February 11, and slides were shown of 4-H Camp. The club will start its candy-selling project on April 3. Next meeting on Tuesday, March 10.

Tourney Ends In  
Church League

The finals of the Boone County Rural Church Basketball League were played at Burlington, Saturday night, in both the Junior and Senior Divisions.

For the Junior title, the Burlington Baptists defeated Walton Christian, and the Hebron Lutherans were victorious over Bullittsville Baptist in the Senior Division championship.

Following the games trophies were presented to the following teams: Junior championship, Burlington Baptist; runner-up, Walton Christian. Senior championship, Hebron Lutheran; runner-up, Bullittsville Baptist. Season champions, Junior league, Burlington Baptist; second place for season, Walton Christian. Season champion, Bullittsville Baptist, and second place for season, Hebron Lutheran. For sportsmanship, the trophy for the juniors went to Petersburg Baptist; and for the seniors team, Hopeful Lutheran.

## Congratulate Governor

The Boone County Democratic Club feels that Governor Ned Breathitt should be congratulated in regard to the committee on the Constitutional changes. These changes are long overdue and will give Gov. Breathitt and the committee success in this undertaking.

Everyone must remember that in drafting the new Constitutional changes the committee must not only think of the present but the future of the Commonwealth as well.

Have you ever considered how much forethought our Founding Fathers had when they drafted our original Constitution for the country.—Pub. Chm.

## Social, February 29th

The Ladies Auxiliary of the Walton Fire Department will hold their monthly social February 29, starting at 8:00 p. m. Proceeds will go toward new helmets for the firemen.

Everyone must remember that in drafting the new Constitutional changes the committee must not only think of the present but the future of the Commonwealth as well.

Have you ever considered how much forethought our Founding Fathers had when they drafted our original Constitution for the country.—Pub. Chm.

No image adequately characterizes the dropout. If anything distinguishes him, it is only that his needs are more urgent and special. The majority of dropouts come from families of the lower social economic categories—families where the father is often missing, where cultural background and horizons are limited, where education is viewed with an indifference or distrust, if not open resentment.

Many dropouts are children of dropout parents.

Studies tell us that there is a relationship between out-of-school unemployed youth and juvenile delinquency, while other studies show that lack of sufficient education causes dropout youngsters to have great difficulty in finding and holding a job.

FHA members can help students by: Improving school spirit; showing interest in others; choosing a committee to investigate the dropout rate in our school; ask an older person who did not finish high school to speak at a meeting; talk with dropouts on their opinion of having left school; talk with students planning to drop out of school; turn over a new leaf—try to get the most out of high school.—Jo Ann Rust

Tuberculin Tests  
Are to Be Given

Plans have been completed for the tuberculin testing of all Boone County school children. With the help of local PTA groups, Mrs. Ruby Caldwell, Boone County school nurse, a team from the Kentucky TB Hospital at Paris, and the staff of the Boone County Health Department will give the free tuberculin tests on March 4, 6, 9, 11, 13 and 16.

A type of pressure gun will be used to administer the tests—no needles will be used. The place on the skin where the test has been made, usually the forearm, will be examined by the doctor from two to four days later.

If the test is positive, this does not mean that the reactor has tuberculosis, but only that some TB germs have entered the body at one time or other. However, a chest x-ray may be recommended by the doctor or the nurses who will follow up each positive reactor.

Request slips will be sent to parents for their signature and the slips should be returned to the teachers promptly.

The program is part of a statewide drive to locate unknown cases of tuberculosis and thus help reduce Kentucky's serious tuberculosis problem. In 1963, new active cases of tuberculosis reported in Kentucky totaled 1,543. There were 287 deaths from the disease.

The Boone County schools are doing special educational work with their students using pamphlets provided by the Kentucky Department of Health and the State and National Tuberculosis Association.

## Dyall at Burlington

F. E. Dyall, Contact Representative of the Kentucky Disabled Service Men's Board, will be at the Courthouse in Burlington, Wednesday, March 4, from 9:00 until 11:00 a. m. He will assist veterans and their dependents with claims for benefits due them as a result of their military service.

Walton-Verona P. T. A.  
Celebrates Founders Day

At the regular February meeting of the Walton-Verona P.T.A., held Monday night at the Walton school, a very nice group of parents and teachers enjoyed the Founders Day program, commemorating 67 years of PTA organization in America.

A group of the grade children, along with some parents and teachers presented the program in the form of a play. Mrs. John Taylor, program chairman, was director.

Mrs. Robert Eisenhardt, president, presided during the business session.

On Friday, March 6, there will be a TB skin test (no needle used) given through the Boone County Health Department. The PTA will assist the doctor in giving the tests. It is important that each child in school have a signed permission from parents to be given the test. If your child has failed to give you the slip of paper that was given out to be taken home, be sure you get an additional slip and turn it in to the teacher. This is the surest test to diagnose this disease, so don't miss this opportunity. It will be given this one time in the Walton-Verona School.

ing with the soil and sufficient time to enable the lime particles to react with the acid soil material. Recent experimental work has indicated that liming tobacco in the spring is effective, if the limestone is applied early and thoroughly mixed with the soil. No more than 2 tons per acre should be used in the spring and this only under the above conditions.

The best insurance against manganese toxicity is to lime for enough ahead of the crop to correct the soil acidity before the tobacco is planted.

## COUNTY AGENT'S 1/2 ACRE

By Joe Closson

Mid-March is the best time to fertilize home lawns. Either a 10-10-10 analysis fertilizer or a 10-6-4 analysis should be used. Distribute 15 to 20 pounds of either of these evenly over each 1,000 square feet of lawn area. Another fertilization in the same amounts will be needed later this year. This should be applied about September 1.

A midsummer application of nitrogen may be needed. For this fertilization, 3 lbs. of ammonium nitrate material for each 1,000 sq. ft. of lawn area is recommended. This should be applied when the grass is dry. It will cause burning if grass is wet at application time.

The proper level of fertilization (as recommended above) is important. Underfertilization permits a thin, open turf easily invaded by weeds. Overfertilization makes lawns become soft, succulent and rapidly susceptible to disease and insect attacks. Grass should be kept in a healthy, vigorous growing state throughout the season. Some lawns need liming. A soil test will determine this.

Mr. Closson

Improper lime applications to tobacco fields can be costly. Too little limestone may not correct soil acidity; too much may increase trouble from disease problems or lower yields and quality by interfering with uptake of other nutrients. Use soil tests to determine limestone needs. This is the only way intelligent use of limestone can be made.

There is no need for liming soil immediately ahead of a tobacco crop unless the soil pH (acidity level) is 5.3 on the acidity scale, or lower. If the soil pH is below 5.00, the land should not be used for growing tobacco until proper remedial action has been taken.

If it is necessary to grow tobacco in a soil that needs limestone, it is best to plow or disk it well into the surface in the fall preceding the tobacco crop. This insures good mix-

### ALBERT S. SHARP

Albert S. Sharp, 73, died at 5:00 p. m., last Wednesday at his home, 7198 Taylor Mill Pike, Independence. He retired eight years ago as a stationary engineer for the Cincinnati Chemical Company.

Survivors include his widow, Jennie, two daughters, Mrs. Lula West of Cincinnati, and Mrs. Genevieve Carroll of Independence; a son, Paul Sharp of Nicholson, and a sister, Mrs. Rose Eitel of Cincinnati. Services were held at 1:00 p. m., last Saturday at the Hickory Grove Baptist Church, Nicholson. Burial was in Independence Cemetery.

### GROVER C. YOUNG

Grover C. Young, 70, of 5 Park Ave., Walton, a retired employee of the Stewart Iron Works, Covington, died Saturday, Feb. 22 at Booth Hospital, Covington. A native of Kenton County, Mr. Young was a member of the Walton Methodist Church.

He is survived by his widow, Mrs. Little Peabody Young; a daughter, Mrs. Mildred Clark of Walton; a son, Virgil A. Young, owner and operator of Young's Boat Dock at Williams-town Lake; a sister, Mrs. Clara Cox of Covington; a brother, Charles F.

Young of Covington; two grandchildren, and four great-grandchildren. Services were held at 2:00 p. m., Tuesday at the Chambers and Grubbs Funeral Home, Walton. Burial was in Floral Hills Cemetery, off Taylor Mill Road, Kenton County.

### HARVEY T. CARLISLE

Services for Harvey T. Carlisle, 77, a retired machinist, who died Saturday at his home on Rich Road, Piner, were held at 10:30 a. m., Tuesday at Wilmington Baptist Church, Fiskburg.

He is survived by his widow, Mrs. Mattie Florence Carlisle; three sons, Malcolm and John Carlisle of Independence, and W. E. Carlisle of Memphis, Tenn.; two daughters, Mrs. Faye Larson of Demosville, and Mrs. Wanda Manning of Independence, and four sisters, Mrs. Annie Collins of Morning View, Mrs. Lula Fisk and Mrs. Jennie Beagle of Demosville, and Mrs. Cleo Sander of Ft. Thomas.

Chambers & Grubbs Funeral Home of Independence, had charge of arrangements.

### NEUMAN ARMSTRONG

Neuman Armstrong, 83, a former Kenton County detective and a retired farmer, died at 4:00 a. m., last Friday at the Dry Ridge Convalescent Home, after having been at the home two months.

Mr. Armstrong, whose home was at 5757 Madison Pike, Independence, was a former employee of Citizens Telephone Co., Covington. He was a member of Immanuel Methodist Church, Lakeside Park, and a 50-

year member of Bradford Lodge, F. and A. M., Independence.

Survivors include a son, Bradford S. Armstrong of Independence; five sisters, Mrs. Ora Stone and Miss Marie Armstrong of Covington, Mrs. Flora Summey and Mrs. Dora House of Independence, and Mrs. Fannie Losey of Morning View; three brothers, Roderic Armstrong of Reno, Nev., Bryon and Goebel Armstrong of Independence, and a step-brother, Harry Armstrong of Independence.

Services were held at 2:00 p. m., Monday at the Swindler Funeral Home, Independence. Burial was in Independence Cemetery.

## Walton Locals...

Paula, Steve and Timmy Acra, children of Mr. and Mrs. Russell Acra of Lebanon, Ohio, spent the weekend in Walton, visiting their grandparents, Mr. and Mrs. Richard Howard of Church Street and Mr. and Mrs. Shelby Acra of Locust St.

Danny Webster, son of Mr. and Mrs. James H. Webster of near Crittenden, underwent surgery February 18 at Booth Hospital. He is expected home this week.

Mr. and Mrs. Richard Howard wish to report that their son, M. R. Howard, of Fremont, Calif., is much improved following a severe heart attack suffered recently.

Russell Acra of Lebanon, Ohio, formerly of Walton, fell while at work and injured his back. He has been off from work for several weeks.

## WHITES TOWER

Mr. Ralph Howard, Reporter

Now is the time to check your seed catalog for what you plan to raise in your garden this summer, and get your tools sharpened, for we will soon be about that certain corner and maybe sooner than you think—we will be in spring.

We were very sorry to hear of the serious illness of Richard Howard, Jr., a nephew in Phoenix, Ariz., and hope he will soon be better.

Our sympathy is extended to the Sharp family of Taylor Mill in the loss of their dad, the past week.

Mr. and Mrs. James Burke and daughter and two little charges spent Sunday in Latonia, at the home of Mr. and Mrs. Elmer Eghensburger, and Raymond Burke of Covington.

Glad to see Mrs. Jenny Elmore of Staffordsburg, is able to be out and around again.

Mr. and Mrs. Wm. Binder and Bruce spent Thursday afternoon and evening at the home of Mr. and Mrs. Ralph Howard. Mrs. Howard was the lucky winner of 500 Top Value stamps at the Kroger store this week.

We were sorry to hear of the death of Neuman Armstrong of Independence this week, and extend our sympathy to his relatives.

Mrs. Mabel Vanlandingham of Sheep Creek Road, spent Thursday with Mrs. Bess Hill of Ft. Thomas.

Little Kathy Colcord of Herringfiling Road, is pretty sick with measles, while her little brother has an infection in his hand, so with two sick children, mother is a pretty busy lady right now, and we hope they will both be fine next week.

We hear that Jerry Colcord has purchased a tractor and equipment and plans tobacco raising in a big way this year.

## Staffordsburg

Mrs. J. A. Keeney—359-4441

Neuman Armstrong of Nicholson, passed away on Friday morning at the Dry Ridge Rest Home, following a long illness. A sister, Mrs. Frances Losey, and half-brother, Harry Armstrong, live in this neighborhood. Other survivors are one son, Bradford Armstrong; his sisters, Mrs.

Flora Summey, Mrs. Dora House, Mrs. Ora Stone and Miss Marie Armstrong, and two brothers, Roderic Armstrong of Arizona, and Bryon and Goebel Armstrong, and a grandson, William Armstrong. Mrs. House is quite ill in St. Elizabeth Hospital at this time. We sympathize with them in their loss.

Nelson Hoffman, who has been ill, returned to work this week.

Rev. Hunt is lucky to have such an able assistant as is Mrs. Hunt, who was our speaker at the evening

service on Sunday. We regret that she had so few to speak to. Those who stay home because it is too much trouble to get out on Sunday evening really miss an opportunity.

More than half of the living Nobel Prize winners who went to college in the U. S. earned degrees from Land-Grant colleges.

Mrs. Nelson Ward and sister, Mrs. Alma Harmon have returned home after vacationing two weeks in New York.

Seymore DeVine, formerly of this place but now of Williamstown, who has been in the TB hospital at Louisville for several months, is much improved and able to return home in the near future.

Sorry to hear Jim Lamm is suffering from an infected foot. Mrs. Lonna Hutsell, Mrs. Albert Winn and Mr. and Mrs. Pierce Blingham spent several days last week

with their children, Mr. and Mrs. Barry Bingham of Auburn, Ala.

## OAK RIDGE

Shirley Talient, Reporter

Mrs. Boots Tillitt underwent an emergency appendectomy last Monday at St. Elizabeth Hospital. She has now returned home and we hope she is soon feeling her old self again.

We were very sorry to hear of the sudden death of Mrs. Elmer Herron of Erlanger, who died of a heart attack last Saturday. She lived on Mason Road for many years, and was well known in this community.

The Kentucky YWA Convention, held at Latonia Baptist Church last weekend was very successful due to the hard work of the ladies of Latonia, who prepared so well for it, and the program committee, who had such an excellent and inspirational program. There were more than 500 girls from all over the state who attended the sessions.

Mrs. Eugene Tomlin and Mrs. Madal Fortner visited at the home of train last week to visit Mrs. Dorothy Peay and family.

Mrs. O. J. Dorman has returned home after a very enjoyable week's visit with her brother-in-law and family, Mr. and Mrs. Jim Dorman, in Louisville, Fla.

Mrs. Frank McClellan is recuperating at home after undergoing surgery at St. Elizabeth Hospital last week.

Mrs. Mary Ellen Wells and children of Norfolk, Va., are spending some time with her parents, Mr. and Mrs. John Bruce, while her husband, Lt. Wells, is on sea duty.

Mr. and Mrs. Christian, Mrs. Joe Christian, Mrs. J. B. Christian and Mrs. Jim Ganey of Lexington, visited Mr. and Mrs. L. E. Thompson, on Sunday.

The Ladies Auxiliary of the Taylor Mill and Community Volunteer Fire Department will sponsor a hand pointed pillow case and sheet social on Thursday, February 27 at 8:00 p. m. in the fire house. Mrs. Helen Wayman, chairman, will be assisted by Mrs. Eileen Baxter, Mrs. Thelma Reed, Donald Courtney, Mike Helmer and Mike Collins. Leaders present were Mrs. Raymond LaFollette, Mr. and Mrs. Cecil Cummins, as well as Robert Maddox, assistant county agent.

## Piner Teen-Bees

A recent meeting of the Piner Teen-Bee 4-H Club was called to order by the president, Debbie Bailey, president.

Those present were: Mary Cummins, Jo Ann Menefee, Kay Cummins, Sandy LaFollette, Debbie Bailey, Tammy Cummins, Jerry Reed, Gayle Reed, Donald Courtney, Mike Helmer and Mike Collins. Leaders present were Mrs. Raymond LaFollette, Mr. and Mrs. Cecil Cummins, as well as Robert Maddox, assistant county agent.

Following reports, Mary Cummins, chairman of the by-laws committee, read the revised by-laws, which were adopted unanimously by the club.

The Talent Show was discussed next, and Mary Cummins read the play she had written. It was decided to present the play for the show. Mr. Maddox then talked about the 4-H candy sale, and everyone seemed interested. He then gave out tobacco checks and ribbons.

For large crops, Donald Courtney received a red on record book and a red on crop with a \$5.50 check for placing 12th.

Tommy Cummins received a blue for record book and a red for crop and a check for \$10.50 for placing 7th in small crops.

Eddie Cummins (a member of the Piner Teen-Bees 4-H Club) received a red for crop and a blue for record book with a check for \$11.50 for placing 6th in small crops.

Kay Cummins received a red for record book and a red for crop with a check for \$10.50 for placing 5th in small crops.

Following adjournment, refreshments were served, after which Mary Cummins, Sandy LaFollette and Kay Cummins practiced their speciality act. The Teen-Bees thank Mr. and Mrs. Raymond LaFollette for being hosts.

## ORDINANCE NO. 1964-33

An Ordinance granting and offering for sale a 20-year Franchise to place Electric Transmission and Distribution Facilities in the Public Streets and alleys of the City of Walton, Boone County, Kentucky.

THE COUNCIL OF THE CITY OF WALTON, BOONE COUNTY, KENTUCKY, DOES ORDAIN AS FOLLOWS:

Section 1. The City of Walton, Boone County, Kentucky, hereby grants and offers for sale to the successful bidder a franchise, consent, right and privilege, for a period of 20 years starting from the date of acceptance of the bid of the successful bidder, to construct, reconstruct, erect, extend, operate, use, maintain, repair, replace and remove (hereinafter collectively referred to as the "facilities") poles, wires, apparatus, fixtures and equipment for the transmission and distribution of electricity (hereinafter collectively referred to as "facilities") within, on, along, over, under and across the public streets, alleys, ways, places and grounds of the City (hereinafter referred to collectively as "public property"). The transmission of electricity referred to above shall include the transmission of electricity into, through and out of the City, as well as transmission terminating within the City. The successful bidder may, in its discretion, "install" any and all "facilities" overhead. Poles shall be placed as near the curb line as practicable and between the curb line and the sidewalk, wherever possible. In any "installation" of "facilities," and in the exercise of its rights hereunder, the successful bidder shall conform to all lawful ordinances, rules and regulations not inconsistent with this franchise and shall not encumber "public property" by temporary obstructions or excavations any longer than shall be necessary in the accomplishment of such purpose. In making any "installations," the successful bidder shall not, without consent given on behalf of the party involved, unnecessarily damage or interfere with any water or sewer facilities then lawfully located on "public property." If, during the franchise period, it becomes reasonably necessary to reconstruct, pave or repair any "public property" or construct, reconstruct or relocate sewer lines, water lines, or other utilities owned or leased by the City, located within the boundaries of any "public property," in such manner that any of the "facilities" of the successful bidder shall interfere with, the successful bidder shall, on written request of the Mayor of the City, within a reasonable time after receiving such notice, move or relocate the same within the "public property" so as not to interfere therewith; but the successful bidder shall not be required at any time to terminate any service provided by its "facilities." Where any such moving or relocation of the successful bidder's "facilities" is reasonably required by any such project of the City done in its governmental capacity, such moving or relocation shall be done by it at its own expense, but where the same is reasonably required by the City acting in a proprietary capacity such moving or relocation shall be at the expense of the City. The successful bidder shall have the right to cut, trim or remove any trees, overhanging branches or other obstructions on "public property" which in the opinion of the appropriate engineer of the successful bidder may endanger or interfere with the efficient "installation" of "facilities."

Section 2. The successful bidder shall render electric service from its "facilities" to the City and its inhabitants at such rates and under such conditions as may be applicable and effective from time to time throughout the franchise period, as set forth in its filings with the Public Service Commission of Kentucky or any legally constituted body succeeding it in jurisdiction, and in the rules, regulations and service requirements thereof. The electric service to be rendered shall be alternating current, 60 cycles, single or three phase service, supplied within the appropriate range for successful bidder's standard secondary voltage for each respective type of service.

Section 3. Each bid shall specify the rate tariffs which, until thereafter duly changed, shall be applicable to service rendered within the City.

Section 4. Any bidder not presently furnishing the service required under this franchise shall make a deposit as required under the provisions of K. R. S. 96.020.

Section 5. The successful bidder shall defend and indemnify the City against any suit or claim for any expense or liability whatsoever by reason of negligence attributable to the successful bidder, provided, however, that any expense or liability resulting from joint or concurring negligence attributable to the City and to the successful bidder shall be borne by the City and the successful bidder equally.

Section 6. In the event the successful bidder does not, as of the date of passage of this Ordinance, maintain "facilities" in the City, such successful bidder shall commence the construction of the necessary "facilities" within 120 days after the acceptance of its bid or after receipt of any necessary authorization from the appropriate governmental agencies, whichever is later, and supply electricity to the City and all of its inhabitants qualifying for the same within eighteen months after such date, or this franchise shall be void.

The bidder, as used in this Ordinance, means the City of Walton, Boone County, Kentucky, its successors and assigns, as it now exists or hereafter may be changed through annexation, reduction of its boundaries, merger, consolidation, or other similar proceedings.

Section 8. It is hereby directed to advertise, as provided by law, for bids for the franchise provided for in Section 1 through 10 of this Ordinance, such bids to be received by the Council of the City at its regular meeting to be held at 7:30 P. M. on the 12th day of March, 1964. Each bid shall be submitted and marked "Bid for Electric Franchise," and shall be opened by the Council at its said regular meeting. The Council shall have the right to reject any and all bids.

Section 9. This Ordinance and the bid accepted by the Council of the City shall, upon passage of the Ordinance accepting the bid, constitute the contract between the City and the person, firm or corporation to which the franchise is awarded.

Section 10. This Ordinance shall be effective at the earliest time allowed by law.

Passed this 13th day of February, 1964. KELLY KENNEDY, Mayor

ATTEST: DAISY HILL, Clerk

## Head of the House

Lesson for March 1, 1964

Background Scriptures: Luke 10:40-49; John 11:1 through 12:11; Devotional Reading: John 11:1-18.

A PICTURE-MOTTO often seen, though it is many years old by now, starts this way: "CHRIST IS THE HEAD OF THIS HOUSE." It usually shows a picture of Christ, but such pictures are the work of imagination. What is not imagination is the motto, — that is, when the household lives up to it. With the help of the Gospels, let us see what it can mean to say truly, Christ is the head of this house.

Dr. Foreman your house. In the Gospels Luke and John we are given glimpses of a home where Jesus was really the head of the household, even though that expression itself is never used. It was the home of Mary, Martha and Lazarus.

Seeing things his way That Jesus was the head of that household, that family group, does not mean that he interfered with their work or their arrangements. We all dislike meddlers, and Jesus was not a meddler. He would lean over backwards, so to speak, to keep from being one. When they had him to dinner, you remember, Martha got quite tired and cross working hard over the dinner. Jesus (had he been inclined to take over running the house) might have ordered Martha to put out the kitchen fire and let them eat sandwiches for once. He might have demanded that she sit beside Mary and listen while he talked. But he let them each do it her way, he did not put in his ear till the right minute. And when he did it was in the most tactful and affectionate way possible. He didn't say Martha was wrong. What he said was that she was "anxious and troubled"—busy, in short. He didn't say Mary was better than Martha, he said simply that she had chosen the "good portion," the "better part." He was inviting Martha to look at things his way. Ten days, ten years, half a lifetime after that dinner, Mary would remember what Jesus had been saying, but who would remember what they had to eat? A glowing thought often remembered is worth far more than the finest foods perfectly served. See it my way, Jesus said.

His way of doing This was not the only occasion Jesus worked with some member of the family to see things as he saw them. But consider another point. Jesus had his own way of doing things, and he was not being conceited when he urged others to do likewise. Take the incident John tells of this Mary's pouring out upon Jesus an expensive box of perfume. What a waste! Some of the men said. But Jesus did not think it a waste. He himself was often known to do the same thing—waste a great deal that was precious, out of sheer love. He told his disciples many things that they never remembered. He made many a plea for understanding and support that fell on deaf ears. In time of death and sorrow

It is particularly remarkable how Jesus dealt with the great trial and tragedy in that home. Don't most of us feel awkward, embarrassed and silent in the time when death and great grief come to those we love? Jesus certainly did not talk to Martha and Mary, after Lazarus died, as if death were not real. He did not try to distract their attention by trite remarks—we all have to die sometime, we must remember what a good man Lazarus was, and all that. What Jesus did was to say in effect: "Think of Me. I am the Life." He brought comfort by bringing—himself.

Now maybe we can see a little better what it means to say "Christ is the head of this house." A home where he is welcomed, in spirit, every day; a home where every one in it comes more and more to see things his way and to do things as he would do them; the home where "Love thyself last" is the daily rule; and above all, the home where in time of crisis and grief, and even in the hour of death, Christ comes foremost in the mind,—this is the home where he is truly the head.

Anything that scares or hurts a cow will raise the adrenalin level in her bloodstream, counteracting the effect of a substance which causes milk letdown. The result is a smaller amount of milk.

## BACKGROUND FOR MARRIAGE

Next year George will be a civil engineer from Tech. And Meredith is studying Home Economics at State.

If you were their parents, wouldn't you consider that a pretty good background for marriage? Boy with a promising profession! Girl with a sound grasp of the family budget!

But should we be so naive? What they study in college is *foreground*, not background. It equips our sons and daughters for the immediate opportunities and obligations the future presents.

The permanence of love is not rooted in engineering or economics. Designing bridges and planning menus are not keys to a lasting happy marriage.

Personal character determines the ability of a man and woman to meet the demands of sacrifice and unselfishness that marriage requires. The Church molds character as it builds faith. For character is one of the by-products of faith . . .

. . . The ability to love unselfishly is another!

THE CHURCH FOR ALL  
ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

**HOUSE FOR SALE, IN WALTON.**—Having purchased a farm 1, Kelly Kennedy, am offering for sale my 4-year-old house at 21 Park Ave. KITCHEN, 12x14, faces front (so people naturally use kitchen entrance), 14-ft. of black cabinets made by Roy Brothers, plaster walls have tile and birch paneling, pantry 4x4, and basement stairs near kitchen. LIVING ROOM 16x12 is shaded by large porch, Thermopane picture window and 2 others which open, knotty pine bookshelves across one end, cove ceiling. MASTER BEDROOM, 14x11, has its own completely tiled shower room with dressing space, 5-ft. closet, best grade hardwood floor. SECOND BEDROOM, 13½x11, has shelves built-in, cute for toys, closet 5½-ft., best grade hardwood floor. THIRD BEDROOM, 10x12, closet 6-ft. wide, 3-ft. deep, having 5 shelves behind clothing rod, inside linen closet. BATH ROOM, large size, colored fixtures, tile walls, center mirror and medicine cabinets on left and right of toilet. Complete view of hair-dry closet with clothes chest and 11 2-ft. shelves. WINDOWS throughout have draw-ropes, screens and storm sash, aluminum storm doors. HALL is used to any and all rooms no need to travel thru any room to reach another, guest closet in hall, folding steamer in ceiling gives access to large storage space in attic which is floored with plywood. BASEMENT, 28x42, plus room under porch fixed to store food, (large garden spot on back of lot), ground level exit to back yard, plenty of windows, one large casement window over tubs, closet built under stairway, extra large work bench with hardwood top. A second complete BATH ROOM. YARD, over one acre of land, patio and rock fireplace with plenty of wood already cut. House is completely insulated, sidewalks and ceiling, with 3-inch thick brick insulation. Plastered walls. All tile and linoleum work by Elmer Richards. Heating and plumbing by Fred Hamilton. Exterior is of ¾-inch redwood siding and all exterior wood was painted on underneath side to seal it. We invite you to carry this add along while you compare. \$15,500. Phone 485-4746, owner. 11-8c

Attest: Noel Linn, Chairman  
Atlas Linn, Secretary 11-9c

## Social Security Notes

Faulty notification of change of address by social security beneficiaries can cause considerable delay in receipt of monthly checks, James W. Myers, social security field representative in Boone County, pointed out this week.

The Social Security Administration processes between 17 and 19 million actions for beneficiaries each month, he pointed out. While not all these involve change of address, a sizeable portion do.

The change of address process is quite simple if the person getting social security benefits will use the cards given him when an initial claim is filed. These can be obtained from any of the more than 600 social security district offices in the country.

"The person wishing to change his address should give his or her name, the new address and the claim number," Mr. Myers said. The latter is always found on the award letter which is furnished every person when his claim for social security benefits is approved. "In each case the post office should also be notified," Mr. Myers added.

## Veterans Administration Questions and Answers

Q—A friend of mine, a World War II veteran, pays his GI insurance premiums once a year and saves money. Can I do the same with my Korean GI term policy?

A—Yes. Holders of all forms of GI insurance, whether World War I, World War II or Korean veterans, can pay premiums on a yearly, rather than a monthly or quarterly basis. Notify the VA office to which you send your insurance premiums of your intention.

Q—I have just paid off my GI loan in full. Will this automatically entitle me to another GI loan?

A—No. Repayment in full does not entitle you to another GI loan.

A LOOK AT  
EDUCATION

## Going Beyond the Minimum Program

Although no specific requirement is included in the Foundation Program to force any school district to go beyond the minimum, the opportunity to do so is specifically provided. By virtue of the fact that the local school district is required to contribute only a share of its taxing potential to the minimum program, there is the implicit opportunity to do more if the people who live in that school wish it.

As indicated earlier in this presentation, the required local contribution to the Foundation Program is based on a tax rate of \$1.10 per \$100.00 assessed value of property, when that property is assessed at the state average. This means that, with a legal limit of \$1.50 per \$100.00 assessed value, there is a 40-cent rate available in the average school district to provide a program above and beyond the minimum.

This 40-cent rate produces what is known as a "leeway fund." This is the money which is available, at the discretion of the local school authorities, to provide something more than the minimum program. As some people express it, this is how the "quality" can be put into the school program.

With the leeway fund, it is possible for the local board of education to provide such things as extra instructional materials, a kindergarten program, higher salaries to attract and hold highly qualified teachers, and smaller classes. These are some of the things most people think will add "quality" to a school program.

Of course, in school districts where the assessment rates are below the state average, all or part of this optional tax rate must be used to secure the required local contribution. In these school districts, the people have to be satisfied with the minimum program with only a little "quality" added to it, unless they are willing to vote a special tax.

Another factor which tends to reduce the effectiveness of the leeway fund is the increasing cost of goods and services. Anyone who has bought something in a store, or hired someone to do some work, knows that it costs more now to get the same thing than it did ten years ago. This means that, each year, less money has been available to put "quality" into the school program.

Since practically every school district in the state now is levying the maximum tax rate allowed by law for school purposes, and many have gone beyond this with a special tax rate authorized in a referendum, it is obvious that great use is being made of this potential for going beyond the minimum.

One other possibility for going even farther in providing a better school program is open to a local school district. By a vote of the people who live in that district, at a general or special election, a special election, a special tax for capital outlay and/or current operating expenses can be imposed which will make the local tax rate exceed the \$1.50 per \$100.00 assessed value figure. There is, however, a 50-cent limit on a special tax of this nature for capital outlay purposes.

At the present time, there are 110 school districts in the state with a special voted tax of which 108 districts have earmarked at least a portion of the receipts for capital outlay purposes.

**Current Proposals For Improving the Foundation Program**  
Now under consideration is the 1964 KEA Legislative Program, which includes two major proposals for improving the Foundation Program Law. One of these proposals would raise the level of the minimum program by increasing the salary allocation for qualified teachers with a college degree. The other major proposal would provide an expanded opportunity for local school districts to go beyond the minimum program and add more to the "quality" of the program offered the boys and girls who live there.

Specifically, the first of these proposals would increase the salary allocations for Rank 1, 2 and 3 by \$300.00 in 1964-65, and by an additional \$200.00 in 1965-66. It would have the effect of increasing the total cost of the Foundation Program, with no increase in the required local contribution. The entire cost of this increase would be borne by the state.

This proposed improvement in the minimum program has the endorsement of the entire teaching profession, school boards, parents, large sections of the business community, members of the State Legislature, and the current state administration. When enacted, it could mean that even more qualified people than in the past will be attracted to, and remain in the teaching profession in Kentucky.

The other major proposal, adopted by the KEA Delegate Assembly, calls

Carpenter Candidate  
For Magistrate Post

Charles M. Carpenter

Charles M. Carpenter, widely known Democrat, has announced his candidacy for Magistrate for the Second District of Boone County, subject to the Democratic primary, May 26, 1964.

Mr. Carpenter was appointed Magistrate in January by Governor Edward T. Breathitt to fill the vacancy created by the untimely death of Joseph A. Hogan, who held the post.

Mr. Carpenter, a retired steel worker, was employed for 28 years as a steel panner and pit foreman with the Newport-Acme Steel Co.

He has a small farm and raises a garden and doilies as a hobby. Mr. Carpenter, an old line Democrat, boasts that he has never scratched a ticket in his life.

In soliciting the support of the voters, Mr. Carpenter says, "If elected, I promise to carry out the duties of Magistrate to the best of my ability."

Magistrate and Mrs. Carpenter reside at 8535 U. S. 25, Florence.

## SCRAP DRIVE, SATURDAY

The Chi Rho Fellowship (Junior High Young People) of the Walton Christian Church are having a scrap drive, Saturday, March 7. These young people will come to your home and pick up your old newspapers, magazines or scrap metal.

If you would like to have them perform this service for you, call either 485-4465 or 485-4592, and give your name and address.

## New Emblem In Use

The Northern Kentucky Production Credit Association has adopted a new corporate identification emblem, effective March 1, according to an announcement by Paul N. Ireland, manager, which is a brilliant red oval.

The Northern Kentucky PCA was chartered February 3, 1934. Today, it has 1800 members and has \$4,000,000 in loans outstanding. Area farmers borrowed \$5.3 million from the association in 1963.

## Pleasant Grove W.C.S.S.

The Pleasant Grove Women's Society of Christian Service met at the church for the February meeting.

Mrs. Fred Wetzel opened with a scripture reading from Acts 10:9-16. Each answered roll call with a verse. The business session was conducted by the president, Mrs. Jackson.

Mrs. Alfred Rich was the report of the treasurer, and Mrs. Wetzel read the secretary's report. Mrs. Cortwright gave talk on "World Outlook," and Mrs. Harold Buxton gave the lesson on "What's Ahead for Southern Rhodesia?" Participating in the panel presentation were Mrs. Cortwright and Mrs. Wetzel.

Others present were Mrs. Crutcher Masters, Mrs. Frank Ringenback, Mrs. Ralph Lewellen, Mrs. J. K. True, Mrs. Adolph Weiland, Mrs. Charles Pruett, Mrs. Alma Deatherage, Mrs. T. S. Moffett, Mrs. Pearl Beck, Mrs. John Zuverink, and Mrs. Vincent Harp.

The society will meet in the church meeting room in March.

For an increase in the maximum local property tax rate, with built-in protection against reduced assessment rates. This is another proposal which has received broad endorsement from individuals and groups involved in school programs, both lay and professional.

Telephone Company  
Holds Safety Dinner

Consolidated Telephone Company held its annual Safety Awards Dinner at Southern Trails Restaurant, Florence, on Tuesday evening. Safe driving awards were presented to the following regular drivers:

Dan Baker, two years; Irvy Dribenburg three years; Bill Moore, Jr., four years; Bill Steger, four years; Vincent Kaub, seven years; Bob Placke, nine years; John Huff, ten years; and Bill Moore, Sr., ten years. In addition to engraved pins, John Huff and Bill Moore, Sr., received transistor radios for their 10-year safety record.

Company vehicles were driven over 155,000 miles in 1963 with only one chargeable accident. There were no lost time personal injury accidents during the year.

Ryder Truck Rental presented a safety film and discussed safety practices.

## Surprise Birthday Dinner

Mrs. Henry Parr was surprised with a family birthday dinner on Sunday, February 16 at the home of her daughter, Mrs. Hugh Mullins.

Those present for the noon meal were: Mr. and Mrs. Henry Parr, Mr. and Mrs. Bernice Parr and children, Danny and Missy, of Columbus, Ohio, Mr. and Mrs. Hugh Mullins and children, Diane and Debbie.

Afternoon and evening callers were Mr. and Mrs. Albert Martin, and Mr. and Mrs. Lloyd Bridges and Joey.

All left wishing Mrs. Parr many more happy birthdays.

Founders' Day at  
Taylor Mill PTA

A program of unusual significance was the candlelight ceremony which was the Founders' Day presentation of the Taylor Mill PTA meeting on Monday, February 17, in the school auditorium.

Mrs. Charles Kelly, program chairman, introduced the following past presidents, who were honored with a silver pin: Mrs. Clifford Williams; Mrs. Gilbert Halberstadt; Mrs. Sid Richardson; and Mrs. James Feagan. Each spoke briefly on her term of office. Unable to attend were Mrs. Ramond B. Hayes, Jr. and Mrs. Robert White. A lovely decorated cake graced the president's table and a yellow heart centerpiece bearing the inscription, "Their hearts are still with Taylor Mill."

A skit, "Our Objects, Then and Now," narrated by Mrs. Joseph Wren was in two parts. The candlelight ceremony was presented by eleven children from all grades, using the words, Founders' Day, by giving appropriate thoughts on each letter.

Participating in this were: Bruce Waters, Felicia Bowling, Laura Kern, Kevin Tollent, Barbara Wren, Herbert Kelly, Joy Martin, Duane Gatewood, Joan Wren, Belinda Haney, and Debbie Hanger.

Mrs. Luell Hall, president, read the PTA objectives. Mrs. Wren then spoke concerning these objectives, and the duties of various individuals to our children. In answer to her challenge, these persons, seated in the audience, responded to suggest ways of meeting these responsibilities.

Representing fathers, Edgar Baker, principal; representing mothers, Mrs. Nancy Massey; representing the church, Rev. Bert Barnes; representing the teacher, Mrs. Marjorie Rich; representing the community, Mrs. Ozella Perry. This impressive program was concluded with prayer by Rev. Bert Barnes.

Miss Nancy Dodson, new music teacher, was introduced by Mr. Baker. The Founders' Day cake was awarded to Mrs. Gerald Martin. The attendance award was won by Miss Fisk's second grade. Mrs. William E. Johnson, social chairman, was assisted by Mrs. Bernard Hanger and the third grade mothers in serving refreshments.

## Boone Republicans to Meet

The Boone County Republican Club will hold its monthly meeting Monday night, March 9, at 8:00 p. m. There will be a discussion on "Civil Rights Problems," with Rev. Edgar Mack, Secretary of the NAACP of Northern Kentucky, as guest speaker. The meeting will be held at the home of Dr. and Mrs. Howard Ravenscroft, River View Drive, Hebron, off State Route 20.

Wa-Na Club Meets  
In Mayhugh Home

The beautiful and spacious home of Mr. and Mrs. J. Clifton Mayhugh, of Nicholson, was the site of the regular March meeting of the Wa-Na Club, Monday night. Assisting Mrs. Mayhugh as hostess were Mrs. Alva Falls, Mrs. Cleo Vollandingham and Mrs. Dwight Maddox.

Seven guests and a twenty-eight members were present. The meeting was opened by the Pledge to the Flag and the Club Collect. Mrs. Leonard Cook, Jr., gave a very timely dedication. During the business session, conducted by the president, Mrs. Clayton Jones, the election of officers for next year was conducted. Mrs. Jones will serve as president for the second year of a two-year term. Her supporting officers will be: First vice president, Mrs. Walt Ryan; second vice president, Mrs. Lewis Webster; secretary, Mrs. David Peebles; club treasurer, Mrs. Nelson Popham; kindergarten treasurer, Mrs. William Moore, and historian, Mrs. Mike Ryan.

Committees were named for the Annual Spring and Summer Style Show, which will be presented on April 23, with the cooperation of Benton-Bor Department Store. Club members were asked to keep in mind a change in the April meeting, which will be held in the new RECC building on Walton-Nicholson Road, instead as listed in the year book.

The hostesses carried out the theme of St. Patrick's Day in both their decorations and the delicious refreshments of cake and ice cream, served to guests and members.

Guests were Mrs. Wallace Grubbs, Mrs. Hugh Frost, II, Mrs. Lloyd Gibson, Mrs. W. W. Roark, Mrs. Nell Campbell, Mrs. James Barker, Mrs. John C. Mayhugh.

Members were Mrs. John Maddox, Mrs. Orlando Christy, Mrs. Walt Ryan, Mrs. Heinz Wahrenburg, Mrs. Jack Rouse, Mrs. Art O'Brien, Mrs. Addie McMillan, Mrs. Gayle McElroy, Mrs. Asa M. Rouse, Mrs. Clayton Jones, Mrs. James Wiser, Mrs. George Black, Mrs. Nelson Popham, Mrs. Chester Sturgeon, Mrs. John Taylor, Mrs. Robert Eisenhardt, Mrs. Paul Beighlie, Mrs. Gene Roland, Mrs. William Moore, Mrs. Maryalice Conrad, Mrs. Lewis Webster, Mrs. Mike Ryan, Mrs. Leonard Cook, Jr., and Mrs. Harry Henson.

## Bradford FGAM to Meet

Bradford Lodge, 123, F&AM, will hold its stated meeting on Thursday evening, March 12 at 7:30 p. m., at Independence, with William Appel, Master, presiding. There will be the EA degree with James Bowling in charge.

## REGISTER AND VOTE

Burnian Roberts, president of the Boone County Democrats Club, urges everyone to make an extra effort to register this year. A feeling of satisfaction is derived from the effort put forth to register.

The Democratic party has always been a progressive party, dedicated to the improvement of living standards of the people, offering a better educational program for the youth and the adult.

Your vote is important, so register before March 28, 1964.

To name Committee  
All registered Republican voters of Boone County are advised that members of the Republican Executive Committee of the county will be elected by a County Mass Convention, Saturday, March 7, at 7:00 p. m., at the County Court House in Burlington. Members elected will serve for the next four years as the governing body of the Republican party in this county.

For further information, call Otis Reedman, county chairman, 485-4504.

## Bradford O. E. S. to Meet

The stated meeting of Bradford Star, 493, Order of Eastern Star, will be held Tuesday, March 10, at 7:45 p. m., at Independence, with Mrs. Ruth Jacobs, Worthy Matron, presiding.

New RECC Office To  
Serve Four-County Area

The Owens County Rural Electric Cooperative has announced that beginning with the March 12 billing all operations for Boone, Kenton, Campbell and Pendleton Counties will be handled from its new Branch Office, located near Nicholson, on Walton-Nicholson Road, in Kenton County.

Increased demands for electrical service in this area has made it necessary for the Cooperative to broaden its operations to include accounting and billing from its branch facility. The Cooperative has served rural Northern Kentucky for nearly a quarter century.

## Boone Democrats Need You

"Every Democrat is important to the party and we need your support," said Al Meinze. "As second vice president of the Boone County Democratic Club," Mr. Meinze continued, "it is my responsibility to build the membership of the club. I have a committee who is going to work with me to this end. The members of my committee are listed below, contact any one of them or me, for your membership card today. The cost is nominal, the rewards are great—join today!"

Members of the committee are: George W. Ryan, Walton; Gobel Stephenson, Florence; Wilton Stephenson, Burlington; Ruben Kirtley, Union; Elizabeth Nestor, Florence; Bernard Brinkman, Florence; Gil Clifton, Hebron, and Lonnie Masters, Walton.

There is no charge to the parents. There are absolutely no strings to this invitation. It is bonafide in every sense of the word. **Boone Democrats Need You**  
The Boone County Democratic Club, 1944-43.

The meeting was called to order by the president, Mrs. Howard Fredericks, and the salute to the flag was led by Barney and Jeff Barstow of Boy Scout Troop 8, Independence.

Rush Dillion gave the devotion, after which a short business session was held. Mrs. Fredericks presented Mrs. Gabriel with a life membership to the Kentucky PTA. Mrs. Wesley Hall, program chairman, then introduced the speaker of the evening, Robert W. Scott, Chairman of the Kenton County Board of Education.

Mr. Scott, along with a group of men from Kentucky, had the privilege of visiting Poland, Russia and a number of other countries the past summer in the interest of agriculture. His pictures and talk held much interest and were greatly enjoyed.

At the conclusion of the meeting a Silver Tea was given in honor of the founding of the National Congress of Parent-Teachers Association and the past presidents. A book is presented to the library each year by the PTA bearing the names of the past presidents. The Simon Kenton group is very proud of the many improvements they have aided in at the school.

**ATTEND YOUTH RALLY**  
On Saturday, February 29, several young people from the Walton Christian Church attended the District 8 Youth Outreach Rally, held jointly at the Butler Christian and the Flour Creek Christian Churches.

Those attending the Chi Rho meet at Butler were: Charlie Mike Holder, Carla Simpson, and Kathy Coyle, and those in attendance at the Christian Youth Fellowship at Flour Creek were: Bob Jones, Mike Simpson, Dale Chapman, Carol Groger, and Linda Campbell. Glenn Adams went with the Walton group, but she was a representative of the Independence Christian Church.

Robert Kellum and Rev. William Moore are sponsors of the youth groups and they had a part in the program during the day.

**Twenhofel P. T. A. to Meet**  
The Twenhofel PTA will meet at the school on Taylor Mill Road, Monday, March 10, at 7:30 p. m. The program will be presented by the Physical Education Department on "Physical Fitness of Our Youth."

Children's Pictures  
For The Advertiser

It is an undisputed fact that the responsibilities of tomorrow's world, our Nation, and Community will rest upon the shoulders of the children of today. Since this is true, the publishers of this newspaper would like to give you a good look at these future "World Builders."

The only way we can do this is by publishing pictures of them in a feature series. To assure the latest and best reproduction pictures, they must all be of uniform size and quality.

An expert children's photographer with all the necessary equipment for this specialized work, will be here Thursday, March 19. Pictures will be taken in the Fire Department Office in the Walton City Building (entrance on Church Street) and will be open from 10:00 a. m. to 5:00 p. m.

**No Charge to Parents**

There is no charge to the parents. There are absolutely no strings to this invitation. It is bonafide in every sense of the word. Parents do not have to be subscribers, nor even readers of this newspaper to take advantage of this feature. Neither are they obligated to purchase pictures after they are taken. Those who want some additional prints may obtain a limited number by arrangement with the Studio representative when they select the pose they want printed in the paper. It is entirely up to them.

**The More Pictures, The Better**  
The Advertiser simply wants pictures of all the youngsters and the more, the better. So the Mothers and Fathers of the communities in which this paper circulates should remember the date—March 19 at City Hall, and not fail to bring their children to the photographer.

You will be mighty glad, afterwards, if you did, and very, very sorry if you do not permit your children to participate in this event. The kiddies will have much fun and both Mother and Dad, and the youngsters too, will be very proud to see their pictures in print later.

Appointments may be made by calling Mrs. Clayton Jones, Walton, at 485-4571.

## Oppose Medicare Bill

The Boone County Republican Club has written letters to Senators John Sherman Cooper and Thurston B. Morton, and to Congressman Frank Chelf, asking that they oppose and vote against the present Medicare bill proposed by the administration and as tied to social security.

The club is urging all Boone Countians, Northern Kentuckians, and U. S. citizens to write, as individuals or as groups, to their Congressmen asking that they oppose and vote against the present bill.

## TUBERCULIN TESTS

Finding unknown cases of tuberculosis will be the goal of an all-out tuberculosis skin testing program for 7,000 Boone County school children which is under way. Testing started Tuesday and will continue on March 6, 9, 11, 13 and 16.

A physician from the TB Hospital will give the tests, using a type of pressure gun (no needle). It takes two or three days for the test to work, then a doctor or nurse will look at the arm and "read" the test and decide if it is positive or negative, and may advise a chest x-ray.

## Vacation In Arizona

Mr. and Mrs. E. H. Spaulding have just returned from an 18-day winter vacation. They visited their son, Mr. and Mrs. Eugene Spaulding in Phoenix, Arizona, also friends in Aljo, Ariz., and took a trip into Old Mexico.

## 20 YEARS AGO

MARCH 9, 1944

The beginning of the pastorate of Rev. Burton C. Garrett with the Walton Baptist Church was marked by a special union at the church on Thursday, March 2. Rev. R. F. DeMolay, Rev. C. G. Deering of the Methodist Church, Rev. George Caroland of the Christian Church, and Rev. D. E. Bedinger assisted in the service.

Miss Elaine Gardiner of Lexington, formerly of Walton, won first prize for \$25 war bond in a clothing contest sponsored by the Purcell Dept. Store of that city.

Miss Mary DeMolay passed away suddenly of a heart attack March 6, at Hazelwood Sanatorium, Louisville, Ky.

## CARD OF THANKS

The family of Lewis Conner Littrell take this opportunity to express our heartfelt thanks to everyone who was so kind and thoughtful in the loss of our beloved husband and father. Especially do we thank Bro. Kelly Kennedy and Bro. Searcy for their consoling words, Mr. Freddie Hamilton for the efficient way in which he conducted the service, for all the flowers, food, cards and visits, Dr. Huey and the doctor who performed surgery. Again, we thank you. May God's blessings abide and rest with all.

The meeting was held in the home of Mrs. W. O. Marshall, February 18.

She invited the club back March 20 at 1:00 p. m. to simulate articles to donate to the Redwood Cerebral Palsy School.

Mrs. Fred McMillan conducted a study of Brazil. Mrs. Marshall gave a report on the County Executive Council meeting and also read and explained the suggested revision of the Homemakers constitution.

Program chairman, Mrs. William Wolterman, conducted a contest pertaining to American presidents, and was in charge of a stork shower for a member, Mrs. Ralph Murphy.

The club was big-hearted again as the ladies used their home-made cookies and candies to make Valentine treats for elderly people of the community. There were enough of the "goodies" to send a basket each to Beauty Acres Home, Grant County Rest Home, and Senior Citizens Home.

Before the pot-luck lunch, the devotion was conducted by Mrs. Frank Elliott, and the roll call was answered by naming an American president.

Others present were: Mesdames Herman Daniels, C. E. Flynn, Marion Martin, Leslie McMillan, Malcolm Oliver, Angelo Pelizzari, Stephen

Rich, and William Woods.

On March 17, the club will have a lesson on "Accent and Accessories" in the home of Mrs. Effie Colclough.

### Blue Grass Boy Wins 4-H Honors With Poultry

A 4-H'er from the Blue Grass town of Walden saw his five-year Poultry project—and 26,000 birds—pay off with a top state award in 1963.

Herman Harold Rhodes Jr., 18, president of the Buffalo 4-H Club, has raised almost that many chickens since he began his project. He attended the National 4-H Club Congress in Chicago.

Rhodes Jr.

Individual poultry judging champion at the state fair in 1962 and district champion at achievement day, Rhodes was named by the Co-operative Extension Service for the state poultry award and expense-paid trip.

He was among some 30 Kentucky 4-H'ers at the congress. His trip was provided by Helsdorf & Nelson Farms, Inc.

Rhodes, son of Herman Rhodes, is one of a family of 14. He says his poultry project has taught him to cull chickens, grade eggs, and "most of all, to care for baby chickens on my own."

Delegates numbering 1,500 from the 50 states and Puerto Rico attended the 42nd congress, held in the Conrad Hilton Hotel, site for many years of the annual event.

stream and kills the grubs inside the animals' bodies before the larvae do damage. As new holes appear in backs of animals, repeat the treatment.

### COUNTY AGENT'S 1/2 ACRE

By Joe Claxton

Cattle grubs will be showing their characteristic evidence now — small holes in the hides on backs of cattle. In a few weeks (early spring) they will emerge, drop to the ground and eventually change into adult heel flies. These heel flies in turn will lay eggs on animals' legs and bellies and the larvae from these will go into the animals' bodies.

If holes appear on cattle backs, apply an insecticide to the backs and force the material into the holes by high pressure sprays or by using a stiff hand brush. For dairy animals, a 5% strength Rotenone dust or a 5% strength wettable powder is recommended. Follow label directions carefully. For beef cattle, use one of the insecticides recommended for lice control (Co-Ral, Ruclene, Clothrin, Lindose, Toxaphene, Malathion, Kelon, and Methoxychlor). Read the labels for specific information regarding these materials in grub control.

Best time for grub control is the period July to October. This is done with a systemic insecticide, a material that is absorbed into the blood.

### Fashion Favorite

THE semi-fitted dress is an outstanding favorite for '64. The line and fit so important to the attractiveness of this design, are achieved with the help of the Tylon nylon coil Zipper, the zipper so flexible that it flows in unison with the fabric.

Here's a tip: the expert seamstress presses as she sews, always using a press cloth over fine fabrics and nylon coil zippers. Above is a stunning Butterick pattern—#2956.

### CARD OF THANKS

The family of Harvey Carlisle wish to thank all who offered condolences in our recent bereavement. Especially we want to thank Rev. McGibney, the organist, singers, and personnel of Chambers & Grubbs for their efficient handling of arrangements. It was deeply appreciated.

### "FARM FINANCE PLANNING Should be done EARLY too!"

Like early plowing, it is also good farm management to get an early start in the field of financing for your farm production this season. Make sure you will have the necessary funds available to make your farm operation PRODUCTIVE and PROFITABLE.

This modern farm credit service is especially tailored to farmers' needs by farmer-owned PRODUCTION CREDIT ASSOCIATIONS—who know farm financing needs.

### Simple Interest Rate—COSTS YOU LESS

You pay only simple interest on a PCA loan. Simple interest is charged on daily outstanding balance, reducing interest cost to you. For example, on a \$4,000 loan to be repaid in one year in 12 equal payments, simple interest at 6% is \$195.00, your low cost for the use of this money.

## Romance in Crepe

THIS is the year when soft supple crepe of "Daron" polyester takes its place in the sun, from a fashion point of view as well as literally. Carol Craig has designed a sunny weather success—the longline Y-neck jerkin and matching pleated skirt in sunshine colors splashed with white. Stark white too is the roll-necked, three-quarter sleeved blouse to complete this washable, versatile costume.

## VISALIA P.T.A. MEETS

The Visalia PTA observed Founders Day by honoring its past presidents with a Silver Tea and presenting a Life Membership to Mrs. Wilmer Steinhouser, school principal, one of the past presidents.

Post presidents present were: Mrs. Harold Buxton, Mrs. Ralph Fennell, Mrs. Howard Fredericks, and Mrs. Bernad Bucka.

Children of the fifth and sixth grades presented the devotional, giving a Bible passage for each letter in "Founders Day." Mrs. Harold Buxton spoke on the founding of the PTA and some of the work it accomplishes.

Members voted to allow whatever money was needed to buy educational articles for each classroom, such as maps, books, etc. Over \$400.00 was allowed for these purchases, which is under the supervision of the teachers.

The room count was won by the sixth grade of Mrs. Steinhouser. A nominating committee was named for selecting officers for 1964-65. They are Mrs. Arvil Bush, Mrs. Steve Morris and Mrs. Steinhouser.

## NEW HAVEN P.T.A.

The New Haven School P.T.A. Founders Day meeting was held on February 17, with Mrs. Kathleen Wiley, president, presiding. The devotional was given by Mrs. Tom Brown.

Mrs. Wiley announced the P.T.A. mothers would help test the eyesight of children at New Haven again this year.

Bill Haines, athletic program chairman, reported that this month's meeting with the school board was more favorable, but another meeting is needed before he can determine if the objectives of an athletic program at New Haven have been reached. He reported that interest has been shown by other schools in Boone County, as well as New Haven.

Mrs. Elizabeth Stephenson, library chairman, reported that the first and second grades are in need of more reading books. The P.T.A. agreed to purchase as many as the budget would allow.

Mrs. Gertrude Hanson, in charge of the Founders Day program, presented a three-act comedy skit, "The Doctor's Axe, or, If You Don't Need It, Cut It Out!" The cast included the doctor, Mrs. Norma Newman; the patient, Mrs. Mary Ann Hatten; her friend, Mrs. Jeannette Smith; the nurse, Mrs. Virginia Comer; second nurse, Mrs. Ada Horton.

The room award was won by Mrs. Struve's second grade.

## Kentucky Chairman

Mrs. Hugh Davis, Kenton County, has been named Kentucky State Chairman for the 12th Annual Republican Women's Conference, to be held April 8-11, in Washington, D. C. The first day will feature tours of Washington. On Wednesday evening, Mrs. Davis will serve as hostess at a buffet for the Kentucky delegation at the Kentucky Headquarters Suite in the Sheraton Park Hotel.

For further information, contact Mrs. Davis, 1016 Lawton Road, Park Hills, Covington.

## Sportsmanship Stressed

GOOD SPORTSMANSHIP WEEK in Kentucky March 1-7, district basketball tournament time, is designated in this proclamation being accepted by Mrs. Herbert Weddington, Franklin County High School teacher and president of the Kentucky Association of Pop Organization Sponsors, which sponsors the week. Making the presentation is Dr. Harry M. Sparks (right), State Superintendent of Public Instruction and representative of Governor Edward T. Breathitt. In the center is Roy Bondurant, superintendent of Franklin County Schools. The Governor's proclamation, which cited K. A. P. O. S. principles, added that "... good sportsmanship is the obligation of all citizens, and Kentuckians need to be made aware of this responsibility ..."

very good progress. She has been in Booth Hospital since before the New Year, in traction for weeks, and finally surgery. We wish her a speedy recovery to health.

Mr. and Mrs. Kenneth Kelly have returned home after a two weeks vacation in Florida.

We are happy to hear that Mr. Osborne, the father of Mrs. John Afferton, is improving after his recent serious illness.

We've decided spring is almost here. Some kids come down and

wanted to go fishing in the pond today. The ice just melted off of it yesterday. No, they didn't catch anything.

The Oak Ridge Homemakers Club had a hot party last Friday at the home of Mrs. Garnet Craven on Janet Drive. The ladies had a wonderful time trying on hats of every color and design, and deciding what kind of spring bonnet looked the best on them. They then enjoyed a pot-luck dinner and an hour of fellowship.

# AUCTION

50 HEAD OF OUTSTANDING HOLSTEIN COWS AND HEIFERS

SATURDAY, MARCH 7 - 10:30 E.S.T.

Mr. DeVoe and Mr. Sharp are dissolving partnership and we will sell the complete herd and all dairy equipment at the farm — located 3 Miles West of Williamstown, Ky., 1/2 Mile West of Stewartville, on Mitts Road, just Off Highway 36.

The herd consists of 34 Holstein cows, 11 of which are registered, one Guernsey and one Brown Swiss cow. The top cow has averaged 27,560 pounds of milk and 960 pounds of butterfat. The top 17 cows have averaged 15,000 pounds of milk on the average of 305 days as matured cows. Heifers and younger are doing equally as well.

This is a clean herd of cows, both TB and Bangs tested, good uddered and well typed. Also 4 bred heifers, four 12-month-old heifers, 5 heifer calves, and a 10-month-old registered bull.

Each cow will be sold with individual health certificate. Inspection is invited. If in need of top dairy cows, attend this Auction, as this is a good, clean herd of cows.

The dairy equipment consists of 2 Surge units, 2 vacuum pumps, wash vat, 50-gallon water heater, 2 milk strainers, and a 250-gallon Dairi-Kool bulk tank, two 30-ft. garden hose.

## TAYLOR MILL

Ernest J. Ryle, Reporter

This beautiful Sunday I thought I had better try to write a few items but news is very scarce this week.

I tried one, time a good many years ago to just write the plain truth about people and they called me up and said it looked to them like if I were a good reporter I could have found a few things that were good about them.

Tom Brumback and Bob Mathis attended the Bailey sale, Saturday, and reported a good attendance and good prices for most things.

Glad to report that my brother, Dave, is much improved.

Rev. Sam Brannan is temporary pastor at Amity Baptist Church. Rev. Brannan is a retired minister and is well liked by those who have heard him preach.

Mrs. Ott Inabrit, who has been ill for some time, had x-rays and other tests made, fearing cancer, but we are sure glad to report they were all negative.

Jesse Webster and wife visited their son in Louisville, Sunday.

Work is progressing rapidly on the new school building at Harris Pike and Taylor Mill. The lake is about finished.

Someone commented that the "Beetles" were for the birds, and that is why we feed the birds in the winter so they will be here in the summer to eat the beetles in our garden.

Last night on the late news on television, "Ludlow almost wiped out by fire." Plane crash kills 87; nine

children burned to death, all in one family; death rate in autos rising. Looks like the least of our worries is over-population in the U. S. A.

Food costs in the Soviet Union take about 50% of the average family income, compared to less than 19% in the U. S.

## CARD OF THANKS

We wish to express our appreciation for the kindness shown us when our husband and father, Albert Sharp, passed away. Especially we want to thank Dr. J. M. Huey, Chambers & Grubbs Ambulance Service, Rev. and Mrs. Frank Kuriger, Rev. W. E. Maners, Mrs. Reinhardt, the Hickory Grove Baptist Church, and Cornley Brothers Funeral Home. We thank everyone for the beautiful flowers, and cards, and for the gifts that were sent. These kindnesses will long be remembered.

## CARD OF THANKS

I want to thank everyone who sent me flowers, cards, letters, and those who visited me during the time I was in St. Elizabeth Hospital, and my convalescing after I came home. To those who sent food and helped out in any way, a special thanks to Rev. Moore for his visits in the hospital and at home and for his prayers; also thanks to Dr. Waller and Dr. Charles Smith. Your thoughts and kindness were greatly appreciated, each and every one. May God bless you all is my prayer.

## What's Your Postal I. Q. ?

The number of Post Office employees in 1890 was 150,000. Today, your Post Office Department handles 16 times as much mail with less than 4 times as many employees. In the last decade alone, the number of pieces of mail handled per employee has gone up 12%. If the Post Office Department were operating at 182 productivity today, it would need 70,000 more employees than are actually on the rolls now.

Mrs. Naomi Ackman, and his mother, Mrs. Carrie Smoot, all of near Crittenden.

Services were held at 2:00 p. m., Sunday at the Crittenden Baptist Church, with burial in Hill Crest Cemetery, Dry Ridge. Eckler Funeral Home, Dry Ridge, had charge.

### MRS. MARY LILLARD

Mrs. Mary Lillard, 80, Crittenden, died at 6:30 d. m., Monday at St. Elizabeth Hospital, following an illness of two years. She was a member of Crittenden Baptist Church.

Survivors include her husband, Porter; two sons, J. E. Vallandigham and W. H. Lillard, and a daughter, Mrs. Alvin Wilson, all of Crittenden; a brother, Philip Gibson of Dry Ridge, and two sisters, Mrs. Emma Caldwell of Dry Ridge, and Miss Anna Gibson of Lexington.

Services were held at 2:00 p. m., Wednesday at the Gardenersville Christian Church, with burial in the church cemetery. Eckler Funeral Home, Dry Ridge, had charge.

## Veterans Administration Questions and Answers

Q—I am moving and I don't want a mix-up in receipt of my VA compensation check. I plan to tell the VA but they may have mailed my check before they receive my notice. Is there anything I can do to avoid a mix-up?

A—Notify the VA but also notify the Post Office, giving your old and new addresses. This will insure the forwarding of any check that is placed in the mails before VA can correct your address after your change-of-address is received.

### Piner 4-H Club Meeting

On February 28, Mr. Maddox was at the Piner School to hold 4-H meetings in the four rooms.

He came to Mrs. Brown's room second, and Dwight Menefee, president, called the meeting to order, after which the secretary's report was given. The meeting was then turned over to the program chairman, Chas. McClane. Brenda Simpson recited the Gettysburg Address, after which the band played. The 4-H program, "The Troublesome Ford," was then presented. Mr. Maddox asked the club to take grooming and exploring your community as projects. The meeting was then adjourned.

## Staffordsburg Homemakers

The Staffordsburg Homemakers Club met in the home of Mrs. Denver Binder for the February meeting with 24 members answering roll call. Mrs. Hamer, president, was absent due to illness. Mrs. Show read a version of "I Am An American," and Mrs. Rich read about the making of the American flag and what each part resembles and what it means to us. Mrs. Hill had a very interesting story of Mr. Lincoln and the shame on our country in the assassination of John Kennedy, our late president. Mrs. Earls gave a lesson on how to prepare and pack vegetables for best results in vitamins and taste. All enjoyed a delicious lunch prepared by the hostess.

The next meeting of the club will be held at the Lottoria Lakes Club House, March 10, with Mrs. Al Boser as hostess.

The club voted to send a committee to Beauty View Rest Home and serve refreshments to the patients.

## What happens when husbands take over

We don't suggest that husbands take over in the kitchen. Few can even begin to approach the ladies when it comes to preparing tasty, nutritious food.

But if men cooked many meals, you can bet there would be more and more electric ranges. That's because electric ranges make cooking a lot easier and surer. You get the same, even heat time after time so there's no more guessing about the right temperature.

It's the clean, pleasant way to cook. No objectionable odors to ruin the food. Electric ranges are safe because they're flameless!

Enjoy cooking again...and cook better...with low-cost rural electric power.

## ELECTRIC RANGE

Electricity is the modern, cool way to prepare better, more tasty meals for your family. Many new models let you cook several dishes automatically. Call us or see your dealer for more information about modern, convenient electric ranges.

## Steps to Faith

Lesson for March 8, 1964

Background Scripture: John 9:1-41.  
Devotional Reading: 1 John 1:5 to 2:6.

**NOBODY KNOWS** how many miracles Jesus performed during the few years between His baptism and His crucifixion. The writer of the Fourth Gospel says that the world could not contain the books that would have to be written if anyone tried to write up all that Jesus did. John himself makes no effort to tell the whole story. The first three Gospels tell of many miracles; but the Fourth Gospel tells of

Dr. Foreman only seven or eight. John's way of telling the stories is different, also. The first three Gospels just tell what happened and let the reader make his own comments. John makes every miracle a kind of text for a sermon or meditation on the meaning of Jesus, or the meaning of life.

### A Man named Jesus

So, we are not going off on the wrong foot, but following the evangelist's example, if we take one of the simplest of these stories and see in it a picture of the way faith grows. In itself the story is indeed simple. The man whom Jesus cured must have been a well-known beggar, for the disciples knew he had been born blind. Jesus made "clay" of spit and dust, put it on the man's eyes, told him to go to a certain pool and wash. The man washed as directed, and "came seeing." Just like that. The story of the miracle is told. But now begins the part (one of many aspects of this story) that brings us meanings, not simple facts. The particular meaning here now for us is the way this man advanced in faith. What did he think of Jesus? Is the question. The ex-beggar's first thought about Jesus was just this: "The man called Jesus." Just a man with a name. But the point was: the man called Jesus had cured his blindness. That much the man knew. You may not think this was a very lofty faith. Indeed you might argue that it was not faith at all. But it was. He knew Jesus had cured him.

### A prophet

A little later, the ex-beggar told the Pharisees (if really was none of their business, they only wanted to "get" Jesus somehow) that in his opinion Jesus was a prophet. This did not mean a soothsayer, a fortune-teller; it meant one who speaks God's truth, a Revealer. A prophet was like a window into the mind of God. Prophets were not supermen, they were quite ordinary men in fact. But they were self-emptying men, they let the Spirit of God live his way with them, they were sensitized to the will of God. Many have come only this far on the way to a full faith. But who shall call them unbelievers? Jesus did not denounce this man for coming short of the belief which the disciples of Jesus had towards him. He did not condemn him at all. So we should be slow about denying the name "Christian" or "believer" to men and women of our own time who think of Jesus simply as a teacher, first among teachers or even as one of many teachers. The Lord took this man where he was and helped him to a still higher faith.

### The one Lord

Jesus asked the man, finally, if he believed in the "Son of Man." You and I might not understand that question, but this man did. "Son of Man" was one of the common expressions meaning "Messiah" or "Christ," both of which words were never in the plural. There was to be only one Son of Man, in a class alone by himself. This was more than Prophet, for prophets were many. At its height, faith looks at Jesus not as a mere man, not even as one among other revealers of God, not even as the First Saint; but as God's "only begotten Son." God focused in a single man, the meeting point of the human and the divine. So the man who had been blind, in more ways than one, has his eyes opened at last to what Jesus said of himself was: the Light of the World. And so he did what no man has a right to do to another man: he worshipped Jesus. His heart had found its home at last, in God.

### Junior Teens of Goshen

The Junior Teens of Goshen held a Valentine party in the church base in February. There were 26 present. After being dismissed by Bro. Ernest Mastin, those present were served refreshments by the teachers, Mrs. Ruth Worthington and Mrs. Esther Glenn.

The good thing about the seasons is that all we have to do is wait. We may not like the weather we have now, but something different will come soon. We experience a great variety of weather in a dozen months.

It's a great consolation to have this mighty spectacle of spring and autumn, sun and rain, day and night continually unfold around us.

It's the dependable rhythm of nature, the ebb and flow of seasons, the beauty of earth and sky, which give our lives a firm ground tone.

But Christianity is not a nature religion. It finds the revelation of God in nature alone but even more in human personality — our own, as the children of God, and supremely in Jesus as the Son of God.

That is why it is necessary for us to become an important part of His Church.

We can get in the mood to understand the presence of God when we experience the quietness of the woodlands or hear waves breaking against the cliffs, or look heavenward at the billowing clouds. But, it is not enough to get in a mood. We must join in the communion and fellowship of other believers in order to obtain our purpose and faith.

Come, let us go into the House of the Lord. . . .

## A LOOK AT EDUCATION

By Eugene Robinson

For several weeks now, I have been discussing the many aspects of the Foundation Program. I hope that some of you have gotten some good from these articles. The program is difficult to understand even when you work with it every day, however, if there be some questions about any phase of the program, I would welcome the opportunity to either answer your question or find the answer for you.

This week I shall use the space to make some announcements and for general information.

The governor signed a bill authorizing a minimum of 184 days for the 1963-64 school year. Thereafter the minimum will be 185 days. This means that we do not have to make up the day that we were out because of the President's death. We have four days to make up due to bad weather. Last Thursday evening at their regular monthly meeting, the board voted to make up two of these days on April 6-7. This means that instead of having a week for spring vacation, our schools will be closed on April 8-9-10 for KEA and spring vacation. The other two days will be made up by adding May 28-29 to the end of the year. This has changed some of the commencement dates. Baccalaureate services will be held as originally scheduled on May 24, awards night will be held Thursday, May 28, and Graduation exercises on Friday, May 29. Students will not come to school on May 28 as this is a day for teachers to work on records.

On Thursday the Board of Education adopted English and Literature books for the high school, English and Science books for the elementary grades, to be used during the next four years.

Everyone was very pleased with the reaction to the TB skin test held Friday. There were some absences, however, of the 650 students in both schools, all but about 20 had planned to take the test. This is about 97 percent.

Next week I shall discuss in some detail, education laws that have either been presented or passed in the General Assembly.

## Cancer Crusade Chairman

At the January meeting of the Boone County Cancer Society, Charles Wiley of Route 2, Walton, was selected as County Crusade Chairman.

Mr. Wiley, who has lived in the county for the past four years, has been active in public relations, publicity and civic affairs in Northern Kentucky and Cincinnati. He is a graduate of Miami University, and has his own art and advertising firm in Cincinnati. Mr. Wiley is married to the former Kathleen Kenney, of Walton, and the father of two young sons.

Mr. Wiley will announce his area chairmen in the near future for the Crusade which will begin in April.

The Boone County quota for this year is \$2500, less than 10c for each of our residents.

**DO YOU WANT TO REGISTER TO VOTE?**

The Boone County Democratic Club contends the people who do not register to vote, are not hostile to the idea, they simply "intended to" or "haven't gotten around to it" or "didn't think it made much difference."

In many areas of the country less than half of the eligible people are qualified to vote. This must be corrected and to correct it all citizens should assist in the implementation of a register and vote campaign.

The Boone County Democratic Club asks the cooperation of all citizens in a non partisan register and vote campaign so that all citizens in name can be citizens in fact by exercising their right of franchise and fendering their decision at the polls on election day.

## Children's Pictures To Be Published In Walton Advertiser

Thursday, March 19 is the big day for the picture taking of your youngsters! The Advertiser is having pictures taken of all children who are brought by their parents or other guardians to the City Hall (Fire Dept. Office) in Walton, between 10:00 a. m. and 5:00 p. m., absolutely free of charge.

The Advertiser wants a picture of your child to print in its forth coming feature, "Citizens of Tomorrow," a series of photographic studies of local children. The more we get, the better the feature will be, so the cooperation of mothers and fathers is urged.

It often seems to parents that children are little one minute and one grown up the next, so fast does a child's growing stage pass. Here is a splendid opportunity to catch a likeness of your child or children at the present stage for the pleasure you will get out of it in future years and for the pleasure you will enjoy in seeing it up the next, so fast does a child's growing stage pass. Here is a splendid opportunity to catch a likeness of your child or children at the present stage for the pleasure you will get out of it in future years and for the pleasure you will enjoy in seeing it up the next, so fast does a child's growing stage pass. Here is a splendid opportunity to catch a likeness of your child or children at the present stage for the pleasure you will get out of it in future years and for the pleasure you will enjoy in seeing it up the next, so fast does a child's growing stage pass.

There is absolutely no charge or obligation for taking the pictures. Parents don't even have to be a subscriber to the Advertiser nor even a reader. You do not have to purchase pictures either, though you may obtain additional prints by arranging direct with the Studio representative if you want them. That is entirely up to you!

Appointments may be made by calling Mrs. Helen Jones, Walton, 485-4571.

## TAYLOR MILL P. T. A.

"Values Learned Through Scouting" will be the theme of the Girl Scout program to be presented at the March 16 meeting of the Taylor Mill PTA, by Mrs. Byron Galloway, Girl Scout Neighborhood Chairman, at 8:00 p. m., in the school auditorium.

Participating will be five troops, made up of two Brownie Troops, two Junior Troops, and one Cadet Troop, under the direction of leaders, Mrs. Ralph Corbin, Mrs. Al Basse, Mrs. Pat Thompson, Mrs. Sadie Wilson, and Mrs. Don Harries.

Thursday, March 12, the Executive Board will meet at 1:30 p. m., in the school.

## KENCO ELECTS OFFICERS

Kenco Jayces, at their regular meeting at the Owen County RECC Building on Walton-Nicholson Road, March 5, elected the following officers: Pictured above, they are, left to right, President, Roy Klein; First Vice President, Bill Gadd; Second Vice President, Bill Green; Secretary, Bob Maddox; Treasurer, Ray Keeney.

Directors for the coming year are Tom Liles, Adrian McMillan, James Grubbs, and Louis Thornton.

The club is holding a spring dance at the American Legion Hall in London, Saturday, March 21 at 9:00 p. m. Tickets are \$5.00 per couple. The public is invited.

The next regular meeting of the group will be on April 2.

## Lady Democrats to Meet

The Boone County Woman's Democrat Club will meet on Monday, March 16 at 8:00 p. m., at Southern Trails, Florence. Visitors welcome.

## Outstanding Male Utopian

At a recent conference of Kentucky Utopia Clubs, held in Berea, K., William Barnes (left) was selected "Outstanding Male Utopian" in the state for 1964. Herb Works, shown presenting the award, was selected State Utopia Club president. Both are members of the Kenton County Utopia Club.

## Makes "A" Honor Roll

Miss Norma Jean Neumeister, the daughter of Mr. and Mrs. Raymond Brewster of South Main, was one of 88 students to earn a place on the "A" honor roll at Georgetown College for the first semester of the 1963-64 school year. Congratulations, Norma.

Miss Neumeister graduated from Walton-Verona in 1961 and is now a junior at Georgetown.

## "Melody Aires" Coming

The "Melody Aires" quartet will be singing at the Walton Church of God, 88 South Main Street, Saturday night, March 14, at 7:30 p. m.

Rev. O. B. Mullins of Lebanon, Ohio, will be preaching in this service.

The pastors, Dee and Wanda Gadd, cordially invite the public to attend.

## Piner-Fiskburg Firemen Plan Community Auction

The Piner-Fiskburg Volunteer Fire Department will hold a community auction on Saturday, April 4, beginning at 10:00 a. m.

The fire department is asking the people of these communities for donations of anything. Most everyone has something of value that they don't need, so please help the fire department. If you can deliver it to the fire house at Piner, do so, if not, contact after 6:00 p. m., 359-4640, 359-4832, 359-4475, 359-4663, by March 30. The department will also sell any item for a 10 percent commission.

If you would like to have items listed on the sale bills, let the firemen know by March 23. Any item will be received up to the time the sale closes. Livestock or anything else will be sold.

The Ladies Auxiliary of the Walton Fire Department will hold an Easter Tag social at the Firehouse on March 14 (Saturday night) starting at 8:00. An Easter bonnet will be given as door prize.

## 4-H Talent Show at Hebron School On Friday, April 3rd

The Boone County 4-H Talent Show is scheduled for Friday, April 3, at 7:00 p. m., in the Conner School at Hebron.

Wayne Slinger, Assistant County Agricultural Extension Agent, said that 4-H members may be in one specialty and one club act.

A specialty act may be composed of from one to four persons with a time limit of three minutes. They may sing, dance, play an instrument or display their talent in other ways.

A club act is composed of more than four persons and should consist of 20% or more of the club membership. A prospect group could have a club act. The time limit on a club act is 8 minutes. A club act could be a skit, a musical or any other form of talent.

Four-H members wanting to be in the talent show must contact the Extension office, 586-6412, or their 4-H leader, their club president or secretary, and register their act.

Mr. Slinger also said that all 4-H members are eligible to participate in this talent show. The purpose of the show is not to discover new talent but to enable our youngsters to have the experience of performing before an audience.

Admission is 25c and 50c with everyone, including participants, paying admission. All money made in the event is used in carrying out the Boone County 4-H program. The winning club act and specialty act will represent Boone County in the District Talent Show, to be held April 18 at the Conner School.

## Walton Has New Policeman

Carl Hartman, 30, of Locust St., Walton, was recently employed by the City Council as city policeman. He formerly lived in Grant County. Mr. Hartman succeeds Stanley Banta who resigned to accept a position at the Greater Cincinnati Airport.

## TB X-Ray Unit Coming

The TB x-ray unit will visit Boone County on Wednesday, March 25, at the Boone County Health Department, Florence, between 10:00 and 12:00 noon and 1:00 to 3:00 p. m. The chest x-ray is a good way to detect early tuberculosis, so make plans to get your free chest x-ray at this time.

## Visalia P.T.A. to Meet

The Visalia P.T.A. will meet on Monday, March 16, at 8:00 p. m., in the school.

The guest speaker will be Bailey Root, Director of Civil Defense in Kenton County. Mrs. John R. Crow is program chairman. The school children are participating by having an identification tag program.

## Literary Club Meets At Christian Church

The Walton Woman's Literary Club met in Fellowship Hall of the Walton Christian Church, March 4.

Mrs. Grace Knox presided over the business session. Mrs. Julie A. Rouse read the minutes of the last meeting, and Mrs. Willis Berkshire called the roll and reported \$55.15 in the treasury. Other business was deferred to give way to the guest speaker.

Mrs. Roy Lutes, of Florence, gave a most interesting talk on Kentucky. She said, in part, "There is so much about Kentucky, one hardly knows where to start—there is no end." Mrs. Robert M. Donley gave the Spiritual Guidance. She chose Psalms 33:8-120 for her scripture, and urged the singing and reading of "America."

Members present were: Mrs. Dan Bedinger, Mrs. Willis Berkshire, Mrs. Robert M. Donley, Mrs. A. H. Gaines, Mrs. Wallace Grubbs, Mrs. W. W. Hon, Mrs. Grace Knox, Mrs. Sallie Moore, Mrs. W. H. Presser, Mrs. Julia Rouse, Mrs. Sam Sleet, Mrs. Forest S. Thompson, Mrs. Hiss Vest, Mrs. James Webster, and Miss Mary West. There was one guest, Mrs. Evelyn Huff.

The group was served most delicious refreshments by the hostesses, Mrs. Sallie Moore, and Mrs. Robert Sturdivant.

## Simon Kenton Seniors To Present Class Play

The senior class of Simon Kenton High School, Independence, will present their play, "Onions in the Stew," on Friday, March 13, at 8:00 p. m., in the school auditorium.

The play is absolutely hilarious—a delightful and different comedy filled with humor and uproarious incidents for which Betty MacDonald (who also wrote "The Egg and I") is so famous. This play, however, is much more than just an evening of laughter. There is a rare understanding in it of young people and a valuable lesson in getting something truly worthwhile from life.

The leading characters are played by Mary Jane Ramey, Mike Blake, the parents; Peggy Howard and Rose Caldwell, the teenage daughters.

## New Barber Shop Open

Jack Norris of High School Court, who has been working in Fred's Barber Shop, Williamson, for the past three years, has opened his own shop at 21 South Main Street, next to the Model Food Store. He would be pleased to have you drop in at any time.

## Social at Independence

The St. Cecilia Altar Society of Independence, will sponsor at St. Patrick's Day "Surprise Social," on Sunday, March 15, at 2:00 p. m., in the church basement. It will be open to the public.

## Boone County Jaycettes Announce Style Show

The Boone County Jaycettes announce their fourth annual Style Show, to be held May 5 at the Lookout House, for the benefit of Redwood School. Mrs. Thomas Buckley has been named general chairman.

Further plans were made at a Jaycettes meeting March 9 at the Barkley House.

## TO WED MARCH 21

Miss Betty Barton

Mrs. Eva Barton, of Walton, announces the forthcoming marriage of her daughter, Betty Vemese, to Mr. Walter Eugene Isbell, son of Mrs. Thomas Rodney, and Mr. Rodney, also of Walton.

Miss Barton is the daughter of the late Harry Barton.

The wedding will be an event of Saturday, March 21, at 7:30 p. m., in the Walton Baptist Church. The public is invited.

## Readnor County Chairman

At the Boone County Courthouse last Saturday night, Republicans of the county met to elect their county executive committee for the next four years. Twenty-three precinct chairmen and twenty-three precinct chairwomen were nominated and elected.

This executive committee in turn re-elected Ois Readnor of Walton, as county chairman, and Mrs. Ethel Daugherty of Union, as county chairwoman. The committee elected William Toner of Frogmorton Road, Walton, as secretary-treasurer. Charles Wiley, Route 2, Walton, will continue to serve as publicity chairman.

The executive committee will meet again shortly to select twenty-four delegates and twenty-four alternate delegates to serve at the forthcoming district and state conventions.

## To Sell Flowers For Easter

The Bykota Class of the Walton Christian Church will again be selling coazages and potted plants for Easter. Watch this paper for further details.

### Girls Needed For Softball

Girls or young women, 14 and older, who would be interested in playing softball are asked to contact Dave Workman, at Artistic Cleaners, or call 485-4494.

Last year there were eight girls teams in the league and the sponsor, Hank Fisher, and the league managers would like to have a team from the Walton area.

Girls this is your chance to play softball in a girls' league, and Dave Workman will be your manager. All that is needed is a team of interested females who enjoy the sport of softball, but don't wait. The team must be organized this month. On March 19, there will be a manager's meeting. See Mr. Workman for further details.

### Premeasurement Is Now Available

Russell Rector, Chairman of the Kenton County ASC Committee, announced today that applications for official premeasurement of tobacco or feed grain acreages will be accepted at the Kenton County ASCS office any time between now and March 22. The rate to be charged for the premeasurement service for tobacco will be \$8.00 plus 50c per acre, plus \$2.00 for each patch over one. For other crops or land uses, the charge begins at \$8.00, plus additional charges for each acre to be premeasured. Payment based on these rates will need to be made at the time the request for the service is filed.

"The premeasurement is purely optional," Mr. Rector said "and is offered as a service to farmers who prefer to have an official measurement to use as a guide."

The chairman explained that regular compliance visit by ASCS reporters will be made for the purpose of determining compliance as soon as possible after crops have been planted. At the time of these visits a check will be made and the farm will be considered to be within the respective crop allotment if planting is confined to the premeasured area.

### Are You A Good Citizen?

Do you vote once a year or so and then forget politics the rest of the year and feel that you have done your part and are a good citizen?

A once a year citizen is not a good citizen, according to Bruce Ferguson. Good citizenship is an everyday job. It means constantly informing oneself of issues and events at stake and taking an active part, not only in National and State elections, but particularly in local elections and certainly school elections too. Many people have gotten into the habit of neglecting local politics.

Show an interest in your city, county, state and federal governments by getting into your Boone County Democratic Club and taking part in the affairs of your party.

### —DEATHS—

#### RUSSELL B. STEPHENS

Russell B. Stephens, 56, of 2 Uitz Drive, Florence, died at 9:00 p. m., last Friday, at Hazelwood Sanatorium in Louisville. He was a former employee of the Boone County Road Department.

Survivors include his widow, Lavonne; three step-daughters, Mrs. Ella Rose Bobb of Cincinnati, Mrs. Sheryl Oliver of Covington, and Mrs. Margie Woods of Florence; two step-sons, Irvin W. Rector of Burlington, and William E. Rector of Lehigh Acres, Fla.; two sisters, Miss Artie Stephens of Burlington, and Mrs. Viola Brady of Vevoy, Ind.; and three brothers, William, Ben, and Cliff Stephens, all of Burlington.

Services were held at 2:00 p. m., Tuesday at the Stith Funeral Home, Florence. Burial was in Bellevue Cemetery.

#### MRS. ALTA NIBLACK EDMONDS

Mrs. Alta Niblack Edmonds, the mother of Boone County Judge Charles Niblack, died at her home in Covington, Sunday. She also leaves a daughter, three brothers and five sisters. Funeral services were held Wednesday afternoon.

### Staffordsburg

Mrs. J. A. Keeney, Reporter

Miss Nannie Ballinger, who has spent the winter with her sister's family, Mr. and Mrs. Wm. Brannack, of Kelot, returned recently to visit Mr. and Mrs. Dawson Ballinger.

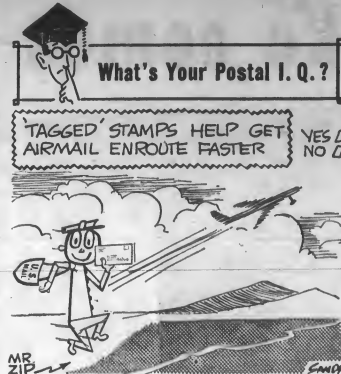

Miss Emma Yates spent the weekend with her sister and family, Mr. and Mrs. Mayo Smith, of Crestwood, Ky.

Mr. and Mrs. Lee Giles spent the weekend with relatives here.

Mr. and Mrs. Dennis Keeney called on Mr. and Mrs. Roy Keeney on Saturday evening.

Mr. and Mrs. James Stidham and little son were weekend guests of her parents, Mr. and Mrs. R. L. Cooper. Because of the inclement weather, they feared to bring the little man to church, which disappointed everyone. Mr. and Mrs. Dawson Ballinger, however, called to see them.

Men of the Staffordsburg church are again planning a breakfast following the early service on Easter morning. It was a very pleasant time of fellowship last year. Hope many can avail themselves of this opportunity.

1. YES—A small black box added to the Mark II Facsimile Machine will "recognize" and separate specially treated luminescent tagged airmail stamps affixed to letters, from other letter mail bearing the normal type stamp.

The luminescent tagging of this airmail stamp represents not only a significant technological advance but a first in U.S. postal history. The principles incorporated in this test will provide the Post Office Department with technical capabilities that offer great potential benefit to the mailing public in terms of dollar savings and improved service.

### WHITES TOWER

Mrs. Ralph Howard, Reporter

We are having plenty of rain now and I know everyone in the country is glad for about everyone was buying water, and it is a good feeling to have plenty to use when needed.

I guess we have come around that certain corner for my yard had robbers hopping around and picking and my tulips are up about 4 inches, and that means housecleaning time and spring has arrived.

Little Bruce Binder, who has been home with the mumps, is about well again.

Mr. and Mrs. Frank Some of the Tower, have moved across the highway but still at the Tower.

The St. Cecilia Church at Independence, has become too small for the congregation and they plan to enlarge it right away—with 5 services on Sunday they still can't seat them all.

A social will be held at the St. Cecilia Church basement on Sunday, March 15. The public is invited.

The Staffordsburg Homemakers' March meeting has been postponed until March 17 and will be held at the Latonia Lakes Club House with Mrs. Al Bosse as hostess.

#### Entertained at Dinner

On Saturday evening, March 7, Mr. and Mrs. Richard Cheesman, Jr. of 409 Southern Ave., Covington, entertained with a six o'clock dinner for the following guests:

R. F. Cheesman, his father, of Morning View; Mr. and Mrs. Donald McAllister and son, Mike, of Madison, Ind.; Mr. and Mrs. Harry Duncan of Covington.

### Firemen's Auxiliary Meets

The Ladies Auxiliary of the Walton Fire Dept. held their monthly meeting March 3 at the Firehouse.

The following officers were elected: Addie King re-elected president; Dorothy Still, first vice-president; Sue Miller, second vice-president; Betty Smith, secretary; Nora Simpson, re-elected treasurer; Betty Carlisle, historian; Nellie Egan, advisor, and Deloris Newby, chaplain.

Others present were: Mrs. Mary Stephens, Mrs. Florence Crowe, Mrs. Alma Hopkins, and Mrs. Allie. Mrs. Deloris Newby was hostess.

### Chili Supper, Morning View

The Morning View Methodist Church and M. Y. F. are sponsoring a chili supper on Saturday, March 14 at the Kenton and Community Fire House. Serving starts at 4:30 p. m.

Chili, cone islands, soft drinks, coffee, home-made pie and cake will be on the menu.

Proceeds will be divided between the building fund and the M. Y. F. toward a movie projector. Everyone welcome.

## WALTON-VERONA SCHOOL NEWS

### Seniors to Present "Room & Bored"

Mrs. Kathryn Baker, director of the Walton-Verona senior play, has selected a three-act comedy, "Room and Bored," to be presented April 3. The leads go to Debby Afterkirk and Tom Kirk, who will portray the parents of two love-sick teenage daughters. The daughters, Claudia and Jean, will be played by Paulette Chance and Stella Chipman. Practice started this past week. The cast is not complete. Other participants will be announced later.

The group will give two matinee performances for the student body and one at night for the general public. Tickets will be \$1.00 for a reserved seat, and 75c for general admission. Profits made from this play will help finance the senior trip.

### Hootenanny Scheduled

A Hootenanny, sponsored by the W-V Student Council, is scheduled tentatively for March 27. There will be many acts, including the Beatles. Any Walton-Verona student who wishes to participate in this talent show may do so.

Dennis Smith, Don Mea, David Jarman and Don Allen are to portray the Beatles. Some of the others participating are: Joe Norris, Peggy Israel, Paul Wilson, Marvin Hudson, Janet Arnett, Brenda Duchemin, Kawanda Richards, Dennis Rich, Carolyn Armstrong, Linda Blish, Kathleen Flynn, Beverly Rushing, Judy Watson, Harry Sleer, David Doggett, Eddie Neumeister, Don Bailey, Gary Rooden, and Sonny Scheck. Both popular and folk music are to be included in the program.

Tickets are to be 50c with 25c for

Honorary Pages Appointed

Vicki and Jan Shoemaker, daughters of Walton-Verona High School principal, John Shoemaker, were made Honorary Pages in the Kentucky legislature. The nomination was made by Senator Clay Jay. Congratulations to Vicki and Jan, who are in the first and third grades, respectively.

Coming Events at Walton-Verona

The Junior-Senior Prom is scheduled for May 8. The juniors are working on it and hope that it will be one of the best yet.

The junior play will be presented May 15. David Mason, who is sponsoring it, has selected, "Piccadilly." Tryouts will be held after the State Basketball Tournament.

The F.H.A. will have their Mother and Daughter Banquet, April 20. Here the new officers will be installed and the regular ritual carried on.

To Perform at Shrine Circus

April 1, Carolyn Armstrong, captain of the W-V majorettes, will twirl in the Shrine Circus at Cincinnati Gardens. She will be competing against 20 other girls for the title of Queen of the Circus. Each night four girls will twirl and one winner will be picked by an applause meter. Then the five winners will return Saturday night for a twirl-off. This contest is mostly school politics. The girl whose school represents her the most is most likely to win. Banners are allowed at the Gardens for advertising school entries.

Track and Baseball to Begin Soon

For the first time ever, Walton-Verona High School is going to sponsor a track team. It is to be coached by Tom Hatley and he has informed us that it will begin sometime next month. Because of a lack of the proper equipment, there is to be no

hurdles or pole vaulting, but all other events are being offered. Since we have no equipment or field for track all meets will be held at other schools. Mr. Hatley and Mr. Brann want to encourage everyone to give their support to this new activity.

Baseball at Walton-Verona is going to begin its regular season sometime in April. Coach Howard Brann is looking forward to a winning season and he hopes a complete 25-game schedule by the start of the season. He has informed us that pitchers and catchers are to begin work next week, but notice of practice sessions will be given in the school bulletin. Mr. Brann also says that baseball should not conflict with track.

Tod Anthony Perry, 4-year-old son of Carlos and Pat Petty, was taken to St. Elizabeth Hospital, Sunday for a minor operation. Tod is a brave little boy and we know he will be home again good as new in a day or two, and be able to come to see his great-grandpa—this writer.

Mr. and Mrs. Sipple are now new neighbors, having moved into the house formerly owned by Mr. and Mrs. Randolph Gibson.

A good rolin has filled all the cisterns and will give the water holder a breathing spell.

Mrs. Chas. Dorsey was quite sick Sunday but we are glad to report her much better at this writing.

Dorsey and Goshorn butchered a fine young beef, Saturday. Johnny Butler prepared it for the freezer.

Mrs. Lester Inabrit is home from the hospital and is up and around again, we are glad to report.

Mrs. Ott Inabrit is visiting her daughter in Minnesota.

At one time a fool and his money were soon parted, but now it happens to everybody.

## Walton Locals...

Visitors in the home of Mr. and Mrs. A. T. Hunt on Sunday were: Mr. Hunt's sister and husband, Mr. and Mrs. U. T. Alexander, and Kenny Suter, all of Wheatley; his cousins, Miss Amanda Plum and Mrs. Ophelia Wilson, of New Liberty, and Mrs. Ethel Breeden.

Mr. Hunt celebrated his 90th birthday recently when his family, Mr. and Mrs. A.-A. Hunt and two sons and Mr. and Mrs. O. L. (Bud) Hamilton, all of Winchester, came and brought the birthday dinner all prepared.

### Livestock Producers to Meet

James A. Rhodes, Governor of Ohio, will be principal speaker at the 29th annual meeting of Producers Livestock Association in Columbus, Ohio, March 12, according to Clyde Longell, manager of the Producers market in Cincinnati. The meeting is expected to bring together about 40 leading livestock farmers and leaders in education, government, business and agriculture.

Delegates chosen to represent the Cincinnati market from this area, include Russell Rector, Independence; Joe Neumeister, Walton; Gilbert Stewart, Crittenden; Jack Biehn, Falmouth; Tommy Ammerman, Falmouth; Ray Beck, Alexandria; Wm. Graves, Hebron; Fred Nelthoff, Morning View; and Russell Dougherty, Williamstown.

## COUNTY AGENT'S 1/2 ACRE

By Joe Claxen

Five years from now, the number of U. S. farms will have declined from 3.7 million to about 3 million units. Each farmer now has to shoulder the responsibility of producing for himself and 28 others, and this responsibility is growing. By the end of 1968, our population will have increased an estimated 10 to 11 percent. This means 18 to 20 million Americans. But more significantly, we will have a higher proportion of older and younger citizens to feed and clothe.

This means that there will be a need for more protective foods for older and younger people. Meat, milk, eggs, fruits, and vegetables—those high in proteins, vitamins and

minerals—best provide these nutrients. But, they are also costly foods to produce and process. This presents a double-barreled challenge: first, to produce these high-quality, protective foods in the amounts needed; and second, to produce them at low enough cost to assure fair returns to farmers and reasonable prices to consumers. This is one of the dilemmas facing producers and agricultural research agencies, both public and private.

There will be a need for more economical and effective methods of controlling diseases, insects, weeds, and weather—better fertilizer practices and machines and other production tools. And, these improvements must be integrated into economical farm operations that stay in response to market demands.

Homeowners soon will need to treat lawns to get rid of the grubworms (white grubs). Large, dead patches of bluegrass may appear in lawns in April. The grass area can actually be rolled up like a carpet in many cases. This is because the grubworm over-winters deep in the soil, but in early spring comes up to feed on grass roots.

Mr. Claxen

### KENTUCKY WINS DEVELOPMENT AWARD

A special trophy was presented recently to Kentucky by the national Society of Industrial Realtors at a Washington, D. C., luncheon for excellence of its industrial development program. Kentucky was runner-up three years in a row (1961-63) in competing for the top annual trophy. Shown presenting the award, at left, is Clinton B. Snyder, chairman of the SRI awards committee. Receiving the trophy from left, are former Lieutenant Governor Wilson W. Wyatt, Kentucky Commissioner of Commerce Miss Katherine Feden, and James H. Nutter, Jr., associate commissioner of Commerce. It was the first time the special award had been made. Competition in the contest is open to all 50 states and the provinces of Canada.

To control the grubworm, use one of the following: Aldrin or Heptachlor, strength 4 pounds active (killing agent) per gallon of the emulsifiable concentrate. Put 5 tablespoons of this in enough water to cover 1,000 square feet of lawn thoroughly. If the 20 percent granules of Aldrin or Heptachlor are desired, use one cupful of granules per 1,000 square feet. Dieldrin, at 1.5 pounds active (killing agent) material per gallon of emulsifiable concentrate; use 8 tablespoons in enough water to cover 1,000 square feet of lawn. If Dieldrin granules are preferred, use 2 1/2 pounds of the 2 1/2 percent strength granules per 1,000 square feet of lawn.

Use any one of these in mid-March or early April. The materials

must work down through thick bluegrass thatch to root zones where the grubs will come in contact with them. Spring rains help do this, so mid-March is an excellent time for application.

## FLY KITES SAFELY...

Kite flying can be ALL fun... or end in tragedy.

The best place to fly a kite is in the open... away from electric lines, radio and TV antennas or moving traffic.

Any part of your kite that conducts electricity can cause serious injury or death. That means wet string, wire kite line, any string or kite tails with wire, tinsel or other metallic substance in it.

Flying kites in the rain can be dangerous too. If your kite becomes snarled in a tree or a power line, don't attempt to pull the string to get it down. Let it alone.

When the wind blows free... have FUN. Fly your kite, but play it SAFE.

## Notes of Servicemen

Pvt. Charles B. Sebring, son of Mr. and Mrs. Lora L. Sebring, R. 1, Walton, Kentucky, completed an 8-week lineman course, February 28, at Army Southeastern Signal School, Ft. Gordon, Georgia.

Sebring was trained to construct and maintain open wire, lead covered cables and field communication wires. The 19-year old soldier entered the Army last October and received basic training at Fort Knox.

He is a 1963 graduate of Simon Kenton High School, Independence.

Army Pfc. Jack E. Hamon, 24, son of Mr. and Mrs. Robert Hamon, 4444 Oliver Road, Independence, participated in Exercise MARNE-RAAM a field training exercise in Southern Germany, which ended recently. He is an ammunition clerk in Headquarters Detachment of the 101st Airborne Division near Heilbronn.

Hamon entered the Army in May, 1963 and received basic training at

Pt. Knox. He graduated from Simon Kenton High School in 1957.

William L. Dillon, 17, son of Mr. and Mrs. James E. Hyatt of 3800 Richardson Road, Independence, Ky., completed basic training February 7 at the Naval Training Center, Great Lakes Ill.

The nine-week training includes naval orientation, history and organization, seamanship, ordnance and gunnery, military drill, first aid and survival.

During the training recruits receive tests on interviews which determine their future assignments in the Navy. Upon completing the program they are assigned to service schools for technical training or to ships and stations for on-the-job training in a Navy rating specialty.

Naval training produces the power in seapower by supplying qualified personnel to man the ships, planes, and shore stations of today's Navy.

Marvin G. Dunn, son of Mr. and Mrs. Thurman Dunn of Green Road, Walton, Kentucky, was commissioned an Ensign in the Naval Reserve on February 7 on graduation from Naval Officer Candidate School at the Naval Base, Newport, R. I.

He received both classroom and practical experience in seamanship, navigation, military courtesy, communications, gunnery, combat information center procedures and military drill.

He is now qualified to meet not only the technical problems facing today's young naval officer but the problems he will encounter in leadership.

No question about it... Electric Heat is the most convenient heating system your family can enjoy. It's flameless... no fuel to carry or store... no fire that might go out on a cold, wintry night. But most folks prefer Electric Heat because it offers such comfort. You select the best temperature for each individual room. Most like the living area and baths just a little warmer than bedrooms. It's simple with Electric Heat. Dial the ideal temperature for each room! Of course, budget-minded people boast because Electric Heat is so economical. Costs less to install than old-fashion heating systems. And it adds so much to the value of homes!

## ELECTRIC HEAT

No home is too old for low-cost Electric Heat. It can be installed quickly and economically with a minimum of inconvenience. Call our trained heating specialists for free information. They'll gladly study your heating problem and help you select the best heating system for your home. No obligation, of course.

## Pilate Judged

Lesson for March 15, 1964

Background Scriptures: Matthew 27 (11-24); John 18:28 through 18:33; 18:31-37, 38-40; Devotional Reading: John 19:18-22.

THIS WAS ONE of the momentous meetings in history. As so often is true, what you could have seen with the naked eye or with a camera, was not what you could have seen with the eyes of the spirit. To the outward eye, everything was rigged in favor of Pilate. He had the authority; Jesus had never been so much as a village head-man, while Pilate was the colonial governor representing the Roman Empire.

Dr. Foreman Pilate had large numbers of soldiers to carry out his will, Jesus not so much as a single servant-boy. Pilate was officially the judge, and Jesus the prisoner; but now we know (would we have guessed it then?) that Pilate was being judged, not Jesus. Jesus walked out from that hall of "justice" a condemned man; but the verdict of the ages is that it was Pilate who was the guilty one.

### What Pilate thought

It is not mere guessing to suggest what Pilate was thinking, in that early morning court room scene. We know what he said, how he acted, and so we can venture to say what he was thinking.

"I have the power here," he must have thought. Of course. Did not Rome always have the power? What can a young and fearless barbarian (for so Pilate must have regarded his strange prisoner) do against my orders? The Governor could not know that this very prisoner would exert a power through the next twenty centuries far greater than any government has ever been able to impose. There were no societies that held Jesus all over the globe; but where are the Pilate-societies? With Pilate's death his power came to an end. With Jesus' death His power would begin anew.

"This man has done no wrong, but..." Pilate acted unjustly and he knew it. One trouble with that man was that he really cared for something else more than justice. "I have my own career to think of," he thought.

### What Jesus thought

The prisoner looked on the judge with something between pity and contempt. He knew that Pilate knew nothing whatever about the case. He knew that Pilate, like some modern envoys, did not probably bother to learn the language of the people to whom he was assigned as governor—and that he had to depend on the chief priests and other religious leaders of Judea to guide him in his decisions. Pilate listened for the voice of power; and those who made the power-structure in that country all said Guilty: Crucify this man. Pilate like all men in authority had to keep his ear to the ground, he had to know what people were saying. There was no difficulty in hearing them. The streets were full of screams. Luke says sadly that "their voices prevailed."

### Two kingdoms

Yet if Jesus ever had contempt for any man—and he did—he must have felt contempt for Pilate. The governor had one idea of what the real world is; the prisoner had quite another. Pilate believed in what he could see and handle and manage. Jesus believed in a Kingdom of Truth. He was not carried away by the word "King." When Pilate asked him, "You are a king, then?" Jesus said in effect, "King is your word. I was born to bear witness to Truth." This Pilate could not understand at all. A kingdom of truth, of peace, of justice, yes; but a kingdom of truth—what is truth? Jesus had not groveled before Pilate, nor asked him a single favor. But he had offered him his one chance, his last one. If Pilate had shown the least heart-interest in Truth, Jesus would have talked with him. He had talked with rich and poor, great and small before; he would have not refused to speak to the heart of the judge. But it was now too late. The judge had been judged. Is it not so always, when a man faces Jesus, and must choose?

## THE POWER TO STAY

An anchor seems like dead weight, doesn't it? But what mariner would sail without it? For an anchor is not dead weight. It commands the tremendous force of gravity in a wild, raging sea. It can grip solid land to fight driving wind or swirling current!

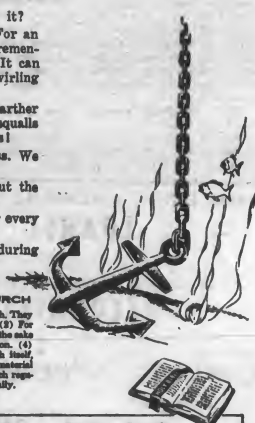

A few men have thought they could go farther faster without religious faith... until the squalls found them drifting helplessly on bitter shoals!

God gave us forces of motion and progress. We see... aspire... achieve.

But the power to go is treacherous without the power to stay.

So God gave us the Truth our churches offer every human heart.

That Truth is man's spiritual grip on the enduring... the eternal.

### THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and read your Bible daily.

larity and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

These projects are to help finance the senior trip to Washington and New York City, which starts April 6.

## Home Enrichment Through Accessories

Enrichment of the home through accessories is the subject for the home-to-door broom sale this month. The home can minister to the spirit of the family members through accessories. Family personalities may be revealed in accessories, says Gertrude Paparotta, Home Agent in Boone County.

Accessories may be useful, such as lamps and ash trays, or ornamental, such as vases or candlesticks. Some factors to consider in buying accessories are:

Good lines which are simple and related to the overall shape of the object. A combination of the old and new is good in accessories. Quality and fewer accessories can be more satisfying with occasional changes. A hand-made accessory can add a charming personal touch. Get fewer and larger accessories of good design rather than many small ones. Good design always remains in style. The accessory may serve more than one purpose. Soft and rich color and texture will remain in style much longer than bright, shiny ones. Select accessories in keeping with the period or theme of the other furnishings.

Some considerations in planning and using accessories are:

An occasional change in accessories can sustain interest in the home. Vary the distance of objects from the edge of the mantel, chest or such. Don't necessarily place things in the middle of the table or hang pictures over the middle. Just as many accessories can spoil the appearance of our dress, too many articles used at one time in the home can spoil the effect.

## ACP SPRING PRACTICES

Farmers who have been considering soil and water conservation practices to be established on their farms with Agricultural Conservation Program cooperation this spring and summer should file their requests for program assistance as soon as possible. call was answered by telling a historical event. Ten members were present.

The meeting was called to order by the president, Mrs. William Gibson, Jr. After the lesson on "Interior Paints and How to Use Them," was given by Mrs. Ed Berkemeier and Mrs. John Hetterman. Refreshments were enjoyed during the lesson.

Chairman reports were made and Mrs. Robert Gibson gave a book review on "Russia," which was very interesting.

The club purchased a used portable sewing machine for Mrs. John Hetterman to use for 4-H sewing projects in All Saints 4-H Club. The committee is still looking for a sewing machine for Walton school—this

is a real worthy community project.

A workshop on "Candy Dipping," was held March 10 at the home of Mrs. June Brewster. On February 12 a candy workshop was attended by four members at the home of Mrs. Thelma Gibson. Everyone seems to enjoy this.

Please keep in mind the pastry lesson March 23 in Florence.

The group had a lot of fun singing, led by Mrs. Nellie Egan. Also, an auction was held and all had a lot of fun—Mrs. Leo Flynn is really a good auctioneer.

Mrs. Robert L. Porter was welcomed as a new member to the club. Members present were: Mrs. Ed Berkemeier, Mrs. Leo Flynn, Mrs. Ed Egan, Mrs. John Webster, Mrs. Wm.

Gibson, Jr., Mrs. Robert Gibson, Mrs. Wm. Gibson, Sr., Mrs. Raymond Brewster, Mrs. Emmett Ward, and Mrs. John Hetterman.

The club missed Pauline and Beatrice Flynn, Mrs. Mildred Cleek and Mrs. Herbert Day.

**Lucky Clover 4-H Club**

The Lucky Clover 4-H Club met March 4 in the basement of St. Andrews Methodist Church. The meeting was called to order by the vice-president, Keith Riddell.

Minutes of the last meeting were read by the secretary, Laine Marshall. New business was discussed, and this pertained to the candy sales. It was decided that the entire club (as a group) would sell 25

bases. Mr. Maddox then showed some color slides of the new 4-H camp in Nicholas County. He also passed out some baking and cooking pamphlets and recipes.

# AMERICA'S most modern refinery now serving Kentucky

With giant strides, the South marches forward.

More industries! More people! More tourists! More income! And—far more automobiles, requiring hundreds of millions of gallons of petroleum products each year.

To match this growth, we have recently completed construction of America's most modern oil refinery at Pascagoula.

Covering 2600 acres, this refinery is fed with crude oil from the Gulf Coast fields through the longest underwater pipeline in the world. With a capacity in excess of 100,000 barrels a day ... it is one of the world's largest refineries.

This new refinery embraces all of the latest technology of oil refining—particularly in the production of more powerful automotive gasolines. These completely new Standard Oil gasolines are on their way to you now. Try them at your Standard Oil dealer's, soon.

Our new Gulf Coast refinery is another example of Standard Oil's planning ahead to serve the South.

## Hard to Heat?

Not ELECTRICALLY!

A huge glass window wall might pose a heating problem in some homes. But, it doesn't in Mr. and Mrs. Fritz Handschuh's home! Electric heating's sunshine kind of warmth floods a room silently, evenly... maintaining the desired temperature... even on the floor. Handy, individual room thermostats are the only visible evidence of this home's concealed electric heating system. The Handschuhs pay \$16.67 a month spread over a year... to heat their 1350 sq. ft. home the clean electric way. Planning to build or remodel?

## WALTON-VERONA SCHOOL NEWS

### Walton-Verona School Picnic

Sometime in the near future, the Student Council is planning to sponsor a school-wide picnic. It will consist of organized games, such as softball, volleyball, and others. Then everyone will bring a covered dish for a pot-luck picnic. The Council is expecting this new type of school party to attract a large crowd.

### Hatley Wins Scholarship

Thomas Hatley, Walton-Verona science and math teacher, received a scholarship from the National Science Foundation. These scholarships are made available by the federal government, the state of Kentucky being allowed 30 of them. The course will enable Mr. Hatley to earn as much as eight hours credit on his master's degree. The classes are to be held from June 5 to July 31. He, along with the others, will travel through Kentucky learning the newest science techniques.

Mrs. Carol Roland, Walton-Verona

### Merit Scholarship Test Taken

Fifteen Walton-Verona Juniors took the '64 National Merit Scholarship Qualifying Test, Saturday, March 14.

This is a three-hour examination which is the first step in competition for four-year scholarships given by the National Merit Scholarship Corporation, an organization financed by corporations, colleges, unions, trusts, and individuals. In 1963, 1528 scholarships were awarded in this manner. The test scores of students who were examined in March will be reported to their schools before May 13. Top-ranking students will be asked to take another test, and if they make high scores the second time, they will be eligible for a scholarship.

## VERONA

Mrs. Fannie Edgington was at Booth Hospital having x-rays made Wednesday and Thursday.

Mrs. Jean Crouch is also in Covington, having x-rays made. Hope neither one proves anything serious. Glad Mrs. Lillie Cooke is able to be out again. She has been confined to her home with the mumps.

## CARD OF THANKS

We can never find words adequate to express our gratitude to Doctor William Walter for his faithful attention to Chambers & Grubbs for their efficient service; to the pallbearers for their assistance; to Bro. Alford and Bro. Tackett for their consolation; to Mrs. Mary Rector and Mr. W.B. for traffic Friday, the 13th, which is good news for everyone.

Morning View and Independence had a neck-and-neck race in population last week as the stark brought three new residents to each. Those from Independence were: Robert and Peggy Souder, March 3, a boy; Louis and Patricia Thornton, March 9, a boy; Edward and Doris Olbert, Feb. 29, a boy. Morning View: Paul and Marie Shepherd, Feb. 29, a boy; Curtis and Joyce Cooper, March 3, a boy; Joseph and Nancy Cook, March 9, a boy.

We have just been informed that as the stark delivered all boys last week, he started this week with two girls, as follows: Tom and Joan Brumback, 5420 Taylor Mill Road, March 12, a girl, and James and Hazel Wesley, 5160 Taylor Mill, a girl.

Two beetles were watching a jet plane high up in the sky. Suddenly

it burst into flames and the pilot stepped on the ejector to get clear. "Man," said one beetle, "dig that crazy toaster."

Carlos Petty, Don Chapman, and Charles Houston went to the ball

game in Lexington, Friday night, where they saw their team defeated. Bud Ryle and wife of Cincinnati, were guests of his sister, Mr. and Mrs. Charles Dorsey, Sunday.

Best big cars you can buy. Our 1964 Chryslers. They're engineered better... backed better than any car in their class. Backed by 40 years of engineering leadership. We're proud as peacocks of all of 'em: Luxurious New Yorker. Sports-bred 300. Easy-to-own Newport.

Best deals in town. Big, fair trade-ins. Nice, wide price range, too. We can put you in a big beautiful Chrysler for as little as you'd pay for some models of the low price field. Stop in and talk price with us. Today.

Best warranty in the business—bar none! Chrysler's 5-year/50,000-mile warranty gives you over twice the protection on the vital moving parts that you'd get on other cars. Solid protection for a solid investment. Read what the warranty covers below.

**CHRYSLER'S 5-YEAR/50,000-MILE WARRANTY WITH THIS COVERAGE:** Chrysler Corporation warrants, for 5 years or 60,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motors Corporation Authorized Dealer's place of business, the engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings of its 1964 automobiles, provided the owner has the engine oil changed every 3 months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the carburetor air filter cleaned every 6 months and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.

## This man could be saving you money!

How? By installing Electric Heat in your home. You save three ways. Electric Heat costs less to install than most of the old-fashion heating systems. There's no expensive duct work or major alterations to walls and floors.

Electric Heat is an inexpensive way to heat your home. You pay *after* it's used; no big bills or fuel storage problems. Finally, you save worry and enjoy new comfort with the modern heating system. It's flameless! Temperatures can be adjusted to "just right" warmth for each individual room.

You'll be surprised how little it costs to install Electric Heat... and how much it adds to your family's comfort and happiness!

## ELECTRIC HEAT

Learn more about low-cost Electric Heat... the modern way to heat your home. Our heating specialists will gladly study your heating problems and help you select the best heating system for your home. Call or write today for free information. No obligation, of course.

**THE BIBLE SPE**

By DR. KENNETH J. FOREMAN

**How Two Men Died**  
Lesson for March 22, 1964

Background Scripture: Luke 22:33-47.  
Devotional Reading: Luke 22:44-54.

**D**EATH CAME to three men on the same afternoon. We cannot say that "as it must to all men, death came to these," for the three died by cruel violence. They died, in fact, by being executed. It was a form of death that was meted

out only to the most degraded of men—traitors, slaves, the worst of criminals. The punishment was crucifixion. We have been so long accustomed to glamorized pictures of the cross that we forget how horrible it was. Naked men were fastened with nails to their crosses. No fatal blow was struck, the men were just left to die. Gradual loss of blood would bring on a torturing thirst, and death was slow in coming. Victims often took two or three days to die, and most men would go insane before the end came.

**Dr. Foreman**  
The two men crucified to the right and left of Jesus were marked as bad men, and would be considered dangerous in any country at any time. They were not "sinners" in the 20th century meaning of that word. The Greek word for them means robber, bandit. They were the kind of men who do not hesitate to commit murders in order to rob their victims. The police and the public breathe more easily when such men are executed.

One of these men died as he had lived, his hand against every man's. Hung up there to die, he kept his bitter heart to the end. Whoever had condemned him to be crucified was not now out there in the crowd. The robber hated the other side joined for a while in the Jews (Matthew and Mark both recall that the two men taunted Jesus) but changed his mind; this bandit kept his bitterness and died in it.

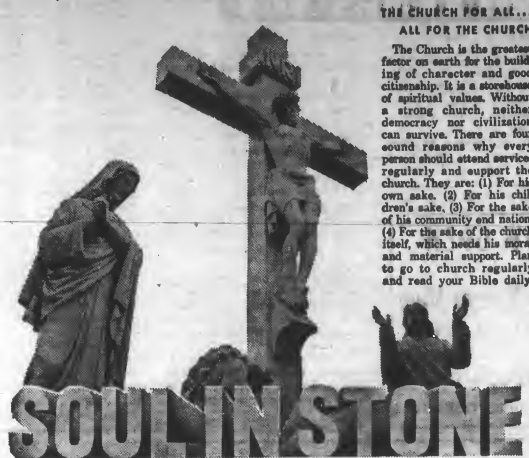

**Death under a promise**  
The other victims were just as dead, when sunset came, as this angry outcast. But they came to their end in a quite different way. Consider the other bandit. He was just as bad a man as his partner on the far cross; he admitted guilt for both of them, acknowledged that what they suffered, they deserved. Somehow he knew that the man on the central cross did not belong there. Whether this bandit had ever heard of Jesus, or seen him before we do not know. But criminal though he was, he had a clearer insight into the situation than all the high priests. He has done nothing wrong, he said. And then he says a strange thing to Jesus. Remember me when you come in your kingdom! he said.

Jesus answers the faith with a promise: Today you will be with me in Paradise. Just as simple as making a lunch date. Under that promise he died, not in bitterness like his partner in crime, but in hope and faith. Christians from then to now die as other men die, yet not as other men in spirit. For every Christian dies under a promise: "I am the Life."

**The hour of hope**  
All sorts of gloomy things are said about death, and we are supposed to feel bitter about it. But Christians know better. Grace Noll Crowell wrote a poem about death, and she called it "This is His night." Saint Paul, first Christian to put on record his thoughts about death, calls it a departure,—"going to 'be with the Lord'." Death is not merely what so many millions think it is, the end of all things. It is the end of a great deal, to be sure; but it is actually a commencement. Death ends many things but it does not end you. If that first bandit's spirit survived death—and we believe it did—what kind of future would he have? If the second man's spirit survived—and Jesus assured him it would—what kind of future would he have? Luke tells the story; he leaves us to draw our own conclusions.

### THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

What do you see here? Figures of statuary? A symbol of religion? A monument to the Master?

Look with your heart and you'll see something else. You'll see the soul of the sculptor.

A man mightily inspired—who wanted with his talents to worship Christ—who took stone and chisel and hammer... and all the strength of his body... and all the faith of his heart. He said to the world with his Art-Words that which he could never have spoken with his lips nor written with his pen.

For twenty centuries Jesus, the Saviour, has inspired our best. In the annals of mankind a million thrilling breakthroughs in human achievement have been dedicated to His service.

So never pass the humblest creation of sacred art—not even the crayoned Bible-picture of a child—without remembering that you too have a soul. And talents to give your God!

Taylor Mill P.T.A.  
Honors Girl Scouts

In observance of Girl Scout Week, the Taylor Mill P.T.A. meeting on Monday, March 16, honored Girl Scouts of the area. Devotions were given by Mrs. Joseph Wren, followed by a vocal trio composed of Mrs. Richard Williams, Miss Geraldine Sherrard, and Mrs. Jas. Ostendorf, who offered the lovely inspirational song, "Were You There When They Crucified My Lord?"

Mrs. James Dorman, program chairman, introduced Mrs. Byron Galloway, Girl Scout Neighborhood Chairman, and extended a welcome to five troops of Brownies, Girl Scouts, and Cadets. A Girl Scout flag was presented the group by the school. Representatives of each troop were color bearers as the entire group gave the pledge to the American flag, and repeated the Girl Scout and Brownie oaths. The program was then carried out on an individual troop basis, each troop introducing their leaders. These were Mrs. Ralph Corbin, Mrs. Al Boese, Mrs. Pat Thompson, Mrs. Sadie Wilson, Mrs. Dan Hermes, and Miss Sandy Hall. Co-leaders assisting in the program were: Mrs. Ollie Miller, Mrs. Betty Hesselman, Mrs. Madge Miller, Mrs. Margie Cooper, and Mrs. Chapin. The Sunny Acres Methodist Troop had an attractive display of stone mosaic pictures, which was one of their recent projects. The Cadet Troop had a poster display, having made these to enter in a "Scout-a-bout" contest.

The room count was won by Mrs. Sizemore's fourth grade. Refreshments were served by fourth grade room mothers. It was announced that Ginny Swartz and Laura Bishop will represent Taylor Mill in the Kenton County Spelling Bee.

## Dance At Latonia Lakes

The Ladies of The Lakes will sponsor a "Spring Dance" Saturday, March 23, beginning at 8:00 p. m. in the Latonia Lakes Club House. \$1.50 per couple.

The publicity chairman, Mrs. D. Ballinger, said, "If you like the old fashioned square dance or even the more modern dancing, then come and have a swinging good time." Music will be furnished by the Kane-Tucks.

## On Nominating Committee

A Boone County alumnus of the University of Kentucky is chairman of the Nominating Committee, selecting officers for the Greater Cincinnati UK Alumni Club.

Douglas Holiday, of Union, will make his committee's report on Thursday, April 2, when the club holds its luncheon meeting at the Netherland Hotel, Cincinnati.

## 4-H Club Talent Show, April 4th

The Kenton County 4-H Club Talent Show will be held at Twenholme Junior High School on Taylor Mill Road, Saturday, April 4, beginning at 7:30 p. m.

All 4-H Club members may enter the talent show. Each club will be permitted to have one club act and specialty acts according to the membership. The secretary of each club should register their acts with the 4-H Club agent.

A club act must have 20% of the club members or five members, whichever is greater, in the act. The time limit for the club act is eight minutes. A specialty act must have four members or less involved and shall be limited to three minutes.

The purpose of the show is to provide an opportunity for large numbers of boys and girls to express themselves, thereby gaining poise, confidence and developing character. Everyone is invited to attend the show and pick their favorite.

Winners of the county show will represent Kenton County 4-H Clubs at the District show to be held at Conner Junior High School, Hebron, Ky., April 18.

Advertiser Has A  
New Type Face

Beginning with this issue, the Advertiser will be printed in a new and extremely legible type face known as Corona. You will probably notice the change the moment you pick up your paper today.

Corona was scientifically designed by typographical experts of Mergenthaler Linotype Company. It is a type face styled specifically for use in modern newspapers where a clean-cut, plain letter can mean the difference between easy reading and the discomfort you get from the "cramped," filled-in letters of some type styles.

Some of the old type was used on the inside pages...make a comparison. Because we believe our readers share our pride in producing a good newspaper, we know you are going to be as pleased with the Advertiser's new look as we are.

Winner In 4-H Dairy  
Production Contest

Barbara Wolasing, Kenton County 4-H Club member, won fourth place with her Guernsey in the Kentucky 4-H Dairy Production Contest. She is the daughter of Mr. and Mrs. George Wolasing, Jr. of Independence.

The winners of the 1963-64 4-H Dairy Production Contest were announced during the Kentucky Dairy Cattle Breeders' Institute at the University of Kentucky. This contest is designed to better acquaint 4-H members with the necessity of good dairy practices. The contest is open to any 4-H Club member who has one or more producing cows as his project. The member submits monthly reports of production and feed costs and at the end of the contest a project story is required. The contest is judged on the feeding and management methods used, completeness and promptness of submitting monthly reports and project story and the production of the cow.

Kenton County PTA  
Council Meeting

The Kenton County PTA Council met at the Covington YMCA on March 16, with the president, Mrs. Frank Palmer, Jr., presiding.

PTA units answering roll call were: Bromley, Caywood, Crescent Springs, Dixie Heights, Kenton Elementary, Ludlow, Park Hills, Piner, Ryland Heights, Simon Kenton, Taylor Mill, Turkeyfoot, Twenholme, and Visalia.

The nominating committee made their report as follows: President, Mrs. Frank Palmer, Jr.; first vice president, Mrs. Vincent Hartje; second vice president, Mrs. James Thomas; recording secretary, Mrs. M. P. Fletcher; corresponding secretary, Mrs. C. C. Adams; treasurer, Mrs. Wesley Hall. These officers will be installed at the May meeting.

Mrs. Kenneth Blake, the safety chairman, reported the winner of the Safety Poster contest was Mike Straw, a sixth grade student at Kenton Elementary. Both second and third place ribbons were awarded to Tom Funk, an eighth grade student at Ludlow.

The program was in charge of the Northern Kentucky Toast-mistress Club. Mrs. John Keene gave a very interesting talk and then called on several council members to speak. Mrs. Keene introduced Miss Mary Ann Morgan, City Librarian, who presented her winning speech, "The Pirates." This presentation should make her a winner in the National Speech Contest.

The next meeting, May 18, at the YMCA, will be a luncheon affair. Reservations should be made to Mrs. James Thomas. The Peggy Kinsey award will be presented at this meeting. All chairmen are requested to have their written reports in at this time.

Mrs. A. L. Stone announced that Kenton County Day at Coney Island would be June 4.

## F.H.A. DEGREE PARTY

The Future Homemakers of America at Simon Kenton High School are working on their degrees. On March 3, the girls who are working on Junior degrees met at the home of their advisor, Mrs. Gayle McElroy, in Walton.

The degree party was given to help the girls understand what the Junior degree requires. The degrees were fully explained by page, and the girls worked from 4:00 to 6:30 p. m., and then ate dinner. Each girl was responsible for one dish and Mrs. McElroy furnished the meat and drinks.

Those attending the meeting were Billie Cheesman, Linda Conline, Connie Coy, Donna Grizzell, Jane Kunkel, Sandy LaFollette, Charlotte Richardson, Linda Simpson, Doris Wicklund, and Mrs. McElroy, and Rita Trapp, the second vice president.

The girls learned about the Jr. degree and are now working hard so that the degrees will make the temperature rise this year in the Simon Kenton Chapter of Future Homemakers of America.

## D. L. Maddox In Hospital

Dr. D. L. Maddox, North Main Street, Walton, apparently suffered a stroke at his office Monday morning. He was removed to Booth Hospital, Covington, where doctors were making tests. At this writing his condition is serious.

### W-V Basketball Banquet

The annual Walton-Verona Basketball Banquet was held in the school lunchroom on Tuesday, March 17. The F.H.A. girls prepared and served the meal under the direction of Mrs. Shirley Frost. Eugene Robinson, superintendent, gave the after-dinner speech on team spirit, improvement of attitude, and how to make the team a success.

Freshman and junior varsity letters were awarded by Thomas Hatley, assistant coach. Mrs. Carol Roland presented cheerleader awards. Letters were given to all cheerleaders, except Paulette Chance, who received a jacket. Paulette, the only senior cheerleader, has been on the squad since the eighth grade.

Howard Brann, coach, presented jackets to all varsity players meeting requirements. They were: Tom Kirk, Gary Rolden, Dewey Mulford, Steve Collins, Dale Chapman, Dennis Rich, Mike Simpson, Chas. Chipman, Harry Sleet, and Billy Gamble. Steve Collins had given more service than any other player, having been on a school team ever since the fifth grade. Paul Wilson and Allen Rust, managers, also received jackets. The program was concluded by closing remarks by John Shoemaker, principal.

### Veterans Administration Questions and Answers

Q—A friend of mine takes "War Orphans Education" courses and her mother is living. How can she qualify as an orphan?

A—The War Orphans Education

Program (which now also includes children of peacetime veterans under certain conditions) was set up for children whose veteran-parent died because of service-connected disabilities. For the purpose of the program, such children are considered orphans even though the other parent still lives.

Q—Are there VA hospitals in Alaska and Hawaii?

A—These are the only two states that do not have a VA hospital within their borders.

cedures which this action permits, the department expects most of the labels to be changed promptly." The USDA announcement said. Use of endrin on leaf tobacco formerly permitted its use at the rate of 0.06 to 0.6 pounds per acre. However, data now available, shows increasing amounts of residue of endrin on the cured leaf.

Recommended spring oat varieties for Kentucky are MO. 0-205, and Andrew, both of which are rust resistant.

Seed supplies may be short this year, another reason for planting during March.

If barley and oat fields are a loss because of poor or late germination of these two small grains, replant these fields with spring oats.

Farmers should not use winter oats for spring plantings. Winter oats planted during spring will have poor yields and poor test weights.

Buy certified seed for best yields and performance. Treat the seed on the farm or buy treated seed.

## COUNTY AGENT'S 1/2 ACRE

By Joe Clezon

Most soils in Kentucky need annual applications of phosphates and potash to produce high yields of alfalfa and maintain stands. Top-dressing with fertilizer should be done this spring.

Soils low to medium in available phosphorus and potassium need annual applications of 60 pounds an acre of phosphate and 120 pounds an acre of potash (P205 and K2O).

If a soil needs only one of these elements, the aforementioned amounts of that element only should be applied.

Two pounds of actual boron per acre should be applied annually or four pounds every second year. This can be applied as straight boron fertilizer or in a fertilizer mix.

Farmers producing less than four tons of alfalfa hay an acre are not getting the most economical production.

Do the top-dressing anytime this spring that the ground is firm enough to support spreading equipment. Have soil tested.

The U. S. Department of Agriculture has notified manufacturers of the insecticide endrin that the department has withdrawn acceptance of this insecticide FOR USE ON TOBACCO.

## HOLY WEEK SERVICES

The Community Good Friday services will be held at the Walton Christian Church on Friday at 1:30 p. m. This service will last one hour. Rev. Walter Garriott of the Methodist Church, and Rev. William Moore of the Christian Church, will be the speakers.

Members of all churches are cordially invited to participate.

Easter Sunrise services for the churches of the Walton community will be held at the Walton Methodist Church at 6:30 a. m. Rev. William Moore of the Christian Church will be the speaker. Other ministers participating in the service will be Rev. Walter Garriott, Rev. George Hoffman, and Rev. Wilbur Davis.

## SUNRISE SERVICE

Sunrise services will be held at the Walton Church of God, at 6:30 Easter morning. There will be special music and songs, according to the pastors, Rev. and Mrs. Dee Gadd. Everyone is cordially invited to attend.

## WHITES TOWER

Mrs. Ralph Howard—356-5858

Here we are in spring and next Sunday will be a gala day, Easter bunnies, eggs, spring bonnets, and a good turnout of church goers. Let's hope it will be a pretty day for Easter egg hunts, which is always a delight for the kiddies.

Miss Ruth Burke of the Tower, had a bone broken in her foot and has it in a cast to her knee, but is doing fine.

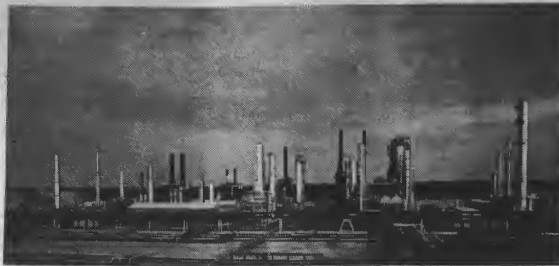

Mrs. Charles Kelton of Taylor Mill, returned from the hospital, Saturday.

Mrs. Grace Bach of Independence, is also home from the hospital.

Miss Peggy Binder of Roselawn Drive, was tendered a bridal shower Friday evening at the home of her grandmother.

Mrs. Tom Nunery of Roselawn Drive, has been on the sick list but is much better now.

Mrs. Wayne Bridges of Fiskburg is on the sick list with a gripe. A very beautiful and impressive service was held at St. Cecilia Church, Sunday evening with the closing of 40-hour devotion. The church was beautifully decorated in yellow and white chrysanthemums and some 22 priests took part in the service.

New Pascagoula refinery of Standard Oil Co. (Kentucky)

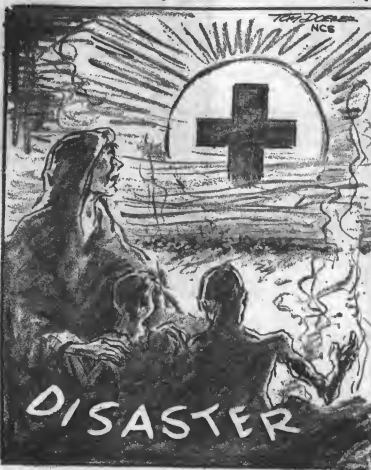

The fast-moving industrial upsurge of the Southwest was given added impetus as the new Pascagoula (Miss.) refinery of the Standard Oil Company of Kentucky was placed on

full stream. With a capacity in excess of one hundred thousand barrels of oil a day, this new refinery is America's most modern, and one of the largest

in the world.

Covering 26,000 acres, it is fed with crude oil from the Gulf Coast fields through the world's longest underwater pipeline.

## BANKLICK

—Mrs. Lola Pernell, Reporter

New Banklick Baptist Church is having a revival March 29 through April 12, at 7:30 p. m., with Rev. Vernon Duncan as speaker. Everyone is invited.

The church wishes to thank Walter Shinkle of Ten Mile Baptist for the wonderful message on Wednesday night.

We were sorry to hear Mrs. Harley Tippet is sick and wish her a speedy recovery.

We were glad to have Mrs. Pearl Overbay of Verona, a visitor at our church, Sunday, and welcome her back.

We were also glad to have Mrs. Williamson back with us again. We were glad to have Mr. and Mrs. Robert Tackett move into our neighborhood.

Mr. and Mrs. Kenneth Tomlin had as Sunday guests, Mr. and Mrs. Walter King.

We are to have Sunrise services at New Banklick Baptist at 8:30 a. m., Easter morning. Everyone is invited.

We extend our deepest sympathy to the Melvin Brown family in the death of his mother. If anyone in the community has any news to put in the paper, call 359-4263.

## CARD OF THANKS

We wish to thank our many friends who were so kind to us during the illness and death of our dear mother, Mrs. P. E. Glacking. Your many acts of kindness will never be forgotten. We especially want to thank Mr. and Mrs. B. N. Spegal and Mr. and Mrs. Marlon Collins, Jr. for their hymns; Mrs. Frances Stanley for the beautiful music; the ministers, Bro. Paul Stamper, Bro. Ben Hubbard and Bro. McGibney, for their prayers, words of hope, and comfort; donors of the many beautiful floral pieces, and food; Elliston & Stanley, funeral directors, for their efficient services. May God richly bless each of you.

## Social Security Notes

Within the past several weeks most workers in the Boone County area got a form W-2 from their employers. This form is a statement of their salaries or wages for 1963, and the amount of taxes withheld.

For 9 out of 10 wage earners, social security taxes of 3 5/8 percent were taken out of the first \$4,800 of their earnings.

James W. Myers, field representative of social security in Boone County, suggests that every worker should occasionally ask for a statement of earnings credited to his social security account. This statement can be compared with personal records, such as the withholding tax form, to be sure the social security record is correct. It's even more important for the worker to do this if he has held several different jobs during the year.

Mr. Myers said it is very easy to get this statement from social security. His office has a pre-addressed post card used to request a wage statement. Future social security post card held to request a wage posted to the worker's account. For this reason, it's important for the wages to be correctly reported and credited.

To get the post card form or for other information, write, call or visit the social security office at 309 Garrard St., Covington, 431-5274.

The Oak Ridge Homemakers' Club met March 17 at the home of Mrs. John Love. Mrs. T. B. Renaker opened the meeting by reading a poem and leading in prayer. Mrs. Stanley Ashcraft told the members that most ornamental shrubs needed feeding by a good fertilizer every four or five years. The fertilizer should be spread on the ground under the branches, not directly around the trunk. The winter mulch should not be removed from plants too early as the sprouts under the mulch are very tender and will be killed by late frosts.

**What Is Home Ec At Simon Kenton?**

The strength of a nation depends to a great extent upon the strength of homes and family living in communities. Home and family life education is an important phase of the total program of education. The over-all purpose of vocational home economics education is to help prepare individuals for the responsibilities and activities involved in homemaking.

Home economics at Simon Kenton High School is composed of seven areas. The seven areas are Child Care, Clothing, Foods, Health, Housing, Management, and Relationships.

In Home Ec I, the management area has two units, "Living in the Department" and "Be Thrifty with Your Time, Money and Energy." This helps the girls to learn the importance of budgeting their time, money, and energy.

In Home Ec II, some of the units in the clothing area are, "Planning, Buying, and Caring for Clothing" and "Making A Sports Garment." Girls learn to care for their own clothes.

In Home Ec III, some of the units in the foods area are "Meals for Three Days" and "Vegetables for Future Use." The foods unit helps girls to prepare foods for future use as well as for three meals a day.

In Home Ec IV, in the Relationship area, the unit the girls are studying now is "Looking Toward Marriage."

All Home Ec girls have home projects. They work at home on a project first semester, second semester, and also during the summer. During the four-year program, the projects should have covered all seven areas of homemaking. In the summer Mrs. Helen McElroy, the Home Ec teacher, visits the girls at their home to help them and check on their summer project.

The Home Economics program at Simon Kenton helps the girls to prepare for their future as well as learn better methods of homemaking to use in their lives now. The Simon Kenton Home Ec girls are on the move forward to a bright future as homemakers and as individuals.—Rita Trapp

**OLDER THAN THE NATION!**

The first insurance company in this country is older than the United States itself. It was a Mutual Insurance Company founded with the aid of Benjamin Franklin in Philadelphia on March 25, 1752. The Declaration of Independence was adopted by the Continental Congress on July 4, 1776—24 years later. The first "Stock" insurance company was not started until 1792—forty years later.

Mutual Insurance is now in its third century of service to the American people. It has been thoroughly tested by two World Wars, depressions and numerous catastrophes.

March 22-28 has been designated as **MUTUAL INSURANCE WEEK**—a time for dedication to the Mutual principles of protecting well—serving better and saving policyholders part of their insurance costs.

## 20 YEARS AGO

MARCH 30, 1944

Twelve boys from our local area are leaving for the Navy and Army next Tuesday, April 4: William Jarnell, employee of this paper; Ward Rice, our grand mail carrier; Harold E. Coffey, Wilbur Strouse, Glenn Laws, Aubrey Eckler, Fred Winkle, Harry G. Dickerson, Melwood Floyd, Chester Fugate, Roy Chapman, and Robert B. Denny.

A surprise shower was given to Rev. & Mrs. Garrett, the new pastor and his wife, by a large number of the members of the Walton Baptist Church. Food, many useful household articles were given. Most pleasant evening was spent together.

"Accessories" add the finishing touch to your home was the major factor emphasized during the project lesson presented to the Ryland Homemakers Club by Mrs. C. J. Castleberry and Mrs. F. B. Hermes when they convened recently at the home of Mrs. Hermes. The leaders defined the various accessories brought to the lesson and grouped them to carry out a theme or basic idea to add beauty, utility and friendliness to your rooms.

Reading chairman, Mrs. Everett

Wilson, read a poem, "A Prayer for Parents," during her devotion period.

Mrs. J. H. Lawson, garden leader, distributed bushel gourd seeds for members to plant indoors for an early start and she suggested trying out a new vegetable and flower this year.

Recreation program was presented by Miss Ruth Schmidt and prizes were given on the quizes.

Mrs. Harold Halthill conducted the business meeting and plans were made to hold a "white elephant sale" at the April meeting when the club's hostess will be Mrs. J. H. Lawson.

Co-hostess, Mrs. Everett Wilson, assisted in serving guests Mrs. John Stevens and Mrs. Fenton True, and other members, Mesdames A. R. Hicks, William P. Schwall, J. D. Leinhardt, Hugh Craigmyle, George Campbell and Morgan Metzger.

## BILLION DOLLAR BABY!

OUR greatly reduced "Big John" freight rates on grain are proving to be a real bonanza for the South, opening the door for the development of a great new livestock and fat-cattle industry. Agricultural experts and colleges in the South say it can become a billion-dollar-a-year industry.

Until a few short months ago, high freight rates on grain moving from the grain-surplus Midwest to the grain-deficit Southeast blocked the development of this industry. Then "Big John" came along. This is our lightweight, high-capacity freight car that made it possible for us profitably to offer greatly reduced rates on grain. So now, for the first time, it is possible for the South economically to bring in the grain needed to raise its cattle and hogs at home instead of sending the livestock elsewhere for fattening and return. At present, the South annually consumes one billion pounds more beef than it produces. The same is true of pork.

Conditions are ideal for the development of this industry in the South. As it grows and expands, more feed mills, feed lots and packing houses will be needed and built. "Family-size" farms will have a greater oppor-

tunity to profit and grow. New jobs will be created. Families in the South will eat better at lower cost.

To help the South realize the full potential of this promising young livestock and meat industry, Southern created a new Department of Agri-Business Services. It is staffed with men having life-long and successful experience in agriculture, livestock and poultry raising, and related activities. These specialists already are hard at work helping the South write still another chapter in its inspiring story of successful economic growth and diversification.

This is one more way in which Southern is increasing its usefulness to the South. All in the South benefit.

## OAK RIDGE

Shirley Tollett, Reporter

Recent rains have been good for cisterns, but they did a lot of damage, too. They washed Lipscomb Road badly, and a lake dam we had just fixed last fall was washed out. Many people in the area will have to repair roofs and paint paper where the high winds blew off shingles and then the rain leaked in and ruined the ceilings. One night we were awakened by what sounded like a bomb going off right over our heads, but which was actually lightning striking a big catalpa tree next to our barn. It cut a hole two inches deep and from 2 to 10 in. wide from the top of the tree to the ground.

Mr. and Mrs. Spencer had the misfortune of having the front basement wall of their new house on Lipscomb Road cave in during the hard rains, and it was really a muddy job to have to clean it up and rebuild the wall.

All the college students from UK were home last week for spring vacation.

We hear that Lee Summers had his

face pretty painfully burned last week.

Mr. and Mrs. Henry Heidel and children were recent guests of Mr. and Mrs. Eugene Heidel of Klette Road.

We have been watching a pair of purple grackles by our bird feeder. Many people call them black birds, where actually there are four birds in this area commonly called black birds, but only one is a true black bird, and that is the red-winged black bird. The purple grackle is a large bird with a long tail, yellow eyes, black beak and feet, and is a shiny dark bronze in color with an iridescent bluish purple head. The starling is smaller than the grackle with black eyes, yellow bill, pinkish yellow feet, and is either black or speckled, depending upon the time of year. It has a much shorter tail than the grackle.

## Easter Faith

Lesson for March 29, 1964

Background Scriptures: John 8:1-46,  
Provisional Reading: Corinthians 11:43-57.

**E**ASTER IS a Christian festival. That seems to insult our intelligence, perhaps? No offense is intended. But Christians as well as non-Christians need a reminder that apart from the Christian faith there would be no Easter. All sorts of people try to latch on to Easter, so many in fact that it is observed as a holiday season by millions of people who have not the least idea what it really means.

Dr. Foreman: What word goes most often with "Easter" in newspapers and greeting cards? Over and over you will see or hear the expression, Easter bonnet, or Easter outfit, or Easter parade. A day to show off, to dress up to the nines and in fact try to out-dress everybody else; to make yourself into a fashion model. Sometimes the reason is given that because this is the season when all nature is bright and singing, we should be bright and gay ourselves. But of course this is not it, it isn't even a parody, it is not the Easter idea at all.

It is not a festival to celebrate the returning spring. There is a poem which is quite lovely and yet makes a sad mistake about God. The last lines go:  
"Green April is thy very soul,  
Thou great Lord God!"  
But green April is not God's soul. Its beauty was no doubt in God's mind before the world began; but God's soul is not a season of the year.

**Faith on the first Easter**  
Easter does not celebrate even immortality or resurrection, though this is getting warm. On the first Easter morning in Jerusalem, what disciple of Jesus was happy? Not one, so far as we know. The disciples were anxious, downcast, in dire confusion. In a few hours it was quite different; but when that Sunday morning dawned, although all Jesus' friends so far as we know believed in immortality or resurrection, they were not made happy by that belief. We have two examples in John's story: Mary Magdalene and Thomas the apostle. Each of them began the day in confusion and sorrow. Spring had come, but how empty and mocking spring can be to a grieving heart! Mary on that very day, and Thomas a week afterwards, came to the Easter truth, the great fact: He is risen! That is the right message of the day. Not, we shall live again (although that is included), but He lives. By His resurrection Jesus was proclaimed Lord of death and the place of the dead. (See Rev. 1: 17-19.) Now Mary and Thomas were quite different in their own expressions at their first discovery of the truth. Thomas said "My Lord and my God!" while Mary Magdalene said only "Rabboni!" which means "My teacher." Mary had a long way to go before she came to have the faith of Thomas; but Christ does not rebuke her for not being humble enough. If you start with realizing that in Christ we confront one who has battled with death and won—a victory for us all—and if you keep on thinking what that means, you will be sharing the meaning and message of Easter tide.

**Because He lives...**  
If that had been all it would have been enough. But there is something more. Christians have long believed: Because He lived, I too shall live! The writings of St. Paul are bright with the thought that we share in the risen life of Christ. The Resurrection, which is the reason for Easter, is also, and more importantly, the reason for the Christian's life of joy. Easter is not merely a time to re-tell wonder stories from the days of old. It is not a time to celebrate the heroic triumph of Jesus of Nazareth alone. It is a time to begin to share in the triumph. Each Christian is set free to say, because this is His Day, it is my Day no less. What does it benefit us that a light brighter than the sun shone in Joseph's garden long ago, if no light is kindled in your own soul?

## All dressed up for EASTER

We know a dour old philosopher who always has something nasty to say about what makes others happy. His latest diatribe is against folks "parading to Church in all their Easter finery."

But he won't get far with his complaints. For, strange as this might sound, the modern Easter "outfit" has its root in the very meaning of the day.

Easter has always stood for newness of life. It marks Christ's victory over death. It promises an eternal destiny to those who embrace the Faith.

Easter puts old things away and brings out the new — as the Earth sends forth its verdure — as God reveals our Hope.

And if there is a glow of happiness in wearing that new dress or hat or suit... well, it's only a hint of the joy that comes with finding that New Life.

THE CHURCH FOR ALL - ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sacred seasons every year when we should attend services regularly and read your Bible daily.

A Look At  
Education—by—  
Eugene Robinson

I would like to devote this week's article to a very serious problem that we have experienced and a problem that many Kentucky schools are experiencing. This is the problem of attendance. Many students and parents do not see the importance of regular attendance.

Normally at the Walton-Vernon High School (grades 7-12) we have between 15 and 18 absent or about 5 or 6%. Last week this jumped to 68 or about 23%. Some of this increase was because of the state basketball tournament, however, the greater part of it was for some other reason. In some cases when parents were contacted about their child, they thought he or she was in school and if they were not the parent did not know where the child was and in some cases didn't seem to care.

The state law requires that each parent, guardian or other person residing in the state and having custody or charge of any child between the ages of seven and sixteen shall send the child to a regular public day school for the full term that the public school of the district in which the child resides is in session, or to the public school that the board of education of the district makes provisions for the child to attend. There are four exceptions to this law and they are: (1) a student who has graduated from high school, (2) a student who is attending a private or parochial regular day school, (3) a student who is mentally or physically unable to attend, and (4) a student who is blind or deaf.

The law further states that any child who has been absent from school without valid excuse for more than three days, is a truant. Any child who has been reported as a truant more than three times is an habitual truant. Being absent for less than half of a school day shall be regarded as being tardy.

I know that sometimes emergencies arise at home that requires the child being absent. Some of these might be some emergency work that the father would have, an unexpected trip, parents making trips on vacation that have to be made in the winter or severe illness of a member of the family. However, in about 95% of the cases the only valid excuse is death in the family or the child being sick.

Since I have been in the Walton-Vernon School, we have tried a

## ZIP Code Is Essential

The ZIP Code is "absolutely essential" to modern postal service "and we could not possibly do without it," Postmaster General John A. Gronowski said today.

Contrary to some recent press reports that the Post Office Department intends to "scrap" the nine-month-old Zoning Improvement Plan, Mr. Gronowski said that ZIP Code "is very much alive and healthy."

"Scrapping the ZIP Code program," he said, "is about as silly an idea as going back to the Pony Express."

## PLAN 4-H CANDY SALES

Planning the final details of the 4-H candy sales in Boone County, to be held April 3-11 are, from left to right: Mrs. Almada Rea, Beckham Shields, Mrs. Russell Clark, Wayne Singler, and Mrs. Jack Armstrong.

These persons plus many more 4-H leaders and 4-H members are having this candy sale to raise money for the new District 4-H Camp now under construction near Paris, Ky. This new year-round center will be completed and open

Simon Kenton PTA  
To Meet April 6th

The Simon Kenton High School P. T. A. will hold its April meeting Monday night, April 6, at 8:00. Mrs. Howard Fredericks, president, will preside. There will be an election of officers for the coming year following the business session.

Mrs. Wesley Hall, the program chairman, will present a two-part program. The Speech Class, under the direction of Miss Elsie Hite-man, will present the first half of the program. She will present six of the superior rating winners in the Northern Kentucky District Speech Events. The participants will present the selection that won them the superior rating.

The second half of the program will be presented by David Skeen of the Covington Y. M. C. A. His presentation will be a panel comprised of students representing high schools in the surrounding area. The title of their presentation is "Moral Education—Youth Seeks Answers." Those participating on the panel will be Mike Sebastian of Simon Kenton; Brook Baker of Beechwood; Pat Donley of Holmes; Suzanne Woodyard of Dixie, and Mr. Skeen will serve as leader of the panel discussion.

## Don Davis OK in Alaska

A/3c Don A. Davis, son of Mr. and Mrs. Louis Davis of Richmond Road, radioed a message that he was safe and in no danger in the recent earthquake in Alaska. The message was picked up by a ham radio operator in Louisville, who in turn called his parents Monday night.

Don is stationed in Cape Romanzoff, Alaska, and took the chance that his message would be received by some ham operator, since there was no other means of communication.

## Firemen's Auction at Piner

The Piner-Fiskburg Volunteer Fire Department will hold a community auction Saturday, April 4, beginning at 10:00 a. m.

The fire department is asking the people of these communities for something. Most everyone has something of value that they do not need, so please help the firemen. If you can deliver it to the fire house at Piner, so so, if not, contact after 6:00 p. m., 359-4640, 359-4833, 359-4475 or 359-4863. The department will raise all item for a 10% commission.

## Dinner at Staffordburg

Staffordburg Methodist Church is sponsoring a ham and roast beef supper Saturday, April 11, 5:30 to 8:30 p. m. at Twenheff Junior High School, Taylor Mill Road. Watch for details and prices next week.

WV SENIOR PLAY TO BE  
PRESENTED FRIDAY, APR. 3

The Walton-Vernon High School senior class is to present the comedy, "Room and Bored," to the general public on Friday, April 3 in the school auditorium.

The setting of the three-act play is at a lakeside resort where an author and his family are vacationing. Tom Kirk and Debby Afterkirk play the parts of Mr. and Mrs. Raymond Collins, middle-

aged parents of two teen-aged daughters. They are usually calm but many things happen to upset them. Jean Collins, portrayed by Stella Chipman, is the 15-year-old daughter who is full of life and a lover of sports. Tony Foster, the 15-year-old caretaker of the resort, played by Steve Collins, falls hopelessly in love and finally wins over many obstacles.

Profits made from the play will be used to finance the class trip to Washington and New York.

Cancer Crusade  
Now Under Way

45,000,000 Americans now living will develop cancer...these are the hard, cold statistics now before us, and if permitted to stand up will affect every family in America. The American Cancer Society, through funds raised in its annual Cancer Crusade, is fighting this through education, research and treatment. We read nearly every day of advances being made toward the prevention, control and cure of this disease. Perhaps our direst information this year will spell victory, and the 45,000,000 will remain a statistic rather than a fact. Surely Boone Countians will join the fight by participating in the educational campaign being waged, and giving as they are able toward final defeat of cancer.

Cancer month began Wednesday, April 1, and hundreds of volunteers will be calling on homes and businesses in Boone County. Welcome the volunteer who calls on you, accept the information pamphlets you are offered, and give generously, if you are able.

This year Boone County's goal is \$2,500. Our banner year was 1959 in which \$3,015 were collected in the county. With the number of willing workers, the county chairmen feel the 1959 goal can be topped. Here is the 1959 breakdown by communities:

Florence	\$1,061.53
Walton	514.05
Bullittsville	213.40
Petersburg	12.93
Constance-Taylorport	17.97
Hebron	212.05
Vernon	147.61
Union	224.25
Burlington	274.55
Belleview-Grant	122.86
Memorial Fund	15.00

Can we equal or top these goals this year? We think so! If you happen to be missed by the workers in your area you may send a check or money order to the Treasurer of the Boone County

Local Club Women  
Attend Seminar

The Wa-Na Club and the Walton Women's Literary Club were represented at the Seminar on Family Living, held last Thursday at Town & Country Restaurant, Covington, and sponsored by the Women's Clubs in the Fifth District of the K. F. W. C.

Benton, Mrs. Barney Taylor, Mrs. Louis Webster, Mrs. Chester Sturgeon, Mrs. Maryalice Conrad, Mrs. Paul Beighle, Mrs. Jack Rouse, and Mrs. Clayton Jones.

## ART CLUB EXHIBIT

The annual art exhibit of the Covington Art Club is to be held April 12-13, at the Covington Art Club, 604 Greenup Street, from 2:00 to 4:00 p. m. All artists in Northern Kentucky are invited to exhibit any original painting, drawing (color framed or matted), ceramics, enamels or other crafts. Two entries can be entered in each medium with names and addresses on all entries. All entries must be brought to the club by 12 noon on April 11.

Mrs. Wesley Hall, chairman of the arts and crafts department, has chosen Mrs. John Herwick as chairman of the exhibit, and Mrs. E. S. Dudley as co-chairman. Mrs. Bernard Southgate, Jr. and Mrs. Carlisle have been chosen to serve as tea chairmen.

## Has Role in College Play

Jane Lawrie Ranson, daughter of Mr. and Mrs. S. B. Ranson, of near Walton, is a member of the cast of "Bye Bye Birdie" being presented by the drama department of Kentucky Wesleyan College. The production will be presented April 9-10, under the direction of Miss Marlene Stone. Miss Ranson will be in the singing and dancing chorus.

A freshman, Miss Ranson majors in languages, and is a member of Wesleyan Players.

## F. E. Duvall at Burlington

F. E. Duvall, Contact Representative for the Kentucky Disabled Ex-Servicemen's Board, will be at the Courthouse in Burlington, on Wednesday, April 8, from 9:00 until 11:00 a. m. He will assist veterans and their dependents with claims for benefits due them as a result of military service.

## Bradford Lodge to Meet

Bradford Lodge, 123 P.E.A.M. will meet Thursday, April 9, at 7:30 p. m., at Independence, with Wm. H. Appel, Master, presiding. Please note the change in time from 8:00 to 7:30 p. m. All members are urged to attend, and visiting members are invited. The Fellowship Degree will be conferred, with Russell Gribble in charge.

## Cooper to Be Speaker

John Sherman Cooper, U. S. Senator from Kentucky, will be guest of honor and principal speaker at the annual Boone County Republican picnic, to be held August 9. This year's committee promises a picnic that will be bigger and better than ever before.

## School Closed Next Week

The Walton-Vernon Schools will be closed April 8-10, for KEA, according to Supt. Eugene Robinson.

The W-V Board of Education has changed its regular meeting date for this month from April 2 to April 9.

## O.E.S. Friendship Night

Fiskburg Chapter, 334, Order of Eastern Star will observe Friendship Night, April 7 at 8:00 p. m. All O. E. S. members are cordially invited to attend, according to Ruby Flynn, Past Matron.

## Revival at First Baptist

Dr. O. W. Yates

Dr. O. W. Yates will be the evangelist and Doyle Searcy will conduct the music in the series of revival services that begin at First Baptist Church, Walton, April 6th through April 15th.

Dr. Yates has been pastor of the Rosemont Baptist Church, Lexington, Ky., for the past 13 years. He has a Th. D. degree from the Southern Seminary, Louisville, and a Ph. D. degree from Peabody in Nashville. He has spent more than 30 years with Baptist colleges. He has maintained an evangelistic spirit and at one time thought of becoming an evangelist.

His church is one of the fastest growing churches in the Lexington area...with an average Sunday School attendance of about 650. There were 38 additions to the church during January and February.

Dr. Yates is also the author of a commentary on Timothy.

Doyle Searcy, Minister of Music at the local church, will direct the congregational and special music at each service.

The schedule of services are as follows: Each evening at 8:00, and Wednesday, Thursday and Friday morning at 10:30, the first week, and Monday, Tuesday and Wednesday mornings of the second week. The public is invited.

Wa-Na Club to Meet;  
Costumes to Be Judged

The Wa-Na Club will hold its regular April meeting, Monday, the 6th, in the new REBC building on Walton-Nicholson Road, with Mrs. Maryalice Conrad, Mrs. Louis Webster, and Mrs. James Wiser as hostesses.

Gardens and flowers is the topic for the program and the guest speaker will be Mrs. Earl Courtis. Members, please note change in meeting place.

On Sunday afternoon, April 5, at 3:30 p. m., members of the Wa-Na Club are invited to the judging of the costumes entered in the Student Sewing contest, sponsored by the club. This will be held in the home of Mrs. Clayton Jones on North Main Street. This contest is open to students interested in sewing and entries are expected from Walton-Vernon High School and Simon Kenton High School. The winner of this local contest will represent the Wa-Na Club in the District contest to be held in Louisville, on Saturday, April 11.

## Taylor Mill PTA Dinner

The Taylor Mill P. T. A. will sponsor a Spring Feast-Ival, their annual spring dinner, on Saturday, April 4, from 5:00 to 7:00 p. m., in the school cafeteria.

Roast beef and chicken dinners will be offered. Home-made candy and bakery goods will also be sold, and door prizes awarded.

Mrs. Bernard Hungler, ways and means chairman, is in charge of the dinner, and Mrs. Roy Rust in kitchen chairman.

## Boone Lake Directors

The Blue Ticket of Cecil Ormsby, Charles Doyle and Stanley Pate was elected to three-year terms on the Boone Lake, Inc. board of directors last Thursday night at a meeting in Covington.

The Fish Committee of Boone Lake announced delivery of 800 pounds of bluegills and crappies to the organization's lake just South of Walton.

M. Meadows of Louisville. Mr. Meadows ran the paper at Warsaw for a number of years. The editor's wife, Ann, is to assist in the publication as a linotype operator. The Walton Roller Rink was destroyed by fire late Wednesday. Fire Chief D. H. Vest called the Florence department for aid; Erlanger also responded in order to keep the fire from spreading. Many spectators were attracted to the scene since the blaze could be seen for many miles. Clifford C. Pruett, owner, estimated the loss at \$7,500.

Mrs. Charles Benson and daughter, Karen, of Burlington, left on Saturday for Oceanside, Calif., to join her husband, Corp. Chas. Benson, who is stationed at Camp Pendleton.

Mrs. Theilma Smith returned on

Saturday night from a week's visit with Mrs. Earl Napier and daughter of Norwood, Ohio.

Mildred Y. Rice, who has been Assistant Postmaster for several years, has been appointed Acting Postmaster, to serve during the period of absence of the regular Postmaster, Clinton Cleek, who is on military leave.

Mr. and Mrs. Jimmy Vessels and children were weekend guests of her brother, Mr. and Mrs. Lawrence Johnson, and family.

Mr. and Mrs. S. L. Maze and daughter, Sue Ann, of Florence, were the Monday evening dinner guests of Miss Mary Rensler. Mr. Maze enlisted in the Air Corps and left Tuesday morning for training.

Mr. and Mrs. J. A. Keeney and son, Donald, were guests at a family dinner at the home of her mother, Mrs. J. N. Stephens, on Monday evening. The occasion was in honor of L. Wayne Stephens, who was home on furlough.

The Advertiser will be sent to servicemen free of charge. The only requirement for your son or husband to receive this paper free is that you are a subscriber yourself.

The young people of the Baptist Training Union were entertained at the home of Mr. and Mrs. Bryan Rector, Monday evening. Those enjoying the games and stunts of the evening were: Gloria Garrett, Lucy Pennington, Anna Belle Percival, Ursula Hurston, Margaret Pennington, Grace Hanks, Mary

Louise Rector, Myrick Crouch, Jimmy Pennington, Aubrey Eckler, Eldon Rice, and Irma Rector.

**A Look At Education**

(Continued From Page One)

number of things to keep our attendance high. A few years ago we deducted 3% from the six weeks grades for each unexcused absence. The only excuse was the child being sick or death in the family. Parents were opposed to this and some told us that they would lie for the child rather than see them penalized; also, they said they would keep their children out of school when they wanted to and some parents did both. We abandoned this policy and did not have any regulation for a time. This did not seem satisfactory because a child would be absent at any time and never experience any difficulty for playing hooky or just staying home. The present policy, and this is a local policy, is that the only excused absence is for a death in the family or if the student is sick. There is no penalty for being absent, however, any student that is absent without excuse is not allowed to make up any work that he might miss on the day he is absent. This means if he misses a test, a report or anything that might contribute to his final grade, he is not allowed to make this up.

Some might say, why are you so concerned about this? Let them attend when they want to. There are three reasons for this concern: (1) the teacher ought not be expected to go over the lessons a second time or do extra work to allow a child to make up work missed without reason, (2) the law

has something to say about this, and (3) the district receives money on the basis of the child being in school.

I want to further discuss the second and third reasons. The law states that any school officer that willfully fails to comply with the attendance laws shall be fined not less than \$25.00 nor more than \$50.00 and may have his certificate revoked. The law further states that parents who willfully fail to comply with the attendance laws shall be fined not more than \$10 for the first offense and not more than \$20 for each subsequent offense.

Next year's foundation money will be allotted on basis of this year's average daily attendance. If the Department of Education selects the seventh month for this purpose we will be losing a good deal of money with the record we are setting. Each day a child misses school the district loses about \$1.00. Last week we were losing about \$100 per day. I think that anyone would agree that a small district like Walton-Vernon cannot afford too many days like this.

Please let me urge all parents, students and other interested readers to be concerned about good attendance. This is very important as far as the finances are concerned but it is much more important in the realm of what the child has missed. He or she has missed

something that money cannot buy. All the money in the world cannot buy education. To become educated a person must be dedicated, attend school regularly and make the best of his opportunities. No person is taking advantage of his opportunity by staying out of school. Every day we hear parents say I didn't have much when I was growing up and for that reason I want to work and buy my child things I didn't have or I am going to see that my child doesn't want for anything if I have to work all the time. When this desire or attitude on the part of the parent exists then usually both parents are working. Without being rude or disrespectful I want to say that the child will be better off with fewer of these things and more of Mom and Dad at home. Children sometimes get the wrong concept of life with all of the things. What they need is Mom and Dad to help them with their homework. Mom needs to be at home when they leave and get in from school and they need parents that will see that they are in school every day. If parents will see that the child has a good home environment and regular school attendance all the things will come later in life and if by chance they do not come, what has the child really missed? Things do not make men and women. Men and women come from well disciplined boys and girls that attend school regularly.

## OAK RIDGE

Shirley Tallent, Reporter

It's a good thing the calendar tells us it is spring, because we certainly couldn't tell it by the weather.

The daffodils and forsythia were starting to bloom, but have probably been frozen by now. The cold weather even affected the usual Easter outfits. Most people had to wear their winter overcoats over their spring clothes Easter morning.

We were very sorry to hear of the death of Dr. Dwight Maddox of Walton. He was a good dentist and a fine man, and we know he

will be greatly missed.

Frank Ruehmeier was taken to St. Elizabeth Hospital, last Wednesday when he had difficulty breathing. He has a heart condition. He was feeling much better at last report.

Mr. Spicker of Hands Pike, fell out of his barn last Wednesday and broke his back. He is also a patient at St. Elizabeth Hospital. In fact, Mr. Ruehmeier, Mr. Spicker, and Bill Corbin, all of this area, are patients in the same room...303.

Little Terry Bearden of Mafred Drive, had his tonsils removed last Friday.

Warren Dorman of Shelbyville, Ky., visited his mother, Mrs. O.

J. Dorman, of Lipscomb Road, one day last week.

Mrs. Norma Corbin has moved into the Bindel house on Chub-house Drive.

Mrs. Zelma King had to have two stitches taken in her eye after she accidentally ran a screwdriver into her eye. We hope her sight isn't damaged.

## NAPOLEON

Mrs. Virgie Atha, Reporter

Our sympathy is extended to Mr. and Mrs. Donnie Brashear in the death of their infant daughter.

Mrs. Dennis Noel is on the sick list and we want to wish her an early recovery.

Mr. and Mrs. Harry Gullion entertained at dinner Easter Sunday. Mr. and Mrs. Emory Gullion and family, Mr. and Mrs. Clarence Gullion and family, all of Boone County; Mr. and Mrs. John Gullion and family, Gardnersville; Mr. and Mrs. Sleet Maxwell and Goldie, and Mrs. Harriett Parker and children.

Mr. and Mrs. George Holly and Steve entertained over the weekend for Mr. and Mrs. Jim Holly of Covington. They were joined at Sunday dinner by Mr. and Mrs. Arnold Lillard and family, and James Boling, Jr. of Hamilton, Ohio.

Sunday visitors of Mr. and Mrs. Joe A. Kannady, Donald Joe and Goebel Brashear were Mr. and Mrs. H. N. Brashear, Mr. and Mrs. Robert Harris, Mr. and Mrs. Bill Webster and children, James Lee Alphin, R. T. McNeely, Ben Kannady, Johnny Kannady and daughter, and David Brashear.

Mr. and Mrs. Larry Atha and children and Jess Atha were visiting Mr. and Mrs. Cliff Alexander and Mrs. Minnie Schuler, Sunday afternoon. We are sorry to hear Mrs. Schuler remains very ill.

Mr. and Mrs. Charles Young, Terry and Doug, and Miss Sherry Davis attended the Globetrotters basketball game in Cincinnati, on Sunday.

Mr. and Mrs. Redford Thomas and Mary Louise entertained on Sunday at dinner, Mr. and Mrs. Carroll O'Brien and children, and Miss Thelma Thomas. Afternoon callers were Mr. and Mrs. Ralph Harrison, Mr. and Mrs. Redford Thomas, Jr. and children, and Miss Vernie Spegal.

Mr. and Mrs. George A. Skirvin entertained at dinner Sunday, Mr. and Mrs. Hargis Banta and Ricky Lee, Mrs. Dallas Markberry and Connie, Charlie Skirvin, and Mrs. Virgie Atha, the occasion being in honor of the birthdays of Chas. Skirvin and Shelby Banta.

Mr. and Mrs. Charles Adams and family and Wayne Adams spent Easter with Mr. and Mrs. Buford Adams and family.

Mrs. Bobby Brashear and child-

ren were Sunday dinner guests of Mr. and Mrs. Robert Brashear and David.

Glenn Blocker, Dallas Markberry and Rusty of Walton, called on Mr. and Mrs. George Skirvin, Sunday. They all attended the races at Northern Ky. Race Bowl.

Mr. and Mrs. Walter Shinkle and children, and Mrs. Melvin Collins and daughter spent Sunday with J. E. Beach.

Mr. and Mrs. Charles Black and Gail, and Mr. and Mrs. Geo. Holly were visiting John Black at St. Elizabeth Hospital, Thursday evening.

Mr. and Mrs. Bud Epperson and children, Mrs. Johnny Edmondson and Eric, Mr. and Mrs. Nelson Wallace and Karen Lee Wallace called on Mr. and Mrs. John Wallace, Sunday.

Mr. and Mrs. Stanley Wallace and Carolyn and Mr. and Mrs. Charles Glack and Gail were visitors at the Joe Kannady home on Tuesday evening.

George Holly was the Friday dinner guest of Mr. and Mrs. Frank Wood and J. T. Lillard. Mrs. Mary Scudder, Mrs. Edna Morris and Mrs. Phyllis Harrison

and son were Sunday guests of Mr. and Mrs. Wilson E. Lillard and Gary.

Those who called on Mr. and Mrs. Stanley Wallace and Carolyn Sue the past few days were Mrs.

A. M. Arrasmith, Mrs. Manford Craft, Mrs. Mae Duval, Mrs. Katherine Thomas, Rev. J. B. Cobb, Dale Poland, John Courtney, and Mr. and Mrs. Clarence Skirvin and daughter.

## ATTENTION—MOTHERS

We are sincerely interested in the youth of this community (10 years in the Skating Rink business proves this), and we want to do our utmost to help and guide these youngsters.

We think we have a plan that might suffice, and at the same time cut down the expense involved: First, we will permit any youth (to 19) to bowl three games for \$1.00. They will receive a card entitling them to this special price as a regular member of the Bowling Lanes (with certain rules to keep them in good standing) and with their card they can take advantage of this offer any time the lanes are available.

For our loyal Junior bowlers, we will lower their League games to 25¢ and shoes FREE (now compare bowling with skating or any other form of entertainment). Again, sincerely we will do our best in training (by Certified instructors) and supervising these young people.

## —DEATHS—

### DR. D. L. MADDOX

Dr. Dwight L. Maddox, 61, Walton dentist, who lived on North Main Street, died at 5:00 a. m. last Friday at Booth Hospital, Covington, where he was taken March 23. He had suffered a stroke.

Dr. Maddox, a dentist here for almost 38 years, was a graduate of Holmes High School, Covington, and the Cincinnati College of Dental Surgery in 1926.

He was a member of the First Baptist Church, Walton; Walton Masonic Lodge, F&AM; the Northern Kentucky, Cincinnati, and American Dental Associations. Survivors include his wife, Mrs. Mabel Goff Maddox, and two sons, Dwight L. Maddox, Jr. of Cincinnati, and Dr. John L. Maddox, Verona, who was associated with his father in dentistry.

Services were held at 2:00 p. m., Monday at the Chambers and Grubbs Funeral Home, Walton.

### ODIS FISK

Odus Fisk, 81, a retired farmer, died Sunday at St. Elizabeth Hospital, Covington. His home was on the LLL Highway, Route 1, Demosville.

Surviving are his wife, Lula Carlisle Fisk, a daughter, Mrs. William Goshorn of Flakburg; two sisters, Mrs. May Forehan of Morning View, and Mrs. Taylor Rapp of Flakburg; four brothers, James Fisk of Piner, Fred Fisk of Independence, Dewey Fisk of

Madison Pike, Independence. Burial was in Independence Cemetery.

### MRS. FLORENCE GLACKING

Florence Mirinda Caldwell, the daughter of William and Isabelle Bush Caldwell, born Sept. 24, 1876, departed this life March 13, 1964, in Booth Hospital, Covington, Ky., to which she had been rushed the night before with a broken hip. She was the last of 12 children. She united with the Gardnersville Baptist Church at an early age, later moving her membership to Demosville Baptist Church. She lived a devout christian life.

She was united in marriage to P. E. Glacking, Jan. 2, 1894, and he preceded her in death Dec. 19, 1958. To this union six children were born: Leona, who died in infancy; Anna Kidwell, who died Nov. 10, 1945. She leaves to mourn their loss, Mrs. Lillian Mullins and Lester Glacking, both of Demosville; Mrs. Flarra Mangold, Florence; Mrs. Christen Tungate of Piner; 10 grandchildren; 31 great-grandchildren; and two great-grandchildren; several nieces and nephews, and a host of friends.

She was a member of the Daughters of America and Eastern Star Lodge, both of Flakburg. She was laid to rest in the Gardnersville Cemetery, March 16, 1964, after services in the Gardnersville Christian Church, conducted by the pastor, Bro. Paul Stamper, assisted by Bro. Ben Hubbard and Bro. McGibney.

Morning View, and John Fisk of Versailles, Ind.

Services were held at 2:00 p. m., Wednesday at the Wilmington Baptist Church, Flakburg, with the Swindler Funeral Home, Independence, in charge.

### JOHN E. VALLANDINGHAM

John E. Vallandingham, 53, a Crittenden farmer, died at 10:00 a. m., last Thursday at St. Elizabeth Hospital, Covington, where he was a patient ten days. He suffered from heart trouble.

Survivors include his wife, Beulah; a son, J. E. Vallandingham, of Mt. Zion; a sister, Mrs. Ruth Wilson, of Crittenden; a brother, Bill Lillard, of Crittenden, and his stepfather, Porter Lillard, also of Crittenden.

Services were held at 2:00 p. m., Saturday at the Gardnersville Christian Church, with burial in the church cemetery.

### MRS. MARY ETTA CUMMINS

Mrs. Mary Etta Cummins, 86, of the LLL Highway, Kenton County, died at 9:15 p. m., March 23, at her home after a long illness.

She was the widow of Lee Grant Cummins, Kenton County farmer, who died two years ago. She was a member of the Hickory Grove Baptist Church.

She is survived by a daughter, Mrs. Edwin Damon, of Kenton County.

Services were held at 2:00 p. m., last Thursday at the Chambers and Grubbs Funeral Home, 5629

Eight grandsons served as casket bearers, Marvin and Gene Mullins, Willard Glacking, Vern Kidwell, Jr., Harry Lee Rea, Marion Fields, David Beasley and George W. Campbell. The rest of the grandchildren and great-grandchildren attending, carried the many beautiful floral pieces.

Mr. and Mrs. B. N. Spegal and Mr. and Mrs. Marion Collins sang some beautiful hymns, and Mrs. Frances Stanley presided at the piano. Ellison & Stanley, Funeral Directors, Williamstown, were in charge of arrangements.

### Meeting Date Changed

The Boone County Republican Club has moved its meeting date from the second Monday of each month to the second Thursday. The April meeting will be held on the 9th at 8:00 p. m. at County Headquarters, 276 Main St., Florence.

The club cordially invites anyone interested in Boone County and Boone County politics to attend, be he Republican, Independent or Democrat. Though the avowed purpose of the club is to promote the Republican Party in Boone County, yet it has another duty to openly inform and work for progressive, capable county and state government. Programs of interest and information to people of all political creeds will be a part of the club's yearly planning.

### Bible Study Club Meets

The monthly meeting of the Bible Study Class was held in the class room of All Saints School on Friday, March 20.

Those present were: Misses Pauline and Beatrice Flynn, Mrs. Margaret Ryan, Mrs. Elizabeth Ryan, Mrs. Estelle Morgan, Mrs. Dolores Butler, Father Reuter, and the hostess, Mrs. Mary Berke-meier.

The next meeting will be held at the home of Pauline and Beatrice Flynn on April 24.

### Piner Homemakers Meet

"The Social Hour" is the topic of the club's lesson for the next meeting, April 21, with Mrs. Herman Danials as hostess.

The March 17 meeting was in the home of Mrs. Effie Colclough. The lesson, "Accent With Accessories", was presented by Mrs. Ralph Murphy and Mrs. Clarence Duncan. Speaking of accessories, the hostess used a very appropriate center piece for her elegantly set dining table. It was a St. Patrick Day bouquet of white Snap Dragons and green tinged white Carnations. The vase was a green hat. The devotional and business ses-

sion began at 10:00 a. m. After the pot luck lunch came the lesson and some spare time for St. Patrick Day games.

Others present were: Mesdames William Beck, Herman Danials, C. E. Flynn, Owen Flynn, W. O. Marshall, Marion Martin, Fred McMillan, Leslie McMillan, Chester Mullins, Angelo Plezzari, Roy Tomlin, William Wolterman, and William Woods.

## FARMERS— Get the Profit Protection of Southern States' CORN STAND GUARANTEE

Make 1964 your most-profitable corn year ever. Plant Southern States Hybrid Seed Corn. Apply Southern States Corn Starter Fertilizer. We're confident you'll get a fine yield from a superior stand. That's why we can make the following remarkable, exclusive guarantee to you (we don't expect it to be necessary)...

### A Guarantee No One Else Dares Make

If, after using Southern States Hybrid Seed Corn and Corn Starter Fertilizer, you should be dissatisfied for any reason (except flooding) and decide to replant, you're guaranteed free a complete new supply of seed and starter fertilizer. (This is how sure we are that our corn and fertilizer will deliver real results on your farm!)

### Get Top Germination, Faster Growth

With Southern States Corn Starter Fertilizer, you get the maximum number of healthy plants out of the ground and growing fast. Just put 200 pounds per acre in the row. Can't damage seeds or seedlings as general fertilizers, such as 10-10-10, often do.

### Costs No More—Why Be Without It?

There's no extra charge for Southern States Corn Stand Guarantee. And Southern States Hybrid Seed Corn and Corn Starter Fertilizer cost you no more than ordinary seed and fertilizer that don't give you this extra protection and peace of mind. For better stands, bigger yields, increased corn profits, place your order now.

### God's Universe

Lesson for April 5, 1964

Background Scripture: Job 38:11-12; Isaiah 40:12-13  
Devotional Reading: Psalm 104:1-4

THERE IS a distinctively Christian way of life, and of looking at life. The very world in which the Christian lives, though it may look on the surface like the world of the non-Christian, seen in depth turns out to be quite different.

First of all, the Christian faces the world about him with opened eyes. He sees literally more than meets the eye. Much of what he sees and knows is not peculiar to

Dr. Foreman the Christian view, but he shares it with Jews also, just as we share with them our Bible. If it had not been for the Jews, most of the Bible would not have been written, but that's another story. The study for this week is taken from the Old Testament because there we find some of the most striking expressions of the truth: The universe around us does not own itself, it is not ours; it is God's.

God's world is planned  
What does it involve to say, God is Creator? That is more than a title, though title it is. We mean more than that God is creative, we mean that God created all that exists, known to us or unknown. No space traveler ever will discover some region in unimaginable remoteness from this earth, so far away that God is not there. God is not only now everywhere in his universe, God is not only infinitely more than his universe, but there never would have been a spark of life, of existence, of anything whatever, visible or not, knowable or not, if God had not thought of it, intended it and planned it. The universe is not an accident, the universe has not existed through all eternities. It is here because God said, Let it be. How did God create the universe? When did he create it? Did it look as it now does when it was new? Did he have any help? What was his reason for making it? How is it all going to end? To only one of those questions is there any clear answer; the reader is invited to think without prejudice. Perhaps true answers to such questions could not be understood because they could not be answered in human language. One thing stands clear: God is not surprised by the universe he has made, he is not frightened by it, and he will not be beaten down by it. It is his universe; it is marked, so to speak, by his fingerprints.

It is incomplete  
A great American Christian thinker, Dr. Cosby Bell, once pointed out that although we can read the handwriting of the Almighty on the universe, and while it shows God's infinitely wise planning, it does not yet appear in its fullness as he plans that it shall. This earth at all events is an unfinished earth. This alone is not, however, the whole story. The universe, or the corner of it in which we live, the part of it we can do something about—this we are invited by God to help him bring toward completeness. Think, if you will, of the innumerable products—dyes, paints, foods, fabrics—made from coal tar. The Creator left it to man to bring these into existence.

God's mirror  
From the way the Bible writers present God as Creator, we can know something about God from the things he has made. Consider how the prophet Isaiah speaks to the discouraged exiles. He bids them remember the Creator. They thought God had forgotten them; but no, God the Creator does not create only to forget. A child making mud pies might do that; but certainly not God. The people thought that God was unable to help them. Isaiah the prophet reminds them that nothing is too great for God's power to achieve. The people thought that blind and cruel fate, or chance had torn them from their homes and thrown them out into the cruelties of Babylon. The prophet assures them that the Creator is not one who works without plans. God who planned this universe has a place in that plan for every man—for you.

## A BIGGER World

### THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the church. They are: (1) For his own sake. (2) For his child's sake. (3) For the sake of his community and nation. (4) For the sake of the church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

There comes a time, even in a chick's life, when the way must open to a greatly expanded world. When his confining shell no longer allows proper growth, he makes a point of throwing off his shackles and steps out into a big, strange world.

This comparatively simple phenomenon is paralleled in human existence as each child grows toward adulthood, and reaches out for the wider horizon. What he finds there will depend in great part on what he has been taught.

For this reason the early and continued guidance of Christian home and church are all-important. From these things the foundation of faith is built. Through faith and understanding the shackles of fear and bondage are dispelled, and your child grows spiritually strong to meet the ever-widening horizons and challenges of a modern world.

## Stephenson Receives Plaque

Mr. R. M. Stephenson, R. 1, Walton, Kentucky, has been presented a Sow and Pig Management Award by the Moorman Manufacturing Company. The award is being made to hog raisers whose sows weans larger-than-average litters. Mr. Stephenson received a simulated oak plaque, showing a sow with pigs nursing, which is a reproduction of an original hand-carving done especially for this award. A brass plate on the plaque is engraved with his name.

**St. Cecilia 4-H Club Meets**  
The St. Cecilia 4-H Club met on March 17 with 57 members answer-

ing roll call. There were six adult leaders and two junior leaders in attendance. A vote was taken to renew a membership to one who had missed three meetings or more. Mrs. Goetz talked about a 4-H Sunday and it was decided April 12 would be the date. All St. Cecilia 4-H members will wear a 4-H emblem and attend the nine o'clock Mass.

Gli Eckerle and Bob Richter will have their electric project members meet the first week after Easter. The fourth year sewing class met Saturday afternoon in the church basement. We were informed of the dates of coming events: talent show, rally day, and the dress review.

A Look At  
Education—by—  
Eugene Robinson

This week I shall discuss some direct benefits that Kentucky teachers will be receiving as a result of bills passed by the 1964 General Assembly, which adjourned a short time ago. This first item to be discussed will be that of salaries.

The school district will receive an increase in the allocation per classroom unit, for qualified degree teachers, of \$300.00 in 1964-65, and \$200.00 in 1965-66. There is some confusion on the part of a few persons as to what this actually will mean in terms of salary increases for individual teachers. This does not mean that every teacher in the state, automatically will receive a \$300 salary increase next year, and an additional \$200 increase the following year.

It does mean that, in figuring the cost of the minimum program (which is what the state guarantees), the amount allocated for Ranks I, II and III, for approved units in the Foundation Program, will be increased by \$300.00 next year (and an additional \$200.00 the following year). Since there has been no change in local participation requirements, this will mean in practically every school system that the additional money for these salary increases will come from state funds.

In other words, for Rank III, the salary allocation for next year will be increased from \$4,000 to \$4,300. The statutes require that the average salary paid all teachers in Rank III in the school system must be at least \$4,300 next year, and no teacher in this rank may be paid less than 90% of this amount, or \$3,870 (the present minimum is \$3,600). The following year the average will have to be at least \$4,500 for Rank III, with a minimum salary of \$4,050. Within these limitations, the local school system is free to set its own salary schedule.

Some teachers may receive an increase of less than \$300 next year, and some may receive an increase of more than that amount. This will depend upon the salary schedule set by the local school board, whether or not the teacher is in one of the three ranks listed above, and whether or not the local board of education has made any effort to add "quality" to the school program out of local "funds."

It is this last point which may lead to the greatest confusion about the application of increases in state salary funds. The state guarantees that a minimum program will be provided in every school system where the people will contribute their "fair share" of the cost. This "fair share" is calculated in such a way that, in school systems where property assessment ratios are higher than the state average, there is additional money available to add "quality" to this state-guaranteed.

## April Meeting of Walton Woman's Club

The Walton Woman's Literary Club met in Fellowship Hall of the Walton Christian Church, Wednesday, April 1, at 2:00 p. m., at which time a very interesting and stimulating program was presented by several.

Mrs. Grace Knox, president, conducted the meeting. Members read together the Club Collect, and gave the Flag Salute. Twenty-five members responded to roll call.

Officers selected for the coming year are: President, Mrs. Grace Knox; vice president, Miss Rachel Acree; secretary, Mrs. Julia A. Rouse; treasurer, Mrs. Willis Berkshire.

K.S.G.W.—conducted an educational cinema at Town & Country Restaurant recently, and four members attended: Mrs. A. H. Gaines, Mrs. Willis Berkshire, Mrs. Heinz Wahrenburg, and Mrs. Dan Bedinger. All gathered new ideas in homemaking and social improvement.

Mrs. Lloyd Watson gave an interesting report on the club's music contest. A call for help in the cancer drive was accepted with a gift of \$5.00.

Mrs. L. M. Gabriel gave the Spiritual Guidance from I Peter 13-25. "Let us remember the resurrection of the Lord and Savior, Jesus Christ. Before this time good was viewed by promise of long life. The apostles discovered a new way...the most precious of all...to receive the resurrection as our reward for

## Farm Records Meeting

The second meeting in a series to be held this year on Farm Records is set for Monday night, April 13, at 7:45 p. m., in the R. E. C. C. Building on Walton-Nicholson Road, according to W. T. Straw, Kenton County Agricultural Agent.

Steve Allen, University of Kentucky Specialist in Farm Economics, will be the discussion leader. The use of the new farm account book will be a basis of the discussion. The system explained will be a good tool for tax purposes as well as efficiency in business.

Wives are urged to attend with the men. Farming is a family business and both men and women should understand involvement with the record system.

## I-71 Interchange at Kentucky 14, Verona

Asa M. Rouse, Walton attorney, reports the receipt of the following letter from Congressman Frank Chelf, dated March 30:

Reference is made to our previous correspondence concerning the possibility of an interchange at the point where I-71 crosses Kentucky Highway 14.

"It is a pleasure to advise you that the Federal Highway Administration has informed me that the Bureau of Public Roads approved the request of the Kentucky Department of Highways for Interstate fund participation in providing interchange between Interstate Route 71 and State Route 14 in Boone County.

"You may be sure that it was a pleasure to contact the Administrator in this connection and I am delighted that favorable action was taken on this matter."

## Cancer Crusade Meeting

Charles Wynn, Boone County Chairman of the Cancer Crusade, has announced that there will be a meeting of the Boone County Unit, April 14, at 7:30 p. m., in the Florence Christian Church.

This will be a very important meeting for all taking part in the Crusade and all officers of the unit, captains, and area workers are urged to attend.

## Spring Dinner, Saturday

Staffordburg Methodist Church is holding a ham and roast beef supper, Saturday, April 11, 5:30 to 8:30 p. m., at Tysonhof Junior High School, Taylor Mill Road. The prices are \$1.95 for adults and 75c for children. Home-made rolls and pies will be on the menu. You are invited.

God's love and care of us. We cannot live by bread alone...we need "His spiritual security" each day of our lives," Mrs. Gabriel said.

April is the month in which to remember the crippled children. Troy Russell took care of this in the cinema, "Thinking of the Welfare of Others Always." This inspirational film opened minds and hearts to the needs of crippled children, and what a resurrection to be nursed back to health and normal life thru therapy.

The floral decorations were very pretty, and delicious refreshments were prepared and served by the Liggett Circle Missionary group, under the direction of Mrs. Leo Flynn and Mrs. Forest Thompson, co-hostesses.

Those present were: Mrs. Dan Bedinger, Mrs. Willis Berkshire, Mrs. C. S. Chambers, Mrs. J. R. Conrad, Mrs. M. Daniels, Mrs. R. F. DeLoisy, Mrs. J. R. Flynn, Mrs. Leo Flynn, Mrs. Alan H. Gaines, Mrs. L. M. Gabriel, Mrs. Wallace Grubbs, Mrs. J. L. Hamilton, Mrs. W. W. Hon, Mrs. Geo. Knox, Mrs. Sallie Moore, Mrs. Julia Rouse, Mrs. W. W. Rouse, Mrs. Sam Sleet, Mrs. Forest S. Thompson, Mrs. Hess Vest, Mrs. Heinz Wahrenburg, Mrs. Bruce Wallace, Mrs. Melvin Wason, Miss Mary West, and Troy Russell, guest speaker.

Make sure safety devices on farm equipment are operable and in good shape.

## Simon Kenton Senior Wins Sewing Contest

Miss Verna Elliott, daughter of Mr. and Mrs. Alvin Elliott, South of Walton, near Bracht, and a senior at Simon Kenton, won the Student Sewing Contest sponsored by the Wa-Na Woman's Club. The judging of this contest was held Sunday afternoon at the home of Mrs. Clayton Jones on North Main Street, Walton. Miss Elliott will represent the Wa-Na Club in the District Sewing Contest this coming Saturday in Louisville.

Second place went to Miss Kathleen Flynn, daughter of Mr. and Mrs. Leo Flynn, Stephenson Mill Road, Walton, and a junior at Walton-Verona High.

Judges for the contest were Mrs. Roy Lutes, of Florence, former Home Demonstration Agent in Boone County; Miss Dorothy Nanny, of Florence, representative of the REOC, and Mrs. Alvin Randall, of Williamstown, Home Economics teacher in Grant County High School.

The Wa-Na Club wishes to thank the contestants who entered their outfits and modeled, and the judges who selected the winners.

The winning costume was a black sheath jumper with pink floral blouse. Miss Elliott selected patent shoes and purse and a pink hat to complete her outfit.

The winner has taken sewing in Home Ec classes throughout high school, and her teacher is Mrs. Gayle McElroy, of Walton. After graduation, Miss Elliott plans to study costume designing and fashions.

## TO WED APRIL 18th

Refreshments were served to the following guests and club members: Miss Kathleen Flynn, Miss Charlotte Richardson, Miss Verna Elliott, Miss Bonnie Works, Mrs. Leonard Works, Mrs. James Richardson, Mrs. Leo Flynn, Mrs. Hugh Frost, Mrs. Roy Lutes, Mrs. Alvin Randall, Miss Dorothy Nanny, Mrs. Leonard Cook, Jr., Mrs. Gayle McElroy, Mrs. Robert Eisenschmidt, Mrs. Charles Holder, Mrs. Wm. Moore, Mrs. Orlando Christy, Mrs. James Bonar, Mrs. Asa M. Rouse, Mrs. David Peebles, Mrs. Maryalice Conrad, and Mrs. Nelson Popham.

Dorothy Adams

Mrs. Evelyn Whaley announces the approaching marriage of her sister, Dorothy Adams, daughter of Mr. and Mrs. Roy Adams of Morning View, to William B. Williams, son of Mr. and Mrs. Boyd Williams of Verona.

The wedding will be an event of Saturday, April 18 at 7:30 p. m., at New Bethel Baptist Church, Verona. The public is invited.

## Plan Handkerchief Shower

Friday, April 17 marks the date set aside to show teachers at the Ryland Elementary School how much they are appreciated. The school children will shower their teachers with handkerchiefs, and the teachers will be relieved at 2:00 p. m. to attend a party given in their honor by the P.T.A.

## Chili Supper at Kenton

The Morning View Methodist Church and M. Y. F. will sponsor a chili supper Saturday, April 11 at the Kenton & Community Fire House at Kenton. Serving will start at 4:30 p. m.

Chili, three-way, cone islands, home-made pie and cake, coffee and soft drinks will be on the menu. Proceeds will go to the building fund and toward a movie projector.

This is the chili supper that had to be cancelled due to the flood. Everyone welcome.

## REPUBLICANS TO MEET

The Boone County Republican Club will meet Thursday, April 9, at 8:00 p. m., in Republican Headquarters, 276 Main St., Florence.

Regular monthly meetings will continue to be held on the second Thursday rather than the second Monday as in the past.

## Many In Favor of A Memorial Fund

Many individuals and organizations in Boone County are in favor of setting up a Memorial Fund in the county aimed toward defeat of cancer. Many families, at the loss of loved ones, ask that contributions be made to charities in the name of the deceased.

Churches, funeral homes, and organizations interested in direct contributions to a year-round Memorial Fund should contact Memorial Gift Chairman, Mrs. Roy Lutes, 20 Shelby St., Florence, Ky.

Each memorial contribution will be acknowledged with a suitable remembrance certificate by the local chapter of the American Cancer Society and by the National Society. Those who have lost loved ones, especially to the disease of cancer, very often ask that memorial contributions be made, in the hope that others might be cured or prevented from having the disease. Although the Cancer Crusade is carried on one month of the year, the memorial fund would be added to year round.

## BOWLS PERFECT GAME

The first 300-game bowled at Walton Bowl was rolled by Ernie Loyd of 21 Russell St., Florence. Mr. Loyd bowls here in the Wednesday night Social League as a member of the Chambers and Grubbs team. He is a machinist for Powell Valve Co., Plant II, Cincinnati, Ohio.

Loyd was awarded a trophy and \$25.00 by Wally Wireman, proprietor of Walton Bowl, for his amazing accomplishment.

## Social at Latonia Lakes

The Ladies of the Lakes Club will sponsor a social on Thursday, April 9 at 8:00 p. m., in the Latonia Lakes Club House, according to Mrs. Dorothy Ballinger.

Mrs. Ruth Reid is in charge.

## Democrats Ask "Are You A Responsible Citizen?"

No one has to vote, of course. It is not a responsibility under law. But there are responsibilities beyond the law. If nothing else, man, responsible man, must feel the need to account to himself for his actions or for his failures to act.

How will you stock up in your own eyes on election day? The future of the nation, in a greater sense than most of us want to realize, is dependent on your answer.

The Boone County Democratic Club urges you to register and vote.

## On Dean's List at Union

Miss Linda Faye Segal, of Demosville, has earned membership on the Union College Dean's List for academic achievement during the fall semester.

Miss Segal is completing her sophomore year at Union and is a music major. She is the daughter of Mr. and Mrs. B. N. Segal and a graduate of Simon Kenton High School.

## Bradford OES to Meet

Bradford Star Chapter, 493, O. E. S., will hold its regular meeting on Tuesday evening, April 14, 7:45, in Independence, with Ruth Jacobs, Worthly Matron, presiding. All members are urged to attend. All visiting members are welcome to attend.

## Boone County DAR Meets at Barkley House

On March 28, 1962, Mrs. Roy C. Nestor, Organizing Regent of the Boone County Chapter, Daughters of the American Revolution, opened her home in Florence to preside over a organizing members and guests with Mrs. Bacon Rochester Moore, State Regent, Harrodsburg, as installing officer of the new chapter. Since that time the month of March has been the time of the annual meeting.

The thirtieth anniversary of the chapter was celebrated with a dinner at Barkley House at the Greater Cincinnati Airport, which was presided over by the Regent, Mrs. Ashlin Logan.

Mrs. Logan recognized Mrs. Robert Hume, State Regent, William Folmer, President of the Northern Kentucky Chapter, Sons of the American Revolution; Mrs. Roy C. Nestor, Senior State President of the Children of the American Revolution, and Mrs. Clifford Coyle, State Chairman of State Honor Roll. She gave a resume of the accomplishments of the chapter since its founding and announced that this year it had received a CAR citation for participation with this group, stating that Boone County Chapter had nine CAR State Promoters. Mrs. Logan and Mrs. Samuel Denham, Jr. attended the recent CAR state conference in Lexington.

Mrs. William Long, program chairman, presided over the guest speaker, Ervin Oberschmidt, Executive Director of the Cincinnati Area Chapter, American Red

Cross, who spoke on his experiences as one of an eight-man Red Cross team who accompanied the cargo mercy ships containing 53 million tons of medicines and other supplies sent to Cuba in exchange for the Bay of Pigs prisoners of war on Christmas Day, 1963. His experiences and account of reactions by those rescued were tremendous and his feelings of how wonderful it is to live in the United States where we are free was a reminder to all of how lucky we are to be here.

Following the talk, Mrs. Logan presented an Ex-Regent's Bar to Mrs. Janet Wolfe, former regent, and also presented a personal gift of appreciation to Mrs. William Long.

Mrs. Hume, in her usual warm manner, commended the club on its activities and recalled she had attended the organizational meeting in 1952. She also said that Clara Barton, organizer of the Red Cross in the U. S., was also an organizer of the DAR which has now passed a membership list of over half a million women.

Present were: Mr. and Mrs. W. S. Grubbs, Ashlin Logan, Roy C. Nestor, William Conrad, Clarence Wolfe, Clifford Coyle, Wallace K. Grubbs, Dan Bedinger, James Gaines Goodridge, George Meyer, Samuel Denham, Jr., Florence Robinson, Janet Wolfe, Rufus Tanner, William Long, Carl Anderson, Robert James, the Misses Margaret Goodridge, a personal gift Blaine, and Mr. William Folmer and Charles Carpenter.

## Identification Maps Of Boone Property

Revenue Commissioner J. E. Luckett and Boone County Judge Charles E. Niblack today announced the signing of an agreement between the Department of Revenue and the Boone County Fiscal Court to establish identification maps of all property in the county. Boone county will be the twelfth Kentucky county to receive this assistance.

Commissioner Luckett and Judge Niblack explained that the purpose of the program is to assist the county tax commissioner in locating omitted property and assessing all property on an equitable basis.

According to terms of the agreement, boundaries of all individual parcels of real estate will be determined through the use of aerial photographs in rural areas and lot and block maps in towns and cities.

The exact ownership of each parcel will be determined and an ownership index record established. In addition, this record, which will be in the form of a property record card, will contain the location of the property, the lot size or acreage and a photograph of the residence of business house on the parcel.

Upon completion of the project, records established will become property of Boone County and will be used by the county tax commissioner in locating all taxable real property for state, county and school tax purposes.

## 3 INJURED IN CRASH

Three persons were reported injured one day last week in a car collision on U. S. 42, three miles west of Florence.

Two occupants of one car, Mrs. John Fagan, Beaver Road, Walton, and her daughter, Janie, 16, were taken to Boone Hospital in the 5th ambulance, Florence.

The driver of the other car, identified as Thomas Doyle, Lakeside Park, reportedly sought treatment from a physician.

## STYLE SHOW APRIL 23

The Wa-Na Woman's Club will sponsor their annual style show on Thursday, April 23. Inquiries have been made as to whether there would be a style show. It is later in the season, but will be worth waiting for.

Benton-Bonar Department Store is furnishing the clothes for the models and cooperating with the club in presenting the show.

More details later... and Wa-Na Club members have tickets to sell.

The WSCS of the local Methodist church held its regular meeting Friday evening, April 3, at 7:30, with Mrs. Cameron Brakelield as hostess. Mrs. Lloyd Watson called the meeting to order. Minutes were read and approved and the treasurer's report was given. Mrs. Walter Garriott gave an inspiring devotional.

Mrs. Harold Buxton, president of the Covington District Woman's Society of Christian Service, Covington, and Mrs. David Kennedy, secretary of Missionary Personnel of Covington, gave very interesting talks on the WSCS work.

Those enjoying the refreshments were: Mrs. Harold Buxton, Mrs. David Kennedy, Mrs. Lloyd Watson, Mrs. Robert Sturdivent, Mrs. Carl Conner, Mrs. Cameron Brakelield, Mrs. Walter Garriott, Mrs. Howard Stephenson, Mrs. Charles Carlisle, Mrs. Edith Hamilton, Mrs. Ethel Fooks, Mrs. Charles Ammer, Mrs. George Hoffman, Mrs. Lucile Hudson, Mrs. William Brown, and Mrs. Bruce Wallace.

Mr. and Mrs. Joe Stephenson and sons, Todd and Shea, and Miss Polly Cook, and Mrs. Virginia Perry were Easter dinner guests of Mr. and Mrs. Howard Stephenson.

Mr. and Mrs. Arthur Cowan of Franklin, Ohio, have been recent guests of their daughter, Mr. and Mrs. Estill Mills, and family.

Delbert Cole underwent surgery Saturday at St. Elizabeth Hospital. We wish him a speedy recovery.

Mr. and Mrs. Wesley Burgess and sons and Miss Joyce Carl Mills attended the Saturday evening performance of the Shrine Circus at Cincinnati Gardens.

Mr. and Mrs. Clarence Patrick and Mr. and Mrs. William Ellis spent Sunday in Louisville, guests of Mr. and Mrs. Newton Parrish.

Mrs. Parrish is the daughter of Mr. and Mrs. Patrick.

Mrs. Mabel Johnson and daughter, Betty, and Rev. Roy Johnson were Easter guests of Mr. and Mrs. Harry Fisk of Taylor Mill.

Mrs. Hope Alexander is spending some time with her daughter and husband, Mr. and Mrs. Joe Dance.

Mr. and Mrs. Bill White of Erlanger, were Sunday guests of her father, J. S. Reffitt.

Mr. and Mrs. Kay Kelly and son, Kevin, were Easter guests of his parents, Mr. and Mrs. Courtney Kelly of Burlington.

Mrs. Virginia Perry left Tuesday for her home in Carrollton, after spending six weeks with her sister, Mrs. Howard Stephenson, and Mr. Stephenson. Mrs. Susie Steinhauser is staying with her.

Mr. and Mrs. Steve Morgan are on the sick list.

Mrs. Doretta Brooks of North Main, is a patient in St. Elizabeth Hospital, Covington.

Mr. and Mrs. Robert Sturdivent are able to be out after being confined to their home for several days.

Mrs. Bessie Jean Alexander of North Main, has returned to her home from the hospital.

Mrs. Martha Jane Carpenter

spent the Easter holidays with her sister and husband, Mr. and Mrs. William Bertram, and family of Winchester, Ind.

Guests of Miss Wilma Goode on Sunday afternoon were Ann Hemsteger, Patty Quinn, Annie Beckman, Bobby Berkshire, and Valorie Goeman, all of Covington.

Charles Cope of Verona is a patient at St. Elizabeth Hospital. He recently had a heart attack. Cards and prayers will be appreciated by Mr. Cope.

Mr. and Mrs. A. A. Hunt and sons of Winchester, Ky., spent Sunday with their parents, Mr. and Mrs. A. T. Hunt. His father has been quite ill.

Friends of Jimmy Vest, of Florence, will be sorry to hear he is a patient in St. Elizabeth Hospital. He underwent surgery three weeks ago and was getting along nicely until a clot developed.

Ralph Baker, son of Mr. and Mrs. Charles (Junior) Baker of High Street, had an auto accident Saturday. His face struck the steering wheel knocking out several teeth. He remained in St. Elizabeth Hospital until Sunday.

Forage seed production in the United States amounts to around 875 million pounds annually.

## —DEATHS—

### MISS MARTHA RANDALL

Miss Martha Randall, 69, a native of Boone County, died last Thursday at the Veterans Hospital in San Fernando, Calif., where she had lived for five years. She had been ill for several years.

Miss Randall was a retired social worker with the Veterans Administration in Los Angeles, Calif. She was a graduate of the University of Kentucky, and received her Ph. D. degree in psychology from Columbia University, New York City.

Survivors are two step-children, Eugene Randall of Petersburg, and William Randall of Louisville. Graveside services were held at 1:30 p. m., Friday at Bullittsburg Baptist Church Cemetery, with Chambers & Grubbs Funeral Home of Florence, in charge.

### CLIFFORD B. WILLIAMS

Clifford B. Williams, 53, of 727 Forest Lane, Taylor Mill, died at 6:30 a. m., last Thursday at St. Elizabeth Hospital. He was a self-employed building contractor, and was a member of Bradford Lodge, F&AM, Independence.

He leaves his wife, Mrs. Queens Williams; three daughters, Mrs. Rita Moss of Taylor Mill, Mrs. Martha Dunn of Morning View, and Miss Brenda Williams at home; three sons, S/Sgt. Elbert Williams, stationed at Alamogordo, N. M., with the Air Force, Lanny Williams of Independence, and Ricky Williams at home; six brothers, Gilbert Williams of Covington, Raymond Williams of Morning View, Hubert and Harold Williams of Taylor Mill, Earl and Charles Williams of Independence.

Services were held at 10:00 a. m., Monday at the Swindler Funeral Home, Latonia. Burial was in Floral Hills Cemetery.

### INEZ MOREHEAD RUBY

Mrs. Inez Morehead Ruby, 60, a native of Knoxville, died at 1:00 a. m., last Thursday at the Dry Ridge Rest Home, where she had lived for three years.

Survivors include two sisters, Mrs. Ethel Norton of Covington, and Mrs. Kleo Vallandigham of Walton.

Services were held at 2:30 p. m., Sunday at the Knoxville Christian Church, with Stith Funeral Home, Florence, in charge. Burial was in Hillcrest Cemetery, Dry Ridge.

### CHARLIE SCHADLER

Services for Charlie Schadler, 70, of Eads Road, Crittenden, are

being arranged by the Chambers and Grubbs Funeral Home, Walton. He died Saturday.

Surviving are two sons, Franklin S. and Harold S. Schadler, both of Walton; three daughters, Mrs. Mildred Younger of Eads Road, Mrs. Virginia Kimberlin of Kenton County, and Miss Helen Schadler of Walton; two brothers, Geo. (Pete) Schadler of Taylor Mill Road, and Archie (Brent) Schadler of Covington; a sister, Mrs. Lucy Schuler of Taylor Mill Rd., nine grandchildren, and five great-grandchildren.

### Electric Expansion Project

A \$900,000 electrical expansion project is underway by the Union Light, Heat and Power Company to provide power for the Northern Kentucky Industrial Foundation Park, Florence, and for the future expansion in the Florence and Boone County area.

ULH&P is constructing a new substation to be known as the "Dixie" on Industrial Road in the NKIF Park. The station will contain a 20,000 KVA transformer. Another step to increase electrical capacity is the building of a new 66,000 volt line from the Wilder Substation in Campbell County to the Buffington Substation, south of Florence.

### HAM & FISH SUPPER

The junior class of the Walton-Vernon High School will sponsor a ham and fish supper Friday, April 17. Keep this date in mind and watch this paper next week for price, time and menu. There will be carry-out service.

## NOTICE—

## 20 YEARS AGO

APRIL 13, 1944

The Boone County Service Board now has 830 names of men and women who are serving their country in some branch of service. This is a project of the Boone County Homemakers Clubs.

As a feature in our paper, we have a special column for news of "Our Boys in Service." Please help make it worth reading by sending or bringing news to this office.

Mrs. Tom Percival had a telephone call from her son, C. L. Baker, Captain in the Medical Corps, who has just returned to the states after two years overseas.

David W. Deaton, petty officer third class, has returned to the

West Coast to rejoin the Pacific Fleet, after spending a leave with his mother in Covington, and Miss Ernestine Webster, Walton.

Pvt. Samuel Howard of Fort Meade, Md., has been spending a few days with his parents, Mr. and Mrs. Richard Howard.

Miss Helen Ruth Gardner spent the Easter holidays with her parents, Mr. and Mrs. L. A. Gardner in Lexington.

Guy Olen Carlisle and Charles Holder visited Miss Mary Alexander and Miss Mary Nell Hays at Midway College, Easter Sunday.

Mr. and Mrs. Harold Menke of Dayton, Ohio, were the weekend guests of relatives here.

Mr. and Mrs. Gerdie Harris, of

Verona, entertained their children on Easter Sunday. They were very glad to welcome Wilbur Harris home from the Navy.

Mrs. George Klein entertained the Staffordburg Homemakers Club last Thursday.

Mr. and Mrs. Charles Allphin of Crittenden, were visiting with her parents, Rev. and Mrs. R. F. DeMolay, Gene (Foster) DeMolay of Lawrenceburg, also spent the weekend with his parents.

Mr. and Mrs. Ward Sleet and daughter of Seymour, Ind., visited Mr. and Mrs. J. H. Sleet, Saturday and Sunday.

Mr. and Mrs. David Houston and daughter were guests in the home of Mr. and Mrs. John Lewis Feagan, Saturday evening.

Helen Mann of Cincinnati, spent the weekend with her parents, Mr. and Mrs. Clifford Mann.

Mrs. Julia Rouse and daughter, Miss Georgia, and Miss Louise Conrad of Walton; Miss Mary Bess Cropper and Miss Sibbia Reimer of Burlington; Miss Elma Taylor and Miss Rachel Whitnack of Independence, attended a dinner meeting of Delta Kappa Gamma, a national honorary society, Thursday evening at the Hotel Gibson, Cincinnati.

Mr. and Mrs. Harry Chapman entertained in honor of Mrs. W. M. Whitson, who celebrated her 78th birthday on Easter Sunday. The following members of her family assembled for the dinner: Mr. and Mrs. D. H. Vest, Mr. and Mrs. Clayton Jones and daughters, Patsy and Betsy, Mr. and Mrs. Fred Hamilton, Mrs. Rose W. Hamilton, Mrs. Sally Whitson, Mrs. Lloyd Yates and daughter, Nola Rose, and Mrs. W. M. Whitson.

A severe storm with high winds, lightning and heavy rain did considerable damage in the local area, blowing down barns and uprooting trees. A large barn on the farm of J. C. Conrad, near Dry Ridge, was struck by lightning and totally destroyed.

## WHITES TOWER

Mrs. Ralph Howard, Reporter

Easter was a beautiful day... sunshine, snow storms and what have you. A little cool for Easter egg hunts but they came out to hunt just the same.

James Richardson of Madison Pike, who has been in the hospital suffering from a heart condition, is improved, we are told.

Mr. and Mrs. James Burke of the Tower, entertained on Easter for Miss Helen Burke of Cincinnati, Raymond Burke of Covington, and his daughter, and Joe O'Connell of Covington.

Mrs. J. L. Faulkner of McCullum Drive, Independence, returned recently from Florida, where she visited her daughter and her family.

Mrs. Grace Bach of Independence, who was taken to the hospital Good Friday, passed away on Easter. She will be greatly missed by her many friends at St. Cecilia Church, where she had been a good worker.

## TAYLOR MILL

Ernest J. Ryle, Reporter

Bud Ryle and wife spent Sunday of last week with his parents, Mr. and Mrs. Ryle. They were on their way to Naples, Fla., where they built a new home last year. We were very sorry to see them go. He was an official of a large trucking company in Cincinnati, who gave them a big send-off party and all kinds of gifts, including a pair of silver golf clubs and fifty silver dollars, and also told him that if it happened that he did not like it down there, his job would be ready for him any time he wished to come back. Small wonder that we are very proud. Their daughter and son-in-law, Mr. and Mrs. Harold Schraeder, and son, Tracy, have lived there for several years and will be close neighbors.

Recent births: Albert and Ruby Baumgardner, 29 Shaw Road, a boy, March 23; Thomas and Peggy Ruebush, a boy, March 23; Eugene and Norma Coots, 180 Banklick Road, girl, March 23. Several plantbeds have been sowed... Dorsey & Goshorn having one 100x12.

The Inabitt family of White Tower, have all been quick sick with colds and stomach ailments. Writers are predicting a wonderful fishing season. Hurray! We all try to be good but fall many times. The only time to give up hope is when we start blaming someone else. We don't often have a strong hunch, but here's one: We will have the best crop year we have ever had; an early spring and it will be here to stay; the snow

and freezing and thaws have put a reservoir of water in the ground that will last us through the summer.

## CONCORD

Mrs. Lindsey Webster

Mr. and Mrs. Ronald Jones and son spent Easter with Mr. Jones' parents, Mr. and Mrs. Raymond Jones. Miss Dortha Landrum of Erlanger, also spent Easter with the Jones family.

Mrs. Mabel Wallace and children of Glencoe, spent Sunday with Mr. and Mrs. James Boots and children.

Mr. and Mrs. Lindsey Webster were in Verona recently, and Mrs. Webster called Mrs. Effie Clemmons.

The Concord Baptist Church held an Easter egg hunt for the children.

Mr. and Mrs. Floyd Chapman and son have returned from a visit in Indiana.

When you see this

**you'll be glad you bought a Plymouth!**

Plymouth's engine and drive train warranty\*  
has 26,000 miles more to go.

Ford and Chevrolet warranties on these parts end here.

If you keep your new Plymouth for 5 years or 50,000 miles, whichever comes first, you'll be protected all that time by this remarkable war-

ranty. If you trade it earlier, you'll have a car which should be much more attractive on the used car market. Either way you're far ahead.

\*HERE'S HOW PLYMOUTH'S STRONG 5/50 WARRANTY PROTECTS YOU: Chrysler Corporation warrants for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motors Corporation Authorized Dealer's place of business, the engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings of its 1964 automobiles, provided the owner has the engine oil changed every 3 months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the coolant air filter cleaned every 6 months and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.

Imagine what this can mean to resale value!

## A change here could save you money!

Building a home is the biggest investment most of us ever make. And one of the most important ones, too, because we'll be living in it for years to come.

That's why it's so important to select the best available materials. Nothing is more important than your heating system. Consider Electric Heat. It cost less to install than old-fashion systems because there is no expensive duct work or chimneys; storage tanks aren't needed, either.

But more important, think of your family's comfort and safety. Clean, even Electric Heat can be adjusted to "just right" temperature for each individual room. It's as safe as a light bulb because it's flameless.

Whether you build or remodel, treat your family to the best... low-cost Electric Heat!

## ELECTRIC HEAT

## Why Am I Here?

Lesson for April 12, 1964

Background Scriptures: Genesis 1:26-28;  
Psalm 8; Luke 12:1-7;  
Devotional Reading: Psalm 1.

IF THIS is God's world, then it is my world too. Not mine in the sense that I can do what I please with it. Only God is free to do as He likes with the world, for He and He only has the power, the wisdom and the goodness to

will and to do what is absolutely right. This is God's world first because God made it. It is my world first not because I made it, but because the Lord God who made it made me. Dr. Foreman If I can speak of my mountains, my country—much greater than I but still truly mine, I can speak of my world, the home God made for me. I belong here. I am created just as all things are created,—not all at once with a big bang, but through the long centuries to the hour of my birth and beyond, I have come to be,—and this is the good pleasure of God.

### "Little less than God"

The poet who wrote Psalm 8 speaks of man as created little less than God. Perhaps that seems too bold; our older English translation says "little lower than the angels," but the Hebrew means plainly "little less than God." This is a staggering thought. Let us take it at its lowest meaning, so as not to be puffed up with pride. In the beginning of the Bible it is said that man is created in the image of God. That means that there is something in man, creature though he is, which shows a likeness to the God who made him.

### "All things under his feet"

This joyful Psalm 8 thinks of man not in seclusion with a fence between him and the other creatures around him, but as having "dominion," that is, control and mastery over the rest of creation. Now this can be done in two very different ways. A man who owns many hundred square miles of forest can cut the forest down and by careless, greedy methods lay waste the entire countryside—it has often been done. That man has demonstrated his "dominion"—his machines have been victorious over every tree that stood in their way. But the end is a vast countryside destroyed. An opposite example is another man who is a woodcarver. Out of pieces of wood, not specially beautiful, he makes objects which are useful and a delight to the eye. He is master of the wood; but when he gets through with it, he has brought beauty and usefulness into the world, not an empty desert. In times gone by witch-doctors would use poisons from plants they knew of to bring death to their enemies. Today some of those very plants and their poisons are used by chemists to make medicines that save people's lives. Witch doctor and scientist both have dominion over the plants of the field,—but what a difference!

### We are obliged

High though we are in the scale of life, nevertheless we are obliged to "our neighbor the universe" in ways past counting. Every atom in our bodies was drawn from the ground on which we walk, the air we breathe and the water we drink. If the universe had not nourished us we could never have been born. All the clothes we wear, everything we use and enjoy, is a gift of the universe around us. If we have friends, they too were cradled by the selfsame earth and sea and sky. When our Lord was here, it could have been arranged that he be fed by manna from the sky. But no, one of the marks of Jesus as a true and not make-believe man was that He too had to be nourished and furnished by the world around him, even as we. So, although we are indeed to have dominion over other creatures, the thought of what we owe to our wonderful world will keep us from being tyrants, hateful and destructive. If we have any power, it is God-given; and we have no right to use our powers in ways that deny the laws and standards the character of our Creator.

Hay conditioners...crushers and crimpers...may reduce the drying time of legumes from 30 to 40 percent. However, conditioning must not be delayed more than 20 minutes after mowing.

## THE Twenty-Third PSALM

You've got to have your arms around a warm, woolly, wobbly lamb before the real meaning of the Twenty-third Psalm grips you.

You begin to realize how awkward, bewildered, helpless a lamb really is.

David wasn't merely singing of the Lord's faithfulness. He was confessing his own helplessness!

The key to religious faith is not simply the discovery of God's power. It is the discovery of our own need.

The Lord is OUR Shepherd.

- 1 The Lord is my shepherd, I shall not want;
- 2 he makes me lie down in green pastures. He leads me beside still waters;
- 3 he restores my soul. He leads me in paths of righteousness for his name's sake.
- 4 Even though I walk through the valley of the shadow of death, I fear no evil;

for thou art with me; thy rod and thy staff, they comfort me.

5 Thou preparest a table before me in the presence of my enemies; thou anointest my head with oil, my cup overflows.

6 Surely goodness and mercy shall follow me all the days of my life; and I shall dwell in the house of the Lord for ever.

## WALTON-VERONA SCHOOL NEWS

**Spring Vacation**

Walton-Verona schools are now dismissed for spring vacation... April 8-9-10. The purpose of the vacation is to enable teachers to attend K.E.A. in Louisville. There, teachers hear well known speakers and attend group meetings relating to their individual fields of study. The seniors are taking the entire week for their class trip to Washington, D. C. and New York City.

**Call Him "Colonel"**

John B. Shoemaker, Walton-Verona High School principal, was recently commissioned a Kentucky Colonel by Gov. Edw. T. Breathitt. The appointment automatically makes him a member of the Honorable Order of Kentucky Colonels. The custom was started in 1812 by Gov. Isaac Shelby, who made the first Kentucky Colonel appointment.

**Congratulations, Carolyn**

Carolyn Armstrong, captain of the Walton-Verona majorettes, won second place April 1 in the Shrine Circus Twirling Contest.

**Assembly Program On Alaska**

Stanley Kacaba, Walton, presented a program on Alaska to the Walton-Verona High School on April 3. He showed many color slides he had taken while living in Alaska, and told about the climate, animals, flowers and customs of the region.

## A Look At Education

(Continued From Page One)

"minimum" program. Usually, this added "quality" takes the form of hiring additional teachers to provide a broader program and a lower pupil-teacher ratio. The state's minimum program is calculated on the basis of a classroom unit with 27 pupils in average daily attendance (about 30 children enrolled). Additional classroom units, to reduce this pupil-teacher ratio, are paid for entirely out of local "leeway" funds.

For example, a school system might have 2,700 children in average daily attendance, which would mean 100 approved classroom units in the minimum program. Suppose the local board of education set up 10 additional units to provide the "quality" mentioned above. The state's contribution under the Foundation Program will be increased by \$30,000 (\$300 times 100 units). The local board of education can do either of two things: (1) Divide the additional \$30,000 among 10 teachers and provide an average salary increase of \$300 per teacher, or (2) it could provide an additional \$3,000 (if available) out of local funds to continue the principle of local support for additional quality and set up an average increase of \$300 per teacher.

Essentially, the same thing is true in the so-called "guarantee" districts. These are the wealthier school systems where all, or a major portion, of the costs of the minimum program can be provided out of the local "fair share." In this instance, the state puts in a guaranteed minimum amount per child in ADA, which is to be increased by \$11 next year. On the basis of a 27:1 pupil-teacher ratio this would mean an increased state contribution of \$297 per teacher. In school systems that set a lower pupil-teacher ratio in order to achieve more quality, the amount per teacher coming from state funds would be less than this.

In summary, the only way the state can allocate more money to local school systems is in terms of its guarantee to provide a minimum program. Additional "quality" funds can be provided at the discretion of the local system, out of "leeway" funds. Logically, since additional classroom units, above and beyond the minimum, were provided locally, salary increases for these additional units should come out of local funds.

# A Look At Education

—by—  
Eugene Robinson

In following up last week's article I shall conclude my discussion on benefits that the teaching profession received from laws enacted by the recent General Assembly. The two major areas are teacher tenure or contracts and teacher retirement.

There are four specific changes in the Teacher Tenure Law: (1) To provide for four one-year contracts during the probationary period; (2) to provide for continuing contracts only for years experience while holding a certificate issued on the basis of a college degree; (3) annual contracts, rather than continuing contract at age 65, and (4) changing the date of notification of non-renewal of annual contracts to May 15. Also if a teacher's extra duties which require extra pay are terminated, a written notice of such change must be given the person concerned by May 15.

There were six changes designed to improve the Teacher Retirement Law: (1) An increased contribution rate; (2) a higher maximum annuity; (3) recomputation of service since 1942; (4) a deductible hospital and medical coverage; (5) an improved disability benefit; and (6) reduced minimum service requirements. After July 1, 1964, all teachers will contribute 7 percent of their gross salaries instead of the 5 percent now contributed.

The maximum annuity which can be paid any retired teacher has been increased from 50 percent of the average salary for the highest consecutive years of service, to 75 percent of that average. It should be emphasized that this is a "maximum" or "ceiling" not a guarantee.

The recomputation of service since 1941 will be done on the basis of the average salary for the five highest consecutive years of service instead of the average salary upon which contributions were made (maximum of \$2600) for the years 1941-1963. This should mean added benefits to many teachers already on the retired list, as well as to those who retire after July 1, 1964.

A completely new benefit provided a broad program of major hospital and medical coverage for retired teachers, 60 years of age or older, and their spouses. A deductible amount (yet to be determined) has been paid by the retired teacher in any one calendar year for hospital and related expenses, all other costs of this nature will be paid by an insurance company with which the Teacher Retirement System will enter into a contract.

Every teacher with ten years of service in Kentucky will be eligible for a much-improved disability benefit, amounting to one-half of the salary earned during the period immediately preceding the disability. After a minimum of five years in this status, the disabled teacher can go on the service-retired list, and start drawing a regular annuity calculated on the basis of being at least 60 years of age.

The death benefit has been increased from \$500 to \$1000. This is a flat sum, payable to the estate of the deceased teacher, either active or retired, to be used for any purpose.

The minimum service requirement for a teacher to be eligible for retirement benefits has been reduced to ten years. This means that any teacher who completes ten years of teaching in Kentucky will be eligible to retire at age 60, whether she is teaching then or not. Also, the minimum service requirement for a survivor benefit coverage has been reduced from six to three years.

## Beta Club Basketball

The Beta Club of the Walton-Verona High School is sponsoring a basketball game between the Beta members and the faculty and P.T.A. on Friday, April 17. The first game starts at 7:30 p. m. Admission: Adults 35c, children 25c.

The junior class is serving a ham dinner before the game.

## Pennington On Dean's List

David E. Pennington, Walton, has attained the Campbellsville College Dean's List for the past semester. He is completing his senior year at Campbellsville and is a physical education major.

David is the son of Mrs. Dora Pennington, 30 Alta Vista Drive, Walton, and a graduate of Walton-Verona High School.

## SPECIALTY ACT WINNER

### Annual Spring Band Concert Here Sunday

The annual Spring Concert presented by the Walton-Verona Schools Department of Music will be held on Sunday, April 19, at 2:30 p. m., in the high school auditorium. A series of three short concerts will be given by the combined Junior Bands, the High School Mixed Chorus, and the Concert Band.

Featured events will be selections of choral music recently presented in the Northern Kentucky Choral Clinic and band music which will be played in the Northern Kentucky Music Festival by the concert band. The combined junior bands of both schools will also give their first performance. The public is invited.

Rhonda LaFollette

The Specialty Act winner in the Kenton County 4-H Talent Show, April 4, at Twenhofel Junior High School, was a Piner school pupil, Rhonda LaFollette, a fifth grade student of Mrs. E. L. Steinhauer. She did a song and dance routine to "Bill Bailey," and was accompanied at the piano by her sister, Sandy LaFollette.

This two-time winner of the Talent Show, is the daughter of Mr. and Mrs. Raymond LaFollette of Piner.

On April 18, Miss LaFollette will compete in the District 4-H Talent Show, which will also be held at the Twenhofel school.

## Mass Meeting at Erlanger

The Kentucky Division of Protestants and Other Americans United for Separation of Church and State will sponsor a mass meeting at Erlanger Baptist Church, April 16 at 7:30 p. m. The speaker will be Gioele Settembrini, a native of Italy, who has been in this country for six years. A former opera singer, he is now a Baptist minister.

Rev. Bob W. Brown of Lexington, is chairman of the Kentucky Advisory Committee. Other Kentuckians serving with him are: Bishop Walter Gum, Dr. Herald G. Saunders, Dr. C. R. Daly, Otis C. Amls, Dr. Wayne A. Lamb, Dr. George S. Wood, Dr. Jesse Murrell, Albert W. Weaver, Dr. Duke K. McCall, and Dr. T. H. Harding.

## Simon Kenton PTA Names New Officers

The April 5th meeting of the Simon Kenton P.T.A. was held at 8:00 p. m., in the school cafeteria with Mrs. Howard Fredericks presiding. The salute to the flag was given by Tim Taylor and Steve Morgan, Scout Troop 8, of Independence. The devotion was given by Roe Caldwell and Brenda Kelly, students.

The business of the meeting was conducted and it was voted to participate in "Coney Island Day" on June 4. This is sponsored by the Kenton County Council of Parent-Teacher Association... It gives the students a day of pleasure together, yet it is well supervised.

Mrs. Elmer Lea, chairman of the nominating committee, presented the following names, which were unanimously elected to fill the P.T.A. offices for the coming year: Mrs. Wesley Hall, president; Mrs. Harold Buxton, vice president; Mrs. William Campbell, secretary, and Mrs. Charles W. Adams, treasurer.

A two-part program was presented, the first being by the Superior Award winners of Miss Hiteman's speech class. They were Cathy Hill, Sherry Faulkner, Richard Banks, Beechwood; Susan Woodward, Dixie Heigher, Pat Dally, Holmes, and Mike Sebastian, Simon Kenton. Their subject was, "Moral Education—Youth Seeks Answers." Both of the groups did a splendid job... it is these, our youth of today, who will be our leaders of tomorrow... we should have no fear of the job they will do.

## Kenton Elementary P.T.A.

The April meeting of the Kenton Elementary P. T. A. will be held on Thursday, April 16 at 8:00 p. m., in the school cafeteria, according to Mrs. Wayne Bridges, the publicity chairman.

## STYLE SHOW COMING

Models have been outfitted in an array of summer fashions, from the youngest to the oldest, in the style show to be presented by the Wa-Na Club and Benton-Bonar Department Store, Thursday, April 23, at 8:00 p. m., in the high school gym in Walton.

There will be entertainment, door prizes and refreshments for the small donation of fifty cents. A complete evening of entertainment for all. Get your tickets now from any club member or at the Benton-Bonar store, or they may be purchased at the door.

Proceeds from the show are used to support community activities so the club can use your support.

## A Critical Election Year

The presidency of the United States is at stake this year, 34 senate seats and 435 house seats are up, and in 26 states governors will be selected... a crucial election year.

In politics, you're mute if you fail to register and vote. You can conduct endless living room and neighborhood arguments in behalf of your favorite candidate, but they are of no use to him unless you can back up your arguments with your ballot.

Your vote is your voice and to make your voice heard you must cast your ballot on election day.

That voice... your vote... draws strength from and is amplified by your association with your Boone County Democratic Club. Join now by contacting the president, Burman Roberts, Hebron.

## Church of God Revival

Revival services were to begin Wednesday, April 15, at the Walton Church of God, 88 South Main Street. The evangelist, Wanda Gadd, invites everyone to attend this revival night at 7:30.

There will be a Fellowship meeting on Friday, April 17, with Rev. Bill Trubee of Xenia, Ohio, doing the preaching.

Come out and hear some good gospel preaching and singing. "For the Son of Man is come to seek and to save that which was lost."—Luke 19:10.

## Wanda Gadd, Evangelist

Revival services were to begin Wednesday, April 15, at the Walton Church of God, 88 South Main Street. The evangelist, Wanda Gadd, invites everyone to attend this revival night at 7:30.

## GIVE—CANCER CRUSADE

Seven thousand Boone Countians now living will develop cancer... this is unless a control or cure is found. This means nearly everyone in this county has a personal interest in helping to control and wipe out cancer. Fortunately, those statistics lie in the future and we have a chance to alter those predictions by acting today.

April is Cancer Crusade month... a crusade volunteer should be calling on your home to leave you a message of hope on control of cancer and ask for a contribution to help defeat this disease.

If you are not home when the volunteer in your area calls or if you were missed accidentally, send your contribution to the Cancer Crusade Treasurer of Boone County, Mrs. Herbert Riehl, 7812 Dixie Highway, Florence, Ky.

By contributing and acting today, you stand a better chance of saving the life of someone you love tomorrow.

## Delegate to National Meet

As the annual meeting of the Department of Elementary School Principals, N. E. A., convenes in Minneapolis, Minn., April 18-22, Edgar Baker, principal of Taylor Mill School, will attend as the chosen delegate from the Kenton County Elementary Schools.

The meeting will develop the theme "Leadership for Learning," and programs will focus on leadership responsibilities of the elementary school principal in many aspects of his job.

The Taylor Mill P.T.A. Executive Board has been most fortunate to have Mr. Baker as its advisor and member, and is pleased to announce this honor conferred on this principal.

## HONORED AT BANQUET

Gene Parker

Gene Parker, Maher Road, Walton, was honored recently at a banquet held at New Banklick Baptist Church by the young people, following the resignation of Parker as song leader and choir director at the church.

Mr. Parker left April 10 to begin his basic training in the U. S. Air Force. This young man has faithfully served his church for a number of years as song leader.

## Republican For Magistrate

At the regular business meeting of the Boone County Republican Club at 276 Main St., Florence, it was announced that Donald Osterbrook, 7 Woodland Ave., Florence, would seek the post of magistrate on the Republican ticket, to fill the unexpired term of the late Joe Hogan.

The announcement was made by James Mattingly, chairman of candidate procurement, and Mrs. Lillian Schram, chairman of the finance committee.

## See Eye Foundation Film

George Scheper, first vice-president of the Covington Lions Club, Kentucky Eye Foundation, and gave an informative talk to members of the Boone County Jaycets at their April 13 meeting.

The Jaycets continued plans on the dinner and style show to be held on May 5 at the Lookout House for the benefit of Redwood School.

Again this season the Jaycets will sponsor a Class D Knott baseball team, the J-Cets-Jets, coached by Ed Moore.

## Wa-Na Club Meets At RECC Building

The Wa-Na Woman's Club was entertained by Mrs. Louis Webster, Mrs. James Wiser and Mrs. Maryalice Conrad for the April meeting at the new RECC office building on Walton-Nicholson Rd.

Earl Smith, new owner of Family Gardens Florist Shop, Florence was the guest speaker who spoke on flower arrangements in both live and artificial flowers and did several arrangements before the group. He did one arrangement and presented it to the club, and Mrs. Gayle McElroy was the lucky winner in a drawing held to determine who would receive the gift.

The Spiritual Guidance was given by Mrs. Asa M. Rouse, and the topic was, "The Family Devotion and Prayer." Mrs. Alva Falls gave the "Status of Woman" report and compared the American woman today with the woman of yesterday.

Three guests, Mrs. Kay Kelly, Mrs. John C. Mayhugh and Mrs. James Lawrence, and the following members, Mrs. George Black, Mrs. Leonard Cook, Jr., Mrs. Alva Falls, Mrs. Harry Hanson, Mrs. Gayle McElroy, Mrs. David Peebles, Mrs. Nelson Popham, Mrs. Asa M. Rouse, Mrs. Jack Rouse, Mrs. Mike Ryan, Mrs. Robert Slayback, Mrs. Chester Sturgeon, Mrs. James Webster, Mrs. John Taylor, Mrs. Robert Elsenchmidt, and Mrs. Clayton Jones enjoyed delightful refreshments served by the hostesses.

Members and guests were taken on a tour of this modern new office building by Mrs. James Wiser, one of the hostesses, who is employed by RECC.

## McNeely Circle Meets

The McNeely Circle met at the Baptist Church at 1:30 p. m., on April 9, with 11 members and two visitors present.

The subject discussed was, "Baptists Emerge Into Modern History." The business session was held before the meeting.

The next meeting will be held May 14 at the same time, same place, and everyone invited.

## 4-H Talent Shows In Boone-Kenton

One of the annual 4-H events, held each spring, is the Talent Show. These shows were held early this month in both Boone and Kenton Counties.

In Kenton County, the show was held at Twenhofel Junior High School, where a capacity crowd was entertained by 22 acts, representing 14 4-H Clubs.

Winner in the club act division was Tel-Star Teen Club with their presentation of "The Mickey Mouse Club," and the runner-up was the St. Cecilia Club presenting, "Here Comes the Circus."

In the specialty act division, the winner was Miss Rhonda LaFollette of the Piner Busy Bee Club, who sang "Bill Bailey, Won't You Please Come Home" and did a dance. The runner-up was Marlene Eckert of the St. Cecilia Club, who gave a dramatic reading, "Oh Captain, My Captain."

In the Boone County show, winners in the specialty acts were: First, Nancy Holt, tap dance; second, Diane Hughes, song; third, Elizabeth Roe and Mary Foltz, dance; fourth, Billy Moore, song with guitar.

In the club acts, first place went to Mary Queen of Heaven School, "The Old Lady and Her Pig;" second, sixth grade club from A. M. Yealey School, a folk dance; third, Boone County High School 4-H Club, "The Worst Show On Earth," patterned after a circus, and fourth place went to All Saints School, Walton, who presented a Hootenanny.

Winners of each division from each of the two counties will participate in the District 4-H Talent Show on Saturday, April 18, at Twenhofel Junior High School, on Taylor Mill Road, starting at 10 a. m. The public is invited to attend and support the act of their choice.

## Candidate For Congress

Clyde Middleton

Clyde Middleton, a Kenton County Republican, has announced his candidacy for Congress from Kentucky's Fourth District. Mr. Middleton made the race in 1962 against the incumbent, Frank Chelf, a Democrat.

"Fourth District Kentuckians indicated by their vote in 1962 that they want a Congressman who really represents their needs," Mr. Middleton said in announcing his candidacy. "I presented a positive program during the last campaign to insure that these needs would be recognized. I traveled over 32,000 miles in the 18 counties of the district to promote discussion on vital issues facing America and Kentucky. I published position papers on seven major issues. I talked personally to thousands of citizens."

The 35-year-old Middleton is an Annapolis graduate and holds a master's degree in business administration. He is active in the Covington Naval Reserve, the Kentucky Government Council, the Republican State Central Committee, the Faith Lutheran Church and in many other community activities.

He resides in Ft. Mitchell. He and his wife, Mary, are the parents of three children: Ann, a second-grader; David, 5, and Richard, 2.

Mr. Middleton will be opposed in the May 26 Republican primary by Fred Whitehead of Lebanon Junction in Bullitt County.

Improvement of MULBERRY STREET by the construction of a new six (6") inch water main beginning on the north side of Edwards Avenue at the intersection of Mulberry Street; thence along the west side of Mulberry Street S 42-15 E 101.05 feet; thence S 49-15 E 135.5 feet; thence S 28-15 E 105.7 feet; thence S 38-15 E 129.7 feet, a total of 471.95 lineal feet, and an additional fifty (50) lineal feet across Edwards Avenue.

For additional information on specifications, see Miss Daisy Hill, City Clerk, Walton, Kentucky, or Mr. James Ransom, City Engineer, Florence, Ky.

Said bid shall be accompanied by a certified check or bank draft in an amount of 5% of the bid. The bid that is accepted shall enter into a written contract with the City of Walton, Kentucky, and execute a bond in sum of 50% of the bid conditioned on faithful performance.

The City of Walton, Kentucky, reserves the right to reject any and all bids.

PAUL SIMPSON, Mayor Pro-Tem  
ATTEST: DAISY HILL, City Clerk 21-16c

## —ORDINANCE NO. 1964-36—

An Ordinance ordering the improvement of Mulberry Street in the City of Walton, Kentucky, by construction of a new six (6") inch water main along said street a distance of 471.95 lineal feet, and an additional 50 lineal feet across Edwards Avenue, and providing that the entire costs thereof be apportioned and assessed pro rata against the owners of the property fronting and abutting on such improvement, excepting 50 feet of Herbert Bromley property fronting on Mulberry Street, and fifty (50) feet of the Ruth Vest Johnson property fronting on Mulberry Street, the costs of this one hundred (100) feet to be paid by the City of Walton, Kentucky, as approved by Chapter 94 of the Kentucky Revised Statutes, and providing that the payment by the property owners for said improvement be made in cash within (30) days after acceptance of such improvement and the passage of an Assessment Ordinance as provided by Chapter 94 of the Kentucky Revised Statutes.

WHEREAS, a resolution has been adopted by the City Council of the City of Walton, Kentucky, for the improvement of Mulberry Street, in said City as law requires.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF WALTON, KENTUCKY, DOES ORDAIN AS FOLLOWS:

Section 1. That it hereby orders and requires the improvement of MULBERRY STREET by the construction of a new six (6") inch water main beginning on the north side of Edwards Avenue at the intersection of Mulberry Street; thence along the west side of Mulberry Street S 42-15 E 101.05 feet; thence S 49-15 E 135.5 feet; thence S 38-15 E 105.7 feet; thence S 33-15 E 129.7 feet, a total distance of 471.95 lineal feet, and an additional fifty (50) lineal feet across Edwards Avenue.

Section 2. Said work shall be done in accordance with the specifications prepared by James Ransom, City Engineer, Walton, Kentucky, all of which specifications are hereby adopted as the specifications for the improvement herein ordered and are hereby declared to be a part of this ordinance as though fully set forth herein; and said improvement shall be made in accordance with plans and estimates as filed with the City Council of the City of Walton, Kentucky, by James Ransom, City Engineer, for Walton, Ky.

Section 3. The City Council of the City of Walton, Kentucky, hereby declares this improvement to be a necessity and the materials provided in said specification suitable therefor and the City Clerk is ordered to advertise for seal proposals for the doing of said work, and the furnishing of the materials therefor, by the insertion of an advertisement in a newspaper having a general circulation in the City of Walton, Kentucky, at least once a week for at least two weeks before the letting of the contract for doing said work. Said bids shall be accompanied by a certified check or bank draft in the amount of five (5%) percent of the bid and are to be read and opened before the City Council of the City of Walton, Kentucky, at its continued meeting, April 23, 1964, and said council reserves the right to reject any and all bids.

The contractor whose bid is accepted shall enter into a written contract with the City of Walton, Kentucky, and execute a bond in the sum of fifty (50%) percent of the bid conditioned on the faithful performance of said contract and shall complete said work in (60) sixty working days from the time said bid is accepted and contract entered into by said City Council; however, if the contractor fails to complete the work for a reasonable period in the discretion of the City Council, if the contractor is prevented from completing said work within said time without any fault on his part. All of said work is to be done under the direction of the City Council and the City Engineer of Walton, Kentucky, and the City Engineer of the City of Walton shall be the referee in all decisions pertaining to the improvement herein ordered and his decision shall be final wherever the compliance with plans, estimates and specifications is involved, but the City Council may reject said work if it is not done in a workmanlike manner to their satisfaction.

The City Engineer of the City of Walton is hereby required to report to the City Council when said improvement is ready for acceptance, said report to contain an itemized statement for the entire costs of the improvement and the total length of the improvement in lineal feet. The entire cost of said work shall be done at the costs and expense of the owners of lots or parts of lots, or land, abutting and fronting thereon, and when completed the entire costs and expenses of the improvement shall be ascertained, and shall be apportioned, levied and assessed upon and against the lots, or parts of lots, or land fronting or abutting thereon, as provided by Chapter 94 of the Kentucky Revised Statutes. A lien prior and superior to all other liens is hereby created on all lots, or parts of lots or land fronting and abutting thereon, and in the payment of said assessments, payment of which is to be made in cash within (30) thirty days after the adoption of the apportionment ordinance thereof. Any assessment or parts of assessments not paid within (30) thirty days after the adoption of the apportionment ordinance thereof, shall carry a penalty of ten (10%) percent per annum from date of the adoption of the apportionment ordinance, as provided in Chapter 94 of the Kentucky Revised Statutes.

The improvement provided for by this ordinance shall be known and designated as a stage improvement.

Section 5. Other stage improvements which will be required before the said improvement will be completed are the construction of a sewer system, sidewalks, street and such other improvements as the City Council of the City of Walton, Kentucky, may later deem necessary.

Section 6. All ordinances and parts of ordinances in conflict herewith are, to the extent of such conflict, hereby repealed, and this ordinance shall be in full force and effect from and after the date of its passage and publication, as provided by Chapter 94 of the Kentucky Revised Statutes.

PASSED AND APPROVED AND ORDERED PUBLISHED, this 9th day of April, 1964.

PAUL SIMPSON, Mayor Pro-Tem, City of Walton, Ky.

### SWEEPSTAKES RULES READ CAREFULLY

Here's all you do to enter:

1. On an official entry blank, or a plain piece of paper, handprint or write clearly your name and address along with the name of your favorite retail store. Mail, each entry separately to: SEE-THE-FAIR SWEEPSTAKES, BOX 226, New York, N. Y. 10046.

2. Enter as often as you wish as there will be 5 weekly drawings. Entries received by Monday, May 4, will be eligible for the first drawing and those received by each Monday thereafter, eligible for that week's drawing. The final weekly drawing will include entries postmarked by June 1 and received by June 8, 1964. All entries participating in the weekly drawings are then eligible for the Grand Prize drawing.

3. Each entry must be accompanied by the liners (cork or plastic) from 3 cans from Coca-Cola or Sprite (caps with the Coca-Cola Tower at the World's Fair on top) or by 3 pieces of paper 3" x 5" on which you have drawn "Coca-Cola" in block letters. (Liners may be detached by inserting small point under edge and lifting). DO NOT MAIL METAL CAPS.

4. Winners will be selected in random drawings conducted by the D. L. Blair Corporation, an independent judging organization. Its decisions with respect to all phases of the sweepstakes will be

final. One weekly prize to a family. No substitutions will be made for any prize offered except where stated. All entries become the property of The Coca-Cola Company and none will be returned. Family trips are 5 days & 4 nights; for parents and up to 4 dependent children, and must be taken in 1964.

5. Sweepstakes is open to residents of the United States. Not open to employees and their families of The Coca-Cola Company, Coca-Cola Bottlers, the D. L. Blair Corporation and their advertising agencies. Offer void in Alabama, Florida, Wisconsin, and wherever prohibited by law (residents of these areas are eligible to enter a special contest—free entry blanks and rules available where Coca-Cola is sold). Residents of Missouri and North Carolina should disregard requirements of Rule #3 above.

6. Winners will be notified by mail after each drawing. For a list of major prize winners, send separate stamped, self-addressed envelope to: SEE-THE-FAIR SWEEPSTAKES WINNERS' LIST, BOX 97, NEW YORK, N. Y. 10046. Do not send this request with Sweepstakes entry.

## Family Tensions

Lesson for April 19, 1964

Background Scriptures: Matthew 10:34-39;  
Ephesians 5:21 through 6:4  
Devotional Reading: 1 John 4:7-12.

A GREAT DEAL of sentimental twaddle is written, preached or sung, about the family. People talk about the family and the home as if it were (if American, of course!) a bit of heaven on earth. But a family can be a bit of hell on earth too. A family is made up of imperfect people; and putting two or a dozen people under the same roof won't make angels of them. Two or six imperfects don't add up to anything perfect. Again, a lot of scientific twaddle is spouted off, as wrong in its way as the sentimental twaddle. Scientists—sociologists, psychologists, economists and such—talk about the family as cold-bloodedly as if it were a purely scientific phenomenon, like an earthquake or the living of bees. They look at it as if it were a human institution (which is the truth) and nothing more—which is far from true.

Where the problems are  
Now the Bible is not something written in a vacuum or a monastery. Its writers were mostly married men (some of them happy, some unhappy); and they were not silent about marriage. As an example of Christian truth about marriage, consider the passage in Ephesians 5:21 through 6:4. Here we have the Christian home spoken of in thirteen sentences, filled with wisdom on this problem. Saint Paul shows first that he knows where the trouble-spots are. Today we call them tensions, a word suggesting that if two people are pulling against each other, "something's gotta give."

What we're after  
Paul not only knew where the tensions are, he knew what is the ideal of marriage. Now it would be impossible for Paul either to state a problem or to suggest how to solve one, without a reference to Christ. That is the trouble with so much modern analysis of the marriage problem. It never gets within range of religion. But Paul comes to the One who for him and for us too (if we live up to our professions) is the Center, no matter what the thought or the action is. The ideal family life, we are here told, is a life of harmony. The relation between Christ and the church is the model for the relation of the various parts of the family to one another. Harmony, not identity, is the aim. No one person runs the family; that is dictatorship. There is organization; a good home is not a place where every one does as he pleases without caring what any one else thinks or does. But good organization, with a head who is really a head and not just a Sunday looker-on, organization which has as its aim not uniformity but harmony in love.

The cure for what ails us  
There are thirteen sentences (as we noted) in this short passage; yet Christ is mentioned not less than nine times. Christ in the home lessens the tensions, and even all but destroys them. (No home is so good that it is forever free from the danger of tensions.) Out of the many ways in which this is true, consider one that is highlighted by St. Paul, the relation — which can be pretty tense! — between husband and wife. He tells the wife to be subject to her husband, and many a man has taken this to mean that he is the sergeant and the family is the squad; so when he barks they should all jump. Not at all! Paul goes on to say something even stronger to the husband. You must love your wife as Christ loved the church, giving himself in sacrifice. The model for the husband-father is not taken from the rules of a cavalry regiment but from Calvary. Indeed, Paul says that not only the wife but each member of the family should be "in subjection" to the others. Each for all and all for each — if each and all are for Christ as He is for them, tensions will disappear.

Since protruding nails from scrapwood always place themselves so you'll cut your hand on them...why not win the battle by removing such nails?

If we have a sense of responsibility the world will keep us in harness as long as we live.

Depressing sight, isn't it? And what is it we say when something old, familiar, once-cherished, once-useful has succumbed to the ravages of time? *It served its purpose!*

Could all the churches in our town someday look like this?

They could!  
Maybe they will...  
if they have served their purpose...

if we don't need them anymore!  
Even if you haven't been getting to church of late, I think you'll protest that we DO need our churches. We need the truth they teach — the faith they instill — the hope they inspire — the God-given strength with which they undergird our life.

This is the very point: We ALL need our churches.  
And to bring ALL of us to realize and fulfill our need...

That is their purpose!

THE CHURCH FOR ALL - ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

#### Pleasant Grove W.S.C.S.

The regular meeting of the Pleasant Grove Woman's Society of Christian Service met at the church. In the absence of our president, Mrs. T. S. Moffett called the meeting to order. Mrs. Snyder read the scripture from the Bible. Others present had a verse.

Minutes of the last meeting were read by Mrs. Vincent Harge, filling in for our secretary, Mrs. Porter. The treasurer's report was given by Mrs. J. A. Rich and Mrs. Crutcher Masters' sunshine report was also given. The lesson was conducted by Mrs. Ralph Lewellen and Mrs. Frank Ringenback and Mrs. T. S. Moffett participated.

Others present were Mrs. Iona Cortwright, Mrs. Woodie Mills, Mrs. J. K. True, Mrs. Charles Pruitt, Mrs. Harold Buxton, Mrs. H. A. Sutter, Mrs. John Zavernek, Mrs. A. R. Hicks and Mrs. Pearl Beck.

The Society will meet in April at the Church meeting room.

#### OAK RIDGE

Shirley Tallent, Reporter

Mr. and Mrs. John Hurley have moved into a house on Taylor Mill, moving here from Nevada. Mrs. Hurley is the former Juanita Webster, daughter of Mr. and Mrs. Estill Webster. Welcome back to our community.

Mr. and Mrs. Ballard Peyton and daughter of North Carolina, visited her mother, Mrs. Elizabeth Egger, recently.

We made a mistake in our column last week. We reported that Mr. Spicker of Hands Road, fell out of his barn and broke his back. It was really Mr. Henry Spicker of 5809 Taylor Mill Road who fell. He has been put into a cast and expects to be home this week.

Mr. Frank Rushmeier has returned home from the hospital. He must spend the next several days resting in bed.

Mr. Bill Corbin is also out of the hospital now.

Mr. Bill Taylor of Valley View Drive suffered a heart attack at work last Tuesday and is in St. Elizabeth Hospital. He is slightly improved, but will have to take things easy for a long time to come. His parents, Mr. and Mrs. Sylvester Taylor of Tennessee, his brother from Hazard, Ky. and his sister from Dayton, Ohio have come to be with him and his wife at this time. They are staying with Mr. and Mrs. Ollie Miller.

Those of you who did not attend the P.T.A. dinner at Taylor Mill School on Saturday night missed a real good meal and a chance to see old friends.

We were very sorry to hear of the sudden death of Mr. Clifford Williams of Forest Lane. Although

we weren't too well acquainted with him, we have known his wife and children for many years, and our sympathy is extended to them in their loss.

Mr. and Mrs. Robert Scroggins and son, Robbie, and her brother, Terry Tallent, and cousin, Ricky Scroggins, drove to Long Beach, Mississippi last week to visit Mr. and Mrs. H. R. Hutchins for a few days. They expect to be home by the time this is published. Terry is on spring vacation from Eastern Kentucky State College.

The Seniors of Simon Kenton High school are on their Senior trip this week, to Washington, D. C. and New York City. We hope they have a lovely time that they will long remember.

Nine members of the Oak Ridge Homemakers Club had a lovely time last Wednesday. They all went out to dinner then went to Cincinnati to look at the flowers and plants at the Conservatory in Eden Park, then went through the Art Museum. They intended to take in the Museum of Natural History the same day, but ran short of time, so decided to take another day to go through it.

Mr. and Mrs. Carl Tomlin of Lexington, visited Mr. and Mrs. Eugene Tomlin over the weekend. Mrs. Eugene Tomlin plans to go to Washington, D. C. to visit her son, Robert Tomlin next weekend. Her husband will stay at home and work. Little Connie Tomlin got a new pony last week which she spent as much time as possible riding.

Mrs. Hiller, one of the second grade teachers at Taylor Mill School, got Scarletina and had to be off school for several days. About the time she recovered from that, she got appendicitis and had to undergo an emergency opera-

tion. She got along fine and hopes to be back at her classes in a few days.

#### CARD OF THANKS

We wish to express our many thanks and appreciation for every act of kindness shown us by our neighbors, friends and relatives during the recent illness and death of our loved one, Odie Fink. To Bro. Wm. F. McGibney for his words of comfort; to the singers; to Mrs. Spillman, organist; to the Swindler Funeral Home for their services.

#### VISALIA PTA MEETS

At a recent meeting of the Visalia P.T.A., Bailey Root, Civil Defense Director, was the guest speaker. He spoke on how ideas of protection from a nuclear attack have changed in a few years and what one can do to provide the greatest protection.

Mrs. John Crowe, P.T.A. Civil Defense Chairman, said plans were under way to provide the school children with tags and that the response was very good.

Mrs. Wilmer Steinhauer, school principal, thanked everyone for her life membership pin, and said she was very pleased with it. Her sixth grade class won the room count.

It was announced that the nominating committee would report at the April meeting, and also that installation of officers for the coming year would take place at that time.

Experience was expensive, but I had a lot of fun while being taught.

## Standard brings you the first new antiknock compound since Ethyl

# Methyl

Our new refinery at Pascagoula, now producing the new Standard Methyl gasoline, is America's most modern refinery.

It's an important gasoline discovery! Methyl\* steps up octane performance so effectively that it stops power-wasting knock better than any other antiknock compound. Methyl spreads more evenly throughout all cylinders of your engine, stands up under extreme temperatures. And it's in Standard gasolines (Crown and Crown Extra)... at no increase in price! Another way that we take better care of your car.

## WALTON-VERONA SCHOOL NEWS

### Dairy Industry Entertains

Don Rosenstiel will be the guest of the Kentucky Dairy Industry at the University of Kentucky, April 23, in connection with the Dairy Industry Career Day. Don is a Walton-Verona Junior and is the son of Mr. and Mrs. Harold Rosenstiel of Verona.

### District Officers Elected

Sandy Spillman and Judy Watson were elected district officers at the Spring District Meeting of the Northern Kentucky District of Future Homemakers of America held at Pendleton County High School April 4. The girls were representing the local Walton-Verona chapter. Sandy, the new first vice-president, is the daughter of Mr. and Mrs. Clayton Spillman, Alta Vista Drive, Walton. She is also a majorette, representative on the Student Council, and a member of the Pep Club. Judy has many activities in addition to her new office as District Reporter. She is secretary of the Walton-Verona Student Council, president of the local chapter of Future Homemakers of America, and a member of the Debating Team and the Pep Club. Judy is the daughter of Edward D. Watson of Florence. The girls are to attend a Leadership Training Camp at Hardinburg, Ky. on July 13-19.

Other delegates attending the conference were Brenda Duchemin, Linda Blish, Connie Crow, and Candy Thornton. They were accompanied by Mrs. Shirley Frost, advisor, Mrs. Irvin Scrogg-

ins, Chapter Mother, and Miss Pam Disney.

The goals of the meeting were to help the girls to recognize the value of family unity as preparation for marriage, to carry on the business of the organization in an efficient way, to gain ideas for building a strong chapter, and to become acquainted with other F. H. A. ers.

The program included registration, introductions, business meetings and skills presented by the different chapters. The Walton-Verona chapter skit, entitled "Tomorrow's Homemakers Prepare Today," included the goals, responsibility, and maturity necessary for marriage. The candidates for district office were interviewed. After the elections, new officers were installed and the meeting adjourned with the customary closing ritual.

**FHA Members to Receive Degrees**  
At the Walton-Verona Mother and Daughter Banquet, April 20, the highlight of the program will be the presentation of degrees to the FHA girls who have earned them. Receiving Chapter degrees will be Sandy Spillman, Linda Gadd, Linda Blish, Judy Watson, and Candy Thornton. Junior degrees are to be awarded to Betty Waters, Judy Horn, Pat Ensley, Linda Grant, and Elaine Frederick. Judy Watson, president, will serve as mistress of ceremonies, leading the group in club ritual.

Each mother will be honored, receiving a red rose from her daughter. The installation of new officers and group singing are also planned.

**FHA to Give Assembly Program**  
An assembly program, "Marri-

age Calls for Preparation," is being planned by the FHA for the Walton-Verona student body. The program will include a film, "This Charming Couple," and a presentation of facts and figures about marital success and age at time of marriage.

### Mr. and Miss Dawn Announced

Paul Wilson and Marilyn Scott have won the titles, "Mr. and Miss Dawn" for being the star salespeople on the annual staff at Walton-Verona High. The title is taken from the name of the yearbook, THE DAWN. Together, Paul and Marilyn have sold over 60 annuals and are to have their picture featured on a special page in the annual.

### Beta Basketball Game

The Walton-Verona Beta Club is sponsoring a basketball game on April 17, with the Beta boys playing the men teachers and the Beta girls playing the women teachers and the PTA. Prices are 25c for students and 35c for adults.

### Veterans Administration Questions and Answers

**Q**—Are widows of veterans eligible for GI home loans?

**A**—Veterans' widows may be eligible for GI home loans if they meet these requirements: They must be unmarried widows of veterans of World War II or the Korean Conflict who died in service or after separation from service as the result of service-connected disabilities. Entitlement for World War II widows expires July 25, 1967, and for widows of Korean Conflict veterans January 31, 1975.

**Q**—Why is a so-called "Caumber" necessary in connection with veterans benefits? Shouldn't the veteran's name and proof of service be sufficient?

**A**—There are many veterans (sometimes hundreds) with the same name and middle initial. Periods of service are often duplicated. A Caumber (claim number) positively identifies the record of the individual veteran.

You'll never know a piece of broken glass is there, or a rusty nail or wire piece, until you step on it or run over it with your car.

## County Agent's 1/2 Acre

—by—  
Joe Claxon

Acid soil...known as sour soil to most farmers...is a crop production and profit limiter. Correcting soil acidity by applying ground limestone if the soil test shows it is needed, is a money-making proposition. For each dollar invested in ground limestone for acid fields, the returns will be from \$3.00 to \$5.00.

Correcting soil acidity increases the activity of soil micro-organisms such as fungi and bacteria. The increased activity of these microbes speeds the decay of organic matter, releasing plant food and improving the soil's physical properties. Nitrogen-fixation (a necessary process in growing crops) is better, too, on properly limed soils. Since nitrogen is the most expensive of the plant nutrients normally carried in fertilizer, getting as much activity as possible from nitrogen-fixing bacteria is advan-

tageous.

Fertilizer will give a better response too, on properly limed soils. Calcium and magnesium are two elements essential for growing plants. Limestone will supply calcium and some magnesium. Amount of magnesium in Kentucky quarried limestone varies but all will supply some. In strongly acid soils, manganese and aluminum (to name two) in high concentrations can reduce crop yields or cause failures.

Soil test result summaries over the last few years show that about 65 percent of Boone County needs limestone.

This is the time of year to do renovation work on pastures, if legume content has decreased and grazing production has been low for a year or more.

Here's how to do it: (1) Have soil tested through the county agent's office; (2) Tear up the existing grass sod...for best results with red clover or white clover, tear up about 40 to 60 percent...for alfalfa, tear up about 80 percent...a regular farm disk, field cultivator or bush-and-bog harrow will work equally well...smooth the ground after disking to make

later mowing easier; (3) Apply lime and/or fertilizer according to soil tests...do NOT use nitrogen, as nitrogen simply causes the partly established grasses to out-grow the legumes trying to get started from seed; (4) Seed your legumes...when using Kenland red clover and ladino together, use 4 to 6 pounds of red clover seed and one to two pounds of ladino an acre...if clovers are seeded alone, use 6 pounds or more of Kenland or 2 pounds of ladino...seed alfalfa at a 12- to 15-pound rate an acre...seed annual lespedeza at 20 to 25 pounds an acre...seed early...later seedings usually get strong competition from crabgrass and other annual weeds; (5) Pastures renovated like this usually furnish grazing the first year they are fixed...new pasture seedings usually have, severe weed problems and summer drought.

If you are using a fueled heater in your house or barn...be sure it is vented, and surrounded by some sort of fireproof material.

The knowledge of the burdens that others carry gives us courage to bear our own.

## Degree Work at Florence

Florence Lodge, No. 949, F&M, which was chartered eight years ago, will confer the Master Mason degree upon eight candidates Saturday, April 18, starting at 2:30 p. m., at the Florence Elementary School. Elmer Ruef, Master of the lodge, will preside over the initiatory work when the Master Mason degree is conferred upon Cecil R. Dinn, Jack M. Hanks, Roy C. Hoffman, William N. McWhorter, Robert W. Nolker, Winn E. Scroggin, Clay B. Wolfe, and Eugene Petry.

A dinner, to which all Master Masons are invited, will be served at 6:00 p. m. After dinner, the lodge's ritualistic degree team, under the direction of John R. Schram and Harris F. Combs, will confer the second section of the work.

## Now Sponsoring Girl Scouts

Johnson-McElroy Unit, No. 277, American Legion Auxiliary, Walton, has taken over sponsorship of the local Girl Scouts. They hope to be able to do many things for the girls.

One of the first projects is to redecorate the Scout room. It will be painted and new curtains put up in the near future.

The Unit is proud to be able to sponsor these girls as it is felt that Scouting is an important and worthwhile training program for all young people.

## Veterans Administration

### Questions and Answers

Q—Is a veteran given preference in obtaining private employment?

A—A veteran is aided in obtaining private employment by the Veterans Employment Service of the U. S. Department of Labor. This work is carried on through the local state employment offices in each of the 50 states. A veteran also has some re-employment rights for the job he held prior to going into the service. Full details may be obtained at the nearest state employment office.

Q—Can I select my own lot for burial in Arlington National Cemetery?

A—No. Gravesites are not assigned in advance of immediate requirement. Application may only be made at time of death of the veteran or that of an eligible dependent.

A Look At  
Education—by—  
Eugene Robinson

The Walton-Verona Board of Education held its regular monthly meeting on April 9th to transact the following business:

1. Employed the following regularly certified teachers for the 1964-65 school year: Howard Brann, Barbara Curd, L. B. Daugherty, Shirley Frost, Pauline Gardner, Vernice Gill, Thomas Hatley, Donnie House, Robert Kellam, Julia Kirk, James Layne, David Mason, James Reed, Carol Roland, William Rorer, Betty Roter, Sarah Sleet, Gary Stephenson, Kathleen Wiley. Miss Maxine Littrell was employed on a continuing contract. The following people are already working on continuing contracts and are of course employed without board action: Lillian Acree, Kathryn Baker, Elizabeth Kemper, Leota Mathis, William Mathis, Colleen Shields, Jas. Smith, and Frances Wilson.

2. Employed the following non-teaching personnel for the 1964-65 school year: Bus Drivers: Marcus Carrey, William Gibson, Hubert Ryan, and Kenneth Vest. Janitors: Calvin Sturgeon and Everett McGlone. Cooks: Beulah Smith, Kathryn Hopperton, Myrtle Hammond, Myrtle Young, June Brewster, Dora Burchett, and Lillie Cook.

3. Officially adopted the words and music of "Alma Mater-Walton-Verona High School" written by Mr. James Layne as the school song for the Walton-Verona High School. The words are as follows:

In these stately halls of learning,  
we have gathered in;  
Seeking truths in education  
have we other men.  
Light and guidance, everlasting;  
forward we must thrust;  
Leading onward toward honor,  
we have placed our trust.

High school life at best is  
passing, gliding swiftly by;  
Let us pledge in word and deed  
our best unbroken tie.  
Past is closing, futures growing;  
time is coming high—  
Leave to thee, Our Alma Mater  
Walton-Verona High.

Tender memories ne're will per-  
ish, thoughts of all our friends;  
With these dreams we all will  
cherish, May our voices blend.  
Alma Mater, Alma Mater,  
Graven on each heart  
Shall be found unwavering true,  
When we from life shall part.

4. Accepted Howard Brann's resignation as Walton-Verona High School coach to be effective June 1, 1964.

Divco-Wayne Corp.  
Buys Florence Site

Acquisition by Divco-Wayne Corporation of a 166-acre industrial site in Florence and plans to construct a \$90,000 square foot factory there, were announced recently by Newton Giekel, president, in New York.

Divco-Wayne is a leading manufacturer of specialized automotive vehicles and mobile homes. It operates 15 plants in the United States and Canada.

The agreement to purchase the land at the intersection of Interstate Routes 75 and 71, was made with representatives of the Kentucky Department of Commerce and the Northern Kentucky Industrial Foundation.

Purchase price was not disclosed, but it was revealed that long-term Industrial Revenue bonds will be the means of financing.

Acquisition of the site, Giekel said, is in line with the company's expansion objectives outlined in its annual report for 1963.

## MISS SEXTON SHOWERED

Mrs. Lewis Davis of Richmond Road, recently gave a surprise bridal shower for Miss Ruth Sexton, whose marriage to Richard Davis will take place at the Erlanger Methodist Church, May 23. Many beautiful gifts were received. White and silver was the color theme used in decorating the table.

Refreshments of ice cream and cake were served to the following guests: Mrs. William Sexton, Mrs. Maggie Norman, Mrs. Eugene Townley, Mrs. Harvey Lipscomb, Mrs. Richard Schenker, Mrs. Robert Schaefer, Mrs. Mary Schlenker, Mrs. Russell Kiser, Mrs. Dutton Blockson, Mrs. Wilson Davis, Miss Dottie Kiser, and the family of the hostess.

Volume 49 - Number 17

Pictured above, left to right (top row) are: Elaine Fredericks, Shirley McGlone, Kawanna Richards; (bottom) Dana Bowling, Alyce Egan, and Beverly Rushing, all of whom will attend Girls' State.

## TO ATTEND GIRLS' STATE

This summer, Elaine Fredericks, Shirley McGlone, Kawanna Richards, Dana Bowling, Alyce Egan, and Beverly Rushing are to represent Walton-Verona High School at Girls' State. The alternates are June Foteet, Carlene Burchett, Carolyn McCord, and Judy Watson, in that order. Kentucky Girls' State is sponsored by the American Legion in an effort to bring to girls of Kentucky a knowledge of the fundamental principles and functions of American government through actual participation in election of officers and carrying out their duties as a citizen or an official. The program is to be held at the University of Kentucky from June 15-20.

## Walton Homemakers Meet

The Walton Homemakers met at the home of Mrs. Edward Lay on Friday, April 10th.

Those present were Mrs. Chas. Simpson, Mrs. Frank Penick, Sr., Mrs. James Woods, Mrs. Homer Winburn, Mrs. Wallace Glenn, Mrs. Edward Lay, Sr., Mrs. Edward Lay, Jr., Mrs. Robert Coyle and Mrs. Gertrude Paprotta, the Home Demonstration Agent.

The lesson was given by Mrs. Edward Lay on "Home Business Centers in the Home."

The Homemakers spent an enjoyable time Thursday, April 9 at the Paul Dixon show. A group of 25 went to the show, most of them from Walton.

The next meeting will be at the home of Mrs. Edward Lay, Jr. of Swan Circle, Erlanger, and the lesson will be on "Art Appreciation." Everyone try to attend this meeting as it will be the last one until fall.

## Reunion, Class of 1947

On the evening of April 14, the class of 1947 of New Haven High School met at the Haubru Haus in Ft. Mitchell, for dinner.

Mrs. Charles Bowman acted as hostess, and Mrs. Henry B. Sleet of Walton, who was home room teacher for the class, was guest of honor.

Those in attendance were: Rev. and Mrs. Earl Washmuth of California, Mr. and Mrs. Willie Gruelle of Indiana, Mr. and Mrs. Clifford Scott (Alice Ruth Eggleston) of Burlington, Mr. and Mrs. Tommy Atha of Union, Mr. and Mrs. Clinton Shields of Walton, Mr. and Mrs. Charles Bowman (Joan Scherf) of Florence, and Mrs. Sleet.

Two members of the class were absent, Scott Jones of Kansas, and Jean Littrell of Covington.

## Girl Scouts Entertained

On Friday, April 3, the Girl Scouts and Brownies were entertained at the scout room with a film about Campbell Mountain. It was all about the three different kinds of camping for Scouts. This mountain is the Scout camping area in Fleming County. About 40 girls and their leaders enjoyed the film and refreshments served by the Girl Scouts.

A faculty committee selected the representatives who must be juniors who show leadership, character, honesty, cooperativeness, courage, and scholasticism. The program is financed by the American Legion and any other civic-minded person or organization that wishes to do so.

During the week-long conference, all of the representatives are citizens of a mythical state with different branches of government patterned after those of the State of Kentucky. They conduct their own elections to select city, county, and state officers, and familiarize themselves with the duties of those officers by actually performing them. In legislative assembly they introduce and argue their own bills.

Paprotta Gives  
Decorating Tips

Families are changing, so are furnishings need to change too, in order to meet their needs. Today's decorating allows for vitality to our homes. Other countries are influencing today's home furnishings styles; an import piece can be a good accent piece.

Color is an exciting tool. Remember that there aren't good colors and bad colors, but more pleasing ways to use them. Color is always more interesting in unequal amounts. Remember to use accents carefully and in small quantities. One of the easiest and most successful ways to build a color scheme is to use a design created by an artist. For example, begin a scheme with a printed fabric, advises Gertrude Paprotta, Boone County Home Agent. Then repeat the color from it on walls, floor and furniture.

Remember that the versatile greens blend with almost any other color. They can be used as a one color scheme or have other colors added. The yellow family from pale tones to regal gold are at home almost anywhere. The yellows are great unifiers for rooms of furniture with mixed ancestry. They also work well with exposures on the north or east, where the light tends toward coolness.

Pattern is like seasoning. It lends zest to a decorating scheme. A classic rule of decorating, calls for the use of one major pattern in a room. Pattern can be calmed with areas of solid color.

Furniture arrangement can camouflage bad points in a room and emphasize good ones. It can create an interest center when there isn't one.

Plan lighting to show off rooms best features. Lights for reading should be focused but shaded from the eyes for comfort. Mrs. Paprotta states that studies have shown that 80% of our homes do not have adequate lights for reading.

I wish I could always write what I think, but I don't dare.

Good companions are more to be desired than a bottomless purse.

Rouse Speaks To  
U. K. Law Grads

Asa M. Rouse, Walton attorney who graduated with honors from the University of Kentucky in 1953, spoke to the graduating class of the College of Law of the University on April 10th, National Law Day, at the Lexington campus.

Mr. Rouse's subject, the practice of law in a rural community, urged the class to return to their respective home towns throughout the state and work toward making Kentucky a better place in which to live. Joined with Mr. Rouse at the speaker's table were retired Supreme Court Justice, Stanley F. Reed, former Governors Bert T. Combs and A. B. Chandler, Federal Judges Monahan and H. Church Ford and other distinguished guest, all of whom were honored that evening at a banquet at the Phoenix Hotel, Lexington.

## New Bethel W. M. S.

The April meeting of the New Bethel W. M. S. was held at the church April 14. Due to the absence of the president, the meeting was presided over by Lillian Stephenson. After a short business session the program entitled "Our Jewish Neighbors" was presented by Ellena Hamilton, program chairman, assisted by Cleo Messmer, Dora Burchett and Elizabeth Kemper and dismissed with prayer by Mary Porter. In attendance were: Dora Burchett, Dorothy Porter, Allie Stephens, Elizabeth Kemper, Mattie Orr, Lillian Stephenson, Ellena Hamilton, Marian Seary and Mary Porter.

## Maxine Lindsey Circle

The Maxine Lindsey Circle of the Walton Baptist Church met at the church April 9.

Circle chairman, Barbara Simpson, opened the meeting with the "Around the Circle" prayer. This was followed by the devotional, given by Mrs. Helen Breeden, with special prayers for missionaries.

For the program, "The Baptist History," was presented with several of the members taking part.

Following the meeting, refreshments were served by the hostesses, Barbara Simpson and Helen Breeden, to the following circle members: Geraldine Gouge, Lucy Neumeister, Elizabeth Jones and Mary Black.

The next meeting will be held at the church May 14 at 1:30.

CANCER CRUSADE  
CHAIRMAN IN BOONE

The Boone County Unit of the American Cancer Society met Tuesday, April 14, to discuss the Crusade which is now in progress in the Boone County area.

Reports were made by the committee chairmen and area captains concerning the work being done throughout the county.

County chairmen for this year's Crusade include: Mr. Harry Henson, Walton; Mrs. John Crigler, Hebron-Burlington; Mr. Irvin Rouse, Burlington; Mrs. Wm. Rudicill, Bellevue; Mrs. Vernon Anderson, Bullittsville; Mrs. Henry Kottmyer, Constance; Mrs. Cecil Kenyon, Taylorsport; Rev. Charles P. Ayler, Hebron; Mrs. Galen Burns, Petersburg; Mrs. Clayton Jones, Walton; Ira Boles, Rabbit Hash; and Mrs. Ralph Hoffman, Mrs. Helen Fibbs, Mrs. Clarence Schilling, Mrs. James Deister, Mrs. George Frigo, Union.

Take An Active Part In  
Primary Say Republicans

Now that filing deadlines are past and primary candidates are accurately established in both of the parties, the Boone County Republican Party is urging eligible voters to carefully study the candidates and take an active part in the May 25 primary.

"We would like to see a heavy turnout of Republicans in the Republican primary," stated Otis Readnor, county chairman "since their opinion in the primary can well effect the outcome of the November election."

Boone County Republican Club president, Charles Wiley, invites all those interested, regardless of present political affiliation, to join the Republican Club on the second Thursday of each month at Republican Headquarters at 276 Main St., Florence, for an evening of interesting and educational political programs and training.

Mrs. Dennis Davis is recovering from recent illness.  
Mr. and Mrs. Lindsey E. Webster spent Sunday afternoon with Mr. and Mrs. Russell Webster and children.  
The Concord Baptist Church had some of the boys at Glencoe to sing for them recently.

## Good Corn Crop Yields Come from Good Stands

A good stand means a much better chance at a good corn crop, says S. H. Phillips, UK Ag Extension agronomist.

Here are some pointers to remember:

Rate of planting (number of stalks per acre) is determined by the soil, fertility level and moisture. Evenly spaced plots (without skips in rows) yield best. Early planted crops at stalk populations of 16,000 to 18,000 plants give best yields. Experiments at UK have shown that at 8,000 plants an acre yields averaged 73 bushels; at 12,000, 88 bushels, and at 15,000,

91 bushels.  
Poor stands come from: too fast operation of the tractor during planting; speeds higher than 4 miles an hour; seed corn grade not matched to the planter plate; corn planters set incorrectly for desired planting rate; fertilizer injury from nitrogen and potash placed in contact with seed (use less than 40 pounds an acre actual nitrogen and potash); seed planted too deep (good average depth is 1½ to 2 inches); chemical injury from weed-killer materials or others; and insect damage such as cutworms and wireworms.

## Indoor Humidity Affects Comfort

Humidity Indicator

North, South, East, West, no matter where you live, lack of humidity can be a problem.

Los Angeles had a record low of less than one per cent humidity recently.

In Chicago, the Weather Bureau says outside air at zero degrees with 100 per cent humidity will drop to 72 degrees — drier than the average desert!

Low humidity contributes to dry, itchy skin and respiratory ailments; makes wood panels crack, pets shed and house plants droop. The solution? A humidifier, which draws air in and forces it through a wet screen of Scott industrial foam. Hot dry air picks up moisture from the foam, and is blown into the room as humidified air. Odorless, flexible urethane foam pads filter dust particles, and are easy to remove for cleaning or replacement. Controls keep humidity in the comfort zone — 30 to 50 per cent indoors.

## PINER TEEN BEES MEET

The March meeting of the Piner Teen Bee 4-H Club was called to order by our president, Debbie Bailey. Everyone stood and said the pledge to the American flag, followed by the pledge to the 4-H flag.

The secretary, Sandy LaFollette, called the roll. A total of eight boys and five girls, two leaders and Mr. Maddox were present.

The minutes of the previous meeting were read and approved. The treasurer, Jo Ann Menefee, gave her report. We now have a total of \$165.45 in our treasury.

The president then asked for old business. Sandy LaFollette, chairman of the Bowling Party Committee, gave her report. The Bowling Party will be held at the Walton lanes March 28.

Mary Cummins then gave her report on the 4-H Candy Sale. We sold at the Expressway Plaza, Ft. Mitchell, April 8-10.

Kay Cummins then reported on the Benefit Hootenanny coming up on April 25 at Piner Elementary School. This Hootenanny will be sponsored by the Piner Teen Bee 4-H Club for the Piner Volunteer Fire Department. All proceeds will go to the Fire Department. Committees for the following were appointed: publicity—Kay Cummins, chairman, Mike Collins, Tommy Kerr, Debbie Bailey, Sandy LaFollette; door—Gayle Reed, chairman, Mike Helmer; refreshments—Jo Ann Menefee, chairman, Jerry Reed, Tommy Cummins, Jimmy Kerr, Donald Courtney; acts—Kay and Mary Cummins.

The president then asked for new business. The Talent Show, April 4, was discussed. We are to put on an act called "Kentucky A State with Pride". Mr. Maddox told us that Rally Day is to be on May 2 at Twenhotel Junior High. He encouraged everyone to enter at least one division. He also told us the Dress Revue is to be May 15 at Twenhotel Junior High. All garments will be judged May 14.

The Piner Teen Bees wish to thank Mr. and Mrs. Marion Collins for their fine hospitality.

The next meeting will be April 27 at the home of Jerry and Gayle Reed.

Livestock production must increase 1½ million head per year to keep pace with consumer demand.

## Boone Co. Library Meeting

Mrs. Roy Lutes, Florence, is chairman of a meeting of "Friends of a Boone County Library," to be held at Conner Junior High School, Hebron, Thursday, April 23, at 8:00 p. m. The object, of course, is to establish a library in this county.

## VFW Auxiliary to Meet

Boone County Memorial Veterans of Foreign Wars Ladies Auxiliary, No. 6099, of Florence, will meet Monday, April 27, at 8:00 p. m., at the home of Mrs. Wanda Smith. This is a most important meeting as plans for the annual disabled veterans Buddy Poppy sale, set for April 30, May 1-2, will be made. Plans will also be made for the Memorial Day parade, and the election of officers.

All of us have to face the facts of life occasionally.

**Love Your Neighbor**  
Lesson for April 26, 1964

Background Scriptures: Luke 10:25-37; John 4:7-21; 1 John 4:19 through 5:5; Devotional Reading: 1 John 3:7-11.

**EVERYBODY HAS** heard the Bible sentence: Love your Neighbor. But not everybody does love his neighbor, and most people are not too sure what loving your neighbor would mean. If you love your neighbor, do you have to move into his house or let him move into yours? If you love your neighbor, will you pay his bills before you pay your own? If you love all your neighbors, will you treat them all ex-

Dr. Foreman acts alike? The writer once lived on a street with a preacher and a burglar. Should the burglar and the preacher be treated just the same? These may be foolish questions, but the fact that they can be asked shows how confused we can get about "love." It would not be an exaggeration to say that every book in the Bible, with very few exceptions is about how to live with one's neighbors; but the writer John (one of our Lord's closest friends) has a way of taking a simple word and turning it around and around in a leisurely sort of way, letting the light shine from it as it will. John can be very suggestive.

"There is no fear in love." Instead of writing us an essay on love and answering all the questions we can think of, John says this and that about love, every line revealing. Let us think about three of these sayings, each of which has something to say about neighbor-love. First, John says there is no fear of love. This is obvious, but people often forget it. How can I love the Russians, some one will ask, when I can't trust them? John would say: You can't. You can't love those you distrust. You have no trust because you are afraid; and it is the same on the other side of the curtain. Well, how can I get confidence about people I shall always distrust? John says that perfect love is the cure for fear, "perfect love casts out fear."

"We love because..." But John offers another thought. The kind of love that drives out fear is not ordinary human love, attraction, desire. It is something divine. "We love because He loved us" he says; and that puts it into words of one syllable. If we wait till our neighbors are all lovable, we shall have to wait a lifetime, maybe, or longer. Loving is not the same as liking. Liking means approving. But when God loves us—we may be everlastingly grateful—He does not wait for us to be likable. He loves every man completely; but where is the man whom God completely likes, just as he is? The love our neighbor inspires in us may be a feeble thing; the love which God's love kindles in our hearts is not weak. It is strong enough to cast out fear.

This may sound dreadfully sentimental. But John does not mean to suggest for a minute that love is a mere emotion. He connects it with obedience. If love to one's neighbor is sentiment and emotion alone, it may lead to our dealing foolishly or harmfully with him. But if in loving we begin to live by the commandments of God, then love is laced with wisdom.

Love the parent; love the child. John shows a still higher way toward love. For him, and for many great saints, love to man comes out of love to God. John's point is: If you love God you will love God's children. Just as you may see a child playing in the street and think nothing of it, till you discover he is the little child of a person you love and admire; and then you will hurry to get that child out of the street and into a safe place. Knowing who is the father makes the difference. So in your dealings with others. Knowing who is their father makes all the difference in the world. It may seem odd to us that God has children in all colors and in all places; but that is the way it is, and the circle of "neighbor" is no narrower than the love of God.

The best work is done by men who are not afraid of their own ideas.

All of us must eventually balance our books, spiritually and financially.

**WORKING with GOD**

**THE CHURCH FOR ALL ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Every gardener knows human ingenuity cannot be substituted for the miracle of growth. God's secret is God's! But he knows, too, that wild growth means wilderness. Only cultivation makes a garden. So he works with God. And the result is beauty, fruitfulness, abundance. What the man with the green thumb practices in his back yard, the Church inspires across the whole expanse of human effort... the cultivation of souls... the realization of our spiritual potential. Working with God! What do YOU think life is meant to be? Wilderness? Or the Garden of God? Join us at Church next Sunday!

## County Agent's ½ Acre

—by—

Joe Claxon

People often fear and object to that which they do not understand or to that which is confusing to them. This may be the situation with insecticides. Here are some facts which may help you to gain a better understanding of insecticides and also convince yourself that each and every insecticide on the market has met some very stringent requirements.

Most growing plants need to be protected from insects, especially those plants which are a source of food for us. No one today can truly tell what would happen to our food crops should pesticides be outlawed tomorrow. The farmer, for economic reasons, wants an insecticide that can be applied to his crops and will protect them from insects for several weeks. It would be impractical for a farmer to spray his crops two or three times a week. He needs insecticides like DDT, aldrin, chlordane, and parathion, to name a few, which will protect his crops for long periods of time, even right up to harvest. This means that there may be trace amounts of insecticide, known as residue, on the crops. Does this mean that we will die of poisoning from eating these crops? CERTAINLY NOT! Exhaustive studies were performed on every insecticide that is placed on the market and extensive information was learned about them.

One of the first important questions regarding a prospective insecticide is, how much of the insecticide will it take to produce a toxic or fatal effect on three or four species of test animals? This, called acute toxicity, involves both putting the insecticide in the stomach as well as on the skin of a test animal and observing the reactions. At least one species of test animals lives its entire lifetime on small amounts of the insecticide. At the end of its normal lifetime scientists dissect the heart, lungs, liver, kidneys, and thousands of pieces of tissue, skin, fat and bone are examined to determine if any microscopic changes have taken place as a result of the insecticide in the diet. Many other studies are carried on such as the mode of action (how the chemical kills and what happens to it in the body), how much residue remains under varying conditions, how much can safely be eaten, and how the product must be used so that only completely harmless residues will remain on the crops. In the meantime, agricultural experiment stations throughout the country receive samples of the experimental insecticides to apply to many crops to determine what insects they will kill, at what dosage, and the effects they have, if any, on various plants. After perhaps three or four years of intensive research involving hundreds of people throughout the United States and about three or four millions of dollars, all the data is then compiled and presented to the Department of Agriculture, the Food & Drug Administration, and the Department of Health, Education and Welfare. If these three departments are convinced from the data that is submitted that the product has been thoroughly studied and the label adequately gives directions and precautions to the user, the insecticide probably will appear on the market after certain other requirements are satisfied.

Yes, insecticides are safe, even in the case of the more toxic materials, when precautions, restrictions, and directions on the label are read thoroughly and followed.

Standard brings you the first new antiknock compound since Ethyl

# Methyl

Our new refinery at Pascagoula, now producing the new Standard Methyl gasoline, is America's most modern refinery.

**It's an important gasoline discovery!** Methyl® steps up octane performance so effectively that it stops power-wasting knock better than any other antiknock compound. Methyl spreads more evenly throughout all cylinders of your engine, stands up under extreme temperatures. And it's in Standard gasoline (Crown and Crown Extra)... at no increase in price! Another important way that we take better care of your car.

\*Methyl trademark for antiknock compound

## TAYLOR MILL

Ernest J. Ryle, Reporter

The few warm days last week caused a "bull market" on onion sets as we noticed several neighbor gardeners, including this writer, getting them in the ground. Onions and cabbage plants are not affected by a cold snap like other garden plants.

Born to James and Carolyn Bradley, a daughter, March 30. A girl was born to Daniel and Betty Hall of Independence, on April 8.

James and Peggy Roberts of Taylor Mill are entertaining a baby girl since April 8.

The three heavy showers that fell here Sunday saw as much as three to four inches and it all added up to about one hour and a half altogether.

The Ladies of the Lakes are giving another dance at the club house, April 25, at night, with square dancing and country music.

Jess Webster and family received quite a shock Saturday during the rainstorm when lightning hit a large tree in his yard in Whites Tower.

## BIRTHS

Born to Charles and Betty Leicht of North Main St., Walton, April 21, a daughter, at St. Elizabeth Hospital, Covington.

Farmers can build their herds to higher weights by culling cows that produce either light calves or slow gaining calves, according to the North Dakota State University College of Agriculture.

## Bids To Be Received

Bids for a grade, drain and cement concrete paving project on the Northern Kentucky Industrial Foundation Road in Boone and Kenton Counties will be received by the Highway Department on May 15, Commissioner of Highways Henry Ward announced today.

The project, which will include an overpass at the Southern Railway, begins west of the Boone-Kenton county line and extends 1 mile to Ky. 1363.

This highway improvement is being financed with federal and state road funds.

## Everyone Needs A Will Says Stallard

Many Kentuckians die without leaving a will. Too often, their families suffer needless worry and expense in settling their estates because no will is made, points out Frances Stallard, U. K. Extension specialist in home management.

Whether married or single, male or female, everyone needs a will, Miss Stallard emphasizes. Making a will is not a morbid act; instead it shows consideration of your family. It can save them much unnecessary trouble and expense and it is a guarantee that your wishes about your property will be carried out.

If a person dies without leaving a will, or if his will is not properly drawn, his property will be distributed according to the inheritance laws of the state. And these laws vary a good deal from state to state.

Here is an example. If a father died without making a will, his estate—no matter how large or small—would be distributed as provided by state law. It might be divided among his wife and young children, even though he would have wanted his wife to have complete control of the funds so she could support and educate the children as they had planned. In such a case, the wife might then have to account to the courts for every penny spent of the children's "share."

Drawing up a will should not be a do-it-yourself project, Miss Stallard says. You need the help of a competent lawyer. A will is a legal document and you must be sure it will stand up in court. A lawyer's fee for drawing up a will is usually very moderate and the need for witnesses and who they should not be—such as anyone named in the will.

Your lawyer can help you avoid many pitfalls, Miss Stallard notes. For example, many couples have the mistaken idea that wills are not needed if they own property jointly and have joint bank accounts. A lawyer will point out the uncertainties and possible tax disadvantages of such an arrangement. He also will point out the need for witnesses and who they should not be—such as anyone named in the will.

## Rev. R. D. Martin Called To Covington Church

Rev. Roy D. Martin, minister of the La Grange Christian Church for the past eight years, has resigned to accept a call to become the minister of the Christian Church of Covington, Ky.

Rev. Martin is formerly of Kenton County and a graduate of Simon Kenton High School. He received his B. A. degree from Transylvania College and his B. S. degree from the College of The Bible in Lexington, Ky. He has taken additional work at the Christian Theological Seminary at Indianapolis, Ind.

Active in the State Youth program of the Christian Churches of Kentucky, he has also served on a number of State Committees including Evangelism and New Church Development. At present he is a denominational representative of the Kentucky Council of Churches.

Rev. Martin is married to the former Mary Justine Barnett of Kenton County; they have three children. Richard, 14, a freshman in Oldham County High School; Sheryl, 10 and Kenneth, 6 are pupils at La Grange Grade School.

They will begin their ministry at Covington on June seven.

## Lucky Clover 4-H Club

The Lucky Clover 4-H Club held its regular business meeting in April. It was called to order by the president, Sandy Richardson. There were seven members and three leaders present.

Under old and new business, the club made definite plans for Rally Day, May 2. The District Talent Show was also discussed. Mrs. Marshall announced that the Style Review would be May 15. The group discussed how they were doing in the candy sale and how many boxes had been sold. The meeting was then adjourned.

## JUNIOR PLAY, MAY 15th

The juniors of Walton-Verona High School will present a mystery-comedy, "Pick-A-Dilly," at the school auditorium on Friday, May 15. David Mason is director. Setting of the play is in a weird old house where relatives gather to stay all night and to hear the reading of the will of a deceased member of the family. Many strange things happen at this meeting. The cast includes nine

girls and seven boys.

One of the main attractions is the Dilly sisters, April Violet, May Lilly and June Rose. They are played by Beverly Rushing, Candy Thornton and Elaine Frederick. These sisters, trying to appear as undesirable marriage prospects, develop silly, nervous habits which spice the play with humor. The main goal of the sisters is to qualify as heirs of the huge fortune.

Rodney Benedict, played by Billy Gamble, is a Texas show-off. He, too, would like to inherit the estate and makes plans to do just that. Some of the other members of the cast are Darlene Burchett as the maid, Ada Spicer as Opal Dilly (mother of the Dilly sisters), and Richard Clements as Tex, a friend of Rodney Benedict.

Admission prices are \$1.00 for reserved seats, and 75c general admission.

## Mrs. Wallace Speaks To Taylor Mill P.T.A.

The Taylor Mill P.T.A. meeting was held on Monday, April 20, with Mrs. Sara Wallace, of the Department of Mental Health, as guest speaker. Mrs. Wallace presented a film entitled "Angry Boy," followed by comments on the film and about the work of the Northern Kentucky Mental Health Center with which she is connected. She was also offered giving further information about available community facilities. Mrs. William Baldwin, health chairman, was in charge of the program.

The following officers were elected to the Taylor Mill P.T.A. for the coming year: Mrs. Luell Holaday, president; Mrs. Arthur Bingham, vice president; Mrs. Everett Bolen, recording secretary; Mrs. Charles Kelly, treasurer; Mrs. Walter Simmons, corresponding secretary.

A Teachers Appreciation Dinner is to be given on May 11, at 6:30 p. m. with Mrs. James Dorman in charge. Mrs. Elmo Thompson announced the Licking Valley Council Girl Scouts will participate in a "Scout-A-Bout" to be held May 16 from 2 to 8 p. m. in the Holmes High School Stadium.

The room count winner was Mr. Walters' 6th grade. Refreshments were served by 5th grade room mothers.

## Talent On PTA Program

On Monday, May 4, at 8:00 p. m., in the school cafeteria, the Simon Kenton P. T. A. will hold its last meeting of this school year. Mrs. Howard Fredericks, president, will preside. There will be an installation of officers for the coming year by Mrs. Frank Butler, president of the Kenton County Council of Parent-Teachers Association.

The program is to be given by the Tel-Star Teen 4-H Club of which Mrs. Herbert Woods, Mrs. William Straw and Mrs. Leslie Fields are leaders. This club won the championship trophy in the Kenton County 4-H Talent Show in which 22 acts participated, and they also won in the district contest in which 11 counties were represented. Their act is called, "Mickey Mouse Club."

Plan to attend this meeting... you should be proud to live in a country where meetings of this kind can be openly attended.

## Soil Stewardship Week, May 3-10

Soil Stewardship Week will be observed locally during the period May 3-10, according to Joe Neumeister, chairman of the Kenton County Soil Conservation District. This year's Soil Stewardship theme, "To Each Among Us—A Share," underscores the necessity for man to look beyond today's horizons, so he will be able to fulfill his ever-increasing responsibilities as stewards of the soil, water and related resources. At stake is the well-being of mankind, for all men depend on the productivity and use of the land. Here is more than the place where we live. Here is the space for our future growth. More people want more uses, more often from our natural resources.

To each of us there is given a share: A share of life and a share of death; a share of time and a share of eternity; a share of freedom and a share of responsibility; a share of the earth and a share of its returns.

How are you facing the responsibility for your share? Are you using and supporting your Kenton County Soil Conservation District?

## Woman's Club To Meet

The Walton Women's Literary Club will meet Wednesday, May 6, at 2:00 p. m., in the Walton Christian Church.

## WFD Buys Antique Pumper

The Walton Volunteer Fire Department recently became the proud owner of a 1918 Arens-Fox chain drive pumper and are now ready to start to reforge it to its original condition.

Chief Worthington said the truck is sound as a silver dollar, and that a new paint job was about all it needed.

This truck was manufactured in 1918 by the old Arens-Fox Co. of Cincinnati for the City of Bellevue, Ky. In later years the City of Bellevue sold the truck to Worthville, and the local volunteers acquired the truck from Worthville. The right hand drive truck, after restoration, will be used in parades, antique shows, etc. Chief Worthington invites everyone to come and look it over when finished.

## WA-NA CLUB TO MEET

"Know Kentucky" will be the program for the Wa-Na Club when club members gather at the John Maddox home, below Verona, for the regular May meeting, on Monday, the fourth. Two films will be used to show interesting places in our home state, "Vacation Wonderland" and "Sunshine Bright." Mrs. Art O'Brien has the Spiritual Guidance.

Hostesses for this meeting will be Mrs. John Maddox, Mrs. Walt Ryan, Mrs. Orlando Christy and Mrs. Mike Ryan.

The Wa-Na Club wishes to thank Benton-Bonar Dept. Stores for their cooperation in the recent style show. Winners of the door prizes were: Mrs. Ed Jones and Donnie Sturgeon. The prizes were given by Benton-Bonar.

## 4 Band Members Rate "Superior"

Four members of the Walton-Verona High School Band received ratings of "Superior" at the Kentucky High School Music Festival held last weekend at Newport. Those receiving the highest rating were Janet Arnett, clarinet; David Doggett, bass clarinet; Harry Sleeth, tenor saxophone; and David Jarman, timpani. The clarinet quartet, composed of Janet Arnett, Kathleen Flynn, Clara Roberts, and David Doggett, also received a "Superior." The band was rated "Excellent."

The annual Band Banquet will be held this evening (April 30) in the school cafeteria. The banquet is held for all band members in the Walton-Verona schools. Guests include the administration and sponsors of the Christian Tabernacle Band of Newport of which Mr. Layne is director. The band will give a concert for the benefit of the W-V band.

The Walton-Verona Concert Band is going to give a concert at Riley (Ohio) High School in Butler County on Tuesday, May 5. The Riley band is directed by George Benson, former Walton-Verona music director.

Forage seed production in the United States amounts to around 875 million pounds annually.

## PINER HOMEMAKERS

We are looking forward to learning more about creweil embroidery at the next meeting. It will be in the home of Mrs. Clarence Duncan on May 19.

The April 21 meeting was held at the Wilmington Masonic Lodge building with Mrs. Herman Daniels as hostess. After the pledge of allegiance and devotional, the roll call was answered with each telling where we would have liked to wear our Easter hat. The group discussed purchasing some song books to use at meetings.

The pot-luck lunch turned out to be a delightful well-balanced meal. The social hour was the lesson topic presented by Nina Tomlin and Effie Colclough. They answered questions concerning entertaining and gave the members booklets on this subject.

Mrs. Homer Klits and her little daughter were welcome visitors. Others present were Mesdames Wm. Beck, Clarence Duncan, C. E. Flynn, Owen Flynn, W. O. Marshall, Marion Martin, Fred McMillan, Leslie McMillan, Angelo Pelizzari, Chester Mullins, Wm. Wolterman, and Wm. Woods.

## May Fellowship Day Program

## Gets Citation for Excellence

Florence and its postal employees have been selected to receive the Postmaster General's "Citation for Excellence" for outstanding maintenance and care of its postal facility. Representative Frank Child announced today.

Representative Child said he was advised by Postmaster General John A. Gronouski that the citation is awarded on the recommendation of the Assistant Postmaster General for Facilities. Only those communities whose postal facilities have received superior rating in rigid inspections by regional postal officials are eligible for the citation.

Congressman Child commended Postmaster Roy C. Lutes, his postal employees, and the citizens of Florence for their contributions toward a cleaner, neater community.

## '64 Wheat Program Signup

The sign-up for the 1964 voluntary wheat program now is underway at ASCS County Offices, J. Lassing Huey, chairman, Agricultural Stabilization and Conservation Council Committee, announced today. Interested growers are urged to file their applications as soon as possible, since the sign-up will extend only through May 15.

While wheat growers may take part in the program or not, just as they choose, only those wheat producers who sign up and participate in the program will be eligible for diversion payments, marketing certificates on most of their wheat production, and price-support loans on all their 1964-crop wheat, the Chairman said.

Feed accounts for 55 to 70 percent of producing livestock and livestock products.

## OAK RIDGE

Shirley Talient, Reporter

Congratulations to Mr. and Mrs. Tommy Dorman who were married Saturday evening at the Church of Christ in Latonia, and are now honeymooning in the Smoky Mountains. Tommy Dorman is the son of Mr. and Mrs. Bob Dorman of Spring Lake. He has just returned from a tour of duty with the medical corps in South Vietnam, and will go to Alaska for the remaining time of his enlistment. Mrs. Dorman is the former Barbara Tenney, the daughter of Mr. and Mrs. O. M. Tenney of Decoursey Pike.

Mrs. Priscilla Whalen went to Nashville, Tenn., to meet her husband last weekend and will spend a week with him before returning home. His parents are staying with the children while they are gone.

Mrs. Mabel Richardson is feeling under the weather this week. We hope she is soon on her feet again.

Mrs. Ruby Lipscomb writes that she is spending the summer in Hamilton, Ohio, and will be down to visit her many friends real soon. She has lived in Florida the past three years.

E. C. Harris was taken to the hospital last week by the life guard. He found out it was an attack of ulcers and not a heart attack as he had feared. He has now returned home.

Miss Sandy Richardson spent a few days last week in the hospital with sinus trouble. We were sorry to hear that the brother of Roy Spencer had died suddenly of a heart attack. He lived at Constance.

Steve Lipscomb was sick in bed several days last week and about the time he got able to go back to school, his brother, Mark, got sick and ran a high fever for several days.

Congratulations to the Twenhofel band and the Simon Kenton Band, both of which got superior ratings at the Music Festival.

Mr. and Mrs. Bones McKinley, Mr. and Mrs. Mickey McMillan, Mr. and Mrs. Jess Shackelford, Mr. and Mrs. Chester Talient, Mr. and Mrs. George Anderson, Mr. and Mrs. Gordon Milburn, Mr. and Mrs. Dave Tanner, Mr. and Mrs. Al McInnis, Mr. and Mrs. George Campbell, Mr. and Mrs. Jack Shack, Mr. and Mrs. Sam Swanson, and "Squeaky" Wilson were among those who enjoyed a trip to New Orleans to attend the convention of the Commonwealth Life Insurance Co., last week.

Several kinds of insect pests will be troubling homeowners in yards and gardens soon. The pests and control recommendations: SCALE, MITES and APHIDS: Many deciduous trees will be infested with these. These sucking insects may produce many generations a year and more than one spraying will be needed. Check ornamentals in late April. Every three weeks spray with Malathion (50 percent strength liquid concentrate) at the rate of one tablespoonful per gallon of water; start in late April and continue through August.

BAGWORMS: These are spindle-shaped bags hanging on trees and shrubs. There are several dozen eggs in each container. They can severely damage, even kill, some shrubs, etc. Best control measure is to pick them off by hand and burn them now.

Alfalfa is one of our most productive and nutritious forage crops. However, to maintain a highly productive stand, we must supply the proper plant nutrients. Most farmers fertilize and lime at

seeding but many fail to topdress the crop each year.

When high yields of alfalfa are obtained, the drain on the soil elements is proportional to the yield. Alfalfa uses large quantities of plant nutrients. A 5-ton crop of alfalfa contains about 225 pounds of potash, and 140 pounds of calcium. Alfalfa will supply its nitrogen, but the other nutrients must be applied to obtain top yields.

Topdressing alfalfa annually and using proper management practices will help maintain good yields, promote vigorous growth, and maintain stands for a longer period.

With efficient and dependable farm equipment, it is possible to harvest grasses at their proper stage of maturity; reduce the crop's exposure time in the field, and reduce leaf and nutrient losses.

## RESOLUTION 1964-37R

WHEREAS, some of the property owners on School Road and Kentucky 16, in the City of Walton, Kentucky, have requested the City Council of Walton to improve said School Road and Kentucky 16 by the construction of a new six (6") inch waterline, and

WHEREAS, it has been determined by the City Council of the City of Walton, Kentucky, that it is necessary and proper for the safety and convenience to the citizens and residents of the area of School Road and Kentucky 16 to construct said waterline, and

WHEREAS, the City Council of the City of Walton, Kentucky, deems it advisable and necessary to complete this circuit with existing mains to improve the circulation of water in the entire water system of said City,

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF WALTON, KENTUCKY,

1. That the route of said proposed improvement shall be from existing mains at Alta Vista Avenue and Kentucky Highway 16 over the following described route: Beginning at the end of the existing main on the North side of Alta Vista Avenue; thence S 4 - 39 E 1069 feet; thence S 4 - 22 E 517.5 feet to a point on the South side of Kentucky Highway 16; thence Easterly 76 feet more or less to the existing main.

2. Said improvement shall consist of the construction of a six (6") inch Cast Iron Cement Lined Class 150 Water Main with all necessary supporting facilities.

3. Said improvement is hereby declared to be a necessity.

4. Said improvement is a stage improvement.

5. Said improvement is to be paid by the benefited property owners.

Passed and approved and ordered published by the City Council of the City of Walton, Kentucky, this 23rd day of April, 1964.

Here are the vital statistics for our area, up to this time: Marriage licenses, John Leonard of Ft. Thomas and Peggy Binder of Independence; Bruce Whaley and Linda Kruse, both of Independence; Amos Antrobus of Independence, and Diana Hutton of Covington; Ronald W. Jones of Independence, and Linda Wilson of Cincinnati. Births: Lazarus and Wilma Saylor, Morning View, a son, April 21; Larry and Dixie Kramer, Independence, a girl, on April 22; Robert and Minnie Smith of Bowman Road, a boy, on April 18.

The Independence life squad had two calls, one to Stevens Road; Everett Bobb to St. Elizabeth Hospital, possible heart attack. Carlos Petty and wife made a three-day trip to Mammoth Cave and the Smoky Mountains from Friday until Sunday.

We were very sorry to hear of the death of our good friend, T. Monroe Swindler, who died peacefully in his sleep last Friday night. Our heartfelt sympathy to the family left behind.

For a rainy Sunday, our church, Calvary Baptist, set some kind of a record, Sunday, April 26, when there were 1093 in Sunday School.

While watching the 11 o'clock news April 24, we were surprised to see our grandson's wife and her girl friend in the parking lot episode.

Mrs. Susie Glor and Mrs. Cora Richards were calling on Mr. and Mrs. Jim Lamm, Saturday afternoon. They remain about the same.

## Veterans Administration Questions and Answers

Q—Will a dishonorable discharge from military service bar a veteran from receiving VA hospitalization?

A—Yes, that is the case.

Q—I am disabled and the premiums of my National Service Life Insurance are waived. When I die will my beneficiary receive the full amount of my policy or will the unpaid premiums be deducted at the time of settlement?

A—Your beneficiary will receive the full face value of your policy. No deduction will be made to cover the premiums you did not pay while the policy was on waiver.

Q—Does the VA furnish medical care to dependents of veterans?

A—No, not as such. Of course, VA hospitals will admit anyone when necessary to save a life in a medical emergency. But such non-veteran patients must pay the Government for such care.

Rough handling of livestock at marketing time is costing producers \$50 million each year, according to a recent article in the New Holland Grassland News. In terms of meat, this loss represents enough to feed a city the size of Birmingham, Alabama, for a year.

Big Man- Big Sweepstakes, Wayne Embry, basketball expert of the Coca-Cola Athletic Council, "lines-up" with one of the displays being used to promote the "See-the-fair" Sweepstakes.

Grand prize in the big Sweepstakes, which will run through June 1, is a World's Fair trip for yourself and 25 friends, or \$25,000 in cash. Besides the grand prize there are more than 4,000 other prizes. Each week during the five-week contest, 20 families (father, mother and up to four children) will win five-day expense paid trips to the Fair.

And every week 8,000 other winners will receive Kokak movie cameras, projectors, slide cameras, and other valuable prizes.

Contestants enter the "See-the-Fair" Sweepstakes via official en-

try blanks found in newspaper advertisements and cartons of Coca-Cola, together with plastic liners from any of the promotion crowns of the Coca-Cola Sprite, or facsimiles.

Drawings for the weekly prizes will be held on May 4, May 11, May 18, May 25 and June 8, when the grand prize also will be drawn.

Mr. Embry, of course, also plays center for the Cincinnati Royals. He is a member of the public relations department of the Coca-Cola Bottling Works Co.

Labor required to feed cattle may be reduced by feeding every other day or three times a week. Research has shown that feeding cattle at these intervals does not reduce gains if the total amount fed remains the same as under daily feedings.

Mrs. Lela Pernell, Reporter

Mrs. Martha Tomlin and Rita, and Mrs. Lela Pernell of Walton, visited their sister, Mrs. Christine Carter of Elliston, Wednesday.

Mrs. Kathleen Courtney and Mrs. Ruby Treadway of Walton, were guests of Magdalene Overbay of Banklick, Thursday.

Congratulations to Mr. and Mrs. George Washum on the adoption of a daughter, Sally Jo, born on April 3, and to Mr. and Mrs. Larry Cramer on the arrival of their daughter, Dixie Lynn, April 33.

Mrs. Delores Robbins, Sharon, Bobby, Gary and Kathy, of Independence, and Darlene Tomlin of Walton spent Sunday in Cynthiana.

For truly, the earth is the Lord's and the fullness thereof, but the responsibility for its stewardship is vested in man.

## BIRTHS

Pvt. and Mrs. Don Menke of 1920 Sycamore Dr., Lawton, Okla., are the proud parents of a daughter, born April 25. The little lady, named Dana Jo, weighed in at 6 pounds, 6 ounces. The maternal grandparents are Mr. and Mrs. Robert Mattoell, Sr. of Madison Pike, Independence, and the paternal grandparents are Mr. and Mrs. Ben Menke of Walton.

### Beechgrove Homemakers

"Hospitality with Attractive Tables for all your Meals, including how to give the invitation, being on time and the Basic Rules for Setting the Table" was the information given during the lesson to the Beechgrove Homemakers of Kenton County by Mrs. F. M. Powers and Mrs. Stanley Parker at the April meeting, which was entertained in the home of Mrs.

R. R. Quick, Bowman Road, near Independence.

Plans were made and a work day was arranged at the home of Mrs. Raymond McHale in South Fort Mitchell, for work on articles which are to be in their exhibit at the Kenton County Fair which is to be held on August 6, 7, and 8.

Members present included Mrs. Roy Kummer, president; Mrs. Raymond McHale, Mrs. H. L. Clark, Mrs. William Wolsing, Mrs. Verner Stephens, Mrs. Frank Afterkirk, Mrs. Virgil Kelly, Mrs. Wm. Endres, Mrs. Erwin Dewald, Mrs. William Clinkenbeard, Mrs. Louis Lee, Mrs. Bryan Armstrong, Mrs. Gus Schadler, Mrs. Raymond Dickson, Mrs. R. R. Quick, Mrs. Chas. Adams, Mrs. F. M. Powers, Mrs. Stanley Parker, and a guest, Mrs. George Wolsing.

The May meeting is to be held at the Lookout House on the Dixie Highway with a luncheon on May 20.

**THE  
BIBLE  
SPE**  
BY DR. KENNETH J. FOREMAN

**The Right To Work**  
Lesson for May 3, 1964

Background Scriptures: Luke 12:13-21;  
12:1-12; 1 Thessalonians 4:9-12;  
Devotional Reading: Psalm 127:1,3,5;  
127:1-5.

**EVERY WRITER** knows that  
what he writes may never  
be read. Between the time these  
lines are being written, and are  
printed in May, it is quite possible  
that nuclear war lasting an hour  
or so only, will have wiped most

of the people off  
this earth. To pre-  
vent such a war  
is of course man-  
kind's present  
major problem.  
But even suppos-  
ing—as we must,  
otherwise all writ-  
ing would come  
to a stop—that

Dr. Foreman May will come as  
usual, and even supposing that  
no war of any kind comes any  
more, will that be the end of our  
problems? Of course not. Over-  
shadowed by the terror of the  
Bomb, older than that peril and  
no less real for not being played  
up by the newspapers, are many  
other problems calling urgently  
for attention. One of these is  
the problem of work.

**"Work with your hands"**  
In the waters along the reefs  
and in the open sea around  
a small island there were lob-  
sters and many kinds of fish.  
Every man on that island was  
a fisherman, and all of them  
prospered. Commercial fishing is  
hard work, but these men were  
not afraid of it. So winter and  
summer they were out there;  
never more than an inch or so  
from death, but earning cheer-  
fully a good living for their fam-  
ilies. Now there was one excep-  
tion, a man who did not go out  
fishing unless the weather was  
just right to suit him, a poor  
fisherman who made his situation  
worse by spending much of the  
little income he had on drink. His  
neighbors did not sympathize  
with him. They saw it every day;  
hard work is rewarded, laziness  
brings poverty. This was in the  
depression, and the men of that  
island could not see any point in  
the then new schemes for helping  
the unemployed. They figured  
that being unemployed was a  
man's own fault and helping him  
would just encourage him to be  
lazier still.

**A new problem**  
The world has changed. We  
face a different problem today. It  
used to be the question: How do  
you get a lazy man to do his  
share of the community's work?  
Now the question often is: How  
can you provide jobs enough so  
that every man will have the  
chance to work? A wealthy man  
was telling with some pride about  
two wonderful machines which  
his coal-mining company had  
recently put into operation. Stand-  
ing in a quiet air-conditioned  
room, two highly trained radar  
men could guide machines, deep  
in the earth, in digging out the  
coal. Those two men with their  
electronically operated machines  
could turn out more coal than 28  
men could before those machines  
were installed. Four men out of  
the 28 miners were kept on the  
payroll; twenty-four were fired.

**What can we do?**  
There is no serious problem of  
unemployment in a fisherman's  
island. There is a serious prob-  
lem of unemployment in America  
with its machine civilization. The  
Bible teachings about work can  
be obeyed in one situation, they  
cannot in the other. This is a  
problem to which the churches  
have paid very little attention,  
partly because they don't know  
what to say about it, partly be-  
cause many churches are made up  
largely from management circles  
rather than of working men.  
(How many unemployed persons  
are in your congregation?) This  
writer does not know the answer.  
But at least it is time to suggest  
that from a Christian standpoint,  
there is something radically  
wrong with a state of things such  
that able and willing workers are  
denied the right to work, many  
of them for the rest of their  
lives. The next time you eat a  
meal, give a thought to those who  
can never earn a meal of their  
own.

A good stand of grasses and  
legumes is over 300 times as ef-  
fective in saving soil, and 6 times  
as effective in reducing run-off,  
as a clean-filled crop on the same  
kind of land.

United States farm production in  
1963 was 4 percent above the pre-  
vious record, according to reports.

**THE CHURCH FOR ALL  
ALL FOR THE CHURCH**

The Church is the greatest  
factor on earth for the build-  
ing of character and good  
citizenship. It is a storehouse  
of spiritual values. Without  
a strong church, neither  
democracy nor civilization  
can survive. There are four  
sound reasons why every  
person should attend services  
regularly and support the  
church. They are (1) For his  
own sake. (2) For his chil-  
dren's sake. (3) For the sake  
of his community and nation.  
(4) For the sake of the church  
itself, which needs his moral  
and material support. Plan  
to go to church regularly  
and read your Bible daily.

"Don't forget Tippy's treat!" Even if we're a bit  
late leaving for church, Susan and Mark must take  
their paper bag of surprises for Tippy the squirrel.  
Tippy lives in the park beside the church, and he's  
one of many happy, heart-warming things that our  
family looks forward to on Sundays.

We are rearing our children in the Christian faith  
because we know from our own experience how much  
it means to young people growing up. Without a right  
sense of values, youngsters are so likely to get into  
trouble.

Already Susan and Mark are learning to trust  
in the loving protection of God, and to turn to Him  
with their little problems. Through the stories of  
Jesus they are beginning to understand what it means  
to follow Him. We pray that this childhood pattern  
will strengthen and form a steadfast foundation for  
the whole of their lives. No parents could ask for more.

## Tel-Star 4-H Club Meets

Tel-Star 4-H Club held its regular monthly meeting at the home of Roy Durr. The meeting was called to order by the president, Connie Fields, and the minutes were read by the secretary, Mary Thomas.

The club chose to put their Kenton County Talent Show trophy in the trophy case at Simon Kenton and the District Talent Show trophy in the trophy case at Twen-hotel Junior High School. Club members practiced their demonstrations for Rally Day. After the meeting, refreshments were served.

## Staffordsburg

Mrs. J. A. Keeney, Reporter

William Damon seems to be recovering nicely from a bad fall. Mr. and Mrs. Dawson Ballinger enjoyed a visit by their cousins, Mrs. Stanley Fooks and Mrs. Geo. Hamilton of Walton, on Sunday afternoon. They informed them that Mr. and Mrs. Ed Swinford, who live in Cynthiana, but are well known here, are now in a rest home. They hope, however, to come for a visit this summer.

Russell Rector entered St. Elizabeth Hospital, Sunday afternoon, where he will undergo surgery in a few days.

Mrs. Caroline Armstrong celebrated her 90th birthday on Friday

of last week. She enjoyed the many cards and tokens of love which she received. It is a pleasure to live when one is blessed with good health and an interest in people and events as she is. Mr. and Mrs. Don Keeney and boys were guests of his mother on Sunday.

Mr. and Mrs. Don Duncan and children visited Mr. and Mrs. Chester Rapp, Saturday evening. Joseph Goedde, Jr. is leaving this week to join the U. S. Marines.

We are glad to hear that John P. Riggs is improving.

Mrs. Bluch Rich is feeling quite a bit better.

Mrs. Don Keeney entertained a number of friends with a Stanley party, Tuesday night.

I enjoy writing the news. There are times when I do not hear of happenings and probably you wonder why they are not in the paper. I would appreciate it if you would tell me sometimes. I regret hurting some one's feelings recently, for a try always to write in a way that will not cause hard feelings. If I do, I sincerely apologize.

## A Look At Education

—by—  
Eugene Robinson

As you read this I wonder if you realize there are only three weeks of school left. It really doesn't seem possible. One of the several ways that we at school are able to tell that it is near the end of the term is the sudden concern that many of our students have about whether or not they will pass. This is a tragedy. A boy or girl will spend seven or eight months in school and not be concerned about their success until the last weeks, and then it is too late in most cases. In 95% of the cases the reason for a student finding themselves in this situation is the attitude toward two or three phases of school work. First is their attitude toward attendance. Many of the students will miss for any reason. In some cases parents keep them home for baby sitting or other unjust reasons. Of course, the old standby "hooky" keeps some out of school. The general attitude is that they have gotten by with something if they miss school, and they miss for driver permits, driver license, to seek a job, beauty shop appointments, and a host of others that appear more important to parents and students than establishing a good attendance record.

The second big thing in this area of passing, or success in school, is the students attitude toward doing the assignments. A large number of the high school students leave the school each day without books which points to the fact that they never do any home work. I want to say right here that in my opinion no student, regardless of their ability, can keep up all their work without doing some work at home. In checking most of the students that will not pass are those that never do homework. In addition to not doing homework there is a lot of time wasted in study halls by these same people. Thirdly, these same students sometimes develop a very poor attitude toward authority. They resist teachers correcting them and giving them direction. In a few cases the student has a chip on his shoulder and dares anyone to knock it off.

The sad thing about this is that these students never realize that prospective employers or higher school officials will question all of these areas. They are not necessarily interested in all "A" students, but will ask these four questions and usually in this order:

- (1) What was this boy or girl's attitude toward doing their work?
- (2) What was his attitude toward authority or following orders?
- (3) Does he have a good attendance record? how many tardies?
- (4) What kind of grades did he make?

Parents and students need to realize that future employers and officials of any type school after high school look for boys and girls with good attendance and good attitudes. How many of you would employ a high school graduate who was not regular in attendance and who resented being told what to do? I think all of us know the answer to this.

## '64 Farm Bureau King-Queen Contest

The Farm Bureau King and Queen Contest for 1964 is now under way. The contest is sponsored by The Women's Department of the Kentucky Farm Bureau Federation.

The contest is open to all young boys and girls of Kenton County Farm Bureau members. Each boy and girl must be 15 years old by November 15, 1964. Those wishing to obtain these record books and for further details may contact Mrs. Glenn Riggs, 350-0438, or Mrs. William Durr at the Farm Bureau office. All young people within the age bracket are urged to enter this contest. It is a wonderful experience and competition, not to mention the fun and awards.

### Office Closed May 13th

The Northern Kentucky Production Credit Association office will be closed Wednesday, May 13, for a personnel meeting at the Central Office in Williamstown.

### Head Republican Party

Republicans in Boone County have elected their executive committee to serve for the next four years.

Olds Readnor is County Chairman; Mrs. Ethel K. Daugherty, County Chairwoman, and William T. Tanner, Secretary-Treasurer. Members of the committee in this area are: Walton I. Mae Mattingly and Alvin Lawrence; Walton H. Edith Gerch and William E. Duchesne; Veronica, Cecil Sebree and Mrs. Delbert Messmer; Upton, Richard Criss and Mrs. Lynn Clements; Hamilton, Hayes Feldhaus and Lottie Binder; Devon, Joe Rice and Ann Tanner; Beaver, Charles Wiley and Kathleen Wiley. The next meeting of the club will be held on Thursday, May 14 at 8:00 p. m., in Florence.

### Dearborn (Mich.) Wedding

Mr. & Mrs. W. M. Whitson, III

Flowers decorated the chancel and aisle of First Baptist Church, Dearborn, Mich., and in the light of candlelight, Susan Ida Tolson and William M. Whitson, III, repeated their nuptial vows. Rev. Howard Hayworth performed the double-ring ceremony at seven o'clock on March 7, 1964. The young couple are residing in Dearborn.

Mr. Whitson is the grandson of the late Mr. and Mrs. W. M. Whitson of Verona, and has sons and daughters living in this area at the present time.

### Walton Wins 7-6 Over Burlington in 11 Innings

The Walton "A" team defeated Burlington 7-6 in eleven innings on Saturday, May 2. The attack was led by James Bush with six strikeouts and Don Sturgeon's three hits. Chipman, Ingram and Wethington each had two hits. Bush was the winner and Delph was the loser.

Walton's next game is on Sunday, May 9, at the Walton school against Hebron. Game time is 2:30 p. m. Come out and support your team.

### Bradford Lodge to Meet

The regular meeting of Bradford Lodge, 123, will be held in the lodge hall at Independence, Thursday, May 14, at 7:30 p. m.

Marilyn Scott

### D.A.R. GOOD CITIZENS

Frankie Parker and Marilyn Scott, seniors at Walton-Verona High School, have been selected as Daughters of America Good Citizens. These awards are given annually to the senior boy and girl who show dependability, service, leadership, and patriotism. The senior class nominates three boys and three girls from whom the faculty makes the final selection. Frankie and Marilyn are to be guests at the May meeting of the Boone County Chapter D.A.R. Marilyn is to be taken on a special trip to Frankfort where she is to receive additional honors.

Frankie Parker

Merilyn is the daughter of Mr. and Mrs. John D. Scott, Sr., of Verona. She is active in school and church organizations, including the school paper staff, the annual staff, French Club, Sunday school and church choir. Frankie is the son of Mr. and Mrs. William R. Parker of Stephenson Mill Road, Walton. He is a member of the annual staff and the Beta Club.

Mrs. Ashlin Logan is to present these awards at the annual Awards Night program, May 28.

## Simon Kenton Wins Walton-Verona PTA On 'It's Academic' Elects Two Officers

Simon Kenton High School students have been distinguished themselves of late with their performances on the WLW-T program "It's Academic." The program may be viewed each Saturday afternoon at 4:30 p. m. and each Sunday at 5:00 p. m.

To date the Simon Kenton team has been seen twice and they have completed a third taping to be seen later.

The original team consisted of Edith Vance, daughter of Mr. and Mrs. Ralph Vance, Route 1, South Ft. Mitchell; Rick Bryant, son of Mr. and Mrs. Gordon Bryant, 678 Dave Drive, Independence, and Michael Blake, son of Mr. and Mrs. Kenneth Blake, 888 Sycamore Drive, Independence. Their alternate was Michael Coleman, son of Mrs. Harry Coleman, 7100 Taylor Mill Road, Independence. This group defeated Mother of Mercy High School of Cincinnati, and William Mason High School of Mason, Ohio. For their good showing, Simon Kenton library received a set of The Great Books of Knowledge.

When time arrived for the next appearance, the three boys and a girl, the three boys and the senior trip to New York. School officials replaced the boys with Barbara Carlisle, daughter of Mr. and Mrs. Malcolm Carlisle, Decoursey Pike; Terry Burton, son of Mr. and Mrs. Harold Burton, of Ryland Heights, and alternate, Donna Stahl, daughter of Mr. and Mrs. Leo Stahl, Morning View. This team defeated St. Henry of Erlanger, and Batavia High, Batavia, Ohio. This performance was seen Sunday, May 3. The Simon Kenton library received a set of the Encyclopedia Britannica.

Edith, Barbara and Terry took part in a third taping against Glen Este, Ohio, and St. Bernard, Ohio, in which they were also victorious. This performance will be seen May 31 at 5:00 p. m.

These youngsters are now eligible to compete in the final against Cincinnati Country Day and Middletown High. The winners will receive an all-expense tour to New York and the World's Fair. The sponsor for the Simon Kenton team is Robert Koenman, Science and Mathematics teacher. Congratulations to all of these young people who have performed so magnificently.

### Win Candy Sale Awards

In the recent Boone County 4-H Club candy sales, the following local members received \$2.00 awards: Gary Ingram, 41 boxes; Larry Alexander, 38 boxes; Janny Rice, 38 boxes; Russell Ryan, 35 boxes.

### Verona Post Office To Close Saturday Afternoons

Starting May 9th Verona Post Office will be closed on Saturday afternoons. There will be no Money Order service at the office or on the rural route on Saturdays. The Route Carrier will serve his route of the morning hours and this may become a permanent arrangement. All Patrons will be notified and we hope that this will prove to be a way of giving earlier and better service to all concerned. In the event of this change the Post Office Hours will also be changed to meet the needs of the patrons. The hours would be from 7:30 a. m. thru 3:30 p. m. with the window service continuing thru the noon hour instead of being closed for the usual hour. Many of our patrons have expressed a desire for service at the lunch hour and we would do this for their convenience, said Mrs. Jean Crouch, postmaster.

### Durr Awarded Contract

## Mothers Honored by Simon Kenton FHA

The Simon Kenton Chapter of FHA opened its 19th annual Mothers and Daughter Banquet, Thursday, April 23, with the opening ritual. Jo Ann Rust welcomed the mothers, and the response was given by her mother, Mrs. Harold Rust.

George Edmondson, principal and honorary member, asked the blessing, after which a delicious roast beef dinner was served by Lloyd's Catering Service. Each officer gave her mother a lovely orchid corsage. The senior officers, the advisor, and the guest speaker also received corsages.

The song and recreation leaders, Jane Kunkel, Connie Coy, Darlene Adkins and Sandy LaFollette, led the group in singing, and presented a skit. Pam Schader, president, introduced all members and their mothers or guests, honorary members, FHA representatives, FHA Beau, FHA advisor, and chapter mother.

A skit, "An FHA'er Looks the Part," was presented by the program committee. The guest speaker, Miss Ann Scott Giles, spoke on "Fashions." She had five girls from Dixie Heights High School to model spring fashions.

Carol Kaub recognized the outstanding seniors who are Pam Schader, Rita Trapp, Jo Ann Rust, and Verna Elliott. Honorable mention was given to Carol Streine, Bonnie Wolfe, and Patsy Pfandl. Pam Schader was presented a gift for receiving the FHA award by Linda Redman. This was followed by recognition of degree work by Rita Trapp.

Linda Lunsford presented gifts to the chapter mothers, Mrs. Mason Schader; the advisor, Mrs. McElroy; the FHA Beau, Bud Parker; the custodian, Danny Wilcoxson, and five FHA members who sold the most candy during the chapter candy sale. They were Birdella Gabbard, Vicki Bravard, Mary Vastine, Billie Cheesman, and Connie Coy.

Connie Kelly, Diana Penn, and chapter members presented potted plants and stem roses to mothers and guests. The banquet was closed with the repeating of the creed.

The following mothers and guests were present: Mrs. Mason Schader, Mrs. Harold Rust, Mrs. Daniel Trapp, Mrs. Linda Rust, Mrs. Basil Lunsford, Mrs. James Conley, Mrs. James Richardson, Mrs. Alvin Elliott, Mrs. Willis Streine, Mrs. Ernest Adkins, Mrs. Raymond LaFollette, Mrs. J. We regret to report that Gilmore Eckerle is in St. Elizabeth Hospital, in a critical condition, following surgery earlier in the week.

Lathan Brinkley, accompanied by his mother, left early Sunday to take his wife and small daughter to Chicago, where they boarded a train to go to Oregon to visit her parents. They plan to spend several weeks in the Northwest.

Several of the Sunday school teachers met with Miss Emma Yates, Friday evening, to plan for building a better Sunday School. Following the discussion, Miss Yates served delicious refreshments to Mrs. Burt Nunery, Miss Helen Richardson, Rev. Roy Hunt, Mrs. D. Ballinger, Mrs. J. Shaw, Mrs. R. Cooper, J. B. Losey and Mrs. J. Keeney.

Mrs. Mable Gatewood, accompanied by some members of her family, visited her brother, Eugene Hoffman, Sunday afternoon.

Mr. and Mrs. D. Ballinger, Sunday afternoon.

Mr. and Mrs. Don Keeney and boys called on Mr. and Mrs. Paul Damon, Sunday evening.

Mrs. Ralph Howard, Reporter

I'll start this pretty sunshine morning with a bit of very good news... our neighbor, Gil Eckerle, who has been seriously ill after undergoing a major operation at St. Elizabeth Hospital last Wednesday... the doctor says is a little improved at this date. His family has all been called home from college and their places of business. We hope that he continues to improve and that at our next writing we can say he is on his way to recovery.

LaSalette Academy had their festival and dinner Saturday and Sunday, with a large crowd in attendance, at which Mr. and Mrs. Ralph Howard, Mr. and Mrs. Jas. Burke and daughter enjoyed a delicious dinner and enjoyed the activities of the day.

### County Agent's 1/2 Acre

—by—  
Joe Claxon

Spring has arrived in Boone Co. In every direction we look, we can see the beauty of the green earth and feel spring in the air. The trees are budding and leaving and evergreens are putting forth light green shoots. The beautiful colors of the crab-apple are in full bloom and folks are starting mowing the lawns. This is a job to many, and a task to many.

Many jobs have been hampered—such as planting gardens and plowing, due to the wet soil conditions. Although the Extension office has been receiving large numbers of soil samples to be tested.

Another sign of spring is the appearance of the Eastern Tent Caterpillar, which has caused much concern in the past few years. The

overwintering eggs of this pest have hatched and webs may be seen ready in wild cherry trees, their favorite host. Peach, pear, cherry, and some shade trees are also attacked. DDT, 50% wettable powder at two tablespoons per gallon of water, sprayed on the foliage now, should control the larvae.

For the homeowners, they will see the appearance of bagworms in the evergreens soon. Hand-picking the bags now and destroying them by burning is the cheapest method of controlling this pest, but the most difficult to get people to do. After eggs hatch in May or June, use malathion, diazinon, toxaphene or lead arsenate.

White grubs are feeding now in bluegrass lawns. The best method of telling if you have grubs is to lift a small square piece of sod in a couple of different areas in the lawn and see if grubs are present. If there are no grubs, why treat? Egg laying doesn't take place until mid-summer and grubs hatch from these eggs. Can be controlled next spring. Grub damage for this year will probably show up the last of April through the middle of May as dead and dying patches. Apply either aldrin, dieldrin, heptachlor, chlordane, or di-

azon now for best results.

Many of the tobacco growers have plants up. It has been found that the early cold spells had very little damaging effect on the plants. In most cases, there are good prospects for plants for our burley crops.

The truck crops are doing well. Potatoes are out, cabbage started off well in the field, and early May will be setting tomatoes. The fruit crop is in full bloom and there is a prediction for a fine crop for 1964. This is good news for all of us who like to eat fresh vegetables and fruit grown in Boone County.

### BOONE UTOPIA CLUB

Robert Scott, of Kenton County, was guest speaker at the April meeting of the Boone County Utopia Club, held at the home of Mr. and Mrs. Joe Domaschko. Mr. Scott showed pictures taken on his good will tour behind the Iron Curtain, England and France.

Preceding the meeting, a covered dish supper was enjoyed by the members and guest. Final plans were made for our Annual Banquet to be held in May.

The members enjoying this meeting were: Mrs. Mary Armstrong, Mr. Joe Claxon, Mr. and Mrs. Leo Cotton, Mr. and Mrs. John Crigler, Mrs. Alberta Dickey, Mr. and Mrs. Joe Domaschko and daughter, Mrs. Elva Elliott and son, Mr. and Mrs. Henry Hudson, Mr. and Mrs. Bill Maddox and daughter, Mr. and Mrs. Grant Maddox and children, Mr. and Mrs. Harry Rea, Miss Mary Rector, Mr. and Mrs. Beckham Shields, Mr. and Mrs. John Walton and children. ### WALTON-VERONA SCHOOL NEWS

#### Student Council Officers Elected

The Walton-Verona High School student body recently elected the following persons as Student Council officers for the coming year: Linda Grant, president; Linda Farwell, vice-president; and Brenda Porter, secretary.

Linda Grant, a sophomore, is the daughter of Mr. and Mrs. F. M. Grant, Walton. She is active in the Beta Club, Annual Staff, and Future Homemakers of America. Linda says, "The students have given me their vote of confidence and I plan to do my utmost to represent them, their ideas, and their views."

Linda Farwell thinks that the Council is the most important organization in school and says, "I am going to do my best as an officer to build up higher standards in the council so that we may have a better school year for everyone." She is the daughter of Mr. and Mrs. Clifford Farwell, Route 2, Walton. In addition to being a varsity cheerleader, she is a member of the Literary Club and secretary of the French Club. Brenda Porter has already served two years on the Student Council.

She is a member of several organizations at school, including Y-Teens, Chorus, Pep Club, and served as cheerleader this year. She is the daughter of Mr. and Mrs. Robert L. Porter, Sr., Walton.

## How much spring will you capture?

The miracle of modern electricity!

Lets you keep spring-like flavor in most of your garden vegetables and fruits. With an electric refrigerator-freezer combination, you can easily freeze fresh strawberries now and serve them next Christmas!

An electric freezer saves money. Buy meats and other foods at special seasonal low prices. Save them in your freezer and serve later when prices are much higher. It's great to have a handy reserve of food when unexpected guests stay for dinner!

Electric freezers are inexpensive to operate.

Costs only pennies a day, thanks to low-cost rural electric power.

## ELECTRIC FREEZER

Take advantage of low summer prices on many foods and meats. Store them in your electric refrigerator-freezer and serve later. Another good way to live better with rural electric power!

### Doing Nothing

Lesson for May 10, 1964

Background Scriptures: Matthew 6:33; Mark 13:34-37; Luke 11:14-15; 19:27; Philippians 4:8.

**SYLVIA PORTER** says that a newborn baby today has a "worklife expectancy" of 41.4 years; less than if he had been born 14 years ago. This baby's leisure expectancy, that is the length of time he will not be working at any real job for money, is 25.2 years, on the average. But even if he doesn't have so long a time out of work, his job—whatever it is—includes a good deal of leisure.

**Dr. Foreman** Vacations, coffee breaks, holidays—nobody wants a job with no leisure possible! Now leisure used to be described as a state of doing nothing at all. But everybody who has tried it knows that doing nothing is the most wearisome of all occupations. So the question becomes: What do you do in the time when you have nothing in particular to do?

**First the Kingdom**

Does the Bible cast any light on this? Indeed it does, and a good thing too, for with every generation the problem of what to do with our leisure time becomes more acute. First of all, in work or rest or play, in the activities for which we expect and get no pay, there is one great principle which the Christian must always keep in sight: the principle that may be called "The Kingdom first." (Matthew 6:33.) This commandment of Jesus is like the Ten Commandments in that it is good every day in the week. There are no holidays for the Ten Commandments; there is no holiday for the Kingdom-first principle. Now what does this mean? The Kingdom of God means a state of things where God's will is done "on earth as it is in heaven"; where the will of the God who is Love comes to pass. The Kingdom of God, as Paul says (Romans 14:17) is "righteousness and peace and joy in the Holy Spirit." Let us nail this down to our problem of leisure. The Christian principle of "Kingdom-first" means, among other things, this: The rest of how you spend your leisure hours or days is whether you have used the time in such ways as harmonize with God's love—with righteousness and peace and joy.

**Don't make yourself worse**

One very simple and commonsense use of leisure is suggested in Mark 6:30-32, where Jesus urges his disciples to get away by themselves to rest. Here we have the hint that a vacation from even the most important work a man can do may do the man good so that he will return to the work with brighter eye and stronger hand. Resting can be doing nothing; but it can be doing nothing for a good reason. The Bible encourages resting. It has no good words for loafing. Resting is quitting when you need a rest, loafing is resting when you don't need a rest. This brings up another point. The Bible warns not only only (as in I Cor. 6:12-14) but from first to last, against self-indulgence, pandering to your own appetites. (There is spiritual self-indulgence just as there is physical, but that is another story.)

**Mental bill of fare**

When you go into a restaurant, in most progressive states, you can see on the wall a framed A, if the place deserves it; and you are not afraid to eat there, even if you are a stranger. Food for the mind, however, is not always labeled; which is too bad, for your mental bill of fare is just as important, indeed far more so, than food for the stomach. St. Paul gives us what is much better than a censor's blacklist, or whitelist either. He tells us what kind of things to think about. Leisure is the time for conversation, for reading, for seeing TV and the movies, for playing games. Nobody says these things are all wrong, period. But a Christian can see that it is just as possible to poison your mind with low-grade mental fare as it is to poison your body with spoiled or unwholesome food at mealtime. Mental poisons are lying around everywhere. Be sure your mind gets only Grade A stuff to digest!

It is worth a thousand pounds a year to have the habit of looking on the bright side of things.

We're all equal but different, and different but equal.

## Family Visit

They'll be here any minute! As soon as I finish the flowers I'll go and sit with Dad on the front porch, so we'll be right there when they all drive in. It'll be just wonderful to see them again.

Dad and I were saying last night that we couldn't have been blessed with better children or lovelier grandchildren. We've been so fortunate. Of course, there have been some tragic

### THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church neither democracy nor civilization can survive. There are four social reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

and terrible times, but God has never failed to give us the strength to meet them, and the courage to go on again. We've always been a churchgoing family, and I know the children never miss a Sunday even now. Tomorrow we'll all go to church together, and it will seem like the old days when our family was still here at home. We have so much to thank God for, every one of us.

# VACATION

## IN KENTUCKY 1964

GENERAL BUTLER STATE PARK

## **Diamonds In Your Own Backyard**

If you are planning a vacation, don't overlook the diamonds in your own backyard.

Kentucky has outstanding vacation attractions and most Kentucky communities have one or more good tourist lures.

Well-developed tourist attractions are the backbone of a major Kentucky industry. Out-of-state visitors spent \$220 million in this state in 1963.

This state now has among its 34 State parks and shrines 13 vacation resort parks recognized as the finest resort park system in the nation. Among other major attractions are three National parks — Cumberland Gap at Middlesboro; Lincoln Historical Birthplace Site near Hodgenville, and Mammoth Cave; Breaks Interstate Park, near Pikeville; Cumberland National Forest, and seven State forests; 11 giant lakes and recreation areas including 170,000-acre Land Between the Lakes National Recreation area being developed between Kentucky Lake and Barkley Lake.

Besides these public facilities there are scores of attractive, interesting, privately-owned attractions and vacation accommodations in Kentucky.

## **Consider Kentucky First**

In recognition of the importance of the tourist industry to all Kentuckians, this eight-page "Vacation in Kentucky" supplement is presented as a special feature by the Walton Advertiser as a public service in cooperation with the Kentucky Department of Public Information.

Kentucky has over 300 tourist attractions and this special section is designed to acquaint Kentuckians with the possibilities in selecting a place for a vacation.

If you plan a vacation this year and have not seen the scores of interesting attractions Kentucky offers, explore Kentucky first!

**GOOD FISHING** attracts thousands of people in Kentucky. The state has more miles of running water than any other except Alaska and has the greatest series of man-made lakes in the world. Because of differences in terrain and water temperature you can catch fish any day of the year in Kentucky.

# SEE KENTUCKY FIRST

Big Lakes, Beauty, Barbecue

# WESTERN KENTUCKY

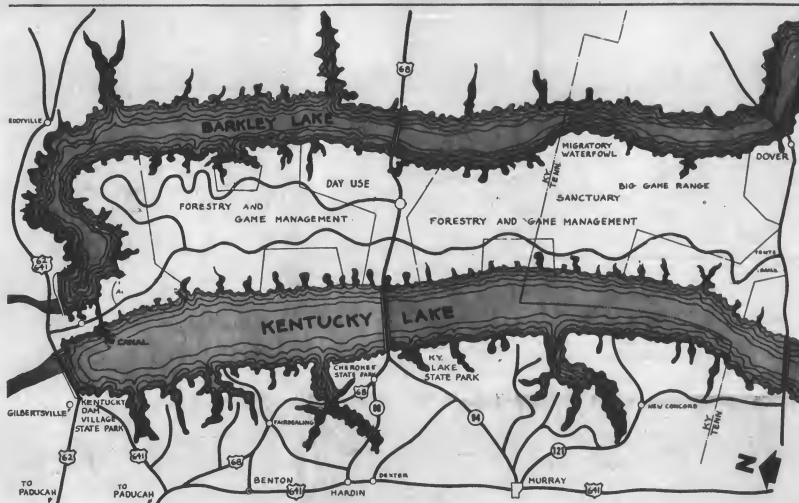

THREE COMPLETE vacation resort parks (Kentucky Dam Village, Kentucky Lake and Pennyrite State Parks), a giant new national recreation area, numerous other attractions and scores of private boat docks, restaurants, motels and barbecue pits make Western Kentucky a mecca for mid-America's vacation-bound. Fish-rich Kentucky Lake with 2,350 miles of shoreline yields ground-dragging

strings of fish. Crappie and bass, in particular, are abundant. Besides boating, camping, fishing, picnicking, swimming in pool or by the beach, there's golf, tennis, water skiing, horseback riding, shuffleboard at the big State park in this area. Travelers reach this vacationland by plane, boat, bus or auto. There are two airports and good, new roads into the region.

## \$35 Million Project Under Development

COMPLETION of Barkley Lake in 1965 will give Kentucky three of the ten largest man-made lakes in the world. A 38-mile-long peninsula of 170,000 acres between Barkley and Kentucky Lakes is being developed as a National Recreation Area by the Tennessee Valley Authority. T.V.A. officials plan to develop as many different types of outdoor recreation on the peninsula as possible, including 6,000 individual camp sites. The \$35-million project is expected to draw millions of visitors per year by 1966, when most of the facilities will be completed. Barkley and Kentucky Lakes combined will have over 3,200 miles of shoreline.

## LAND BETWEEN THE LAKES NATIONAL RECREATION AREA

## VARIETY IN WESTERN KENTUCKY

NINE OF KENTUCKY'S 34 State parks and shrines are in Western Kentucky, offering a variety package to vacationers. In 1963, Kentucky Dam Village attracted the largest single-park visitation, 2,215,605 persons; famous Kentucky Lake State Park drew 881,605 persons; and Pennyrite Forest State Park at Dawson Springs - the favorite of many Kentuckians - drew 365,949 visitors. "Stars in My Crown," a drama about Western Kentucky, is presented in the Kentucky Lake Park amphitheatre.

OVER 1400 ACRES of beautiful woodland and grounds at Kentucky Lake State Park provide carefree days for the year-round fishermen. In the park visitors enjoy golf, tennis, swimming in pool and lake, sunbathing, boating, horseback riding, picnicking, hiking, shuffleboard and planned recreation. Kenlake Hotel has 60 attractive guest rooms. Completely equipped vacation cottages are located in wooded areas. There are excellent privately owned motel accommodations nearby.

KENTUCKY DAM VILLAGE State Park is a complete holiday resort that pleases the entire family. The 56-room Village Inn and cottage accommodations are modern and first class, the food excellent. The park has a big sandy beach, unexcelled boating, horseback riding, and some of the world's best year-round fishing. Kentucky Lake, impounded by Kentucky Dam, is the world's biggest man-made lake.

**Hams, Hoecakes, Flourishing Farms**

# THE CAVE COUNTRY

MAMMOTH CAVE, tourist attraction since 1837, is the hub of Kentucky's famous Cave Country where underground streams have carved out limestone caverns and decorated them with beautiful rock formations. Among numerous other prime attractions in this South Central Kentucky area are My Old Kentucky Home State Park, recently-completed Rough River Dam State Park

with its excellent lodge, Rough River Reservoir and Nolin Reservoir. Several privately-operated caves have good attractions and accommodations. In this region you'll find especially good Country Ham and other foods with the exacting home touch. Here, too, you'll see good farms and big fields of burley tobacco and rich historical background.

## One Of World's Spectacular Wonders

A BOAT RIDE on underground Echo River awaits you as one thrill at ever-popular Mammoth Cave National Park. On cave tours you see beautiful formations, huge cavern rooms and spectacular pits and domes. Excellent accommodations are available at Mammoth Cave and in nearby cities. Mammoth Cave is a year-round attraction, with cave temperature steady at 54 degrees at all times.

## World-Known Park Is At Bardstown

MY OLD KENTUCKY HOME is familiar to people everywhere in the world. It's a State Park and one of the top tourist attractions in America. The Bardstown area offers good accommodations year-round and has several good attractions including the outdoor drama "The Stephen Foster Story". At the park there are picnicking tables; camping facilities and golf at the nine-hole course adjacent to the park provide varied recreation for the family.

## Complete Vacation Now Possible At Rough River

ATTRACTIVE, modern architecture characterizes Kentucky's 12 new State Park lodges. At this lodge at Rough River Dam State Park, between Hardinsburg and Leitchfield, each of 24 air-conditioned units has a private patio overlooking 5,000-acre Rough River Reservoir. Other features of the park include 13 new housekeeping cottages, paved airstrip, boat docks, launching ramps, swimming beach and picnicking and camping areas.

Thoroughbreds, Tradition, Tobacco

# THE BLUEGRASS COUNTRY

THE KENTUCKY BLUEGRASS REGION, world-famous headquarters for champion horses! Here you are welcome to explore acres of blue-hued pastures, follow the miles of spanking white fences and view fastidiously-kept horse barns. Besides 250 horse farms, historic homes and sites abound. You'll want to visit Keeneland race track and the Saddlehorse Museum. Constitution Square,

where Kentucky declared its statehood, is at Danville; Fort Harrod, the white man's first permanent settlement west of the Alleghenies, is at Harrodsburg. Among many other major attractions are Lincoln Homestead State Park, near Springfield, and beautiful, meandering Herrington Lake for fishing and water sports of all kinds.

## Horse Farms Are Interesting Attractions

KENTUCKY'S most famous horse farms are concentrated in the Bluegrass region within a 35-mile radius of Lexington. Maps showing exact location of farms and other points of horse interest are available through automobile clubs, the Lexington Chamber of Commerce and some service stations. Many farms are open to visitors until 4 p.m. most days.

## Lincoln Homestead Has Much History, Recreation For You

NEAR SPRINGFIELD in Lincoln Homestead State Park is a replica of the cabin where Abraham Lincoln's grandfather lived and the log house where Thomas Lincoln, Abe's father, came to court Nancy Hanks. The buildings are open to the public. Golf, picnicking, and playground recreation are available at this interesting park.

## Restoration Started At Shakertown

SHAKERTOWN, at Pleasant Hill, city of a famous extinct religious sect, is being restored near Harrodsburg at a cost of more than \$2 million. It will be both a tourist complex and an educational center. Shakertown was founded in 1805 when a small band of Mercer Countians embraced the Shaker doctrine of celibacy, separation from the world, confession of

sins and communal sharing of goods. Membership grew eventually to 500 and Pleasant Hill was regarded as the most beautiful and successful of several such colonies in the United States. It gradually declined after the Civil War and in 1910 the last dozen members deeded away their remaining lands in return for care during their lifetime.

## Big City, Big Bones, Boone, Battlesites

# THE NORTHERN LURES

THE COUNTIES along Kentucky's northern border offer a rich variety of attractions and accommodations for the vacationer. Louisville, home of the Kentucky Derby, provides cultural delights for all Kentuckians. The mighty Ohio River is noted throughout the world for its beauty and commerce. Worth a trip to see,

it's home to big barges, sail boats, water skiing, fishing and pleasure cruises. Northern Kentucky attractions range from the big bones of mastodons near Covington to the historical heritage of Daniel Boone and Simon Kenton and to the site of one of the bloodiest battles of the Revolutionary War in the Maysville area.

## **Paddlewheeler Makes Frequent Excursions**

THE BELLE OF LOUISVILLE is one of the last of the exciting paddle wheel steamboats. Owned by Kentucky's Jefferson County, this romantic relic is in splendid condition and makes excursions up and down the Ohio River from Louisville. She and the bigger Delta Queen from Cincinnati highlight Louisville's Derby Festival by racing up the Ohio to Six Mile Island and back before engaging in a contest between their ear-splitting callopes.

## **Vacation With Entire Family At Butler**

THE COMPLETE VACATION for all the family is possible at General Butler State Park, Carrollton, where the modern 25-room lodge and dining room is headquarters for swimming (pool and beach), boating, fishing, horseback riding, tent and trailer camping, nature hikes or golf. Cottages, completely furnished, are the favorite of many. A museum of Ohio River lore is located in the Butler Mansion.

## **The Big Dig Is A Choice Tourist Lure**

DID YOU EVER watch scientists dig for mastodon bones? At Big Bone Lick State Park, near Covington, geological explorations have unearthed the million-year-old bones of the extinct mastodon and reptiles. This park has a picnic shelter and playground. Nearby, at Falmouth, is Falmouth Lake State Park for swimming, boating, fishing, picnicking and tent and trailer camping.

## **Fish-rich Lake Has Boat Dock And Beach**

GREENBO LAKE State Park, near Ashland, is a North-eastern Kentucky vacationland for swimming, boating, fishing, horseback riding, tent-and-trailer camping, and picnicking. This 3,300-acre park with a 225-acre lake attracts thousands of out-of-state visitors.

## Scenery, Serenity, Silvery Lakes

# THE MAGIC MOUNTAINS

IN THE SCENIC MOUNTAINS of Eastern Kentucky, silent, misty mornings turn into active days of fishing, hiking or swimming. Scenery viewing, nature trails, wildlife study, photography and square dancing are vacation favorites here. Lakes, rivers and streams offer good fishing. Among major vacation areas in Kentucky's mountains are State Parks — Jenny Wiley, Prestonsburg;

Natural Bridge, near Slade; Carter Caves, between Olive Hill and Grayson; Cumberland Falls, near Carbin; Levi Jackson, near London; Lake Cumberland State Park, near Jamestown; Buckhorn Lake, near Hazard, and others. Cumberland Gap National Park is near Middlesboro, and Breaks Interstate Park, on the Kentucky-Virginia border, is near Pikeville.

A PERFECT MOUNTAIN VACATION can be found at Jenny Wiley State Park, overlooking the blue water of Dewey Lake in the heavily forested Eastern Kentucky hills near Prestonsburg. Jenny Wiley offers an air-conditioned, 36-room resort lodge, 12 guest cottages, swimming pool, lake swimming, boating, water skiing, bathhouse, boat dock, tent and trailer grounds and a sporty nine-hole golf course.

THE HERNDON EVANS lodge at Pine Mountain State Park, Pineville, is delightfully rustic in exterior appearance, but its 20 units are completely modern. Swimming pool, cottages, a dining room, hiking trails and boating can be enjoyed.

BREAKS INTERSTATE PARK, near Pikeville, on the Kentucky-Virginia border, is operated jointly by the two states. The park overlooks a spectacular gorge. Rhododendron Lodge has an inviting dining room and there are picnicking areas, hiking trails, tent camping sites and a mountain life museum, plus breath-taking panoramic views of Kentucky's highest mountain country.

NATURAL BRIDGE State Park, near Slade, on Kentucky's new, scenic Mountain Parkway yields spectacular views and fascinating geological formations. A new 20-unit lodge will open in 1964. A recreation program, cottages and camping sites are available.

### Vacation Game

How Much of Kentucky  
Have You Seen?

Using a state map, cross out the counties you and your family have visited. You'll be amazed at how many vacation areas remain.

# Drama Under The Stars

OUTDOOR DRAMA is a summer treat for vacationers in Kentucky. There are outdoor plays at four State Parks, and again this summer Pioneer Playhouse, Danville, offers 10 new plays on a Wednesday-to-Monday schedule from June 25 to September 7. Shakespeare in Central Park is offered free by the City of Louisville Thursday, Friday and Saturday evenings from July 12 to August 22.

"The Stephen Foster Story," at Bardstown (June 20 - September 6) plays every night except Monday. The rollicking, toe-tapping show sparkles with 50 Foster songs.

"Home Is the Hunter," at Harrodsburg, is a rip-roaring thriller about pioneer life. With colorful dances, it plays every night from June 27 to September 6.

"Stars in My Crown," at Kentucky Lake State Park, Hardin, is a rousing, colorful pageant of life in Western Kentucky. Each night except Mondays, June 19-August 30.

"The Book of Job," at Pine Mountain State Park, Pineville, plays nightly except Sunday; June 25-August 29. Based on Book of Job from the Bible, it is exceptional.

## Three National Parks In Kentucky

ABRAHAM LINCOLN National Historical Birthplace Site, near Hodgenville, contains the birthplace cabin of America's beloved Emancipator. Favorites here include the museum and the ancient boundary oak, a landmark at the time of Lincoln's death.

THE PINNACLE OVERLOOK in Cumberland Gap National Historical Park, near Middlesboro, surveys mountain grandeur. Discovery of this pass through the Allegheny Mountains, resulted in the start of the conquest of the American West.

VISITORS TO MAMMOTH CAVE National Park gaze in awe at this underground world. The Frozen Niagara, a favorite sight, is 75 feet high and took over a hundred million years to form. Above ground, deer herds and hiking trails are tourist favorites.

## Over 300 Kentucky Attractions

Kentucky has over 300 vacation attractions ranging from the Moonbow at Cumberland Falls to the depths of Mammoth Cave and from colorful festivals to historic homes of illustrious Kentuckians.

There are State, National and locally-owned parks; lakes, rivers and ports; State and National forests; mountain scenes; race tracks; wildlife refuges, amusement parks; boat rides; horses and horse museums; a buried city; superhighways; natural arches; covered bridges; and golf courses galore.

There are historical homes and villages; palisades and natural bridges above ground and spectacular caves underground; govern-

ment buildings with a wealth of historical and interesting information; loom shops and guided tours through factories where famous Kentucky products are made.

There are also water sports; abundant birds; beautiful Kentucky dogwood, and flowers like rhododendron and Mountain Laurel; works of art in fine museums, square dancing; horse graveyards and horse statues; nature tours; mule days; hiking trails and scores of good picnicking sites.

In addition, there are plush hotels, motels and pleasing vacation cottages; country lanes and big city stores; big mountains with misty mornings and autumn colors;

battlefields; Indian mounds; and schools and universities of distinction.

Besides that, there are waterfalls, big and small; outdoor dramas and plays.

Count, too, barbecues and country fairs or, bigger still, the State Fair; big bone digs in Northern Kentucky and tugboats on the Ohio and Mississippi; oil and gas fields; renowned architecture; palisades of Kentucky river; high bridges; fox hunts; pecan groves and cotton fields.

These are a few of Kentucky's attractions. If you're not near one---or even many of them---then you don't live in Kentucky.

# KENTUCKY ALL OVER

**KENTUCKY'S PARKS**—State and National—and numerous lakes are geared to accommodate every conceivable taste in vacations. Whether you're going camping or want a resort, you'll find it in Kentucky's top-ranked State Parks. Thirteen of the 34 are resort

parks offering complete vacations for the entire family. You'll find interesting history in museums and shrines. Before you go out-of-state, travel Kentucky in all its wonderful vacation areas. There are exciting things to do and see in Kentucky.

## KENTUCKY ASSETS

### Accommodations, Southern Cooking

With fare from old ham and red-eye gravy to filet mignon, Kentucky eating establishments watch their reputation for mouth-watering good food because owners are keenly aware that the vacationer travels on his stomach.

Increasing attention to good food at Kentucky's vacation resorts results in growing national acclaim for Kentucky and Southern cooking at its best.

In response to tourists' preferences, many restaurants throughout the state concentrate on menus which reflect Kentucky's eating traditions and regional foods.

From the Mississippi River east to the Appalachian highlands, travelers can find good food in home-owned and privately-operated restaurants, State Parks and in nationally-known chain restaurants.

MRS. KENTUCKY, Betty Pack Cox, Richmond, is one of thousands of Kentucky citizens who help promote Kentucky's travel attractions. The shopping bag she displays here was borrowed from the supply used by the Kentucky Department of Public Information at travel shows this spring in other states.

## From All Over Nation Tourists Explore Kentucky

Kentucky is host to millions of out-of-state tourists each year in its State and National parks and at such outstanding attractions as the Kentucky Derby.

The Travel Division of the Kentucky Department of Public Information is currently receiving from 3,000 to 5,000 letters a day from people in other states asking about Kentucky's attractions. Local tourist promotion groups also receive thousands of inquiries.

Kentucky is being promoted by colorful movies, advertisements in newspapers and magazines, travel show exhibits, systematic release of feature stories to all media and a score of other methods.

Promotion by the State and local organizations is a quick-return investment to attract tourist dollars to Kentucky's public and private attractions.

Kentucky's tourists come from every state in the nation and many foreign countries, with two-thirds of the total from Illinois, Tennessee, Indiana, Ohio, Michigan, Missouri, Texas, Virginia and Florida.

## NEW ROADS MAKE TRAVEL EASIER, SAFER

The new Western Kentucky Parkway stretches from Elizabethtown to Princeton and the Mountain Parkway from Winchester to Salyersville. These and other new and improved highways have set national road-building records for Kentucky.

ROBERT BELL

### Parks Head Is Lexington Man

Robert D. Bell, of Lexington, is commissioner of Kentucky's State Department of Parks.

The 34 parks, rated best in the nation, are a prime factor in Kentucky's growing tourist industry. Bell's task is to make the parks even better magnets for tourist dollars.

CAMPING IS A FAVORITE ACTIVITY

A Look At  
Education—by—  
Eugene Robinson

On May 28, 1964 at 1:30 p. m. all children entering the first grade next September will come to the Walton School Building to register. Parents, it is most important that all children be brought for this registration and orientation period. In the past we have done this a couple of days before school started, however, the feeling is that we might be of more service and can do better planning through the summer months if we do this early.

Also we will know who will be in our first grade and on basis of the information given us on May 28 we can keep in touch with the home in the summer, letting parents know what we hope to do as well as letting parents know what their responsibility is as parents of first graders. Pass this word on to your friends or anyone that may have a child entering first grade next fall and urge them to be present for this registration.

At the May 7th regular meeting of the Walton-Vernon Board of Education the following business was transacted: (1) Entered into a contract with the Boone County Health Department for health services for the 1964-65 school year at a fee of \$500.00. (2) Voted to allow the Verona Baptist Church to use the Verona School Building for Vacation Bible School during the month of June. (3) Voted to advertise for items to be used during the 1964-65 school year (see the advertisement in another section of this paper).

District FHA Meet  
At Pendleton High

On Saturday, April 4, 1964, the FHA Northern Kentucky District met at the Pendleton Memorial High School in Falmouth for the spring conference. The theme for the day was "The Role of Future Homemakers in the Family" and the goals for the conference were: To recognize the value of family unity as preparation for marriage; to carry on the business of the organization in an efficient way; to gain ideas for building a stronger chapter; to become better acquainted with other FHA'ers.

Twenty five members and an advisor, Mrs. Helen McElroy, attended this meeting from Simon Kenton High School.

Two of the district officers, Rita Trapp, parliamentarian, and Jo Ann Rust, treasurer, represented the Simon Kenton chapter and took part in the program. Other representatives from Simon Kenton were: Joan Wagner, who ran for Group II office; Linda Lunsford, who ran for Group I office; and June Wagner, who ran for Group I office and was elected to represent the Northern Kentucky District for State reporter at Lexington in June.

The following girls were elected as district officers for 1964-65: President, Diane Case, Erlangen County; First Vice President, Sandy Spillman, Walton-Vernon; Second Vice President, Iris Reinhardt, Campbell County; Secretary, Joyce Franklin, Grant County; Treasurer, Janice Stahl, Gallatin County; Historian, Eugene Woodward, Bracken County; Parliamentarian, Patsy Duncan, Williamstown; Reporter, Judy Watson, Walton-Vernon; Song Leader, Sharma Flaughter, Pendleton Memorial; and Recreation Leader, Mavis Meeks, Grant County.

The state officer candidates from the Northern Kentucky District are: Diane Case for Group I office from Bracken County chapter, and June Wagner for reporter from the Simon Kenton Chapter.

Those attending the district meeting from Simon Kenton were: Pam Schadler, Jo Ann Rust, Rita Trapp, Patsy Pfanzstel, Birdella Garbhard, Joanne Bridges, Mable Cason, Mary Ehlman, Sue Colson, June Wagner, Joan Wagner, Linda Lunsford, Linda Redman, Sandy Craddock, Betty Stanton, Carol Kaub, Linda Conley, Charlotte Richardson, Diane Milfield, Jane Hammond, Sandy LaPolette, Jane Kunkel, Billie Cheesman, Donna Grizzell, and Mary Vastine.

## "Paris In Spring" Dance

The Holy Cross Club at Latonia will be the setting for the "Paris In Spring Dance" to be held May 18. The dance is sponsored by the Ladies Auxiliary of the Taylor Mill Swim Club. For reservations you may call Mrs. William Lamont 358-5127 or Mrs. James Fagan 291-5945.

## WINS FHA AWARD

Miss Pam Schadler

Pam Schadler, president of the Simon Kenton FHA Chapter, was presented the FHA award for her outstanding work in FHA at the Mother-Daughter Banquet, April 23rd.

The standards for this award were: She must have a chapter degree; she must have been an active member of FHA for four years; she must have good character; she must be a good student; she must be courteous, attractive, punctual, dependable, and cooperative.

During her four years as a member of FHA, she has held the offices of song leader, secretary, first vice president, and president. She has served on program committees, banquet committees, sold candy, and has helped the chapter in many other ways.

Pam has attended seven district meetings and the state meeting last June. She was elected FFA Sweetheart this year, and she is ranked seventh in her graduating class.

Pam is the daughter of Mr. and Mrs. Mason G. Schadler of Walton.

## Junior Play May 15-16

"Pick-A-Dilly" is to be presented May 15 and 16 in the Walton-Vernon High School auditorium, according to the director, David Mason. The play is being presented by the junior class. Reserved seats are \$1.00, and general admission 75 cents.

Walton-Vernon  
Alumni Banquet

About one hundred and forty Walton-Vernon alumni, guests, and the 1964 seniors enjoyed a very pleasant evening Saturday when the annual alumni banquet was held at the WY gym.

The tables were beautifully decorated by the local high school FHA girls, and a delicious meal was served by Robertson's Restaurant catering service. The invocation was pronounced by Rev. Wilford Davis, pastor of Zion Baptist Church.

Dr. William M. Waller, president of the alumni association, presided, and presented the senior class of this year. He then recognized all the guests who were seated, according to the year they graduated.

The thirty-year class of 1934 was given special recognition. Only three of the ten graduates of that year were present: Mrs. Helen Vest Jones, Mrs. Margaret Johnson Wilson, and Frank M. DeMolles. Miss Katherine Scott, a favorite English teacher of this class and another one of graduates of this school, was introduced.

A short business meeting was conducted by the president at which time By-Laws were presented by Dan Roberts, and adopted by the association members.

Eugene Robinson, school superintendent, gave a short talk on "School Progress."

A short music program was presented by a quartet from the high school band: Kathleen Flynn, Clara Roberts, David Doggett and Janet Arnett, as well as a saxophone solo by Harry Sleet. All of these students rated "superior" in the recent music festival.

Rev. Walter Garriot, pastor of the Walton Methodist Church, gave the benediction.

Plan Kindergarten  
Programs May 19-21

The 1963-64 morning session of the Walton Kindergarten will have a program Thursday, May 21 at 7:30 p. m., in the Walton Baptist Church auditorium. The program is called "Kindergarten Memories" and the children will show their parents, families and friends some of the things learned this year. The children will have the same program at the same place on Thursday morning at 10:00 for those not able to attend in the evening. Mrs. Queenie H. Webster is director of this a. m. group.

The afternoon session of the Kindergarten will have their commencement program in the auditorium of the Baptist church on Tuesday, May 19 at 7:30 p. m. There are thirteen in this session of the kindergarten under the direction of Mrs. Mae Mattingly. For those who can not attend in the evening, there will be a program at 2:30 p. m. The public is invited to attend.

Both the morning and afternoon classes of the local kindergarten are sponsored by the Wa-Na Club of Walton.

## Social at Legion Home

Johnson-McElroy Unit, No. 277, American Legion Auxiliary will have a social at the Legion Home on High Street, Sunday, May 17, at 2:00 p. m. Proceeds will go into the Poppy fund for this year, and this money is used for rehabilitation. To buy gifts and supplies for veterans in VA hospitals. Your attendance will be greatly appreciated.

## Fish Fry-Barbecue at Piner

The Piner-Fiskburg Volunteer Fire Department is having a fish fry and barbecue on Friday, May 22, at the fire house, corner of L.L. Highway and Rich Road. Serving from 6:00 p. m. until 10:00 p. m.

The public is invited. Members who have not paid their dues for the year 1964 may do so at this time. Come out and get acquainted with your community volunteer fire department.

## BLOOD DONORS NEEDED

David Egan, son of Mr. and Mrs. Ed Egan, who reside just North of Walton, on Route 25, will undergo major heart surgery May 28, in Cincinnati. He needs at least 20 blood donors with A-positive type blood.

If you can give blood, please contact the Egan's at 445-4946 before Monday, May 18. If you are willing to donate blood, but do not know your blood type, but arrangements will be made to have a blood test made. If you know you have A-positive type, much time can be saved. The reason for the special type blood is that it will be used in the heart-lung machine during the process of surgery. Your help is solicited by the Egan family...won't you help?

## Degree Work at Bradford

Past Master Clayton Ledford of Bradford Lodge, 123, F&AM, of Independence, will confer the 1st and 2nd section of his son, and other candidates at a special meeting of the lodge on Saturday, May 16, at 8:00 p. m.

All members are urged to attend and all visiting Master Masons are welcome.

## "Shopping Spree"

Miss Bobby Jean Rogers, daughter of Mr. and Mrs. Charles Rogers of Alta Vista Drive, Walton, went on a "shopping spree" for food items that lasted only ten minutes, but resulted in purchases totaling \$300.47 at the Beigle IGA Super Market, Walton. Most of Miss Rogers' purchases were from the meat counter, consisting of beef and hams, and from the coffee shelf. A supply of frozen vegetables and pies were also selected.

This contest, sponsored by the Pepsi-Cola Company, was won on one lucky ticket.

A large crowd watched the shopper as she did her shopping at 11:30 a. m. Tuesday, May 12, at the local Beigle Market.

## RECEIVES STATE DEGREE

Miss Rita Trapp

Rita Trapp, a Senior at Simon Kenton High School, had her Future Homemakers State Degree approved recently. Rita has been an active member of FHA for four years. She is 2nd vice-president of the Simon Kenton Chapter and Northern Kentucky District Parliamentarian for 1963-64. Rita is the first girl in six years to receive this award for the State Degree from Simon Kenton.

Some of the projects involved in working on her degree were a budget for a period of six months and a clothing inventory along with a relationship project for three months. She is a commercial student and serves as Secretary for two teachers, and is in the Y-Teens, Tri-Hi-Y, Beta Club, Honor Club, and Student Council. She serves as reporter for the Kenton County 4-H Junior Council and does secretarial work for the Versailles Baptist Church.

Rita is the daughter of Mr. and Mrs. Daniel Trapp of Route 5, Covington.

## Library Group to Meet

"Friends of a Boone County Library" will hold their next meeting at the Conner Junior High School, Hebron, on Monday, May 18 at 8:00 p. m. Permanent officers will be elected at that time.

The group held its first meeting last Thursday evening at Conner School at which two members of the state Library Extension Service, Mrs. William Blackburn and Ray Mason, explained possible methods of financing county library service.

A planning Committee was appointed by Mrs. Roy Lutes, who presided at the meeting, to investigate the various methods suggested, considering local problems and possibilities. A petition method for obtaining a county-wide levy was passed by the last General Assembly and will go into effect as law on June 19th.

1964 Voluntary  
Wheat Program

The County Agricultural Stabilization and Conservation Office is anxious for all wheat growers to understand that all of the benefits of the 1964 voluntary wheat program will be available only to producers who sign up and then carry out provisions of the program.

The benefits include diversion payments for setting aside wheat acreage and devoting it to an approved conservation use, and also marketing certificates with a cash value on a large part of the participating grower's wheat crop. The certificates are worth 70 cents for the part of the wheat crop meant for domestic food, and 25 cents for the wheat for export. Farmers may receive the cash value of the certificates at the ASCS County Office after program participation has been checked. And these certificates are in addition to the regular price-support loan or the value of the wheat when sold in the market.

So the important thing to remember is, if you want wheat diversion payments and marketing certificates, you'd better file a program application at the ASCS County Office. The sign-up will extend only through Friday, May 15.

Literary Club Meets  
At Christian Church

The Walton Woman's Literary Club met Wednesday, May 6 at 2:00 p. m., in Fellowship Hall of the Walton Christian Church.

Mrs. Grace Knox, president, presided over the business session, and announced the KSWC convention in Lexington, May 21-22. She said the President's wife is to be there, and the spirit of 10,000 other club members who took part in the "Dimes for Liberty" drive will be there.

Mrs. Heinz Wahrnburg was chosen delegate to the convention. Mrs. Willis Berkshire, treasurer, reported \$58.35 on hand. The club then approved by vote \$5.00 to the crippled children's support.

Mrs. Berkshire had charge of the program, assisted by Miss Mary West. The spiritual guidance was given by Mrs. Robert M. Daniels from I Cor. 2:6-10.

Mrs. Rose Hamilton introduced the musical, Miss Becky Jones. Her selections were: Personal arrangement of the "Bumble Boogie," Lit's Hungarian Rhapsody, No. 2, in C Sharp Major, and Chopin's Polonaise in A Flat Major. This most unusual and talented performance called for encore again and again. "May our club soon be privileged to see and hear Becky again in her beautiful world of music," said the publicity chairman.

Members present: Mrs. Dan W. Bedinger, Mrs. Willis Berkshire, Mrs. C. S. Chambers, Mrs. Robert M. Daniels, Mrs. Wallace Grubbs, Mrs. Rose Hamilton, Mrs. W. W. Hon, Mrs. Grace Knox, Mrs. Salie Moore, Mrs. W. H. Presser, Mrs. Julia Rouse, Mrs. W. W. Rouse, Mrs. Sam Sleet, Mrs. F. S. Thompson, Mrs. D.
